COUNCIL COMMITTEE ITEM SUMMARY REPORT

MEETING DATE: OCTOBER 29, 2020
TO: CASPAR TRANSFER STATION SITING
EVALUATION
FROM: TABATHA MILLER, CITY MANAGER
AGENDA ITEM TITLE: Committee Request to Evaluate Alternative
Coastal Transfer Station Sites

BACKGROUND AND OVERVIEW:

At the September 17, 2020 Joint City/County Coastal Transfer Station Ad Hoc meeting, committee members suggested that a good starting point to evaluating alternative sites for a Coastal Transfer Station would be the twenty-five sites mentioned in the Diversion Strategies Draft Report and the original Environmental Impact Report.

In 2006, the City of Fort Bragg and the County of Mendocino hired Winzler & Kelly for a Solid Waste Transfer Station siting study. The study evaluated 25 potential sites and a Report of Findings was issued in June 2007. The Executive Summary, Project Background, Selection and Evaluation and Recommendations from that Report are attached for the Committee's review.

RECOMMENDATION:

Staff has no recommendation on this agenda item. Information is for Committee Members' review.
