

BEFORE THE CITY COUNCIL OF THE CITY OF FORT BRAGG

AN ORDINANCE REPEALING AND REPLACING CHAPTER 15.04 (CONSTRUCTION CODES – ADOPTED BY REFERENCE) AND CHAPTER 15.05 (CALIFORNIA FIRE CODE) OF TITLE 15 (BUILDINGS AND CONSTRUCTION) OF THE FORT BRAGG MUNICIPAL CODE; ADOPTING AND INCORPORATING THE CALIFORNIA ADMINISTRATIVE CODE, CALIFORNIA BUILDING CODE, CALIFORNIA RESIDENTIAL CODE, CALIFORNIA ELECTRICAL CODE, CALIFORNIA MECHANICAL CODE, CALIFORNIA PLUMBING CODE, CALIFORNIA ENERGY CODE, CALIFORNIA HISTORICAL BUILDING CODE, CALIFORNIA EXISTING BUILDING CODE, CALIFORNIA GREEN BUILDING STANDARDS CODE, CALIFORNIA REFERENCED STANDARDS CODE AND CALIFORNIA FIRE CODE; ADOPTING LOCAL FINDINGS; AND MAKING OTHER TECHNICAL AND ADMINISTRATIVE REVISIONS TO TITLE 15

ORDINANCE NO. 994-2024

WHEREAS, the 2022 California Building Standards Code has been amended and adopted by the California Building Standards Commission in order to establish uniform standards for the construction and maintenance of buildings, electrical systems, plumbing systems, mechanical systems and fire and life safety systems; and

WHEREAS, the City of Fort Bragg (City) has adopted the 2016 Editions of the California Building Standards Code, California Plumbing Code, California Mechanical Code, California Uniform Housing Code, California Electric Code, California Administrative Code, and the California Energy Code; and

WHEREAS, Government Code § 50022 *et seq.* and California Health & Safety Code § 17922 authorizes cities to enact ordinances adopting any code by reference; and

WHEREAS, in accordance with Government Code § 50022.3, a properly noticed public hearing concerning adoption of the Codes referenced above has been held prior to adoption of this Ordinance; and

WHEREAS, California Health & Safety Code § 17958.5 authorizes cities and counties to modify the California Building Standards Codes by adopting more restrictive standards and modifications if such standards and modifications are accompanied by express findings that they are reasonably necessary because of local climatic, geologic and topographic conditions; and

WHEREAS, cities and counties may adopt amendments to clarify local administration of the 2022 California Building Standards Code, so long as those modifications do not change the building standards without required findings; and

WHEREAS, prior to the effective date of this Ordinance, the City Clerk shall file a copy of the Ordinance, with the California Building Standards Commission.

NOW, THEREFORE, the City Council ordains as follows:

Section 1. **Legislative Findings.** The City Council hereby finds as follows:

1. The City of Fort Bragg’s Municipal Code Chapters 15.04 and 15.05 have undergone a review by staff to identify inconsistencies and inaccuracies as well as consistency with the 2022 California Building Standards Code.
2. The Code should represent the current state of all legislative actions taken by the City Council.
3. The Code should reflect current legislative actions of the City Council and the means by which the City is being operated and must be accurate and consistent to aid staff, residents and various other persons in making determinations on Code related issues.
4. Pursuant to §§ 17958.5 and 17958.7 of the California Health and Safety Code, the City Council makes the express finding that each of the modifications and changes to building standards set forth herein is needed and is reasonably necessary because of local climatic, geological and topographical conditions. Fort Bragg is a rural coastal city located between approximately 39 and 40 degrees latitude. It has a moderate climate. It is subject to severe rainstorms or windstorms that have and could result in localized flooding and flood hazards. The City has potentially active seismic hazards in close proximity. Its location creates some degree of isolation and some difficulty in the transportation of building materials and in obtaining skilled and expert assistance for the construction or rehabilitation of rural dwellings.
5. There is no possibility that the adoption of this ordinance will have a significant impact on the environment, and therefore, the adoption of this ordinance is exempt from the California Environmental Quality Act (“CEQA”), pursuant to Section 15061(b)(3) of the California Code of Regulations (CEQA Guidelines) by the general rule that CEQA only applies to “projects” that may have a significant effect on the environment. The proposed Ordinance would amend the Municipal Code related to building standards necessary to protect health and safety. In this case, there is no possibility that the proposed Ordinance would have a significant impact on the environment.

Section 2.
