## New eComment for Special City Council Closed Session - Via Video Conference

John Kriege submitted a new eComment.

Meeting: Special City Council Closed Session - Via Video Conference

Item: 2A. 21-215 CONFERENCE WITH REAL PROPERTY NEGOTIATORS FOR POSSIBLE ACQUISITION OF REAL PROPERTY, Pursuant to Government Code Section § 54956.8: Real Property: APN 020-550-02-00, APN 020-550-09-00 "Pudding Creek"; City Negotiators: Tabatha Miller, City Manager; Negotiating Party: Dave Massengill, Environmental Affairs, Georgia Pacific Corporation; Under Negotiation: Terms of Acquisition

eComment: Since you are negotiating with GP, how about getting them to add water to Pond 9 on the mill site? Instant wetlands supporting deer, raptors and waterfowl already there.

## New eComment for Special City Council Closed Session - Via Video Conference

Jacob Patterson submitted a new eComment.

Meeting: Special City Council Closed Session - Via Video Conference

Item: 2A. 21-215 CONFERENCE WITH REAL PROPERTY NEGOTIATORS FOR POSSIBLE ACQUISITION OF REAL PROPERTY, Pursuant to Government Code Section § 54956.8: Real Property: APN 020-550-02-00, APN 020-550-09-00 "Pudding Creek"; City Negotiators: Tabatha Miller, City Manager; Negotiating Party: Dave Massengill, Environmental Affairs, Georgia Pacific Corporation; Under Negotiation: Terms of Acquisition

eComment: If this is about the potential purchase of whatever residual water rights the City thinks GP may have to divert water from Pudding Creek, the City Council should consider if those rights are even still effective or if they have been terminated through abandonment and cannot be transferred. The solution to the City's water supply issues is probably not trying to tap into the water in our most-productive local river ecosystem for fish spawning, which would implicate serious environmental concerns.
