Section 1. INTRODUCTION

- 1.1. These Personnel Rules and Regulations (hereafter “Rules”) generally describe the employment relationship between the City of Fort Bragg and its employees. These Rules apply to all City employees, except where otherwise indicated in these Rules or where an applicable memorandum of understanding (“MOU”) specifically conflicts with a Rule, in which case the MOU provision shall govern. As specified herein, some Rules apply only to employees in the “Classified Service.” The “Classified Service” consists of all full-time employees of the City, but does not include elected officials, Council appointees, the City Manager, members of the executive management group, appointive officers serving without compensation, or part-time, temporary, provisional, seasonal or emergency employees.
- 1.2. These Rules were established to conform and be complementary to the City’s Municipal Code. In cases where there is deemed to be a conflict between a Rule and the Municipal Code, the Municipal Code shall prevail.
- 1.3. Department managers may issue additional rules or policies as deemed necessary for the efficient administration of the department. However, such departmental rules or policies shall not conflict with these Rules. In cases where there is deemed to be a conflict between a department rule and these Rules, these Rules shall prevail.
- 1.4. These Rules may be amended from time to time. However, in order to be effective, the amendment must be in writing and approved by City Council. Whenever such amendments affect the wages, hours or other terms or conditions of employment, they shall be subject to the meet and confer process as established by State law and the City’s Employer-Employee Organization Relations Resolution.
- 1.5. Each employee will be given a copy of these Rules and is responsible for reading and complying with these Rules.

Section 2. EMPLOYER/EMPLOYEE RELATIONS

- 2.1. The City’s labor relations policies are governed by the Meyers-Milias-Brown Act (MMBA), Government Code section 3500 et seq. The City has in place an Employer-Employee Organization Relations Resolution which specifies the City’s local rules, rights and obligations regarding labor relations.
- 2.2. Under the City’s Employer-Employee Organization Relations Resolution and the MMBA, the City recognizes certain employee organizations as the exclusive representative for purposes of labor negotiations. For represented employees, the City meets and confers with employee labor representatives regarding wages, hours and others terms and conditions of employment, and provides advance notice of certain matters as specified by the City’s labor relations resolution. Employee pay schedules and various benefits are set forth in memoranda of understanding (known as “MOUs”) agreed upon by the City and the recognized labor representatives.

- 2.3. Employees having questions concerning matters included in their MOUs may contact their labor representative or the City's Human Resources Department directly.

Section 3. POSITION CLASSIFICATION

- 3.1. The City Manager or his/her designee shall prepare a Position Classification Plan which sets forth all the positions in the classified service of the City including position title and a general description of the duties and responsibilities of each position. The Position Classification Plan shall also group all positions in the classified service into classes. Positions within the same class will be approximately of equal difficulty and responsibility, require the same general qualifications, and can be equitably compensated within the same range of pay under comparable working conditions.
- 3.2. The classification or position descriptions may be abolished or amended from time to time by the City Manager as deemed in the best interest of the City service. In addition, new classification or position descriptions may be added to the City's Position Classification Plan. If new positions are added to the City service, such positions shall be allocated to an appropriate class by the City Manager or his/her designee.
- 3.3. If employees believe they are performing work outside the scope of the classification description covering their position, they should report the information, in writing, immediately to the City Manager. If deemed appropriate by the City Manager, a review of the employee's duties will be conducted, in consultation with the employee and the employee's department manager. The City Manager or his/her designee will notify the employee and department manager of the final determination. If appropriate, the employee's position may be reallocated to a different classification. The City Manager, in his/her discretion, may require the employee to successfully complete a promotional examination before being reallocated to a higher classification, and shall may require the employee to serve a probationary period in the new classification. Request of such a classification review shall be limited to once per calendar year.
- 3.4. Promotion without Examination. If the scope of duties which a regular employee is performing is determined to be in a higher classification, the City Manager or his/her designee may approve the employee's reclassification to the higher classification without examination; provided, however, that all of the following conditions are met:
- (1) The employee has been performing such higher duties for a period of not less than six (6) months prior to the date the position was reviewed;
 - (2) The higher duties have been assigned to the employee as part of the natural growth of the position within the department involved and there appears to be no evidence of evasion of the compensation plan relating to promotions;

- (3) The employee so promoted shall serve a probationary period in the higher classification for the time as specified in Section 5.2.2 of these Rules;
- (4) Said employee shall receive the salary assigned to the higher position from the date of probationary appointment to the higher position.

Section 4. RECRUITMENT, SELECTION AND APPOINTMENT FOR CLASSIFIED EMPLOYEES.

4.1. Recruitment.

- 4.1.1. The City may utilize any legitimate recruitment procedure for attracting qualified applicants. Recruitments may be “open” or may be limited to City employees, depending on the City’s needs. While it is the City’s policy to recruit the best qualified applicants for City positions, the City will make efforts to promote persons already employed by the City.
- 4.1.2. The City will give reasonable notice to all of its employees concerning the City’s employment opportunities. Announcements of promotional selection processes shall be supplied to City employees via email and/or posting on the City’s website. Department managers may call such announcements to the attention of employees in the department who might be interested.

4.2. Applications for Employment.

- 4.2.1. Each candidate for City employment shall complete those applications forms designated by the City. An applicant’s failure to provide complete and accurate information on all application materials shall be grounds for immediate disqualification in the application process, and may result in dismissal from employment. Once submitted to the City, applications shall not be returned.
- 4.2.2. The City provides employment-related reasonable accommodations to qualified individuals with disabilities within the meaning of the California Fair Employment and Housing Act and the Americans with Disabilities Act. If an applicant desires a reasonable accommodation in order to participate in the application or selection process, the applicant should submit a written request to the Human Resources office
- 4.2.3. Applicants must submit applications on or before the filing deadline stated in the job announcement. However, the Human Resources Department may permit a letter, resume or other indication of interest to be accepted, pending timely receipt of a properly completed application.
- 4.2.4. When necessary to meet continued requirements for filling positions due to non-availability of applicants for a class or position, or due to a high turnover rate, the closing date for any selection process may be indefinite and applicants may be tested continuously in such manner and at such times and places as may be provided by the City. Applicants who fail to achieve a passing score in such an open continuous examination may not compete again until the lapse of ninety (90) days between the first and second testing and one hundred and twenty

(120) days between the second and third such testing, unless stipulated to the contrary on the job announcement. The City may exclude such applicants from further testing at its discretion.

4.2.5. As part of the pre-employment procedure, applicants may be required to supply references, and submit to a thorough background check by the City. In addition, all employees must be physically and mentally capable of performing the essential functions of their jobs with or without reasonable accommodation. The City shall have the right to conduct a complete and exhaustive background investigation on all applicants seeking employment in the City of Fort Bragg, including a criminal background check, where applicable, and a medical and/or psychological examination by City-retained medical practitioners, where deemed appropriate by the City. Any medical or psychological examination shall be conducted only after a conditional job offer has been made and, in accordance with applicable law.

4.2.6. If an applicant is disqualified from appointment to a position for failing to meet the medical and psychological standards for the job class, the applicant may file a written request to review the disqualification. Such request must be submitted to the Human Resources Office no later than five (5) working days after the postmarked date of the notification of disqualification. The applicant may submit medical evidence supporting his/her claim that he/she should not have been disqualified. The City Manager will review submitted documents and make a final determination. If the disqualification is upheld, the applicant has no further right to appeal.

4.3. **Disqualification or Rejection of Application.**

4.3.1. The City may reject or disqualify the application of any person for admission to a selection process, or decline to examine an applicant, or withhold a person from the eligible list for certification for any legitimate reason. An applicant who is not already employed by the City has no right to grieve or appeal any such actions by the City.

4.4. **Selection and Examination/Assessment Process.**

4.4.1. All hiring, including promotions, to positions in the classified service shall be made according to merit and fitness. The City may utilize any legitimate objective method to determine the qualifications of applicants, including without limitation, written tests, physical agility tests, oral examinations, panel interviews assessment centers and oral interviews. The City may rate the candidates and list successful applicants on a "list of eligibles."

4.4.2. If candidates fail to qualify as eligibles for the class for which the selection process was instituted, those candidates may, with the approval of the Human Resources Office, be rated with reference to their eligibility for a lower position class for which a selection process is in progress, in case any of the candidates have indicated willingness to accept appointment to positions in any such lower class.

- 4.4.3. Candidates shall be given written notice of whether they passed or failed the examination/assessment process. Within five (5) working days of the postmarked date of this notice, candidates may inspect their examination papers and request to have ratings reviewed and corrected if the candidate believes any error in the testing has occurred. Such corrections so made will be evaluated by the Human Resources Office and appropriate action taken. To make an inspection of examinations papers, the candidate must schedule an appointment during regular business hours in the Human Resources Department. Candidates may be prohibited from inspecting examination papers if review of such materials is prohibited by the consulting agency that prepared the examination. Candidates cannot have access to the rating sheets of the individual raters, but may have access to a composite description of the rating sheets, upon request.
- 4.4.4. Candidates who fail the examination/assessment process may not reapply for the same position for 12 months from the date of initial application. Such candidates are not barred from applying for any other City position during the 12-month waiting period.
- 4.4.5. When deemed appropriate by the City Manager or his/her designee, vacancies within the classified service may be filled by promotion of employees. Such promotion shall be based on an internal competitive selection process, taking into consideration the employees' performance evaluations and past City service and other legitimate criteria as determined by the City Manager or his/her designee.
- 4.4.6. The City Manager or his/her designee may authorize a noncompetitive promotional selection process to establish eligibility for appointment to a higher class as a result of a reclassification or creation of a new classification.
- 4.5. **Eligible Lists.**
- 4.5.1. An eligible list shall be prepared indicating the names of those candidates qualifying for appointment, ranked based on the selection process. New names may be added to the list from time to time upon obtaining additional qualified candidates pursuant to the selection process. Names of eligibles accepting other than regular full-time appointment shall remain on the eligible list during the life of said list, unless removed for other reasons.
- 4.5.2. The eligible list shall be maintained for the duration specified by the Human Resources Office.
- 4.5.3. The Human Resources Office may remove or withhold from certification the name of an eligible on an eligible list for any legitimate reason. Whenever the name of an eligible on a list is removed or withheld from certification, the person whose name is removed shall be informed of the action and the reasons therefore, via letter forwarded to the last address of record.
- 4.5.4. When vacancies in the classified service occur, the department manager may submit a request for a list of eligibles to fill the vacancy. Upon receipt of this request, the Human Resources Office shall certify in writing the names of eligibles on the appropriate eligible list who are willing to accept the position for

which certification is requested. Eligibles may be required to submit to additional objective methods to determine the qualifications of applicants, including without limitation, written tests, physical agility tests, oral examinations, panel interviews, assessment center and oral interviews.

- 4.5.5. Whenever an eligible list contains fewer than three (3) qualified candidates, the department manager may request that a new eligible list be prepared. The City may in its discretion cause a new list of eligibles to be generated in the event the City believes the circumstances warrant a new list. Such circumstances include but are not limited to: the age of the eligible list, an inadequate number of candidates, and changing job requirements.

4.6. **Appointment.**

- 4.6.1. The City Manager is the only City employee authorized to hire. All candidates recommended for appointment by a department head may be interviewed by the City Manager or his/her designee prior to appointment. This includes part-time, temporary, seasonal and promotional appointments.

- 4.6.2. The City Manager may appoint any qualified applicant from the list of eligibles to a regular position in the classification for which the applicant is qualified. Positions may be full-time or part-time, depending on the needs of the City. In the absence of a list of eligibles, the City Manager may make temporary appointments pending development of a new list.

4.7. **Oath of Office.**

Every employee of the City, before entering upon his/her duties shall take the constitutional oath, with said oath to be filed with the Human Resources Department.

4.8 **Police Officer Recruitment Bonus.**

PD staff who attend job fairs or other recruitment events representing the City of Fort Bragg are not eligible for the recruitment bonus for any applicant who attended the same event.

The bonus will be paid in two payments. The first payment of \$2,000 will be paid to the PD employee after the successful recruit has signed the final offer letter. Successful Candidates will receive the bonus in their first paycheck, subject to repayment of 50% or half the total bonus if the new hire does not successfully complete the 18-month probationary period. Salary advancements within an established range shall not be automatic, but shall be based upon satisfactory job performance as determined, and supported in writing, by the employee's supervisor, the recommendation of the department manager, review by the Human Resources Office and approval of the City Manager.

12.4.3. Merit salary advancements shall occur in accordance with the following procedures:

- (1) Initial Probationary Employees. Probationary (both initial and promotional) employees shall be eligible for merit salary advancement upon the completion of six (6) months of service within that class. Such employees shall be eligible for subsequent merit salary advancements

upon the completion of subsequent twelve 12 month service intervals, except as otherwise provided in these Rules.

- (2) Single Step Increments. Merit salary advancements shall be granted in single step increments within the salary range for a particular class based upon performance. An employee may receive a merit salary adjustment in excess of one step, a maximum of one (1) time during such employee's tenure in a given class in recognition of outstanding service.
- (3) Reduction Increments. An employee who is being paid at a salary rate higher than the base rate established for the class may be reduced in increments of two and one-half percent (2-1/2%) upon the recommendation of the department manager and approval of the City Manager. Such action shall cause the employee to receive a new merit review date. The new date shall be based upon the effective date of his reduction. Such salary reduction shall be consistent with the Rules pertaining to disciplinary actions contained herein.

12.5. These Rules do not preclude the creation of separate management pay plans which, if adopted by the City Council, must be administered as separate compensation plans in accordance with the procedures adopted for such plan(s) by the City Council.

12.6. Salary on Promotion. An employee who is promoted to a position in a class allocated to a higher salary range than the class to which the employee was formerly assigned shall receive the nearest higher monthly salary in the higher salary range. The employee shall be given a new merit review date for future merit salary advancement purposes. The new date shall be based upon the effective date of the promotion.

12.7. Salary on Transfer. An employee who is transferred from one position to another in the same class or to another position in a class having the same salary range shall be compensated at the same step in the salary range as previously received. The employee's merit review and anniversary date shall not change.

12.8. Salary on Suspension without Pay. Any employee who has been suspended for disciplinary reasons shall not receive pay for the duration of the suspension; nor shall any benefits which are calculated based on hours worked be credited to the employee, including, but not limited to, sick leave, vacation, retirement, or disability insurance, during the period of suspension. Should such suspension be later modified or revoked, the employee shall be entitled to receive payment to compensate for loss of income and benefits during the period of suspension.

12.9. Salary on Demotion.

12.9.1. Involuntary. An employee who is involuntarily demoted shall receive a salary adjustment as determined by the Human Resources Office. The employee shall be assigned a new merit review date based upon the effective date of the demotion.

- 12.9.2. Voluntary. An employee who is demoted upon personal request shall receive a salary reduction to the nearest lower monthly salary in the salary range for the class to which demoted if the maximum salary for the class to which demoted is less than the employee's current salary rate; or shall continue to earn the current rate of pay if the current rate is the same or less than the maximum rate of the class to which demoted. The employee shall retain the merit review date applicable to the higher position.
- 12.10. Salary on Position Reclassification. When a regular or probationary employee's position is reclassified and the employee is appointed to the new position, the salary rate shall be determined as follows:
- 12.10.1. Higher Range. If the position is reclassified to a class with a higher salary range than the previous class, the salary and merit review date shall be set in the same manner as if the employee had been promoted.
- 12.10.2. Equal or Lower Range. If the salary of the employee is the same or less than the maximum of the new class, the salary and merit increase eligibility date of the employee shall not change. If the salary of the employee is more than the maximum of the new class, the salary of the employee shall not change, and the compensation rate shall be frozen until such time as the maximum rate for the classification exceeds the salary of the employee.
- 12.11. Salary for Portion of Pay Period. A non-exempt employee serving on a full-time basis who works less than a full pay period, except when on authorized leave of absence with pay, shall receive as compensation for such period an amount equal to the number of hours worked times the employee's hourly rate. For exempt employees absent from work for a period of less than one day duration, the amount of compensation paid to said employee shall not be subject to a deduction even though the absence cannot be covered or paid through accumulated vacation, sick leave or compensatory time off (unless it is determined in accordance with law that such deduction will not result in the loss of exempt status of the employee).
- 12.12. Adjustment Effective Date. Salary adjustments specified above shall be given at the beginning of the payroll period immediately following the employee's merit review date.
- 12.13. Travel and Other Business Expenses. Prescribed rates of pay do not include allowances for official travel or other expenses incurred on City business, or allowances made to employees for the official use of personally owned automotive equipment. Employees shall be reimbursed for such expenses as approved by the City in such amounts as designated by City Council policy regarding reimbursement of such expenses.
- 12.14. Pay for Part-Time Work. Employees who work on less than a full-time basis shall be paid on an hourly basis at an hourly rate prescribed in the Compensation Plan.
- 12.15. Temporary Assignment. If an employee is temporarily required to perform the duties of a higher-paid position for a period in excess of four (4) work days, said

employee shall receive additional compensation equal to five percent (5%) of his/her current salary or the salary of the employee so replaced, whichever is less, for the entire period of such assignment. The Human Resources Office shall be notified in writing by the department head prior to each such temporary assignment. The Human Resources Office will prepare a Personnel Action Form for approval by the Department Head and City Manager.

Section 13. WAGE AND HOUR BENEFITS / OVERTIME

- 13.1. The City is committed to observing all of its obligations under the Fair Labor Standards Act ("FLSA"). These rules, as well as all applicable provisions in the Memoranda of Understanding and all City pay practices, shall comport with, and shall be interpreted to ensure the minimum requirements of the FLSA.
- 13.2. The City designates as "FLSA Exempt" those employees who work in professional, executive or administrative capacities and who are therefore not entitled to overtime compensation under the FLSA. Except when necessary to address an emergency or special circumstances, employees who are entitled to overtime compensation under the law may not work outside of regularly scheduled working hours, or during unpaid meal periods, without the prior authorization of a supervisor. In any event, employees shall report overtime work as soon as possible after the work is performed. Violations of this Rule may result in discipline, up to and including termination of employment.

Section 14. ATTENDANCE / MEAL PERIODS / REST PERIODS

- 14.1. Workweek.
 - 14.1.1. The basic workweek for full time employees shall be forty (40) hours per week, in a seven-day period. The workweek commences at 12:01 a.m. every Sunday a.m., and is a regularly recurring seven (7) day period ending at 12 Midnight every Saturday p.m.
 - 14.1.2. The City shall establish and may modify regular working hours for its employees. The City may require employees to work overtime and to perform standby responsibilities. Employees shall be responsible for reporting to work on time, and observing the work schedule established for their department.
- 14.2. Meal Periods. Unless otherwise established for a department or particular employees, employees shall receive a thirty (30) to sixty (60) minute meal period that shall not be compensated. During the meal period, the employee shall be completely relieved of duties. If the employee is authorized in advance and performs work during the meal period, the employee shall be compensated for such time. Meal periods may not be used to shorten the workday unless the employee obtains express prior approval from his/her supervisor.
- 14.3. Rest Periods. Unless otherwise established for a department or particular employees, employees shall have a fifteen (15) minute rest period for each half of their shift, as scheduled by the department director. The rest period may be interrupted or cancelled if necessary to complete work and shall be compensated

time. The rest periods may not be combined or used to shorten the workday – e.g., by taking a break at the beginning or end of the workday.

Section 15. LEAVES

15.1. General Provisions

- 15.1.1. Employees are expected to be at work at scheduled times. To ensure public accountability and the integrity of public service, all employees are expected to account for their absences from work. Unless otherwise specified, leave time is chargeable in increments of one-fourth (.25) hours.
- 15.1.2. Leaves shall be subject to approval by the Department Head (or designee), and scheduled in advance whenever possible, with due regard for the City's service needs.
- 15.1.3. The City may employ any reasonable measure to ensure employees are properly accounting for leaves, including requiring reasonable proof that the basis for the leave is legitimate. Employees may be required to submit a medical certification of sickness supporting a request for sick leave. The City may require a fitness for duty certification from any employee returning from medical leave. Abuse of leave privileges, including working for a secondary employer while on sick leave, may subject an employee to disciplinary action, up to and including termination of employment.
- 15.1.4. Leave benefits are available only to regular, or probationary, employees, but are not available to seasonal, temporary or emergency employees. Regular part-time employees working more than 21 hours per week on average are eligible for the same leave benefits as regular full-time employees based on a proration of average hours worked (in accordance with Section 22).
- 15.1.5. Employees eligible for leave shall accumulate leave from the date of the employee's initial appointment to a full-time, regular or probationary position.

15.2. Available Leave Categories

The City provides the following leave categories: (a) sick leave with pay; (b) sick leave without pay; (c) jury duty leave; (d) administrative leave with pay; (e) personal leave without pay; (f) bereavement leave; (g) vacation leave; (h) holiday; (i) compensatory time off; (j) family medical leave; (k) pregnancy disability leave/parental leave; (l) service-connected injury or illness leave;(m) military leave; and (n) school activity leave.

- 15.2.1. Sick Leave with pay: Full time employees generally accrue sick leave at the rate of eight (8) hours monthly/ninety-six (96) hours annually. An employee shall begin to accrue sick leave on the date of commencement of employment, and shall be eligible to use leave ninety (90) days after the commencement of employment.
- 15.2.2. Sick leave may only be used in cases of actual sickness or disability, unless otherwise provided below. Employees unable to report to work must notify their

immediate supervisors not later than one hour before work is scheduled to begin, if possible, or by whatever method is established by the supervisor.

- 15.2.3. An employee may use a maximum of forty-eight (48) hours of sick leave per calendar year to attend to an illness of a child, parent, sibling, spouse or domestic partner, grandparent or grandchild of the employee. An employee who is a victim of domestic violence, sexual assault, or stalking may use a maximum of twenty-four (24) hours of sick leave per calendar year to tend to any related issues, including leave and court appearances.
- 15.2.3.1. Integration of Benefits. If an employee is on sick leave and is receiving SDI payments, the employee may continue to receive full pay from the City by requesting that the maximum weekly disability benefits be supplemented by the use of sick leave benefits. Under this option, the employee would tender his/her SDI payments to the City and the City would then continue to issue paychecks and deduct the value difference between the SDI payments and the employee's regular pay from the employee's sick leave allotment.
- 15.2.3.2. If an employee is determined to be eligible for disability retirement, the employee shall not be permitted to exhaust paid sick leave balances prior to retiring.
- 15.2.3.3. Sick Leave with pay for employees other than full-time employees: Employees other than full-time employees (e.g. part-time, seasonal, and/ or temporary workers) shall accrue and be able to use sick leave consistent with the requirements of the Healthy Families Act of 2014 (California Government Code Sections 245-249.) These employees shall begin to accrue sick leave on the date of commencement of employment, and shall accrue one hour for every thirty (30) hours worked. Employees shall be eligible to use paid sick leave no sooner than ninety (90) days after commencement of employment. Employees may use a maximum of three (3) sick leave days in one calendar year. These employees shall be able to use paid sick leave for the same reasons for which full time employees shall be able to use paid sick leave.
- 15.2.3.4. Employees may carry over up to six (6) days of sick leave to the following calendar year. If an employee is subject to a memorandum of understanding (MOU) provision or resolution provision that is more generous than this provision, the MOU or resolution will govern.
- 15.2.3.5. Sick leave shall not be paid out upon an employee's separation from the City. If an employee is subject to a MOU or resolution provision that is more generous than this provision, the MOU or resolution will govern.
- 15.2.4. Sick Leave without Pay. In the event paid balances are exhausted, and at the employee's request and the City's discretion, employees may be placed on sick leave without pay. Employees in such status do not accrue vacation or other benefits, or receive service credit and may be required to pay for all fringe benefits, such as health plan premiums, during the period of their leave without pay (unless the leave qualifies for Family and Medical Leave as set forth in these Rules). When the employee seeks to return to work from such leave, the City may require that the employee provide medical certification of his/her fitness to perform his/her duties. The City may require the employee to undergo a fitness

for duty examination before returning to work. If the employee is not fit to perform his/her duties, the City may consider placing the employee in another position, if available or separate the employee in accordance with applicable law.

- 15.2.5. Jury Duty. Employees summoned by state or federal court to jury duty shall be entitled to full pay during the period of jury service. Employees must keep their supervisors informed of their jury service schedule, and shall provide proof of jury service to the City upon request. Employees may retain such payment as may be allowed for travel, lodging and meal expenses. The employee is not required to submit to the City compensation received from the court for jury duty.
- 15.2.6. Administrative Leave with Pay: The City in its discretion may place an employee on administrative leave with pay. Employees on such leave shall be subject to the City's instructions during the employee's normal working hours.
- 15.2.7. Personal Leave without Pay. The City in its discretion may permit employees to be on personal leave without pay for a maximum of ninety (90) working days. Permission for such leave must be obtained in writing. Employees in such status do not accrue vacation or other benefits, or receive service credit and may be required to pay for all fringe benefits, such as health plan premiums, during the period of their leave without pay. Employees shall be entitled to take personal leave without pay when required by applicable law.
- 15.2.8. Bereavement Leave. The City shall grant leaves of absence with pay up to three (3) days when a member of the employee's or employee's spouse or domestic partner's immediate family dies. "Immediate family" means parent, current spouse or domestic partner, child, stepchild, grandparent, grandchild, brother, sister, step-siblings, current mother-in-law or current father-in-law, current son-in-law, daughter-in-law, sister-in-law or brother-in-law. The City, in its discretion, may require some proof that a death in the family has occurred. Bereavement leave is available only within seven (7) days of the death or funeral, unless the employee has made arrangements with the City regarding its use at a later date. In the event of unusual travel requirements, the City Manager may approve a total of five (5) total working days leave.
- 15.2.9. Vacation Leave.
- 15.2.9.1. Earned and accrued vacation leave may be taken as it accrues.

- 15.2.9.3. Scheduling of vacations must be made in consideration of departmental workload.
- 15.2.9.4. Employees who separate from service shall be cashed out of their accrued but unused vacation at the employee's hourly rate at the time of separation from City service.
- 15.2.10. Holidays.
- 15.2.10.1. The City observes the following legal holidays, which are available to those employed at least thirty (30) days prior to the date of the holiday:

 - (8) Veteran's Day
 - (9) Thanksgiving Day
 - (10) Day After Thanksgiving

To qualify for holiday pay, employees must have completed thirty (30) days of service, be on paid status on the regularly scheduled workday before and after the legal holiday, unless the absence is with the written permission of the City, or due to illness. Holidays occurring during an employee's vacation will be treated as a paid holiday. In recognition of differing work scheduled for safety and non-safety shift work employees, holidays may be specified to occur on the actual legal date.
- 15.2.10.3. Employees working on a holiday with City approval will be entitled to an "in lieu" holiday that may be taken on another date, within the fiscal year, subject to supervisory approval. In lieu holidays may not be carried over to another fiscal year, and are lost unless used prior to the end of the fiscal year.
- 15.2.10.4. Management employees who are required to work an established holiday may take equivalent time off on a subsequent regular work day with the approval of the department manager or City Manager.
- 15.2.11. Compensatory Time Off. Represented employees with agreements between the City and labor associations may be entitled to compensatory time off (CTO). Employees should consult their MOU, or contact the Human Resources Office regarding CTO.
- 15.2.12. Family and Medical Leave. The City will provide family and medical care leave for eligible employees in accordance with the requirements of the Family and

Medical Leave Act ("FMLA"), and the California Family Rights Act ("CFRA"). The City's policy on Family and Medical Leave is set forth in Section 16.

- 15.2.13. Pregnancy Disability Leave/Parental Leave.
- 15.2.13.1. Pregnancy Disability Leave. The City shall provide pregnancy disability leave to eligible employees in accordance with applicable law. An employee who is disabled by pregnancy may take a maximum of four months off work for pregnancy disability, childbirth or related medical conditions. The employee also may be eligible for intermittent leave or a reduced work schedule during her pregnancy if medically necessary. Employees must notify their immediate supervisor of any medical restrictions caused by the pregnancy. The City may require that the employee provide a medical certification indicating there is a medical need for the employee to take the time off or receive accommodation while continuing to work. Pregnancy disability leave qualifies for leave under the FMLA but not under CFRA. During pregnancy disability leave, employees are entitled to FMLA benefits in accordance with the Family and Medical Leave policy.
- 15.2.13.2. Parental Leave. After the employee's pregnancy disability ends, the employee is eligible for CFRA leave, in accordance with the Family and Medical Care Leave policy, to care for a newborn. The City may require that the employee provide a medical certification indicating when the pregnancy disability ended. In addition, employees may request leave without pay to care for the newborn. Such requests may be granted within the discretion of the Human Resources Office in consultation with the employee and department manager.
- 15.2.14. Service-Connected Injury or Illness Leave. Employees suffering injuries in the course and scope of their work may be entitled to workers' compensation benefits in accordance with state law. Employees having questions should contact the Human Resources Office.
- 15.2.14.1. Integration of Benefits. If an employee is on leave and is receiving workers' compensation payments, the employee may continue to receive full pay from the City by requesting that the maximum weekly disability benefits be supplemented by the use of sick leave benefits. Under this option, the employee would tender his/her workers' compensation payments to the City and the City would then continue to issue paychecks and deduct the value difference between the workers' compensation payments and the employee's regular pay from the employee's sick leave allotment.
- 15.2.14.2. Fitness for Duty. When an employee seeks to return to work after being on injury or illness leave, the employee must provide medical certification that he/she is physically able to perform the duties of his/her position. The City may require the employee to undergo a fitness for duty examination before returning to work. If the employee is not fit to perform his/her duties, the City may consider placing the employee in another position, seek the employee's retirement or separate the employee in accordance with applicable law.

- 15.2.14.3. **Work Week.** When on service-connected injury or illness leave, the employee's work week shall automatically become Monday through Friday, 8:00 a.m. to 5:00 p.m.
- 15.2.15. **Military Leave.** Military leave shall be granted in accordance with applicable state and federal law. In accordance with Military & Veterans Code section 395.02, employees may be eligible to receive their salary for the first 30 days of military leave. The City may adopt a policy providing pay beyond this 30-day limit. Employees on military leave shall accrue sick leave, vacation leave, holiday privileges and seniority for the first 180 days of military duty, in accordance with state law. After the first 180 days of military duty, employees shall not continue to accrue such benefits unless otherwise expressly provided by City policy.
- 15.2.16. **School Activity Leave.** Employees who are parents, guardians or grandparents of a child in kindergarten through grade 12 may take up to forty (40) hours per year, not exceeding eight (8) hours in a month, to participate in the child's school activities. The employee must use accrued vacation, floating holiday or compensatory time for this leave. Prior notice of the need for this leave must be given to the immediate supervisor.
- 15.2.17. **Voting Time.** Time off with pay to vote in any general, direct primary or presidential primary election shall be granted as provided by state law. Employees must give prior notice to their immediate supervisors of their need to take such time off.
- 15.2.18. **Other Authorized Leaves With Pay.** The City Manager or department manager may authorize employees to take leave with pay for training, conferences or meetings connected with City business. Authorized members of employee organizations may take leave with pay to meet and confer or consult with City representatives, and perform necessary representational functions at times prearranged and approved by their department managers.
- 15.2.19. **Unauthorized Leave of Absence.** Any unauthorized leave of absence by an employee from duty shall be grounds for disciplinary action and/or discharge. When an unauthorized leave of absence is caused by extenuating circumstances, such absence may be approved by the City Manager by a subsequent grant of leave, with or without pay. The subsequent approval is within the discretion of the City Manager. The employee must submit a written request for the retroactive grant of leave and include an adequate explanation of the reason for the leave.
- 15.3. **Accommodation For Employees With Disabilities**
- The City provides employment related reasonable accommodations to qualified individuals with disabilities within the meaning of the California Fair Employment and housing Act and the Americans with Disabilities Act.
- 15.3.1 If an employee believes he or she has a disability, the employee may request a reasonable accommodation for that disability. Such requests should be submitted to the employee's department manager or Human Resources Office.

- 15.3.2 After receipt of reasonable documentation of disability and/or fitness for duty, the City will arrange for a discussion, in person or via telephone, with the applicant or employee, and his or her representative, if any. The purpose of the discussion is to work in good faith to fully consider all potential reasonable accommodations.
- 15.3.3 The City determines, in its sole discretion, whether reasonable accommodations(s) can be made, and the type of accommodations(s) to provide. The City will not provide accommodations(s) that would pose an undue hardship upon City finances or operations, or that would endanger the health or safety of the employee or others. The City will inform the employee of its decision as to reasonable accommodations(s) in writing.

Section 16. FAMILY AND MEDICAL LEAVE

16.1. Purpose.

The City will provide unpaid family and medical care leave for eligible employees in accordance with the requirements of state and federal law. Rights and obligations which are not specifically set forth below are set forth in the regulations implementing the Family and Medical Leave Act ("FMLA") and the California Family Rights Act ("CFRA"). Unless otherwise provided in this article, "Leave" under this article shall mean leave pursuant to FMLA and CFRA.

16.2. Eligibility.

In order to qualify for Family and Medical Leave, the employee must meet the following conditions:

- (1) The employee must have been employed by the City for twelve (12) months.
- (2) The employee must have actually worked at least 1,250 hours during the twelve (12) month period immediately before the date when the leave begins. Any time spent on leave during the 12 month period shall not count towards the 1,250 hours.

16.3. Type of Leave Covered.

Family and Medical Leave is permitted for the following reasons:

- (1) The birth of a child or to care for a newborn, or for placement of a child with an employee in connection with the adoption or foster care of a child.
- (2) Leave to care for a spouse, domestic partner, child or parent who has a serious health condition, or
- (3) Leave due to a serious health condition that makes the employee unable to perform the functions of the employee's position.

- (4) Leave for a “qualifying exigency” may be taken arising out of the fact that an employee’s spouse, son, daughter, or parent is on covered active duty or call to active duty status; or
- (5) Leave to care for a spouse, son, daughter, parent, or “next of kin” who is a covered service member of the United States Armed Forces who has a serious injury or illness incurred in the line of duty while on active military duty or existed before the beginning of the member’s active duty and was aggravated by service in the line of duty on active duty in the Armed Forces (this leave can run up to 26 weeks of unpaid leave during a single 12-month period) (under the FMLA only, not the CFRA).

16.4. **Definitions for purposes of this policy:**

- (1) "12-Month Period" means a rolling twelve (12)-month period measured backward from the date leave is taken and continuous with each additional leave day taken.
- (2) Single means a 12-month period which begins on the first day the eligible employee takes FMLA leave to take care of a covered service member and ends 12 months after that date.
- (3) The definition of “Child” as it applies to the applicable leave regulation are outlined below.
 - a. FMLA defines a child as under the age of 18 years of age, or 18 years of age or older who is incapable of self-care because of mental or physical disability. An employee's child is one for whom the employee has actual day-to-day responsibility for care and includes a biological or adopted or foster or step-child.
 - b. FMLA provides a child is "incapable of self-care" if he/she requires active assistance or supervision to provide daily self-care in three or more of the activities of daily living or instrumental activities of daily living-such as, caring for grooming and hygiene and bathing, dressing and eating, cooking, cleaning, shopping, taking public transportation, paying bills, maintaining a residence, and/or using telephones and directories.
 - c. CFRA defines a child as an employee's child for whom the employee has actual day-to-day responsibility for care and includes a biological or adopted or foster or stepchild. CFRA does not differentiate between over/age 18 or in terms of being capable/incapable of self-care because of mental or self-care. The child does not need to reside in the same household as the employee.
- (4) “Grandchild” means a child of the employee’s child in CFRA.

- (5) "Parent" means a biological parent of an employee or an individual who stood in *loco parentis* (in place of the parent) to an employee when the employee was a child. This term does not include parents-in-law.
- (6) "Grandparent" means a parent of the employee's parent in CFRA.
- (7) "Sibling" means a person related to another person by blood, adoption, or affinity through a common legal or biological parent in CFRA.
- (8) "Spouse" means a husband or wife as defined or recognized under California State law for purposes of marriage.
- (9) "Domestic partner" means domestic partner as defined under California Family Code section 297 and 299.2, shall have the same meaning as "Spouse" for purposes of CFRA leave.
- (10) "Serious health condition" means an illness, injury or impairment, or physical or mental condition that involves:
 - a. Inpatient care (i.e., overnight stay) in the hospital, hospice, or residential medical care facility, including any period of incapacity (i.e., inability to work, or perform other regular daily activities due to the serious health condition, treatment involved or recovery therefrom); or
 - b. Continuing treatment by a health care provider: A serious health condition involving continuing treatment by a health care provider includes any one of or more of the following:
 - i. A period of incapacity (i.e., inability to work, or perform other regular daily activities due to serious health condition of more than three consecutive calendar days, and any subsequent treatment or period of incapacity relating to the same condition), that also involves:
 - 1. Treatment two or more times within 30 days of the first day of incapacity, unless extenuating circumstances exist, by a health care provider, by a nurse or physician's assistant under direct supervision by a health care provider, or by a provider of health care services (e.g., a physical therapist) under orders of, or on referral by, a health care provider. The first in-person treatment visit must take place within seven days of the first day of incapacity; or
 - 2. Treatment by a health care provider on at least one occasion which must take place within seven days of the first day of incapacity and results in a regimen of continuing treatment under the supervision of the health care provider. This includes for example, a course of prescription medication or therapy requiring special equipment to resolve or alleviate the health condition. If the medication is over the counter, and can be initiated without a visit to a health care provider, it does not constitute a regime of continuing treatment.

- c. Any period of incapacity due to pregnancy or for prenatal care. This entitles the employee to FMLA leave, but not CFRA leave. Under California law, an employee disabled due to pregnancy is entitled to pregnancy disability leave up to a maximum of four months. After the birth of the baby, the employee is entitled to additional CFRA bonding leave up to a maximum of twelve (12) weeks. However, regardless of the length of time an employee takes leave for pregnancy disability and newborn care, under the FMLA and CFRA, the City's obligation to pay for health insurance, as explained below, is limited to a maximum of twelve (12) weeks over a twelve-(12) month period.)
 - d. Any period of incapacity or treatment for such incapacity due to a chronic serious health condition. A chronic serious health condition is one which:
 - i. Requires periodic visits (defined as at least twice a year) for treatment by a health care provider, or by a nurse or physician assistant under direct supervision of a health care provider;
 - ii. Continues over an extended period of time (including recurring episodes of a single underlying condition); and
 - iii. May cause episodic rather than continuing period of incapacity (e.g., asthma, diabetes, epilepsy, etc.). Absences for such incapacity qualify for leave even if the absence lasts only one day.
 - e. A period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective. The employee or family member must be under the continuing supervision of, but need not be receiving active treatment by a health care provider.
 - f. 16.5. **Amount of Leave**

16.5.1. Eligible employees are entitled to a total of twelve (12) workweeks (or 26 weeks to care for a covered service member) of leave during a twelve (12) month period. Where FMLA leave qualifies as both military caregiver leave and care for a family member with a serious health conditions, the leave will be designated as military caregiver leave first. Twelve (12) weeks means the equivalent of twelve (12) of the employee's normally scheduled work weeks. For eligible employees who work more or less than five (5) days a week or who work alternative work schedules, the number of working days that constitute twelve (12) weeks is calculated on a pro rata or proportional basis.

16.5.2. Minimum Duration of Leave. If leave is requested for the birth, adoption or foster care placement of a child of the employee, basic leave must be concluded within the first year of the birth or placement of the child. In addition, the basic minimum duration of such leave is two weeks. However, an employee is entitled to leave for one of these purposes (e.g. bonding with a newborn) for at least one day, but less than two weeks duration on any two occasions.

If leave is requested to care for a child, sibling, parent, spouse, domestic partner, grandchild, grandparent or the employee him/herself with a serious health condition, there is no minimum amount of leave that must be taken. However, the notice and medical certification provisions of this policy must be complied with.

16.5.3. Spouses Both Employed by the City. In any case in which a husband and wife are both employed by the City and are both entitled to leave, each employee is entitled to twelve (12) workweeks during a twelve (12) month period if leave is taken for the birth or placement for adoption or foster care of the employee's child (i.e., bonding leave.) This limitation does not apply to any other type of leave under this policy.

In any case in which a husband and wife both employed by the City are entitled to leave, the aggregate number of workweeks of leave to which both may be entitled may be limited to 26 workweeks during any 12-month period if leave is taken to care for a covered service member.

16.6. **Intermittent Leave or Leave on a Reduced Work Schedule**

If an employee requests leave intermittently (a few days or hours at a time) or on a reduced leave schedule to care for an immediate family member with a serious health condition, the employee must provide medical certification that such leave is medically necessary. "Medically necessary" means there must be a medical need for the leave and that the leave can best be accomplished through an intermittent or reduced leave schedule. The leave may not exceed a total of twelve (12) weeks over a twelve (12) month period.

16.7. **Substitution of Paid Accrued Leaves**

16.7.1. Leave under this policy is unpaid. If an employee is on an unpaid FMLA/CFRA leave, he or she is required to use his or her accrued sick leave or vacation leave

concurrently with FMLA/CFRA leave. Employees must use accrued sick leave concurrently with the leave if the leave is for Pregnancy Disability or the employee's own serious health condition. .

16.7.2. If an employee is on a paid leave such as Workers Compensation, disability, Paid Family Leave, etc., employees may elect to use vacation, accrued sick leave and/or accumulated compensatory time to substitute for all or part of the otherwise unpaid leave under this policy. However, the City shall not require peace officers or firefighters to use Labor Code section 4850 leave concurrently with Family and Medical Leave.

16.7.3. If an employee takes a leave of absence for any reason which is FMLA/CFRA qualifying, the City may designate that leave as running concurrently with the employee's 12-week FMLA/CFRA leave entitlement, provided the City will notify the employee at the time of the designation, and the designation will not be made retroactively except as provided by law.

16.8. **Payment of Health Insurance Premiums While on Leave**

16.8.1. While an employee is on Family and Medical Leave and Pregnancy Disability Leave, the City shall maintain the employee's health insurance coverage on the same conditions as if the employee has been continuously employed during the entire leave period. If the employee's FMLA leave is unpaid, the City shall maintain the employee's health coverage for a maximum of twelve (12) weeks in a twelve-month period. If the employee's PDL is unpaid, the City shall maintain the employee's health coverage for a maximum of four months over the course of a 12 month period, beginning on the date of pregnancy disability leave begins.

16.8.2. In the event the an employee is disabled by pregnancy and also uses leave under the CFRA, the City will maintain the employee's health benefits while the employee is disabled by pregnancy (up to four months or 17 weeks) and during the employee's CFRA leave (up to 12 weeks).

16.8.3. If the employee would normally pay health insurance premiums, the City shall require payment from the employee while the employee is on leave.

16.8.4. Employees will not continue to be covered under the City's long-term disability and other non-health benefit plans unless employees make the appropriate contributions for continued coverage and said continued coverage is permitted by the particular plan(s).

16.8.5. An employee must return to work for a continuous period of at least one (1) month, otherwise they will not be classified as having returned to work. The City may recover its share of the health care premiums paid on behalf of the employee while the employee was on the leave. See Section 16.17

16.9. **Medical Certification**

16.9.1. Employees who request leave for their own serious health condition, or to care for a child, parent, or spouse or domestic partner who has a serious health

condition, must provide written certification from a health care provider of the individual requiring care.

16.9.2. If the leave is requested because of the employee's own serious health condition, the certification must include a statement that the employee is unable to work at all or is unable to perform the essential functions of his/her position. In cases where employees request intermittent leave, employees must submit medical certification which states that such intermittent leave is needed due to the employee's serious health condition.

16.9.3. Employees who request leave to care for a covered service member who is a child, spouse, parent, or "next of kin" of the employee must provide written certification from a health care provider regarding the injured service member's serious injury or illness. The first time an employee requests leave because of a qualifying exigency, the City may require the employee to provide a copy of the covered military member's active duty orders or other documentation issued by the military which indicates that the covered military member is on active duty or call to active duty status in support of a contingency operation, and the dates of the covered military member's active duty service. A copy of new active duty orders or similar documentation shall be provided to the City if the need for leave because of a qualifying exigency arises out of a different active duty or call to active duty status of the same or a different covered military member.

16.10. **Time to Provide a Certification.**

16.10.1. When an employee's leave is foreseeable, the employee must provide the medical certification within thirty (30) days before the leave begins. When this is not possible, the employee must provide the requested certification within the time frame requested by the City.

16.10.2. Consequences for Failure to Provide an Adequate or Timely Certification. If an employee fails to provide a medical certification with the timeframe established in 16.10.1, the City may delay the taking of FMLA/CFRA leave until the required certification is provided. If an employee provides an incomplete medical certification the employee will be given a reasonable opportunity to cure any such deficiency. If the City does not receive a adequately completed medical certification in a timely manner, the City may deny the request for FMLA

16.10.3. **Second and Third Medical Opinions**

If the City has reason to doubt the validity of a certification, the City may require a medical opinion of a second health care provider chosen and paid for by the City. If the second opinion is different from the first, City may require the opinion of a third provider jointly approved by the City and the employee, but paid for by the City. The opinion of the third provider will be binding. An employee may request a copy of the health care provider's opinions when there is a second or third medical opinion sought.

16.11. **Recertification**

- 16.11.1. If the City has reason to doubt the validity of a medical certification provided by an employee, the City may require a medical opinion of a second health care provider chosen and paid for by the City. If the second opinion is different from the first, the City may require the opinion of a third provider jointly approved by the City and the employee, but paid for by the City. The opinion of the third provider will be binding. An employee may request a copy of the health care provider's opinions when there is recertification.
- 16.11.2. Recertification may be requested under the following conditions:
- (1) When the basis for FMLA request has changed;
 - (2) When the employee requests an extension of leave; or
 - (3) At reasonable intervals requested by the City, but not to be more than every thirty (30) days, unless one of the aforementioned criteria also applies.

16.12. **Procedures for Requesting Leave.**

All employees requesting leave under this policy must submit proper Family and Medical Leave forms to the Human Resources Office. Although the City recognizes that emergencies arise which may require employees to request immediate leave, employees are required to give as much notice as possible of their need for leave. If leave is foreseeable, at least thirty (30) days notice is required. In addition, if any employee knows that he/she will need a leave in the future, but does not know the exact date(s) (e.g., for the birth of a child or to take care of a newborn), the employee shall inform his/her supervisor as soon as possible that such leave is needed. Such notice must be submitted in writing. If the City determines the notice of the employee is inadequate or the employee knew about the requested leave in advance of the request, the City may delay the granting of the leave until it can, in its discretion, adequately cover the position with a substitute.

16.13. **Accrual of Benefits While on Leave.**

Employees will not accrue benefits while in an unpaid leave status, including seniority rights, vacation and sick leave accrual.

16.14. **Reinstatement Upon Return From Leave**

- 16.14.1. Right to Reinstatement. Upon the expiration of leave, an employee is entitled to be reinstated to the position of employment held when the leave commenced, or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment. Employees have no greater rights to reinstatement, benefits and other conditions of employment than if the employee had been continuously employed during the Family and Medical Leave period.

If a definite date of reinstatement has been agreed upon at the beginning of the leave, the employee will be reinstated on the date agreed upon. If the reinstatement date differs from the original agreement of the employee and City the employee will be reinstated within two business days, where feasible, after the employee notifies the employer of his/her readiness to return.

16.15. **Employee's Obligation to Periodically Report on His/Her Condition**

Employees may be required to periodically report on their status and intent to return to work. This will avoid any delays in reinstatement when the employee is ready to return.

16.16. **Fitness for Duty Certification**

As a condition of reinstatement of an employee whose leave was due to the employee's own serious health condition, which made the employee unable to perform his/her job, the employee must obtain and present a fitness-for-duty certification from the health care provider that the employee is able to resume work. Failure to provide such certification may result in denial of reinstatement.

16.17. **Failure to Return From Leave.**

If an employee uses Family and Medical Leave and fails to return to work for the City, for a continuous period of at least one (1) month, the City may recover its share of health care premiums paid on behalf of the employee while the employee was on leave. The City reserves the right to seek reimbursement from the employee by any legal means.

16.18. **Reinstatement of "Key Employees"**

The City may deny reinstatement to a "key" employee (i.e., an employee who is among the highest paid 10 percent of all employed by the City within 75 miles of the work site) if such denial is necessary to prevent substantial and grievous economic injury to the operations of the City, and the employee is notified of the City intent to deny reinstatement on such basis at the time the employer determines that such injury would occur. This applies to FMLA only.

Section 17. PAID FAMILY LEAVE

17.1. **Eligibility.**

17.1.1. Employees who are covered by State Disability Insurance (SDI) are eligible for Family Temporary Disability Insurance (FTDI) benefits while taking care of family member(s). These benefits are paid by the State Employment Development Department. There is no requirement that the employee have worked for the City any particular length of time before being entitled to this leave. However, no employee can receive more FTDI benefits than he or she earned in wages during the base period for calculating benefits. Employees are not eligible if they are receiving State Disability Insurance (SDI), workers' compensation or private insurance payments in lieu of such payments.

- 17.1.2. Employees are eligible for this leave under the following circumstances:
- (1) For the birth and care of a newborn child, or the placement and initial care of an adopted or foster care child, or
 - (2) To care for an employee's spouse, child, parent or registered domestic partner with a serious health condition. However, an employee is not eligible to receive FTDI benefits for any day that another family member is able and available for the same period of time that the employee is providing care.

17.1.3. Definitions of all applicable terms will be in accordance with state law relating to Family Temporary Disability Insurance (California Unemployment Insurance Code section 3300 et seq.).

17.2. **Request for Leave**

Requests for paid family leave must be approved in advance by the employee's supervisor and Human Resources Office. Since the need for the family leave is included within the need for Family Care and Medical Leave, the same procedures for making requests for Family Care and Medical Leave and scheduling of leave shall apply to requests for Paid Family Leave. As with Family Care and Medical Leave, the employee must submit medical certification to the City to justify the request for such leave.

17.3. **Duration of Paid Family Leave**

According to law, employees are entitled to a maximum of six (6) weeks paid family leave in a twelve-(12) month period. Such leave runs concurrently with Family and Medical Leave. An employee is not entitled to more than a maximum of twelve (12) weeks leave in a twelve (12) month period to care for a family member.

17.4. **Compensation During Leave**

According to law, employees are entitled to be paid FTDI benefits while on family leave, replacing approximately fifty-five percent (55%) of an employee's wages. Payment for these benefits is funded through employee contributions to SDI. The employee is solely responsible to apply for this compensation from the State Employment Development Department (EDD). The City has no obligation to ensure that employees receive FTDI payments.

17.5. **Integration of Benefits**

If an employee is on Paid Family Leave and is receiving FTDI benefits, the employee may continue to receive full pay from the City by requesting that the maximum weekly FTDI benefits be supplemented by the use of accrued paid leave benefits. Under this option, the employee would tender his/her FTDI payments to the City and the City would then continue to issue paychecks and deduct the value difference between the FTDI payments and the employee's regular pay from the employee's sick leave allotment.

17.6. **Waiting Period and Use of Vacation**

The law requires that there be a seven (7) day “waiting period” before an employee on family leave may begin receiving FTDI payments. If available, employees must use two (2) weeks of earned and unused vacation before receiving FTDI benefits. The first week of vacation shall count as the “waiting period” before the employee may begin receiving FTDI payments.

Section 18. CATASTROPHIC LEAVE PROGRAM

18.1. **Policy**

This policy is designed to assist regular employees who have exhausted all forms of paid leave due to a serious, catastrophic illness or injury. The Catastrophic Leave Program allows other City employees to voluntarily donate sick leave to an employee who meets the eligibility requirements so that the recipient will be able to remain on a paid status for a longer period of time, or until the employee is receiving short or long term disability.

Donation and use of catastrophic leave is at the discretion and requires the approval of the City Manager or his or her designee.

18.2. **Eligibility for Personal Catastrophic Leave**

18.2.1. The employee must meet the following requirements to be eligible for leave under this policy:

- (1) The employee must have passed probation, be in a regular position with the City for at least eighteen (18) full months, and be considered actively employed by the City.
- (2) The employee must have a verifiable serious or catastrophic illness or injury which requires an extended period of treatment or recuperation. Serious or catastrophic illness or injury is one in which the employee is incapacitated and unable to work as certified by his/her physician for at least four (4) full workweeks. In addition, the employee must provide medical certification that includes a reasonable expectation that, with proper care and rehabilitation, the employee will be able to return to full duty within six (6) months of the absence from work.
- (3) The employee must have exhausted all paid leave balances.
- (4) The employee may not be concurrently receiving short or long-term disability or similar benefit.

18.3. **Conditions for Donating Leave.**

18.3.1. The following are the conditions for donating leave:

- (1) To be eligible to donate leave, an employee must have passed probation and be in a regular position with the City for at least eighteen (18) full months.
- (2) All donations of leave are voluntary. No employee shall be required to donate leave.
- (3) Accrued sick leave is the only type of leave allowed for donation and shall be donated on the basis of 1 hour received for each hour donated. If an employee wishes to donate sick leave, the employee must retain a minimum balance of eighty (80) sick leave hours after donating.
- (4) Employees must donate a minimum of four (4) hours and a maximum of ten (10) hours per pay period.
- (5) A donating employee may donate a maximum of 80 hours total to a recipient employee per catastrophic event. Recipient employees may receive a maximum of 160 donated hours per catastrophic event.
- (6) Donated leave will be credited to the receiving employee's sick leave balance on an hour-for-hour basis and shall be paid at the rate of pay of the receiving employee.
- (7) Once the leave is donated and posted to the receiving employee, the employee donating such leave shall irrevocably lose all rights and privileges to the donated leave hours.

18.4. **Procedures For Donating and Receiving Leave**

18.4.1. For donating employees:

- (1) A donating employee shall complete the donation form and submit it to the Human Resources Office.
- (2) The Human Resources Office will review the request and forward to the City Manager for approval.
- (3) After approval by the City Manager, the Human Resources Office will submit the donation request to payroll for processing.
- (4) Donated leave will be used only as needed.
- (5) Donated leave will be credited to the receiving employee from the donating employee in chronological order by the date approved by the City Manager.

18.4.2. For receiving employees:

- (1) Once the receiving employee's own paid leave balances have been exhausted consistent with this policy, the employee may collect donated leave.

- (2) The receiving employee must be eligible for leave (meeting the requirements of Section 18.2.1 above) and willing to receive the donated leave.
- (3) The medical reasons for the need for the donated leave will only be disclosed to City employees if the employee agrees to such disclosure, either verbally or in writing.
- (4) The receiving employee will continue to be provided City-provided health and welfare benefits consistent with the City's Family and Medical Leave Policy.
- (5) All donated hours must be used on a continuous and uninterrupted basis until the earliest of the following occurs:
 - a. All donated leave balances are exhausted; or
 - b. The employee returns to work; or
 - c. The employee begins receiving long-term disability benefits; or
 - d. The employee's employment terminates.

Section 19. LAYOFF AND RECALL POLICY

- 19.1. Whenever, in the sole judgment of the City Council, it becomes necessary to abolish any position due to a reorganization, lack of work or funds, or abandonment of activities, the employee holding said position may be laid off or demoted without the right of appeal. Whenever possible, employees will be given at least thirty (30) days notice of any layoff or demotion.
- 19.2. Order of Layoff.
 - 19.2.1. When a position has been abolished, any seasonal, emergency, probationary or temporary employee in that position classification shall be laid off first.
 - 19.2.2. The order of layoff of full-time regular employees shall be determined based on seniority and the employee's overall performance as a City employee. Any full-time regular employee who holds a position which will be abolished shall first be considered for reassignment to an existing vacancy in a lower or equal class, provided the employee is qualified for the vacant position and such vacancy exists. If reassignment is not feasible, and the layoff involves a position classification held by more than one person, layoffs will be made based on the following criteria. Selection for retention shall be based equally upon performance as determined and supported in writing by each supervisory level involved and upon seniority of service. Therefore, this policy does not preclude the retention of employees who have less seniority in the position classification which is the subject of reduction in force action. Seniority will be determined by including all periods of full time regular service at or above the classification level where the layoff is to occur.

- 19.2.3. The following criteria shall be considered in evaluating performance:
- (1) The employee's last four (4) written performance evaluations, if in existence.
 - (2) The history of an employee's written disciplinary actions during the last three (3) years.
 - (3) The employee's written record of attendance including patterns of sick leave usage, tardiness and unexcused absences during the last three (3) years.
 - (4) If there are no performance evaluations, dated within the last year, the employee's current and past supervisors' evaluation of the employee's performance.

19.3. Re-employment List. Full-time regular employees who are laid off will have their names kept on a re-employment list for one (1) year from the date of layoff. Names shall be placed on the re-employment list in order of date of layoff. The re-employment list will be used by the City when a vacancy arises in the same or lower classification of position in the department where the layoff originally occurred. The City shall use this list before any other eligible list and before seeking general applications from others. The City, in its discretion, may extend the active period of the re-employment list.

19.4. This policy does not apply to at-will employees.

Section 20. DISCIPLINE / GENERAL RULES OF CONDUCT

20.1. General Rules of Conduct

It is expected that all employees shall render the best possible service and reflect credit on the City. Therefore, the highest standards of professional conduct are essential and expected of all employees.

20.2. Disciplinary Actions

20.2.1. The City may invoke the following types of disciplinary actions:

20.2.3. Removal of a Written Reprimand from Personnel Records: At the request of the employee, records of written reprimand shall be removed from the employee's personnel file two (2) years after the date of the written reprimand, provided that the employee has received a satisfactory performance review for the subsequent two (2) years period from the date of the written reprimand and no further discipline (related or unrelated to the reprimand) has been initiated

20.3. **Grounds for Discipline**

20.3.1. Any employee holding a regular appointment in the Classified Service may be disciplined for good cause. City employees who are employed "at-will," or who are seasonal, temporary or probationary, are not subject to the requirement of good cause, and are not entitled to pre-discipline procedures or appeals. Such employees may be disciplined without reference to these provisions.

20.3.2. Good cause exists, not only when there has been an improper act or omission by an employee in the employee's official capacity, but when any conduct by an employee brings discredit to the City, affects the employee's ability to perform his or her duties, causes other employees not to be able to perform their duties, or involves any improper use of their position for personal advantage or the advantage of others. The type of disciplinary action shall depend on the seriousness of the offense and the relevant employment history of the employee. Causes for disciplinary action against an employee may include, but shall not be limited to, the following:

- (1) Misstatements or omissions of fact in completion of the employment application or to secure appointment to a position with the City;
- (2) Furnishing knowingly false information in the course of the employee's duties and responsibilities;

- (10) Disobedience to proper authority, refusal or failure to perform assigned work, to comply with a lawful order, or to accept a reasonable and proper assignment from an authorized supervisor;
- (11) Any violation of the City's Nondiscrimination Policy;
- (12) Unauthorized soliciting on City property;
- (13) Unauthorized absence without leave; failure to report after leave of absence has expired or after a requested leave of absence has been disapproved, revoked or canceled; or any other unauthorized absence from work;
- (14) Conviction of a felony, or a misdemeanor involving moral turpitude, or a violation of a federal, state or local law which negatively impacts the employee's ability to effectively perform his/her job or brings discredit to the City. (For purposes of this section, a misdemeanor conviction does not include a conviction based on a plea of *nolo contendere*);
- (15) Discourteous or offensive treatment of the public or other employees;
- (16) Falsifying any City document or record;
- (17) Misuse of City property; improper or unauthorized use of City equipment or supplies; damage to or negligence in the care and handling of City property;
- (18) Fighting, assault and/or battery;
- (19) Theft or sabotage of City property;
- (20) Sleeping on the job, except as specifically authorized for twenty-four (24) hour duty personnel;
- (21) Accepting bribes or kickbacks;
- (22) Engaging in outside employment which conflicts with an employee's responsibilities;
- (23) Intimidation or interference with the rights of any employee;
- (24) Outside work or any other activity or conduct which creates a conflict of interest with City work, which causes discredit to the City, negatively impacts the effective performance of City functions or is not compatible with good public service or interests of the City service;
- (25) Abusive or intemperate language toward or in the presence of others in the workplace;

- (26) Failure to obtain and/or maintain minimum qualifications for a position, including required licenses or certificates;
- (27) Any other conduct of equal gravity to the reasons enumerated above as determined by the City.

20.4. **Authority to Discipline**

Any authorized supervisory employee may institute disciplinary action for cause against an employee under his/her supervision in accordance with the procedures outlined in these Rules.

20.5. **Procedures for Disciplinary Actions**

In the absence of a process in a MOU, employees covered by this policy shall be governed by the following provisions:

20.5.1. Oral and Written Reprimand

- 20.5.1.1. In the case oral or written reprimand, the employee may respond by submitting a written rebuttal to be filed in the employee's personnel file. No oral response or appeal shall be permitted.

20.5.2. Notice of Intent to Discipline

- 20.5.2.1. For discipline greater in severity than an oral or written reprimand, the responsible Department Manager shall issue a written Notice of Intent to Discipline, describing the intended discipline, the basis for the discipline, and attaching any documents upon which the discipline is based.
