GENERAL TERMS AND CONDITIONS

1. TERMS OF PERFORMANCE

- 1.01 Force and Effect.** This Agreement shall control over all inconsistent provisions in any proposal. The provisions of this Agreement (and any attachments) constitute the entire agreement between the Contractor and City regarding the Work described herein. No representation, term or covenant not expressly specified in this Agreement shall, whether oral or written, be a part of this Agreement. No modification of this Agreement shall be effective unless it is in writing. This Agreement shall govern the Work described herein (whenever performed), and shall supersede all other prior Agreements between Contractor and City with respect to the Work described herein. This Agreement may not be modified, nor may compliance with any of its terms be waived, except by written instrument executed and approved by fully authorized representatives of City and Contractor. The headings in this Agreement are for convenience only and do not affect the construction of this Agreement.
- 1.02 No Modification or Waiver.** The Contract Documents may not be modified, nor may compliance with any of its terms be waived, except by written instrument executed and approved by fully authorized representatives of City and Contractor. Contract Documents headings are for convenience only and do not affect the construction of the Contract Documents.
- 1.03 Performance of Work/No Assignment.** Time is of the essence in the performance of the Work. Contractor will perform the Work in a skillful and workmanlike manner; comply fully with criteria established by City, and with applicable laws, codes, and all applicable industry standards. Contractor shall maintain its work area in a clean and sanitary condition, clear debris and trash at the end of each work day, and shall not damage or disrupt any property unless specifically part of the scope of this Agreement. Contractor shall not contract any portion of the Work or otherwise assign this Agreement without prior written approval of City. (Contractor shall remain responsible for compliance with all terms of this Agreement, regardless of the terms of any such assignment.) The Contractor shall permit City (or its designees) access to the work area, Contractor's shop, or any other facility, to permit inspection of the Work at all times during construction and/or manufacture and fabrication. The granting of any progress payment, and any inspections, reviews, approvals or oral statements by any City representative, or certification by any governmental entity, shall in no way limit Contractor's obligations under this Agreement. Either party's waiver of any breach, or the omission or failure of either party, at any time, to enforce any right reserved to it, or to require strict performance of any provision of this Agreement, shall not be a waiver of any other right to which any party is entitled, and shall not in any way affect, limit, modify or waive that party's right thereafter to enforce or compel strict compliance with every provision hereof. City shall have, at all times, set-off rights with respect to any payment and Contractor's failure to perform the terms of this Agreement.

2. LEGAL AND MISCELLANEOUS

- 2.01 Business License and Other Licenses/Permits.** Before the City will issue a notice to proceed with the Services, Contractor and any subcontractors must acquire, at their expense, a business license from City in accordance with Chapter 5.04 of the Fort Bragg Municipal Code. Such licenses must be kept valid throughout the Agreement term. Contractor represents and warrants to City that Contractor and its employees, agents, and any subcontractors have all licenses, permits, qualifications, and approvals of whatsoever nature that are legally required to practice their respective professions.
- 2.02 Records and Payment Requests.** Contractor shall submit all billings to City with all necessary invoices or other appropriate evidence of proper performance. Contractor shall permit City to audit, examine and make copies, excerpts and transcripts from such records. The State of California or any federal agency having an interest in the subject of this Agreement shall have the same rights conferred to City by this section. Such rights shall be specifically enforceable.
- 2.03 Independent Contractor.** Contractor is an independent Contractor and does not act as City's agent in any capacity, whatsoever. Contractor is not entitled to any benefits that City provides to City employees, including, without limitation, insurance, worker's compensation benefits or payments, pension benefits, health benefits or insurance benefits. Terms within this Agreement regarding direction apply to and concern the result of the Contractor's provision of Work, not the means, methods, or scheduling of the Contractor's work. Contractor shall be solely responsible for the means, methods, techniques, sequences and procedures with respect to its provision of Work under this Agreement. Contractor shall pay all payroll taxes imposed by any governmental entity and will pay all other taxes not specifically identified in this Agreement as City's responsibility.
- 2.04 Indemnity/Liability.** Contractor shall defend (with counsel reasonably acceptable to City), indemnify and save harmless, to the fullest extent permitted by law, the City and all of its officers, directors, representatives, agents and employees, against all loss, cost, damage expense and liability arising from or related to bodily injury to or death of any person or damage to any property, or resulting from any breach and/or Contractor's negligence in performing this

Agreement. Notwithstanding any provision of this Agreement, City shall not be liable to Contractor or anyone claiming under it, in contract or tort, for any special, consequential, indirect or incidental damages arising out of or in connection with this Agreement or the Work. City's rights and remedies, whether under this Agreement or other applicable law, shall be cumulative and not subject to limitation.

- 2.05 Defective Work; Warranties.** Contractor warrants that all construction services shall be performed in accordance with generally accepted professional standards of good and sound construction practices, all requirements of this Agreement, and all laws, codes, standards, licenses, and permits. Contractor warrants that all materials and equipment shall be new, of suitable grade of their respective kinds for their intended uses, and free from defects. Contractor hereby grants to City for a period of one year following the date of completion its unconditional warranty of the quality and adequacy of all of the Work including, without limitation, all labor, materials and equipment provided by Contractor and its Subcontractors of all tiers. If either prior to completion of the Work, or within one year after completion, any Work (completed or incomplete) is found to violate any of the foregoing warranties (**Defective Work**), Contractor shall promptly, without cost to City and in accordance with City's written instructions, correct, remove and replace the Defective Work with conforming Work, and correct, remove and replace any damage to other Work or other property resulting therefrom. If Contractor fails to do so, Contractor shall pay all of the City's resulting claims, costs, losses and damages. Where Contractor fails to correct Defective Work, or defects are discovered outside the correction period, City shall have all rights and remedies granted by law.
- 2.06 Compliance with Laws; Conflict of Interests; Confidentiality.** Contractor agrees to comply with all applicable federal and state laws, regulations and policies, as amended, including those regarding discrimination, unfair labor practices, anti-kick-back, collusion, and the provisions of the Americans with Disability Act. Contractor, its officer, partners, associates, agents, and employees, shall not make, participate in making, or in any way attempt to use the position afforded them by this Agreement to influence any governmental decision in which he or she knows or has reason to know that he or she has a financial interest under applicable state, federal and local conflict of interest regulations. Contractor warrants that no person or agency has been employed or retained to solicit or obtain this Agreement upon an agreement or understanding for a contingent fee, except a bona fide employee or agency. Any information, whether proprietary or not, made known to or discovered by Contractor during the performance of or in connection with this Agreement, will be kept confidential and not be disclosed to any other person (except as necessary to perform the Work). Contractor will immediately notify City in writing if it is requested to disclose any such information. These confidentiality provisions and limitations shall remain fully effective indefinitely after completion of the Work or termination of this Agreement.
- 2.07 Labor Compliance Monitoring and Enforcement.** The project is subject to compliance monitoring and enforcement by the Department of Industrial Relations pursuant to Labor Code Section 1771.4. Contractor shall furnish the records specified in Labor Code Section 1776 directly to the Labor Commissioner, in the following manner: 1) at least monthly; or 2) in a format prescribed by the Labor Commissioner. [Does not apply to projects of \$1000 or less, see Lab. Code 1771.]
- 2.08 Job Site Notices.** Contractor shall post job site notices as prescribed by regulation.
- 2.09 Contractor Registration Program.** Contractor acknowledges that it shall at all times remain registered and qualified to perform public work pursuant to Labor Code Section 1725.5.
- 2.10 Termination; Suspension; Disputes.** City may direct Contractor to terminate, suspend, delay, interrupt or accelerate Work, in whole or in part, for such periods of time as City may determine in its sole discretion. City will issue such directives in writing, and may do so, in whole or in part, for its convenience or due to Contractor's fault. City will compensate Contractor for extra costs resulting from such directives only to the extent that City issues such directives for its convenience and not due to Contractor's fault (but City shall not compensate Contractor for costs, profit or overhead anticipated to be earned or incurred on Work terminated for City's convenience.) Contractor shall continue its work throughout the course of any dispute, and Contractor's failure to continue work during a dispute shall be a material breach of this Agreement. All claims by Contractor against City shall be submitted in writing to City, and shall be governed by Public Contract Code Sections 20104 – 20104.6, after which time the one year time period in Government Code Section 911.2 shall be, pursuant to Government Code Section 930.2, reduced to 90 days.
- 2.11 Execution; Venue; Limitations.** This Agreement shall be deemed to have been executed in the City of Fort Bragg, California. Enforcement of this Agreement shall be governed by the laws of the State of California, excluding its conflict of laws rules. The exclusive venue for all litigation arising from or relating to this Agreement shall be in Fort Bragg, California. Except as expressly provided in this Agreement, nothing in this Agreement shall operate to confer rights or benefits on persons or entities not party to this Agreement. As between the parties to this Agreement, any applicable statute of limitations for any act or failure to act shall commence to run on the date of City's issuance of the final Certificate for Payment, or termination of this Agreement, whichever is earlier, except for latent defects, for which the statute of limitation shall begin running upon discovery of the defect and its cause.
- 2.12 Employee Wages; Records; Apprentices.** Contractor shall pay prevailing wages to its employees on any Agreement in excess of \$1,000.00 (one thousand dollars). Copies of the prevailing rate of per diem wages are on file

Contractor shall comply fully with Labor Code Section 1777.5 in the hiring of apprentices for work relating to this Agreement. If this contract exceeds \$2,000.00 (two thousand dollars) and is funded with federal funds, then Contractor shall pay federal Davis Bacon wages and comply with applicable federal requirements.

- 2.13 Mandatory Contractor and Subcontractor Registration.** Pursuant to Labor Code Section 1771(a), Contractor represents that it and all of its Subcontractors are currently registered with the Department of Industrial Relations and qualified to perform public work pursuant to Labor Code Section 1725.5. EXHIBIT D

CLAIMS PROCEDURE

SUMMARY OF PUBLIC CONTRACT CODE § 9204

The following procedure will apply to any claims by the Contractor on the City:

A “claim” is a separate demand on the City by a contractor on a public works project and sent by registered mail or certified mail with return receipt requested, for one or more of the following:

- A time extension, including relief from penalties for delay
- Payment by the City of money damages under the terms of the contract
- Payment of an amount that is disputed by the City

Initial Review

The claim must be supported by appropriate documentation. The City has 45 days within which to review the claim and provide the contractor with a written statement identifying the disputed and undisputed portions of the claim. If the City does not issue a written statement, the claim is deemed rejected in its entirety. The City will pay any undisputed portion of the claim within 60 days of issuing the statement.

Meet & Confer

If the contractor disputes the City's written response, or if the City does not issue one, the contractor may request in writing an informal conference to meet and confer for possible settlement of the claim. The City will schedule the meet and confer conference within 30 days of this request and provide a written statement identifying the remaining disputed and undisputed portions of the claim within 10 business days of the meet and confer. The City will pay the undisputed portion within 60 days of issuing this statement.

Mediation

With respect to any disputed portion remaining after the meet and confer, the City and contractor will submit the matter to nonbinding mediation, agree to a mediator within 10 business days after issuing the written statement, and share mediation costs equally. If mediation is unsuccessful, then the terms of the public works agreement and applicable law will govern resolution of the dispute.

Miscellaneous Provisions

Amounts not paid by the City in a timely manner bear interest at 7% per annum. Subcontractors may submit claims via this procedure through the general contractor. The City and contractor may waive the requirement to mediate, but cannot otherwise waive these claim procedures.
