Subject: Public Comment re Minutes for the Community Development Commission need corrections
Date: Monday, July 24, 2023 6:21:03 PM

Not sure who writes the minutes but I would like to comment on them and ask that they be corrected.

Under Public Comment on a couple items Jenny Shattuck is spelt incorrectly in the 05/17 minutes.

Also the minutes of 3/29 item 3B do not list Jacob Patterson as another person who commented Publicly. He spoke via Zoom.

It doesn't say who writes the minutes.
It would also be nice if they were written more timely and not presented six months after a meeting.

Most organizations present the previous minutes and the following meeting and not several months later.

Kind Regards,
Jay
