Water Capacity Fees
Fiscal Year Ended June 30, 2016

(E) An identification of each public improvement on which fees were expended and the amount of the expenditures on each improvement, including the total percentage of the cost of the public improvement that was funded with fees.

The Fees were expended to pay for construction of the Summer's Lane Reservoir. \$41,629 was expended on the Summer's Lane Reservoir Project. 8% of total costs were funded with fees.

(F) An identification of an approximate date by which the construction of the public improvement will commence if the local agency determines that sufficient funds have been collected to complete financing on an incomplete public improvement, as identified in paragraph (2) of subdivision (a) of Section 66001, and the public improvement remains incomplete.

For the fiscal year 2016/2017, the City determined that there are sufficient funds to continue funding construction of the Summer's Lane Reservoir.

(G) A description of each interfund transfer or loan made from the account or fund, including the public improvement on which the transferred or loaned fees will be expended, and, in the case of an interfund loan, the date on which the loan will be repaid and the rate of interest that the account or fund will receive on the loan.

\$41,629.00 was transferred from the Water Enterprise Capacity Fees fund to the Water Enterprise Capital Projects fund to pay for construction of the Summer's Lane Reservoir.

(H) The amount of the refunds made pursuant to subdivision (e) Section 66001 and any allocation pursuant to subdivision (f) of Section 66001.

No refunds were made during the fiscal year.
