

CITY OF FORT BRAGG

TREASURER'S REPORT

December 31, 2021

OVERVIEW

The City's investment objectives in order of priority are to provide safety, ensure the preservation of capital, provide sufficient liquidity for cash needs and earn a competitive rate of return (yield) within the confines of the California Government Code and the City Investment Policy.

- **Safety** – Safety of principal is the foremost objective of the investment program. Investments for the City will be made in a manner that seeks to ensure the preservation of capital in the overall Portfolio.
- **Liquidity** – The City's investment portfolio will remain sufficiently liquid to enable the City to meet all operating requirements, which might be reasonably anticipated.
- **Yield** – The City's investment portfolio shall be designed with the objective of attaining a market rate of return throughout the budgetary and economic cycles, taking into account the investment risk constraints, liquidity needs, and cash flow characteristics of the Portfolio.

To view the City's Investment and Fiscal policy, refer to the City's Annual Budget.

Reports on the City's investment portfolio and cash position are developed by the Finance Director/City Treasurer and reviewed by the Finance & Administration Committee quarterly.
