To Whom it may concern:  
Please add my name to the petition to have the City of Fort  
Bragg support a ceasefire resolution.

Personally I can not remember a more disturbing, heartbreaking and  
sickening series of events in  
my lifetime than watching what has been happening in living nightmare of  
Gaza.

Words can not express how disgusted I am in seeing the media  
blackout and the genocide taking place for months and NOTHING being done  
to  
stop Israel.

I would feel proud for this one action, if Fort Bragg stepped up with  
the other cities around the  
US and countries around the world to say Ceasefire now.

thank you,
