(Ord. 840, § 1, passed -- 2003; Am. Ord. 898 § 11, passed 11-14-2011; Am. Ord. 906 § 8, passed 04-22-2013)

This order shall direct the Owner and any other Responsible Party having charge or control of the premises to abate the conditions determined to be a nuisance. The order shall set forth the times within which abatement work shall be commenced and completed. The order shall inform the Owner and/or Responsible Party that if the nuisance is not abated within the specified time, the nuisance may be abated by the City and the cost thereof made a lien or special assessment on the property involved.

B. If the Hearing Body finds that no nuisance condition exists or that no violation of the Code occurred, that the violation was corrected during the time specified in the Notice of Violation, or that the person cited is not the

Responsible Party, the Hearing Body shall issue an administrative order to reflect those facts, and the City will promptly refund the amount of any penalty deposited and any appeal fee that was paid.

C. The order shall also inform the Owner and/or Responsible Party that the time for judicial review is governed by the Cal. Any Responsible Party shall have the right to have any nuisance condition abated in accordance with the order and at the party's expense provided the same is done prior to the expiration of abatement period set forth in the order.

(Ord. 840, § 1, passed -- 2003)

6.12.130 ABATEMENT BY CITY OFFICER.

If the nuisance is not completely abated as directed within the designated abatement period, then the City Manager, or the other City official as may be designated, may, after consultation with the City attorney, cause the same to be abated by the City either through the use of its own employees or through contracted services after obtaining either the consent of the Owner or Responsible Party or obtaining an abatement warrant from a court of competent jurisdiction.

6.12.140 REPORT TO CITY COUNCIL OF COSTS OF ABATEMENT BY THE CITY.

A. The City may elect to recover its costs to abate nuisance conditions, including enforcement and correction of violations of laws and ordinances to the full extent permitted by Government Code Section 54988. Recoverable costs, include or enforce other provisions of this Code, including without limitation, the costs of any hearing or appeal hearing (including staff time necessary to prepare for and attend a hearing or an appeal hearing), any re-inspections required to determine or confirm that compliance has been achieved, production of all staff reports, environmental tests or measurements that are deemed necessary or appropriate by the Code Enforcement Officer, third party inspection(s) or consultant services as deemed necessary by the City and any attorneys' fees incurred in pursuing enforcement, including any civil action to abate nuisance conditions or enforce this Code. To this end the City has prepared a fee schedule that calculates the typical cost of enforcing a variety of different code violations based on previous experience. The code violation enforcement fee is updated on an annual basis. If the City elects at the initiation of an administrative enforcement action or other proceeding to seek recovery of attorneys' fees, pursuant to Cal. Government Code § 38773.5(b), or any other applicable authority, including this Code, then the prevailing party shall be entitled to recover attorneys' fees in an amount not to exceed the amount of attorneys' fees incurred by the City in such action. Recovery by the City of the costs of enforcement shall be in addition to any penalty imposed on the Responsible Party.

B. Accrual of Abatement Costs will occur whenever any person creating, causing, committing, or maintaining a public nuisance, as referred to in Sections 6.12.020 and/or 6.12.040, or other public nuisance, as defined under State law or by other ordinances or regulations, has been given notice, by or on behalf of the Code Enforcement Department or by any other officer, or employee authorized to give such notice, to abate such nuisances or cease and desist from continuing such nuisance or violation of law, and such person fails, refuses, or neglects to comply with the notice within the time specified therein, or if such a time is not specified, then within a time reasonably sufficient to enable such compliance, such non-complying person shall be liable to the City of Fort Bragg for any and all costs

and expenses incurred by the City in abating the nuisance and or correcting violations of State law or other ordinances and regulations and in obtaining compliance with or enforcing the law as referred to or encompassed within such notice.

B C. If the City abates the nuisance, the Director of Finance at the direction and request of the City Manager shall keep an account of the cost of abatement, including attorney fees, if any, and incidental expenses and shall render an itemized written report to the City Council showing the cost of abatement, including any salvage value of material from the abatement.

CD. The term “incidental expenses” shall include, but not be limited to, the actual expenses and costs of the City in:

1. Preparation of notices, specifications, and contracts;
2. Inspecting the work;
3. Costs of preparing for and attending any required hearings;
4. The costs of printing and mailing required hereunder; and
5. Costs of imposing a lien or levying a special assessment on the property.

DE. Should the proceeds of sale of any salvage material exceed the cost of the abatement, the balance, if any, shall be paid to the Owner or Responsible Party upon establishment of his or her claim for the excess proceeds.

(Ord. 840, § 1, passed -- 2003; Am. Ord. 898 § 15, passed 11-14-2011)

6.12.155 IMPOSITION OF PENALTIES.

A Code Enforcement Officer, Hearing Officer or Hearing Body may impose on any and all Responsible Parties a penalty for any nuisance condition or violation of any provision of this Code, including a failure to comply with a term or condition imposed by any agreement, entitlement, permit, license or environmental document issued or approved by or on behalf of the City, or a failure to comply with any county, state or federal law, pursuant to the City's general police powers, and/or Cal. Government Code §§ 36901 and 53069.4.

A. The amount of any penalty that may be imposed for a violation that would otherwise be an infraction shall not exceed the amounts set forth in Cal. Government Code § 36900(b), as amended from time to time. The amount of any penalty that may be imposed for all other violations (i.e., violations that would otherwise be misdemeanors) shall not exceed the amounts set forth in Cal. Government Code § 36901, as amended from time to time. In determining the amount of a penalty, the following factors should be taken into consideration:

1. Duration of the violation;
2. Frequency, re-occurrence, or number of violations by the same person;
3. Seriousness of the violation and/or its impact on the community and/or the degree of culpability of the Responsible Party(ies);
4. Justification, if any, for the existence, or continuance, of the violation;
5. Whether the violation is susceptible to restoration or other mitigation;
6. Good faith efforts to mitigate the violation or to come into compliance with the terms contained in any Notice of Violation, abatement order or other order;
7. Sensitivity of any affected resource;
8. Any profits or other economic benefit realized by the Responsible Party(ies) resulting, directly or indirectly, from the violation;

9. The City's schedule of administrative penalties currently existing or subsequently enacted; and
10. Such other factors as justice may require.

B. Each and every day during any portion of which a violation of this Code and/or a nuisance condition exists or continues may be deemed a separate and distinct violation for purposes of setting the amount of penalty to be imposed. Any penalty imposed will accrue on a daily basis from the date the penalty becomes effective until the violation is corrected.

C. Any penalty amount is a debt owed to the City. In addition to all other means of enforcement, a penalty may be enforced as a personal obligation of the Responsible Party. If the violation is in connection with real property, a penalty may also be enforced by imposition of a lien or special assessment upon the real property, as described in § 6.12.160. Any lien or special assessment imposed upon real property shall remain in effect until the penalty is paid in full.

D. A Hearing Officer or Hearing Body, may, in his, her or its sole discretion, suspend the imposition of any applicable penalty for a period of time not to exceed sixty (60) days during which the Responsible Party has demonstrated a willingness to correct the violations listed in the Notice of Violation or comply with an abatement or other order, or has applied for permits required to achieve compliance and such permit applications are actively pending before, or have already been issued by, the City, State, or other appropriate governmental agency, or under any other circumstances that would justify a suspension of the penalty.

(Ord. 898 § 16, passed 11-14-2011)

6.12.150 HEARING BY CITY COUNCIL ON REPORT OF COSTS OF ABATEMENT BY CITY.

A. The City Council shall set the report of the costs of abatement by the City for hearing to determine the correctness and/or reasonableness of the costs.

B. A copy of the report of costs of abatement by the City and notice of the hearing shall be served on the Responsible Party (and Owner if different than Responsible Party) at least ten (10) days prior to the date of the City Council hearing. Service shall be as set forth in § 6.12.090. Proof of service shall be made by declaration under penalty of perjury filed with the City Clerk.

C. At the time and place fixed for receiving and considering the report, the City Council shall receive and consider the report of the costs of abatement, together with any objections or protests. The City Council may accept, revise, correct, or modify the report. The decision of the City Council on all protests and objections shall be final and conclusive. At the conclusion of the hearing, the City Council shall, by resolution, confirm the report as accepted, revised, corrected, or modified.

(Ord. 840, § 1, passed -- 2003)

6.12.160 SPECIAL ASSESSMENT OR NUISANCE ABATEMENT LIEN ON PROPERTY FOR COSTS OF ABATEMENT BY THE CITY.

A. The costs of abatement by the City as confirmed by the City Council may be levied as a nuisance abatement lien against the subject property pursuant to Cal. Government Code § 38773.1.

1. Prior to recordation, notice shall be provided to Owner. Service of the notice shall be in the same manner as a summons in a civil action pursuant to Cal. Code of Civil Procedure §§ 415.10 et seq. If the Owner, after diligent search, cannot be found, the notice may be served by posting a copy thereof in a conspicuous place upon the property for a period of ten (10) days and publication thereof in a newspaper of general circulation published in Mendocino County pursuant to Cal. Government Code § 6062.
2. The nuisance abatement lien shall be recorded in the Mendocino County Recorder's office and shall have the force, effect and priority of a judgment lien.
3. The nuisance abatement lien shall specify the amount of the lien, the name of the City, the date of the City Council's abatement order, the street address, legal description and assessor's parcel number of the parcel on which the lien is imposed, and the name and address of the Owner.

4. The nuisance abatement lien may be foreclosed by an action brought by the City for a money judgment.
5. The City may recover from the Owner any costs incurred regarding the processing and recording of the lien and providing notice to the Owner as part of its foreclosure action to enforce the lien.

B. Alternatively, the costs of abatement by the City as confirmed by the City Council may be made a special assessment against the subject property pursuant to Cal. Government Code § 38773.5.

1. Prior to making a special assessment, notice shall be provided to the Owner. The notice shall specify that the property may be sold after three (3) years by the Tax Collector for unpaid delinquent assessments. Service of the notice shall be made by certified mail to the Owner. The Tax Collector's power of sale shall not be affected by the failure of the Owner to receive notice.
2. The assessment may be collected at the same time and in the same manner as ordinary municipal taxes are collected, and shall be collected subject to the same penalties and the same procedure and sale in case of delinquency as provided for ordinary municipal taxes. All laws applicable to the levy, collection, and enforcement of municipal taxes shall be applicable to the special assessment.
3. If the property to which the cost of abatement relates has been transferred or conveyed to a bona fide purchaser for value, or if a lien of a bona fide encumbrancer for value has been created and attaches thereon, prior to the date on which the first installment of the taxes would become delinquent, then the cost of abatement shall not result in a lien against the real property but instead shall be transferred to the unsecured roll for collection.
4. The City may, subject to the requirements applicable to the sale of property pursuant to Cal. Revenue and Taxation Code § 3691, conduct a sale of vacant residential developed property for which the payment of that assessment is delinquent.
5. Notices or instruments relating to the abatement proceeding or special assessment shall be entitled to recordation.

(Ord. 840, § 1, passed -- 2003)
