**RESOLUTION OF THE FORT BRAGG CITY COUNCIL TO RECEIVE AND FILE THE 2017/18 WASTEWATER CAPACITY FEE DEVELOPMENT IMPACT FEE REPORTS AND MAKE CERTAIN FINDINGS, AS REQUIRED BY CALIFORNIA GOVERNMENT CODE SECTION 66006(b) AND CALIFORNIA GOVERNMENT CODE SECTION 66001(d)**

**WHEREAS**, the Mitigation Fee Act, California government Code Section 66000 *et seq.* authorizes the City of Fort Bragg (City) to impose, collect and expend mitigation fees to offset the impacts of development within the City; and

**WHEREAS**, the California Government Code Section 66006(b) requires that for each separate account or fund established for the collection and expenditure of Development Impact Fees, the City shall make available to the public within one hundred eighty (180) days after the last day of each fiscal year a report that includes the amount of the fee, the beginning and ending balance of the fee account or fund and the interest earned thereon; and

**WHEREAS**, the California Government Code Section 66001(d) provides that for the first fiscal year following the first deposit into the fund, and every five years thereafter, the City shall make findings with respect to the portion of the fund remaining unexpended, whether committed or uncommitted; and

**WHEREAS**, prior to the Fiscal Year ended June 30, 2016, the City complied with the requirements of California Government Code Section 66001(d) and Section 66006(b) through the annual submittal of the Comprehensive Annual Financial report, the Capital Improvement Program and Annual Operating Budgets; and

**WHEREAS**, California Government Code Section 66001(d) provides that such findings when required shall be made in connection with the public information required by California Government Code Section 66006(b); and

**WHEREAS**, California Government Code Section 66006(b)(2) requires that the City Council review the information made available to the public at a regularly scheduled public meeting not less than 15 days after the information is made available to the public; and

**WHEREAS**, based on all the evidence presented, the City Council finds as follows:

1. As of June 30, 2018, the Wastewater Capacity Fees fund contained Three Hundred Nineteen Thousand Five Hundred Seventy-two Dollars (\$319,572).
2. The unexpended fees will be used for a Sewer Collection System Condition Assessment. The project is scheduled for FY2020/2021.
3. There is a reasonable relationship between the use of the unexpended Wastewater Capacity Fees as described in paragraph 2 and the purpose of the Wastewater Capacity Fee, which is for the planning, design, construction or support activities of facilities in existence at the time the charge is imposed or for new facilities to be constructed in the future that are of reasonable benefit to the person(s) being charged.

4. The current estimated cost of the updates outlined in paragraph 2, is approximately Three Hundred Thousand Dollars (\$300,000). The funding source will include the unexpended Wastewater Capacity Fees.
5. The Wastewater Capacity Fees have and will be deposited into the Wastewater Capacity Fees fund immediately upon collection, which is the appropriate fund to finance the projects outlined in paragraph 2.
