New eComment for City Council - Via Video Conference

Jacob Patterson submitted a new eComment.

Meeting: City Council - Via Video Conference

Item: 5C. 21-105 Adopt Joint City Council/Municipal Improvement District Board Resolution Approving Budget Amendment 2021-08 Amending the Fiscal Year 2020-21 Budget for Mid-Year Budget Adjustments

eComment: I am concerned about the apparent funding source for the additional assistant planner position. I have heard the extra costs was supposed to be covered by the CDBG code enforcement grant funding but the budget amendment request information from the City's mid-year budget report clearly shows the source of the finding as the General Fund (see attached). Will the additional assistant planner expenses be funded out of the General Fund or out of CDBG grant funding? Please clarifying the source.
