Critical Delivery Responsibilities:

If your order is not a parcel being shipped via UPS or FedEx, please consider the following to avoid additional charges. **Critical Inspection Process:** Upon delivery, you will need to thoroughly inspect your purchase for any damages or shortages. ABI nor the carrier will be responsible for damages or shortages if they are not indicated on the delivery document the driver asks you to sign. **Unloading The Truck:** Most ABI equipment requires the assistance of a forklift, tractor with front-end loader, or a lift gate to offload. We have already discussed an offloading plan with you and ordered the freight accessories listed above at your direction. If this offloading plan is not clear to you, please contact us immediately. **Terminal Or Customer Pick Up:** If selected, the carrier or ABI will contact you with additional instructions when the unit is available for pickup.

Thank you for your interest. All payments must be received in US dollars. Payment in full before shipment is required, unless approved for Net terms or financing through our partners. If sales or use taxes are not included on this quote, you may still be responsible to pay these taxes. Please consult with your tax advisor for any tax liabilities. Quote subject to management approval. This quote expires at the end of the month it was created.
