# Burbank Community Hospital celebrates Diamond Jubilee

Brother and sister teen stars Philip and Nancy McKeon are scheduled to kick off Burbank Community Hospital's Diamond Jubilee Anniversary Celebration 8K-4K run Saturday, Oct. 2.

Philip plays Tommy Hyatt on the television series "Alice," and Nancy is Joe on "Facts of Life."

Eighteen-year-old Philip was born in New York and began his acting career appearing in television commercials. Through his experience in commercials Philip landed a role in the film with Barbra Streisand "Up the Sandbox."

Consequently, his work in films led him to the Broadway stage where he performed in the dramatic play "Medea and Jason." He considers his work during that period to be one of his most valuable career experiences. In his early school life he attended parochial school and was active in sports like football, street hockey, stickball, roller-skating and baseball. Philip was catcher and relief pitcher on his Pop Warner Little League team.

After being offered the role of Tommy in the "Alice" series his entire family moved to Burbank where the show is produced.

Philip receives schooling on the "Alice" set of The Burbank Studios and attends an actor's workshop in addition to vocal lessons and a singing workshop. His favorite sports activity is tennis.

Recently Philip added singing to his list of performing attributes and made his debut on the "Dinah Shore Show." He also appeared as a guest entertainer at Marriott's "Great America" Park in San Jose.

charitable events. Co-hosting the youth segment of the United Cerebral Palsy Telethon and guesting on another one prompted the Northern California civic and business leader to name him Northern California Entertainer of the Year.

The son of Don and Barbara McKeon, Philip's favorite foods are steak, lobster and cheesecake and his favorite actor is Charlton Heston and actress is Barbra Streisand.

Philip's sister, Nancy, began her career at age 2 as a photographic fashion model. Modeling led to numerous television commercials and consequently gave her the opportunity to polish her acting technique.

Piano, dance and voice lessons occupy much of Nancy's time when she is not performing. She has appeared at several benefits for senior citizens and hospitals as a singer and has performed with the choral group from her school. She attends workshops and has worked for the American Film Institute on various projects.

In her school work, Nancy is also an honor student and is a member of the California Scholastic Federation.

Her favorite foods are steak, pizza and napoleons and she enjoys playing tennis, swimming and jazz dancing. She loves animals and has a black and silver German shepherd named George and a jet black part Siamese cat named Kaz.

Her television credits include "Secret Storm," "Another World," "Alice" and "Starky and Hutch." She has done voice overs for animated cartoons including Dolly Dog in "Puppies Great Adventure," and "Puppies Amazing Rescue" and Amelia in

CITY OF FORT BRAGG LIBRARY ADVISORY BOARD (LAB) APPLICATION

City of Fort Bragg  
City Clerk

February 15<sup>th</sup>, 2024

Please allow me to introduce myself as an enthusiastic lifetime user of the Public Library System and a multi generation, born and raised, Mendocino County Citizen. My name is Linda Thornquist Stumpf. I have been asked, by former 10yr LAB Member Janice Marcell, if I would consider serving as the Fort Bragg Library Advisory Board representative.

I have a background in Hospital and Healthcare Administration as well as patient care. I served as Director of Public Relations and Marketing in Hospital and Healthcare Settings. Held a Real Estate License, Insurance License and three different Healthcare Licenses. Served as a civilian Archaeologist for the Navy and was Commissioner of Archaeology for Mendocino County. Worked for Indian Health in Ukiah and Mendocino Coast Clinics in Fort Bragg. Was a representative of an NGO attending the United Nations "Decade of Women" conferences in Denmark and the world conference in Nairobi. These two conferences involved traveling to many countries studying both Women's and Children's issues. I served the Los Angeles District PTA on the Legislative Committee reviewing State and Federal Laws and their effect on schools. Since retirement in 2011 I volunteered 7 years for Hospice in home settings until Covid. I am actively involved and have held State and local positions in a Women's Service organization since joining in February 2020.

I more recently was asked, and became a member of the FFBL (Friends of the Fort Bragg Library) Board.

Thank you for considering my application.
