Water Capacity Fees

Fiscal Year Ended June 30, 2022

(4) An identification of all of the following:

- (A) Each public improvement on which charges were expended and the amount of the expenditure for each improvement, including the percentage of the total cost of the public improvement that was funded with those charges if more than one source of funding was used.
- (B) Each public improvement on which charges were expended that was completed during that fiscal year.

There were no expenditures of Water Capacity fees in the fiscal year 2021/22.

- (A) Each public improvement that is anticipated to be undertaken in the following fiscal year.

Water Treatment Plant Overhaul (in current CIP)

- Overhaul the City's Water Treatment Plant to replace filters and clarifiers initially installed in 1998 and 2006. The overhaul would also include increasing the filter to waste pipe size, replacing filter media, filter underdrain, filter wash system, clarifier media, manifold, water inlet headers, and sandblasting and painting the units.
- The estimated cost is \$5,400,000, design completed in FY 21/22 and construction in FY22/23.
- Accumulated revenue of \$18,000 and available reserves would be contributed towards funding the project. Accumulated Water Enterprise funds collected from water use rates for capital funding and other sources will provide the funding to complete the project.

(B) A description of each interfund transfer or loan made from the account or fund, including the public improvement on which the transferred or loaned fees will be expended, and, in the case of an interfund loan, the date on which the loan will be repaid and the rate of interest that the account or fund will receive on the loan.

(5) A description of each interfund transfer or loan made from the capital facilities fund. In the case of an inter-fund transfer, the information provided shall identify the public improvements on which the transferred money are, or will be, expended. In the case of an interfund loan, the information shall include the date on which the loan will be repaid and the rate of interest that the fund will receive on the loan.

No interfund transfers or loans were made during the fiscal year utilizing these funds.
