Section 19. LAYOFF AND RECALL POLICY

- 19.1. Whenever, in the sole judgment of the City Council, it becomes necessary to abolish any position due to a reorganization, lack of work or funds, or abandonment of activities, the employee holding said position may be laid off or demoted without the right of appeal. Whenever possible, employees will be given at least thirty (30) days notice of any layoff or demotion.
- 19.2. Order of Layoff.
 - 19.2.1. When a position has been abolished, any seasonal, emergency, probationary or temporary employee in that position classification shall be laid off first.
 - 19.2.2. The order of layoff of full-time regular employees shall be determined based on seniority and the employee's overall performance as a City employee. Any full-time regular employee who holds a position which will be abolished shall first be considered for reassignment to an existing vacancy in a lower or equal class, provided the employee is qualified for the vacant position and such vacancy exists. If reassignment is not feasible, and the layoff involves a position classification held by more than one person, layoffs will be made based on the following criteria. Selection for retention shall be based equally upon performance as determined and supported in writing by each supervisory level involved and upon seniority of service. Therefore, this policy does not preclude the retention of employees who have less seniority in the position classification which is the subject of reduction in force action. Seniority will be determined by including all periods of full time regular service at or above the classification level where the layoff is to occur.

SECTION 38. DEFINITION OF TERMS5959

Section 1. INTRODUCTION

- 1.1. These Personnel Rules and Regulations (hereafter "Rules") generally describe the employment relationship between the City of Fort Bragg and its employees. These Rules apply to all City employees, except where otherwise indicated in these Rules or where an applicable memorandum of understanding ("MOU") specifically conflicts with a Rule, in which case the MOU provision shall govern. As specified herein, some Rules apply only to employees in the "Classified Service." The "Classified Service" consists of all full-time employees of the City, but does not include elected officials, Council appointees, the City Manager, members of the executive management group, appointive officers serving without compensation, or part-time, temporary, provisional, seasonal or emergency employees.
- 1.2. These Rules were established to conform and be complementary to the City's Municipal Code. In cases where there is deemed to be a conflict between a Rule and the Municipal Code, the Municipal Code shall prevail.
- 1.3. Department managers may issue additional rules or policies as deemed necessary for the efficient administration of the department. However, such departmental rules or policies shall not conflict with these Rules. In cases where there is deemed to be a conflict between a department rule and these Rules, these Rules shall prevail.
- 1.4. These Rules may be amended from time to time. However, in order to be effective, the amendment must be in writing and approved by City Council. Whenever such amendments affect the wages, hours or other terms or conditions of employment, they shall be subject to the meet and confer process as established by State law and the City's Employer-Employee Organization Relations Resolution.
- 1.5. Each employee will be given a copy of these Rules and is responsible for reading and complying with these Rules.

Section 2. EMPLOYER/EMPLOYEE RELATIONS

- 2.1. The City's labor relations policies are governed by the Meyers-Milias-Brown Act (MMBA), Government Code section 3500 et seq. The City has in place an Employer-Employee Organization Relations Resolution which specifies the City's local rules, rights and obligations regarding labor relations.
- 2.2. Under the City's Employer-Employee Organization Relations Resolution and the MMBA, the City recognizes certain employee organizations as the exclusive representative for purposes of labor negotiations. For represented employees, the City meets and confers with employee labor representatives regarding wages, hours and others terms and conditions of employment, and provides advance notice of certain matters as specified by the City's labor relations resolution. Employee pay schedules and various benefits are set forth in memoranda of understanding (known as "MOUs") agreed upon by the City and the recognized labor representatives.

- 2.3. Employees having questions concerning matters included in their MOUs may contact their labor representative or the City's Human Resources Department directly.

Section 3. POSITION CLASSIFICATION

- 3.1. The City Manager or their designee shall prepare a Position Classification Plan which sets forth all the positions in the classified service of the City including position title and a general description of the duties and responsibilities of each position. The Position Classification Plan shall also group all positions in the classified service into classes. Positions within the same class will be approximately of equal difficulty and responsibility, require the same general qualifications, and can be equitably compensated within the same range of pay under comparable working conditions.
- 3.2. The classification or position descriptions may be abolished or amended from time to time by the City Manager as deemed in the best interest of the City service. In addition, new classification or position descriptions may be added to the City's Position Classification Plan. If new positions are added to the City service, such positions shall be allocated to an appropriate class by the City Manager or their designee.
- 3.3. If employees believe they are performing work outside the scope of the classification description covering their position, they should report the information, in writing, immediately to the City Manager. If deemed appropriate by the City Manager, a review of the employee's duties will be conducted, in consultation with the employee and the employee's department manager. The City Manager or their designee will notify the employee and department manager of the final determination. If appropriate, the employee's position may be reallocated to a different classification. The City Manager, in their discretion, may require the employee to successfully complete a promotional examination before being reallocated to a higher classification, and shall may require the employee to serve a probationary period in the new classification. Request of such a classification review shall be limited to once per calendar year.
- 3.4. Promotion without Examination. If the scope of duties which a regular employee is performing is determined to be in a higher classification, the City Manager or their designee may approve the employee's reclassification to the higher classification without examination; provided, however, that all of the following conditions are met:
- (1) The employee has been performing such higher duties for a period of not less than six (6) months prior to the date the position was reviewed;
 - (2) The higher duties have been assigned to the employee as part of the natural growth of the position within the department involved and there appears to be no evidence of evasion of the compensation plan relating to promotions;

- (3) The employee so promoted shall serve a probationary period in the higher classification for the time as specified in Section 5.2.2 of these Rules;
- (4) Said employee shall receive the salary assigned to the higher position from the date of probationary appointment to the higher position.

Section 4. RECRUITMENT, SELECTION AND APPOINTMENT FOR CLASSIFIED EMPLOYEES.

4.1. Recruitment.

- 4.1.1. The City may utilize any legitimate recruitment procedure for attracting qualified applicants. Recruitments may be “open” or may be limited to City employees, depending on the City’s needs. While it is the City’s policy to recruit the best qualified applicants for City positions, the City will make efforts to promote persons already employed by the City.
- 4.1.2. The City will give reasonable notice to all of its employees concerning the City’s employment opportunities. Announcements of promotional selection processes shall be supplied to City employees via email and/or posting on the City’s website. Department managers may call such announcements to the attention of employees in the department who might be interested.

4.2. Applications for Employment.

- 4.2.1. Each candidate for City employment shall complete those applications forms designated by the City. An applicant’s failure to provide complete and accurate information on all application materials shall be grounds for immediate disqualification in the application process, and may result in dismissal from employment. Once submitted to the City, applications shall not be returned.
- 4.2.2. The City provides employment-related reasonable accommodations to qualified individuals with disabilities within the meaning of the California Fair Employment and Housing Act and the Americans with Disabilities Act. If an applicant desires a reasonable accommodation in order to participate in the application or selection process, the applicant should submit a written request to the Human Resources office
- 4.2.3. Applicants must submit applications on or before the filing deadline stated in the job announcement. However, the Human Resources Department may permit a letter, resume or other indication of interest to be accepted, pending timely receipt of a properly completed application.
- 4.2.4. When necessary to meet continued requirements for filling positions due to non-availability of applicants for a class or position, or due to a high turnover rate, the closing date for any selection process may be indefinite and applicants may be tested continuously in such manner and at such times and places as may be provided by the City. Applicants who fail to achieve a passing score in such an open continuous examination may not compete again until the lapse of ninety (90) days between the first and second testing and one hundred and twenty

(120) days between the second and third such testing, unless stipulated to the contrary on the job announcement. The City may exclude such applicants from further testing at its discretion.

- 4.2.5. As part of the pre-employment procedure, applicants may be required to supply references, and submit to a thorough background check by the City. In addition, all employees must be physically and mentally capable of performing the essential functions of their jobs with or without reasonable accommodation. The City shall have the right to conduct a complete and exhaustive background investigation on all applicants seeking employment in the City of Fort Bragg, including a criminal background check, where applicable, and a medical and/or psychological examination by City-retained medical practitioners, where deemed appropriate by the City. Any medical or psychological examination shall be conducted only after a conditional job offer has been made and, in accordance with applicable law.
- 4.2.6. If an applicant is disqualified from appointment to a position for failing to meet the medical and psychological standards for the job class, the applicant may file a written request to review the disqualification. Such request must be submitted to the Human Resources Office no later than five (5) working days after the postmarked date of the notification of disqualification. The applicant may submit medical evidence supporting their claim that they should not have been disqualified. The City Manager will review submitted documents and make a final determination. If the disqualification is upheld, the applicant has no further right to appeal.
- 4.3. **Disqualification or Rejection of Application.**
- 4.3.1. The City may reject or disqualify the application of any person for admission to a selection process, or decline to examine an applicant, or withhold a person from the eligible list for certification for any legitimate reason. An applicant who is not already employed by the City has no right to grieve or appeal any such actions by the City.
- 4.4. **Selection and Examination/Assessment Process.**
- 4.4.1. All hiring, including promotions, to positions in the classified service shall be made according to merit and fitness. The City may utilize any legitimate objective method to determine the qualifications of applicants, including without limitation, written tests, physical agility tests, oral examinations, panel interviews assessment centers and oral interviews. The City may rate the candidates and list successful applicants on a "list of eligibles."
- 4.4.2. If candidates fail to qualify as eligibles for the class for which the selection process was instituted, those candidates may, with the approval of the Human Resources Office, be rated with reference to their eligibility for a lower position class for which a selection process is in progress, in case any of the candidates have indicated willingness to accept appointment to positions in any such lower class.

- 4.4.3. Candidates shall be given written notice of whether they passed or failed the examination/assessment process. Within five (5) working days of the postmarked date of this notice, candidates may inspect their examination papers and request to have ratings reviewed and corrected if the candidate believes any error in the testing has occurred. Such corrections so made will be evaluated by the Human Resources Office and appropriate action taken. To make an inspection of examinations papers, the candidate must schedule an appointment during regular business hours in the Human Resources Department. Candidates may be prohibited from inspecting examination papers if review of such materials is prohibited by the consulting agency that prepared the examination. Candidates cannot have access to the rating sheets of the individual raters, but may have access to a composite description of the rating sheets, upon request.
- 4.4.4. Candidates who fail the examination/assessment process may not reapply for the same position for 12 months from the date of initial application. Such candidates are not barred from applying for any other City position during the 12-month waiting period.
- 4.4.5. When deemed appropriate by the City Manager or their designee, vacancies within the classified service may be filled by promotion of employees. Such promotion shall be based on an internal competitive selection process, taking into consideration the employees' performance evaluations and past City service and other legitimate criteria as determined by the City Manager or their designee.
- 4.4.6. The City Manager or their designee may authorize a noncompetitive promotional selection process to establish eligibility for appointment to a higher class as a result of a reclassification or creation of a new classification.
- 4.5. **Eligible Lists.**
- 4.5.1. An eligible list shall be prepared indicating the names of those candidates qualifying for appointment, ranked based on the selection process. New names may be added to the list from time to time upon obtaining additional qualified candidates pursuant to the selection process. Names of eligibles accepting other than regular full-time appointment shall remain on the eligible list during the life of said list, unless removed for other reasons.
- 4.5.2. The eligible list shall be maintained for the duration specified by the Human Resources Office.
- 4.5.3. The Human Resources Office may remove or withhold from certification the name of an eligible on an eligible list for any legitimate reason. Whenever the name of an eligible on a list is removed or withheld from certification, the person whose name is removed shall be informed of the action and the reasons therefore, via letter forwarded to the last address of record.
- 4.5.4. When vacancies in the classified service occur, the department manager may submit a request for a list of eligibles to fill the vacancy. Upon receipt of this request, the Human Resources Office shall certify in writing the names of eligibles on the appropriate eligible list who are willing to accept the position for which certification is requested. An employee who is being paid at a salary rate higher than the base rate established for the class may be reduced in increments of two and one-half percent (2-1/2%) upon the recommendation of the department manager and approval of the City Manager. Such action shall cause the employee to receive a new merit review date. The new date shall be based upon the effective date of their reduction. Such salary reduction shall be consistent with the Rules pertaining to disciplinary actions contained herein.

- 12.5. These Rules do not preclude the creation of separate management pay plans which, if adopted by the City Council, must be administered as separate compensation plans in accordance with the procedures adopted for such plan(s) by the City Council.

- 15.2.13.1. Pregnancy Disability Leave. The City shall provide pregnancy disability leave to eligible employees in accordance with applicable law. An employee who is disabled by pregnancy may take a maximum of four months off work for pregnancy disability, childbirth or related medical conditions. The employee also may be eligible for intermittent leave or a reduced work schedule during their pregnancy if medically necessary. Employees must notify their immediate supervisor of any medical restrictions caused by the pregnancy. The City may require that the employee provide a medical certification indicating there is a medical need for the employee to take the time off or receive accommodation while continuing to work. Pregnancy disability leave qualifies for leave under the FMLA but not under CFRA. During pregnancy disability leave, employees are entitled to FMLA benefits in accordance with the Family and Medical Leave policy.
- 15.2.13.2. Parental Leave. After the employee's pregnancy disability ends, the employee is eligible for CFRA leave, in accordance with the Family and Medical Care Leave policy, to care for a newborn. Such requests may be granted within the discretion of the Human Resources Office in consultation with the employee and department manager.
- 15.2.14. Service-Connected Injury or Illness Leave. Employees suffering injuries in the course and scope of their work may be entitled to workers' compensation benefits in accordance with state law. Employees having questions should contact the Human Resources Office.
- 15.2.14.1. Integration of Benefits. If an employee is on leave and is receiving workers' compensation payments, the employee may continue to receive full pay from the City by requesting that the maximum weekly disability benefits be supplemented by the use of sick leave benefits. Under this option, the employee would tender their workers' compensation payments to the City and the City would then continue to issue paychecks and deduct the value difference between the workers' compensation payments and the employee's regular pay from the employee's sick leave allotment.
- 15.2.14.2. Fitness for Duty. When an employee seeks to return to work after being on injury or illness leave, the employee must provide medical certification that they are physically able to perform the duties of their position. The City may require the employee to undergo a fitness for duty examination before returning to work. If the employee is not fit to perform their duties, the City may consider placing the employee in another position, seek the employee's retirement or separate the employee in accordance with applicable law.

In accordance with Military & Veterans Code section 395.02, employees may be eligible to receive their salary for the first 30 days of military leave. The City may adopt a policy providing pay beyond this 30-day limit. Employees on military leave shall accrue sick leave, vacation leave, holiday privileges and seniority for the first 180 days of military duty, in accordance with state law. After the first 180 days of military duty, employees shall not continue to accrue such benefits unless otherwise expressly provided by City policy.
- 15.2.16. **School Activity Leave.** Employees who are parents, guardians or grandparents of a child in kindergarten through grade 12 may take up to forty (40) hours per year, not exceeding eight (8) hours in a month, to participate in the child's school activities. The employee must use accrued vacation, floating holiday or compensatory time for this leave. Prior notice of the need for this leave must be given to the immediate supervisor.
- 15.2.17. **Voting Time.** Time off with pay to vote in any general, direct primary or presidential primary election shall be granted as provided by state law. Employees must give prior notice to their immediate supervisors of their need to take such time off.
- 15.2.18. **Other Authorized Leaves With Pay.** The City Manager or department manager may authorize employees to take leave with pay for training, conferences or meetings connected with City business. Authorized members of employee organizations may take leave with pay to meet and confer or consult with City representatives, and perform necessary representational functions at times prearranged and approved by their department managers.
- 15.2.19. **Unauthorized Leave of Absence.** Any unauthorized leave of absence by an employee from duty shall be grounds for disciplinary action and/or discharge. When an unauthorized leave of absence is caused by extenuating circumstances, such absence may be approved by the City Manager by a subsequent grant of leave, with or without pay. The subsequent approval is within the discretion of the City Manager. The employee must submit a written request for the retroactive grant of leave and include an adequate explanation of the reason for the leave.
- 15.3. **Accommodation For Employees With Disabilities**
- The City provides employment related reasonable accommodations to qualified individuals with disabilities within the meaning of the California Fair Employment and housing Act and the Americans with Disabilities Act.
- 15.3.1 If an employee believes they has a disability, the employee may request a reasonable accommodation for that disability. Such requests should be submitted to the employee's department manager or Human Resources Office.

- 15.3.2 After receipt of reasonable documentation of disability and/or fitness for duty, the City will arrange for a discussion, in person or via telephone, with the applicant or employee, and their representative, if any. The purpose of the discussion is to work in good faith to fully consider all potential reasonable accommodations.
- 15.3.3 The City determines, in its sole discretion, whether reasonable accommodations(s) can be made, and the type of accommodations(s) to provide. The City will not provide accommodations(s) that would pose an undue hardship upon City finances or operations, or that would endanger the health or safety of the employee or others. The City will inform the employee of its decision as to reasonable accommodations(s) in writing.

Section 16. FAMILY AND MEDICAL LEAVE

16.1. Purpose.

The City will provide unpaid family and medical care leave for eligible employees in accordance with the requirements of state and federal law. Rights and obligations which are not specifically set forth below are set forth in the regulations implementing the Family and Medical Leave Act ("FMLA") and the California Family Rights Act ("CFRA"). - (2) Single means a 12-month period which begins on the first day the eligible employee takes FMLA leave to take care of a covered service member and ends 12 months after that date.
- (3) The definition of “Child” as it applies to the applicable leave regulation are outlined below.
 - a. FMLA defines a child as under the age of 18 years of age, or 18 years of age or older who is incapable of self-care because of mental or physical disability. An employee’s child is one for whom the employee has actual day-to-day responsibility for care and includes a biological or adopted or foster or step-child.
 - b. FMLA provides a child is “incapable of self-care” if they requires active assistance or supervision to provide daily self-care in three or more of the activities of daily living or instrumental activities of daily living-such as, caring for grooming and hygiene and bathing, dressing and eating, cooking, cleaning, shopping, taking public transportation, paying bills, maintaining a residence, and/or using telephones and directories.
 - c. CFRA defines a child as an employee’s child for whom the employee has actual day-to-day responsibility for care and includes a biological or adopted or foster or stepchild. CFRA does not differentiate between over/age 18 or in terms of being capable/incapable of self-care because of mental or self-care. The child does not need to reside in the same household as the employee.
- (4) “Grandchild” means a child of the employee’s child in CFRA.

- (5) "Parent" means a biological parent of an employee or an individual who stood in *loco parentis* (in place of the parent) to an employee when the employee was a child. This term does not include parents-in-law.

If the medication is over the counter, and can be initiated without a visit to a health care provider, it does not constitute a regime of continuing treatment.

- c. Any period of incapacity due to pregnancy or for prenatal care. This entitles the employee to FMLA leave, but not CFRA leave. Under California law, an employee disabled due to pregnancy is entitled to pregnancy disability leave up to a maximum of four months. 16.5. **Amount of Leave**

16.5.1. Eligible employees are entitled to a total of twelve (12) workweeks (or 26 weeks to care for a covered service member) of leave during a twelve (12) month period. Where FMLA leave qualifies as both military caregiver leave and care for a family member with a serious health conditions, the leave will be designated as military caregiver leave first. Twelve (12) weeks means the equivalent of twelve (12) of the employee's normally scheduled work weeks. For eligible employees who work more or less than five (5) days a week or who work alternative work schedules, the number of working days that constitute twelve (12) weeks is calculated on a pro rata or proportional basis.

16.5.2. Minimum Duration of Leave. "Medically necessary" means there must be a medical need for the leave and that the leave can best be accomplished through an intermittent or reduced leave schedule. The leave may not exceed a total of twelve (12) weeks over a twelve (12) month period.

16.7. **Substitution of Paid Accrued Leaves**

16.7.1. Leave under this policy is unpaid. If an employee is on an unpaid FMLA/CFRA leave, they is required to use their accrued sick leave or vacation leave concurrently with FMLA/CFRA leave. Employees must use accrued sick leave

concurrently with the leave if the leave is for Pregnancy Disability or the employee's own serious health condition. .

- 16.7.2. If an employee is on a paid leave such as Workers Compensation, disability, Paid Family Leave, etc., employees may elect to use vacation, accrued sick leave and/or accumulated compensatory time to substitute for all or part of the otherwise unpaid leave under this policy. However, the City shall not require peace officers or firefighters to use Labor Code section 4850 leave concurrently with Family and Medical Leave.
- 16.7.3. If an employee takes a leave of absence for any reason which is FMLA/CFRA qualifying, the City may designate that leave as running concurrently with the employee's 12-week FMLA/CFRA leave entitlement, provided the City will notify the employee at the time of the designation, and the designation will not be made retroactively except as provided by law.

If the employee's FMLA leave is unpaid, the City shall maintain the employee's health coverage for a maximum of twelve (12) weeks in a twelve-month period. If the employee's PDL is unpaid, the City shall maintain the employee's health coverage for a maximum of four months over the course of a 12 month period, beginning on the date of pregnancy disability leave begins.
- 16.8.2. In the event the an employee is disabled by pregnancy and also uses leave under the CFRA, the City will maintain the employee's health benefits while the employee is disabled by pregnancy (up to four months or 17 weeks) and during the employee's CFRA leave (up to 12 weeks).

The City may recover its share of the health care premiums paid on behalf of the employee while the employee was on the leave. See Section 16.17
- 16.9. **Medical Certification**
- 16.9.1. Employees who request leave for their own serious health condition, or to care for a child, parent, or spouse or domestic partner who has a serious health condition, must provide written certification from a health care provider of the individual requiring care.

- 16.9.2. If the leave is requested because of the employee's own serious health condition, the certification must include a statement that the employee is unable to work at all or is unable to perform the essential functions of their position. In cases where employees request intermittent leave, employees must submit medical certification which states that such intermittent leave is needed due to the employee's serious health condition.

The first time an employee requests leave because of a qualifying exigency, the City may require the employee to provide a copy of the covered military member's active duty orders or other documentation issued by the military which indicates that the covered military member is on active duty or call to active duty status in support of a contingency operation, and the dates of the covered military member's active duty service. A copy of new active duty orders or similar documentation shall be provided to the City if the need for leave because of a qualifying exigency arises out of a different active duty or call to active duty status of the same or a different covered military member.
- 16.10. **Time to Provide a Certification.**
- 16.10.1. When an employee's leave is foreseeable, the employee must provide the medical certification within thirty (30) days before the leave begins. When this is not possible, the employee must provide the requested certification within the time frame requested by the City.
- 16.10.2. Consequences for Failure to Provide an Adequate or Timely Certification. If an employee fails to provide a medical certification with the timeframe established in 16.10.1, the City may delay the taking of FMLA/CFRA leave until the required certification is provided. If an employee provides an incomplete medical certification the employee will be given a reasonable opportunity to cure any such deficiency. If the City does not receive a adequately completed medical certification in a timely manner, the City may deny the request for FMLA
- 16.10.3. Second and Third Medical Opinions
- If the City has reason to doubt the validity of a certification, the City may require a medical opinion of a second health care provider chosen and paid for by the City. If the second opinion is different from the first, City may require the opinion of a third provider jointly approved by the City and the employee, but paid for by the City. The opinion of the third provider will be binding. An employee may request a copy of the health care provider's opinions when there is a second or third medical opinion sought.
- 16.11. **Recertification**
- 16.11.1. If the City has reason to doubt the validity of a medical certification provided by an employee, the City may require a medical opinion of a second health care provider chosen and paid for by the City. If the second opinion is different from the first, the City may require the opinion of a third provider jointly approved by

the City and the employee, but paid for by the City. The opinion of the third provider will be binding. An employee may request a copy of the health care provider's opinions when there is recertification.

16.11.2. Recertification may be requested under the following conditions:

- (1) When the basis for FMLA request has changed;
- (2) When the employee requests an extension of leave; or
- (3) At reasonable intervals requested by the City, but not to be more than every thirty (30) days, unless one of the aforementioned criteria also applies.

16.12. **Procedures for Requesting Leave.**

All employees requesting leave under this policy must submit proper Family and Medical Leave forms to the Human Resources Office. Although the City recognizes that emergencies arise which may require employees to request immediate leave, employees are required to give as much notice as possible of their need for leave. If leave is foreseeable, at least thirty (30) days notice is required. In addition, if any employee knows that they will need a leave in the future, but does not know the exact date(s) (e.g., for the birth of a child or to take care of a newborn), the employee shall inform their supervisor as soon as possible that such leave is needed. Such notice must be submitted in writing. If the City determines the notice of the employee is inadequate or the employee knew about the requested leave in advance of the request, the City may delay the granting of the leave until it can, in its discretion, adequately cover the position with a substitute.

16.13. **Accrual of Benefits While on Leave.**

Employees will not accrue benefits while in an unpaid leave status, including seniority rights, vacation and sick leave accrual.

16.14. **Reinstatement Upon Return From Leave**

16.14.1. Right to Reinstatement. Upon the expiration of leave, an employee is entitled to be reinstated to the position of employment held when the leave commenced, or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment. Employees have no greater rights to reinstatement, benefits and other conditions of employment than if the employee had been continuously employed during the Family and Medical Leave period.

If a definite date of reinstatement has been agreed upon at the beginning of the leave, the employee will be reinstated on the date agreed upon. If the reinstatement date differs from the original agreement of the employee and City, the employee will be reinstated within two business days, where feasible, after the employee notifies the employer of their readiness to return.

16.15. **Employee's Obligation to Periodically Report on Their Condition**

Employees may be required to periodically report on their status and intent to return to work. This will avoid any delays in reinstatement when the employee is ready to return.

16.16. **Fitness for Duty Certification**

As a condition of reinstatement of an employee whose leave was due to the employee's own serious health condition, which made the employee unable to perform their job, the employee must obtain and present a fitness-for-duty certification from the health care provider that the employee is able to resume work. Failure to provide such certification may result in denial of reinstatement.

16.17. **Failure to Return From Leave.**

If an employee uses Family and Medical Leave and fails to return to work for the City, for a continuous period of at least one (1) month, the City may recover its share of health care premiums paid on behalf of the employee while the employee was on leave. The City reserves the right to seek reimbursement from the employee by any legal means.

16.18. **Reinstatement of "Key Employees"**

The City may deny reinstatement to a "key" employee (i.e., an employee who is among the highest paid 10 percent of all employed by the City within 75 miles of the work site) if such denial is necessary to prevent substantial and grievous economic injury to the operations of the City, and the employee is notified of the City intent to deny reinstatement on such basis at the time the employer determines that such injury would occur. This applies to FMLA only.

Section 17. PAID FAMILY LEAVE

17.1. **Eligibility.**

17.1.1. Employees who are covered by State Disability Insurance (SDI) are eligible for Family Temporary Disability Insurance (FTDI) benefits while taking care of family member(s). These benefits are paid by the State Employment Development Department. There is no requirement that the employee have worked for the City any particular length of time before being entitled to this leave. However, no employee can receive more FTDI benefits than they earned in wages during the base period for calculating benefits. Employees are not eligible if they are receiving State Disability Insurance (SDI), workers' compensation or private insurance payments in lieu of such payments.

17.1.2. Employees are eligible for this leave under the following circumstances:

- (1) For the birth and care of a newborn child, or the placement and initial care of an adopted or foster care child, or

- (2) To care for an employee's spouse, child, parent or registered domestic partner with a serious health condition. However, an employee is not eligible to receive FTDI benefits for any day that another family member is able and available for the same period of time that the employee is providing care.

17.1.3. Definitions of all applicable terms will be in accordance with state law relating to Family Temporary Disability Insurance (California Unemployment Insurance Code section 3300 et seq.).

17.2. **Request for Leave**

Requests for paid family leave must be approved in advance by the employee's supervisor and Human Resources Office. Since the need for the family leave is included within the need for Family Care and Medical Leave, the same procedures for making requests for Family Care and Medical Leave and scheduling of leave shall apply to requests for Paid Family Leave. As with Family Care and Medical Leave, the employee must submit medical certification to the City to justify the request for such leave.

17.3. **Duration of Paid Family Leave**

According to law, employees are entitled to a maximum of six (6) weeks paid family leave in a twelve-(12) month period. Such leave runs concurrently with Family and Medical Leave. An employee is not entitled to more than a maximum of twelve (12) weeks leave in a twelve (12) month period to care for a family member.

17.4. **Compensation During Leave**

According to law, employees are entitled to be paid FTDI benefits while on family leave, replacing approximately fifty-five percent (55%) of an employee's wages. Payment for these benefits is funded through employee contributions to SDI. The employee is solely responsible to apply for this compensation from the State Employment Development Department (EDD). The City has no obligation to ensure that employees receive FTDI payments.

17.5. **Integration of Benefits**

If an employee is on Paid Family Leave and is receiving FTDI benefits, the employee may continue to receive full pay from the City by requesting that the maximum weekly FTDI benefits be supplemented by the use of accrued paid leave benefits. Under this option, the employee would tender their FTDI payments to the City and the City would then continue to issue paychecks and deduct the value difference between the FTDI payments and the employee's regular pay from the employee's sick leave allotment.

17.6. **Waiting Period and Use of Vacation**

The law requires that there be a seven (7) day "waiting period" before an employee on family leave may begin receiving FTDI payments. If available,

employees must use two (2) weeks of earned and unused vacation before receiving FTDI benefits. The first week of vacation shall count as the “waiting period” before the employee may begin receiving FTDI payments.

Section 18. CATASTROPHIC LEAVE PROGRAM

18.1. Policy

 - 19.2.1. When a position has been abolished, any seasonal, emergency, probationary or temporary employee in that position classification shall be laid off first.
 - 19.2.2. The order of layoff of full-time regular employees shall be determined based on seniority and the employee's overall performance as a City employee. Any full-time regular employee who holds a position which will be abolished shall first be considered for reassignment to an existing vacancy in a lower or equal class, provided the employee is qualified for the vacant position and such vacancy exists. If reassignment is not feasible, and the layoff involves a position classification held by more than one person, layoffs will be made based on the following criteria. Selection for retention shall be based equally upon performance as determined and supported in writing by each supervisory level involved and upon seniority of service. Therefore, this policy does not preclude the retention of employees who have less seniority in the position classification which is the subject of reduction in force action. Seniority will be determined by including all periods of full time regular service at or above the classification level where the layoff is to occur.

Names shall be placed on the re-employment list in order of date of layoff. The re-employment list will be used by the City when a vacancy arises in the same or lower classification of position in the department where the layoff originally occurred. The City shall use this list before any other eligible list and before seeking general applications from others. The City, in its discretion, may extend the active period of the re-employment list.
- 19.4. This policy does not apply to at-will employees.

- (15) Discourteous or offensive treatment of the public or other employees;
- (16) Falsifying any City document or record;
- (17) Misuse of City property; improper or unauthorized use of City equipment or supplies; damage to or negligence in the care and handling of City property;

The Notice of Intent to Discipline shall state that the employee has a right to respond, either orally or in writing, before discipline is imposed.

20.5.3. Discipline in Severity of Five Working Days or Less

- 20.5.3.1. The responsible Department Manager shall set the pre-discipline meeting approximately one (1) week from the date of the Notice of Intent to Discipline, unless a different time and date is set by mutual agreement. The employee shall be entitled to a representative of their choice; provided, however, that the inability of a particular representative to attend the meeting shall not be a cause requiring a postponement of the meeting. At the meeting, the employee shall be provided the opportunity to respond to the charges and to present any new information for consideration by the Department Manager. Following the informal meeting, the responsible Department Manager shall provide the City Manager with a report of the pre-disciplinary meeting including a recommendation of discipline.

- 20.5.3.2. At some reasonable time after the employee has been provided an opportunity to respond to the charges, the City Manager shall issue a final notice of discipline. The notice shall include the final disposition, the effective date of the discipline and the facts upon which the discipline is based. No further appeal shall be permitted.

20.5.3.3. If the employee chooses to respond in writing rather than attend the pre-discipline meeting, the written response shall be reviewed and filed in the employee's personnel file. No further appeal shall be permitted.

20.5.4. Discipline in Severity of More than Five Working Days

20.5.4.1. For discipline that is greater in severity than a suspension of five (5) working days, a reduction in pay of five (5) working days or other more severe form of discipline as enumerated in Section 20.2.1, the City shall issue a Notice of Intent to Discipline, describing the intended discipline, the basis for the discipline and attaching any documents upon which the discipline is based. The Notice of Intent to Discipline shall state that the employee has a right to respond, either orally or in writing, before discipline is imposed. The City shall set the pre-discipline meeting approximately one (1) week from the date of the notice, unless a different time and date is set by mutual agreement.

20.5.4.2. For discipline that is greater in severity than a suspension of five (5) working days, the City Manager shall designate a City official who is uninvolved in the matter who shall convene a meeting to review the employee's response and position before imposing discipline. The employee shall be entitled to a representative of their choice; provided, however, that the inability of a particular representative to attend the meeting shall not be a cause requiring a continuance of the meeting. At the meeting, the employee shall be provided the opportunity to respond to the charges and to present any new information for consideration by the City.

20.5.4.3. At some reasonable time after the employee has been provided an opportunity to respond to the charges, the City shall issue a final notice of discipline. The notice shall include the final decision, the effective date of the discipline and the facts upon which the discipline is based.

The notice of appeal must be received within seven (7) calendar days from the date of the final notice of discipline, or the right to proceed to the next appeal level under these Rules shall be forfeited and the discipline shall become final.

20.6.2. The appeal shall be heard by an independent hearing officer to be selected by the City.

20.6.3. The costs of the hearing officer shall be borne by the City. Either party may request that the matter be transcribed, and the requesting party shall bear the expense of the transcript and court reporter's fees. If the transcript is jointly requested by both parties, both parties will share equally in the expense of the transcript and court reporter's fees.

- 20.6.4. The hearing officer shall have the authority to convene the hearing, receive evidence through testimony and documents and to make findings of fact and conclusions about the discipline. Within two (2) months of the close of the hearing, the hearing officer shall serve a recommended decision on the City Manager and the employee. The hearing officer's decisions must contain detailed findings of fact relating to the disciplinary charges. The decision may include a recommendation regarding outcome, but the final decision regarding discipline rests with the City Manager. After consideration of the hearing officer's recommended decision, the City Manager shall issue a final decision in writing. The City Manager's decision is reviewable by administrative writ of mandamus within the timeframes established by law.

Section 21. APPEAL PROCEDURE FOR NON-DISCIPLINARY GRIEVANCES

- 21.1. This appeal procedure is intended to provide an avenue only for redress of complaints that the City has violated these Rules. However, this appeal procedure may not be used for any of the following: to appeal discipline, change wages, hours or working conditions; to challenge the content of employee evaluations; or to challenge a reclassification, layoff, transfer, denial of reinstatement or denial of salary increase.

Part time, seasonal and temporary employees may utilize this procedure up to the Human Resources Director/City Manager level only. The Human Resources Director/City Manager's decision regarding the grievance shall be final and binding.
- 21.3. Every effort should be made to resolve a grievance regarding these Rules at the point the grievance arises, through informal discussion between the grievant and their supervisor.
- 21.4. If the grievant is not satisfied with resolution of the matter after speaking with their supervisor, the grievant may present a formal written grievance to the Human Resources Office. The written grievance must be presented within fifteen (15) calendar days of the facts giving rise to the appeal. However, this time limit may be waived if agreed to by the City. The Human Resources Director/City Manager may, in their discretion, submit the grievance for response as the first step to a directly involved supervisor or other department representative.
- 21.5. Grievance appeals must be in writing, signed by the affected employee(s) and allege that the City has violated a specific provision of these Rules. Appeals must contain the specific facts upon which they are based. Appeals that fail to include these elements may be rejected on that basis.
- 21.6. The City Manager, or designee, will review the appeal and shall serve notice of a written response within fifteen (15) calendar days of receipt of the appeal.

- 21.7. If the appellant is dissatisfied with the City's first response, the appellant may submit a written appeal to the City Manager. The appeal must be received by the City Manager within fifteen (15) calendar days of the Human Resource Office's response.
- 21.8. The City Manager, or the Manager's designee, will review the appeal and shall serve notice of a written response within fifteen (15) calendar days of receipt of the appeal. The City Manager's decision shall be final.
- 21.9. No other grievance or appeal procedure may be used for matters within the scope of this appeal procedure.

Holiday, vacation, sick leave, city payment of health premiums and other similar benefits shall be prorated on this same basis.
- 22.4. Part time, seasonal and temporary employees shall work on a schedule determined by the City. Part time, seasonal and temporary positions may be abolished and/or replaced with full time positions as determined by the City.
- 22.5. No part time, seasonal or temporary employee shall be eligible for a salary adjustment except as approved by the City Manager upon the recommendation of the department manager, based on the employee's performance evaluation. Performance evaluations of such employees may be completed in accordance with the procedure set forth for full time employees, except for seasonal employees who may be presented with a performance appraisal report shortly after the completion of the season for which they are appointed. In general, no part time, seasonal or temporary employee shall be eligible for a salary adjustment except upon the satisfactory completion of one of the following

However, if an employee serving in such appointment works more time or is retained in excess of this time period, the employee does not acquire regular status.

Subject: Public Comment -- 8/14/23 CC Mtg., Item No. 5A

City Council,

As you know, I think the City is currently in a downward spiral of dysfunction. Item 5A, which is oddly included in the consent calendar even though it is a significant change that hasn't to my knowledge been reviewed by the Finance & Admin Committee (or any committee) and certainly shouldn't be called non-controversial because the changes are very significant and potentially costly for the City to implement when our budgets are tight and getting tighter. I suspect there might even be some self-serving impetus behind these recommendations based on the dramatically reduced requirements for employees to be eligible (e.g., dropping the employment term from at least 18 months to only 6 months, when an employee hasn't even gotten out of their probationary period). In the very least, this item should have been a conduct of business item or it should be referred to the Finance & admin Committee for review and public input.

The redlines show the very significant revisions and there has been no public discussion concerning why this is merited or even desirable. The City doesn't exist simply to serve the employees working here, we also need to worry about the City's finances and the public's interest. What is the justification for extending this extremely generous benefit to brand new employees? Is it because the City Manager herself hasn't been employed here long enough to benefit herself yet but she would if you make these changes?

Based on recent circumstances, the City Clerk was well past her probationary period so people could already donate to her if her state short term disability has already been exhausted and she needed additional benefits until she retired (and so she could maintain the City insurance at the public's expense rather than her own through COBRA or by transitioning to her retirement medical benefits).

I don't support all these changes--some are fine--but this should at least be discussed and evaluated rather than rubber stamped through the consent calendar. The City, and more importantly, the public, deserves better.

Regards,

--Jacob

CITY OF FORT BRAGG

TREASURER'S REPORT

June 30, 2023

OVERVIEW

The City's investment objectives in order of priority are to provide safety, ensure the preservation of capital, provide sufficient liquidity for cash needs and earn a competitive rate of return (yield) within the confines of the California Government Code and the City Investment Policy.

- **Safety** – Safety of principal is the foremost objective of the investment program. Investments for the City will be made in a manner that seeks to ensure the preservation of capital in the overall Portfolio.
- **Liquidity** – The City's investment portfolio will remain sufficiently liquid to enable the City to meet all operating requirements, which might be reasonably anticipated.
- **Yield** – The City's investment portfolio shall be designed with the objective of attaining a market rate of return throughout the budgetary and economic cycles, taking into account the investment risk constraints, liquidity needs, and cash flow characteristics of the Portfolio.

To view the City's Investment and Fiscal policy, refer to the City's Annual Budget.

Reports on the City's investment portfolio and cash position are developed by the Finance Director/City Treasurer and reviewed by the Finance & Administration Committee quarterly.

California statutes authorize cities to invest idle or surplus funds in a variety of credit instruments as provided for in the California Government Code, Section 53600, Chapter 4 – Financial Affairs. The table below identifies the investment types that are authorized for the City by the California Government Code (or the City's investment policy, where more restrictive) that address interest rate risk, credit risk, and concentration of credit risk. During the quarter ended, the City's permissible investments included the following instruments:
