## New eComment for Finance and Administration Committee - Special Meeting

Jacob Patterson submitted a new eComment.

Meeting: Finance and Administration Committee - Special Meeting

Item: 3A. 20-883 Receive Reportable Items Report: Includes Treasury Report, Approved Intradepartmental Budget Transfers, Contracts Under \$25k Approved by the City Manager, Contract Change Orders Not Exceeding 10% of Contract, PRA Request Report, and Disbursements Listing

eComment: The reports have been expanded to include one that isn't required, the PRA request report. I find it interesting. In particular, it shows seasonal variation in the number of requests but very consistent numbers from last year to this year with a notable exception, the July to September period which doubled from last year. The staff time costs are a little misleading though because they aren't incremental costs since the City Clerk is salaried and we pay her regardless of what she is working on.
