Special Meeting - City Mid-Year Budget Review

CALL TO ORDER

ROLL CALL

PLEASE TAKE NOTICE

DUE TO THE PROVISIONS OF THE GOVERNOR'S EXECUTIVE ORDERS N-25-20 AND N-29-20 WHICH SUSPEND CERTAIN REQUIREMENTS OF THE BROWN ACT, AND THE ORDER OF THE HEALTH OFFICER OF THE COUNTY OF MENDOCINO TO SHELTER IN PLACE TO MINIMIZE THE SPREAD OF COVID-19, CITY COUNCIL MEMBERS AND STAFF WILL BE PARTICIPATING BY VIDEO CONFERENCE IN THE SPECIAL CITY COUNCIL MEETING OF THURSDAY, MARCH 4, 2021.

In compliance with the Shelter-in-Place Orders of the County and State, the Town Hall Council Chamber will be closed to the public. The meeting will be live-streamed on the City's website at <https://city.fortbragg.com/> and on Channel 3. Public Comment regarding matters on the agenda may be made in any of the following ways: (1) By joining the Zoom video conference and using the Raise Hand feature during Public Comment, (2) Through the City's online eComment agenda feature, (3) By emailing comments to City Clerk June Lemos, jlemos@fortbragg.com, (4) By delivering written comments through the drop-box for utility payments to the right of the front door at City Hall, 416 N. Franklin Street, or (5) By leaving a voice mail comment at (707) 961-1694 by 8:00 AM on the day of the meeting.

The Clerk will read aloud all eComments or emails received before or during the meeting that have not been published with the agenda packet. Public comments are restricted to three minutes. Written comments on agendized matters and those exceeding three minutes will be included in the public record as part of the agenda packet the next business day after the meeting.

We appreciate your patience and willingness to protect the health and wellness of our community and staff. If you have any questions regarding this meeting, please contact the City Clerk at (707) 961-1694 or jlemos@fortbragg.com.

ZOOM WEBINAR INVITATION

You are invited to a Zoom webinar.

When: Mar 4, 2021 09:00 AM Pacific Time (US and Canada)

Topic: Special City Council Meeting

INTRODUCTION

The City of Fort Bragg Mid-Year Performance Report addresses the financial activity during the first two quarters of FY 2020/21. The report focuses on the General Fund, Internal Service Funds and the Water and Wastewater Enterprise Funds. Special Revenue and Capital Project Funds are not included in the City's base operating budget and, therefore, are not detailed in the Mid-Year Performance Report. The C.V. Starr Center Enterprise Fund is addressed in a separate report.

In reviewing this report, the following information should be taken into consideration:

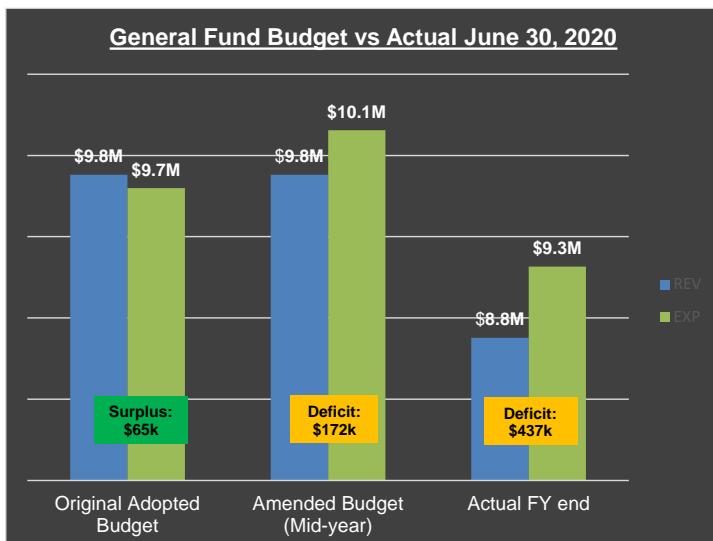

- Revenues and expenditures are recorded during the period received or paid. As of January 31, accrual entries were made to associate January receipts and expenditures to the second quarter as appropriate. Year-end accruals use a 60-day window and therefore are more exhaustive.
- The schedule of revenues received varies according to the source of funding. As an example, property tax payments are received as follows: 55% in December, 38% in April and 7% in August of the following fiscal year. The August payment is presented in the fiscal year to which it relates.
- Although most expenditures occur monthly, there are some quarterly, semi-annual, and even annual expenditures. Examples include debt service payments, liability insurance, and audit fees.
- This report is not meant to be inclusive of all finance and accounting transactions. It is intended only to provide the Council and the public with an overview of the state of the City's general fiscal condition. The report has been prepared by the City's finance department without audit and does not include many of the year-end adjustments required to bring the City's financial records into compliance with generally accepted accounting principles (i.e. accruals of sales and use tax revenues, payroll and other expenditures).

GENERAL FUND

The General Fund supports many of the City's day-to-day operations, including police and fire protection, street and park maintenance, community development, and general administrative functions. The General Fund receives the broadest variety of revenues, and many of its revenue sources are cyclical in nature. By contrast, the revenue sources for the Enterprise Funds are received on a monthly basis and, as a result, are more evenly distributed throughout the fiscal year.

The General Fund includes all services that are funded through general taxes. It is the funding source for all City programs except those that are paid for through dedicated taxes, user fees, impact fees, or grants.

FISCAL YEAR 2019/20 RECAP

Fund Balance		
	FY 18/19	FY 19/20
Beginning Fund Balance	\$ 2,959,474	\$ 3,141,626
Revenue	9,380,928	8,877,842
Less Expenditures	(9,184,487)	(9,315,549)
Net Transfers	(14,289)	(12,677)
Ending FUND BALANCE	\$ 3,141,626	\$ 2,691,242

For the fiscal year ended June 30, 2020, the General Fund ended the year with a Budget deficit of \$437k, resulting in a decrease in Fund balance by 14 percent to \$2.7 million from \$3.1 million. Like the rest of our nation, our local economy was hit hard by the COVID-19 pandemic. Fort Bragg is a tourist-based economy and depends heavily on tourism for its revenue. Transient Occupancy Tax (TOT), which accounts for 29 percent of the General Funds revenues, were 16.5% below the prior year revenues.

Expenditures also ended the year below budget by \$839k due to the COVID-19 Expenditure Budget reduction plan, which the City Council approved in April 2020 in response to the projected revenue shortfalls. The General Fund continued to maintain an operating reserve of \$1.4 million, a litigation reserve of \$200k, and a newly established recession reserve of \$489k.

ECONOMIC RECOVERY EFFORTS DURING THE FISCAL YEAR

One of the City's top priorities is the businesses that financially support the City by collecting sales and TOT Taxes on their revenues. A few of the ways that the City has supported local businesses impacted by COVID-19 during the fiscal year include:

- TOT fillings and payment forbearance from March through June 2020.
- Waive all Penalties and interest on unpaid water and wastewater bills from March through June 020. Moratorium on utility shut-offs for non-payment.
- An eviction Moratorium for residential and commercial tenants.
- Three-month CDBG Business loan forbearances.
- CDGB COVID-19 allocation application for Utility Assistance program.
- CDBG COVID-19 applications filed for Business Assistance Loan Program and Microenterprise Assistance Program.

- Temporary Zoning waiver allowed businesses to adapt their businesses in ways that comply with the SIP order and enable them to operate.
- Created Smallbiz@fortbragg.com to keep businesses informed and to promote local businesses.
- Advocate for access to Paycheck Protection program and Economic Injury Disaster Loans for local businesses.

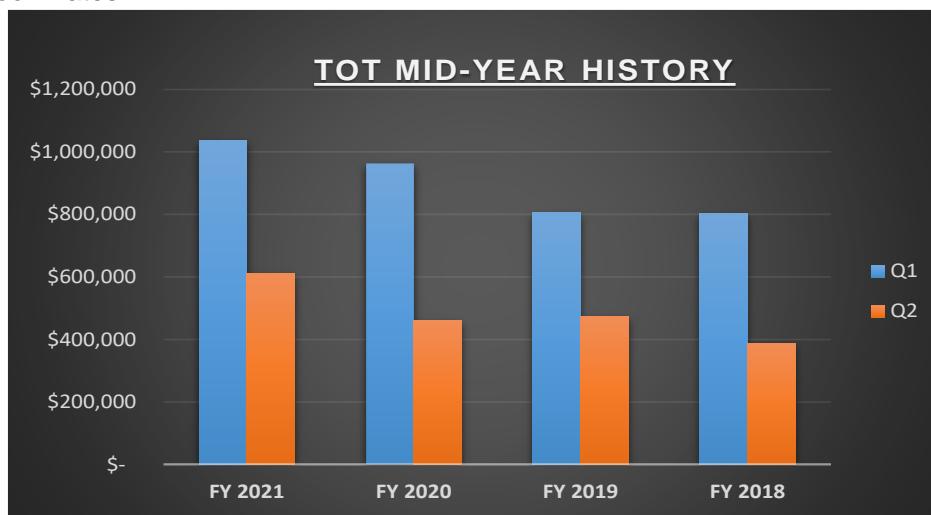

FISCAL YEAR 2020/21 AS OF 12/31/2020

General Fund revenues for the first half of FY 2020/21 totaled \$4.6 million, representing 51 percent of the amended annual budget. The projected year-end total is \$9.3 million, which is \$364k above budget estimates.

Charges for Services	63,295	43,040	54,464	-	54,464	27,232	21,987	40%	(5,245)	42,346	(12,118)
Operating Grant Revenue	120,796	139,610	229,518	115,226	344,744	172,372	45,855	13%	(126,517)	390,945	46,201
Reimbursements	2,694,334	2,353,861	2,300,281	35,000	2,335,281	1,167,641	1,045,025	45%	(122,615)	2,332,492	(2,789)
Other Revenue	43,405	16,911	35,095	91,702	126,797	63,399	103,462	82%	40,063	103,858	(22,939)
TOTAL GENERAL FUND REVENUES	\$ 9,208,071	\$ 8,877,841	\$ 7,933,346	\$ 984,721	\$ 8,918,067	\$ 4,459,033	\$ 4,579,065	51%	\$ 120,031	\$ 9,310,414	\$ 392,347

- **Transient Occupancy Tax (TOT)**, as mentioned previously, accounts for 29 percent of the General Fund's revenue. During the last quarter of FY 19/20, this revenue category was hit hard by COVID-19 restrictions and ended the year falling short of budget projections by \$660k. In the first quarter of FY 2020/21, TOT rebounded and was 43 percent or \$425k above budget estimates and set a record for the highest quarterly collections. Since then, Staff has adjusted the adopted budget from \$1.8 million to \$2.4 million. As of December 31, 2020, TOT has a favorable variance of \$447k and is forecasted to end the fiscal year at \$2.6 million, \$207k above budget estimates.

First-quarter TOT collections are approximately 35% of the annual budget. Receipts, however, are seasonal and tend to be the highest in the first and last quarter of each fiscal year, primarily due to higher occupancy levels and room rates.

- **Sales Tax:** The full brunt of the COVID-19 struck the service sector more than any other industry during this time. Many of these businesses were not considered essential under the early Shelter-in-Place orders, particularly in the early part of the pandemic, and therefore were subject to stricter regulations. The City's data also reflects the trend that small businesses were harder hit by the pandemic. According to the Economic Development Department (EDD), our local unemployment rate was 2.8 percent before the pandemic, 14.4 percent at the onset of the pandemic in March/April 2020, and has declined to 7.8 percent by the end of December as businesses started to reopen in the Summer of 2020.

Reviewing annual sales through the first quarter of 2020, in total, the top twenty-five sales tax generators were down 2.9 percent. The top twenty-five generators account for 68.4 percent of total revenue. The businesses that make up the top 26-50 sales tax generators were down 6.6 percent. The businesses that make up the top 51-75 sales tax generators were down 14.4%. Those that make up the top 76-100 were down 17 percent.

The City fared well in the first half of the fiscal year. Cash receipt results were \$45k over the quarterly budget or 53 percent of the total budget. Compared to the same period last year, Sales Tax recorded a 10 percent increase. Construction, which includes home improvements stores, was up 11 percent. Deliveries and internet sales recorded a 52 percent increase and are responsible for positive growth in sales tax. Conversely, food products, which include restaurants and grocery stores, were down 5 percent. Transportation was also down by 14 percent, including new and used automobile sales, auto parts, and gas stations.

Overall, sales tax has recorded a modest 2-3 percent growth trend over the last five years (pre-pandemic) and is forecasted to end the year favorable above budget estimates by \$121k. The mid-year forecast is based on a first-quarter report provided by the City's sales tax consultant, Muni Services.

- **Reimbursements** includes the annual COPS reimbursements for the City's CSO cost (\$141k), developer deposit reimbursements (\$29k), and cost allocations transfers (\$993k), which are considered a cost to the Enterprise funds but revenue to the General Fund. At mid-year, actuals totaled \$1 million or 45 percent and are expected to come in under budget by \$14k at the end of the fiscal year due to the timing of some of the reimbursements, which will be roll-forward to the next fiscal year.
- **Other taxes** include Franchise Fees and Business License Tax. Actuals totaled \$222k, \$156k short of mid-year Budget estimates. Actuals are at 29 percent of the overall budget as Franchise fees for PG&E are usually received in the second half of the year. Additionally, Business License Tax collected was also down by \$20k, which is consistent with the prior year as most Tax is collected during business license renewal season in February and March of each year. Revenues from Cable television franchise fees have been slowly declining for years as more customers move to satellite and internet-based services.

GENERAL FUND EXPENDITURES

General Fund expenditures totaled \$4 million for the first half of FY 2020/21, representing 46 percent of the amended annual budget. Appropriations of \$8.3 million were adopted for FY 2020/21. Throughout the year, budgeted appropriations have increased by \$543k resulting in an amended budget of \$8.9 million.

TOTAL GENERAL FUND EXPENDITURE	\$ 9,418,919	\$ 9,315,547	\$ 8,282,469	\$ 631,689	\$ 8,914,158	\$ 4,457,079	\$ 4,087,101	46%	\$ (369,977)	\$ 9,044,937	\$ (130,779)		

Some of the notable variances in expenditures:

- The Administrative Services budget is expected to end the fiscal year with a \$61k positive variance. The variance is attributed to savings in personnel costs related to the postponement in the recruitment of an Administration/Finance Director. The City Manager and Senior Government Accountant have shared the work for budgetary and succession planning reasons.
- The Finance department is also projected to be \$107k under budget primarily due to salary savings from the vacant Finance Director position, which was budgeted for. As of mid-year, the department budget is \$215k, or 41 percent of the amended budget.
- The Non- Departmental category records expenditures not associated with a specific department of the City. These include Retiree Medical costs, OPEB funding, and REMIF liability payments, to name a few. Year-to-date actuals are at 72 percent of the annual budget and are expected to end the fiscal year with a negative variance of \$147k. The nature of REMIF liability and property premium payments, which are paid in the first quarter of each year, is the cause of the high variance at mid-year. Additionally, REMIF costs (\$44k), Retiree medical benefit costs (\$106k) have increased substantially year over year and will end the year over budget. The Council may decide to supplement the retiree medical costs by drawing from the OPEB trust, which was established and funded to reduce ongoing costs starting in FY 2020-21. Additionally, the City incurred \$14k of COVID-19 related expenditures, which the City will seek reimbursement from FEMA.
- The Community Development Department is projected to be \$55k over budget come year-end due to the increase in personnel costs from hiring two new Associate Planners. To offset these increases, the

department will seek reimbursement for some of the staff time costs associated with work on developer deposits accounts, grants, and general maintenance funds pertaining to long-range planning. In comparison, the department's budget has shrunk by \$186k or 45 percent in the last two years with the reorganization and understaffing in the department.

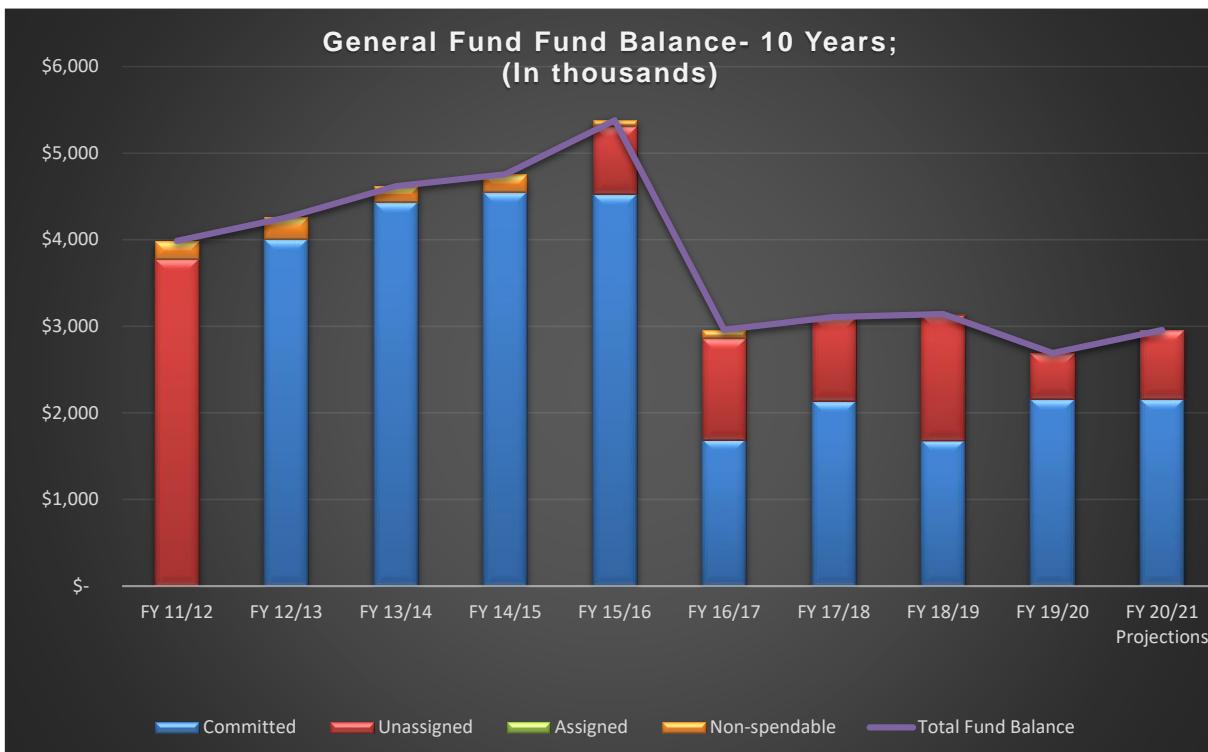

- In Public Works, the Administration and Engineering department is projected to be \$131k over budget primarily due to increases in personnel costs and retirement payout costs to the former Public works Director.

GENERAL FUND NET RESULT AND FUND BALANCE

With projected revenues of \$9.3 million, less total expenditures of \$9 million, Staff projects the general fund to end FY 2020/21 with a **Fund balance** of \$2.9 million, an increase of 10 percent compared to the prior year. The unassigned fund balance at year-end is expected to increase by \$265,477.

Projected Fund Balance; FY 2020/21	
Fund Balance at 07/01/2020	\$ 2,691,242

Net Transfers	250	Recession Reserve	89,168
Change in net position	1,650,441	Unrestricted operating Reserve	400,356
NET POSITION 06/30/20	\$ 11,686,449	NET POSITION 06/30/20	\$ 11,686,449

The Water Enterprise rate structure is functioning as designed and continues to fund all operations, maintain the operating reserve, provide for debt and accumulate funds for infrastructure upgrades, replacements, and maintenance. The fiscal Year 2019/20 ended with an annual net position increase of \$1.6 million or 16 percent. Per policy, the operating reserve is set at 25 percent of the prior year's operating expense, and for the Fiscal Year, 2019/20 was set at \$400k. The Enterprise fund also established a recession reserve during the fiscal year of \$89k, which is sufficient to 5 percent of the fund's operating budget.

The capital reserve increased year over year by \$1.3 million to \$5.7 million. The CIP for the Water Enterprise stood at \$22.2 million in total identified capital projects. The fund is well-positioned to continue work on many of the projects listed on page 23 of the FY 20/21 budget. Staff recommends that the Enterprise conduct a full rate study in FY 2020/21 in order to set rates for FY 2021/22.

WATER ENTERPRISE REVENUES

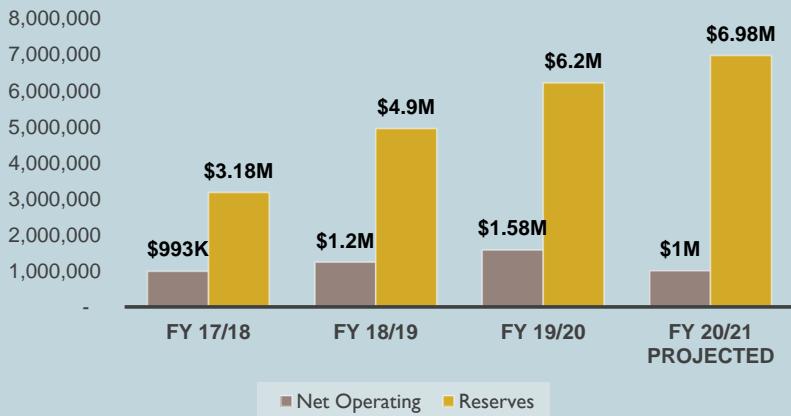

- A reduction in water consumption for several commercial accounts resulting from COVID-19 restrictions impacted the Enterprise's revenue during the fourth quarter of the fiscal year 2019-20, resulting in a budget shortfall of \$103k (3%). Water revenues rebound to pre-COVID levels in the first half of the fiscal year 2020-21, recording a \$799k positive variance. It's important to note that Water revenues are higher during the first quarter of each year due to seasonality. Compared to the same period last year, service revenues are up 20 percent. The projected year-end total revenue is \$3.6 million or approximately \$786k more than budget.
- Water capacity fees also recorded a \$328k positive variance from Capacity fees charged to developers/new accounts.

WATER ENTERPRISE EXPENDITURES

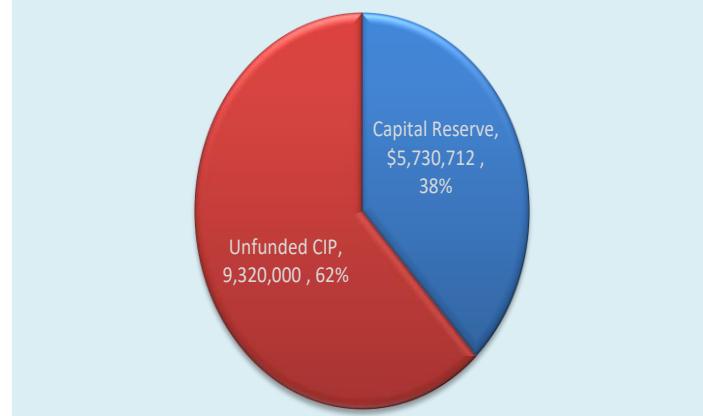

Water Enterprise expenses for the first half of FY 2020/21 totaled \$1.03 million, representing 58% of the amended annual budget. The projected year-end total is \$2.08 million (including depreciation) or approximately \$38k less than budget (excluding depreciation).

- At mid-year, Debt Service is 84 percent of the total annual budget. Each year the Enterprise makes a principal payment in October and a second smaller interest payment in April.
- No other significant variances are expected in any of the enterprise expense categories at year-end.

Water Enterprise Reserves

Water Enterprise Identified CIP

With projected revenues of \$3.6 million, expenses of \$2.08 million (including depreciation), Staff projects, the Water enterprise will end the FY 2020/21 with a net position of \$13.2 million and reserves of \$6.98 million. The Enterprise Capital Reserve is estimated to increase by \$1.2 million. Staff is actively seeking Grant funds to pay for some of the identified CIP projects. These include CDBG grants of \$3 million to fund the enterprise meter replacement project.

WASTEWATER ENTERPRISE

FISCAL YEAR 2019/20 RECAP

Net Position; FY 2019/20		Net Position Categories; FY 2019/20	
Net Position at 07/01/2019	\$ 14,993,115	Net investment in capital assets	20,535,019
Total Revenue	8,109,534	Capital Reserve	1,046,244
Total Expense	(2,333,320)	Recession Reserve	95,931
Net Transfers	1,573,033	Unrestricted operating Reserve	665,168
Change in net position	<u>7,349,247</u>		
Net Position at 06/30/2020	\$ 22,342,362	Net Position at 06/30/2020	\$ 22,342,362

The Wastewater Enterprise rate structure is functioning as designed and continues to fund all operations, maintain the operating reserve, provide for debt and accumulate funds for infrastructure upgrades, replacements, and maintenance. The fiscal Year 2019/20 ended with an annual **net position** increase of \$1.5 million. Net Income before transfers was \$5.8 million. Per policy, the operating reserve is set at 25% of the prior year's operating expense, and for the Fiscal Year, 2019/20 was set at \$665k. The capital reserve decreased year over year by \$766k due to capital assets' investment, which increased by \$7.9 million year over year due to the Wastewater Treatment Plant Upgrade project. At year-end, the Wastewater Enterprise's CIP stood at \$37 million in total identified capital projects. The majority of the CIP was comprised of the Wastewater Treatment Plant Upgrade project, which was successfully completed and came online in March 2020.

** Depreciation Expense is not budgeted and therefore not included in calculation of budget variance

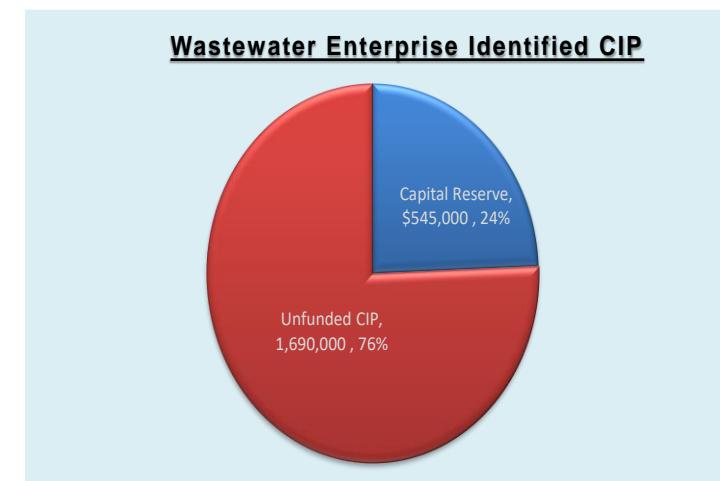

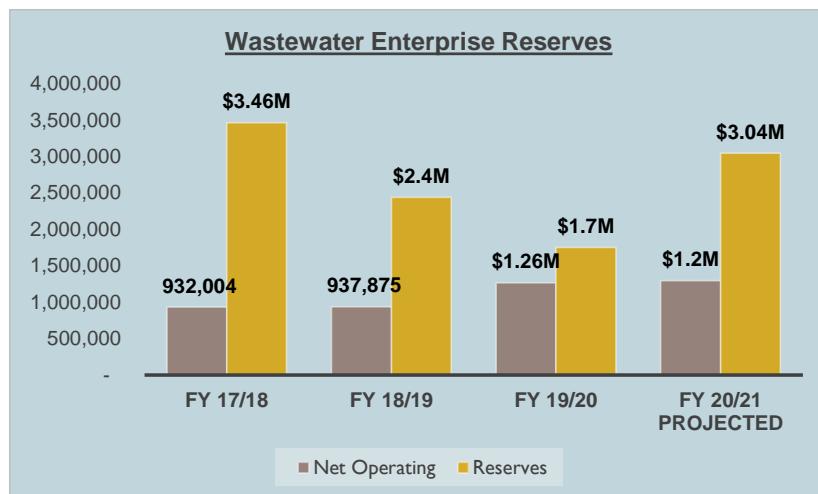

WASTEWATER ENTERPRISE REVENUES

- Like the water enterprise fund, wastewater revenues rebounded to pre-COVID levels for the first half of FY 2020/21 with \$2.4 million, representing 91 percent of the total budget. The revenues beat the prior year's quarter-one results by \$324k. The projected year-end revenue total is \$3.7 million or approximately \$1.06 million more than the original adopted budget. During the 2020-21 budget development, Staff had anticipated a significant reduction in water consumption due to the COVID-19 restrictions, higher bad debt write offs and the suspension of utility rate increases. The results for the first half have rebounded positively.
- Wastewater capacity fees also recorded a \$278k positive variance from Capacity fees charged to developers.

WASTEWATER ENTERPRISE EXPENDITURES

Wastewater Enterprise expenses for the first half of FY 2020/21 totaled \$858k, representing 40 percent of the amended annual budget. The projected year-end total is \$2 million (excluding depreciation), which is approximately \$61k less than budget:

- At year-end personnel, services are expected to be approximately \$43k over budget mainly due to anticipated comp time payout and stand-by pay variances.
- Materials and supplies in the Non-Routine Maintenance division at year-end are expected to be under budget by approximately \$15k. Less maintenance is required for the sewer lift stations since a complete overhaul was undertaken.
- REMF Insurance costs have continued to increase year-over-year. As of December 31, Insurance costs are already over-budget due to the nature of the payments, which are paid in the first half of the fiscal year. Come year-end; Insurance costs will be over-budgeted by \$28k.

With projected revenues of \$3.7 million, expenses of \$2.4 million, and transfers of \$1.1 million, Staff projects the Wastewater enterprise to end FY 2020/21 with a net position of \$25.9 million and reserves of \$3.04 million. The Enterprise Capital Reserve is expected to increase \$1.2 million while the Net Investment in Capital Assets is expected to grow approximately \$12.3 million, mostly due to the completion of the Wastewater Treatment

Plant Upgrade and Lift Stations. At year-end, the Wastewater enterprise CIP is expected to drop to less than \$1 million in identified projects. During next year's budget development, Staff will reevaluate the CIP for wastewater enterprise for the next five years.

INTERNAL SERVICE: FACILITIES REPAIR & MAINTENANCE

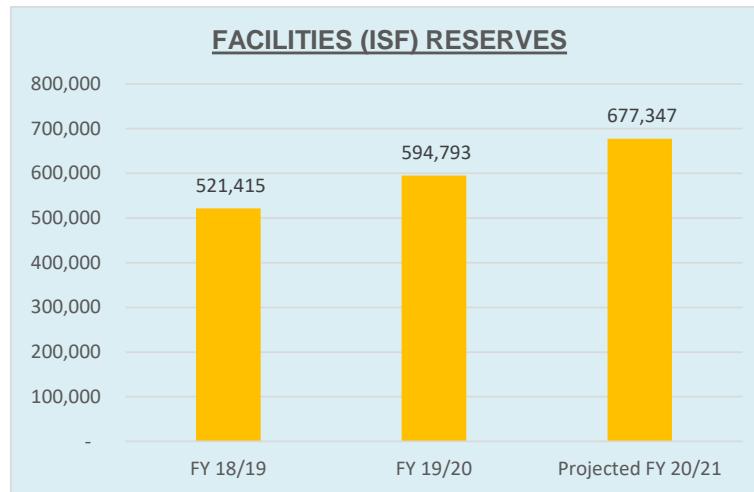

ISF-Facilities fund accounts for the maintenance of all City-owned buildings.

LONG-TERM FINANCIAL PLANNING

Long term financial planning is an important tool used to help maintain ongoing financial sustainability and provide a consistent level of services to citizens. It is important to keep in mind that no one has a crystal ball and can predict the future with complete accuracy. However, the exercise of projecting revenues and costs into the future, while highly unlikely to be 100% correct, still gives the government an opportunity to develop a general sense of its financial health in the years to come.

The long-term forecast provided in this report was developed at a high level (low level of detail). The City's major sources of revenue were projected individually with all other revenue sources aggregated together. Likewise, the City's major expenditure categories were projected individually with many costs aggregated together. The majority of the assumptions used in the report were based on a five-year historical trend. Year's that were clear outliers were removed prior to averaging so as not to affect the overall trend. Some projections however are based on known payment or increase percentages. Pension costs have been projected to increase 15% each year for the next five years.

This is an estimated 1% higher than prior CalPERS estimates to factor in the yet unknown impact of CalPERS not reaching the target earnings rate for the last two years. The target earnings rate is 7.0% but the investment return for FY 2018-19 was 6.7% and for FY 2019-20, just 4.7%. Over a 20-year period, the overall CalPERS fund performance has averaged just 5.5%. The unfunded pension liability for the fiscal year ended June 30, 2020, is \$9.94 million. This is an increase of 8% over the prior year, despite annual amortized payments to reduce the unfunded liability.

The table on the following page includes three years of audited results for context as well as projected results for six additional years into the future. Four "what-if" scenarios are provided as well showing possible long-term results if certain revenue enhancements were to be enacted.

FIVE-YEAR PROJECTION

The long-term forecast shows a steady decrease to fund balance over the next five years. The projected deficits become significant in FY 2023 thru FY 2026. The major factors driving the projected deficits are significant increases in police department personnel costs and the continued increase in CalPERS pension costs. In FY 2020/21, the Police Department personnel costs is projected to account for 51% of the general fund salary and benefit budget. Over the next five years pension costs are expected to add \$826k.

In FY 2018/19 the citizens of Fort Bragg voted on a ballot initiative entitled Measure H. Measure H was a proposed general sales tax aimed at closing the budget gap caused by skyrocketing pension costs. With additional revenue, the City planned to enter into a shorter amortization schedule with CalPERS for payment of unfunded liabilities. Although this would have resulted in a higher annual payment, it would have saved the City nearly \$4M of interest cost over 15 years. Measure H was not successful.

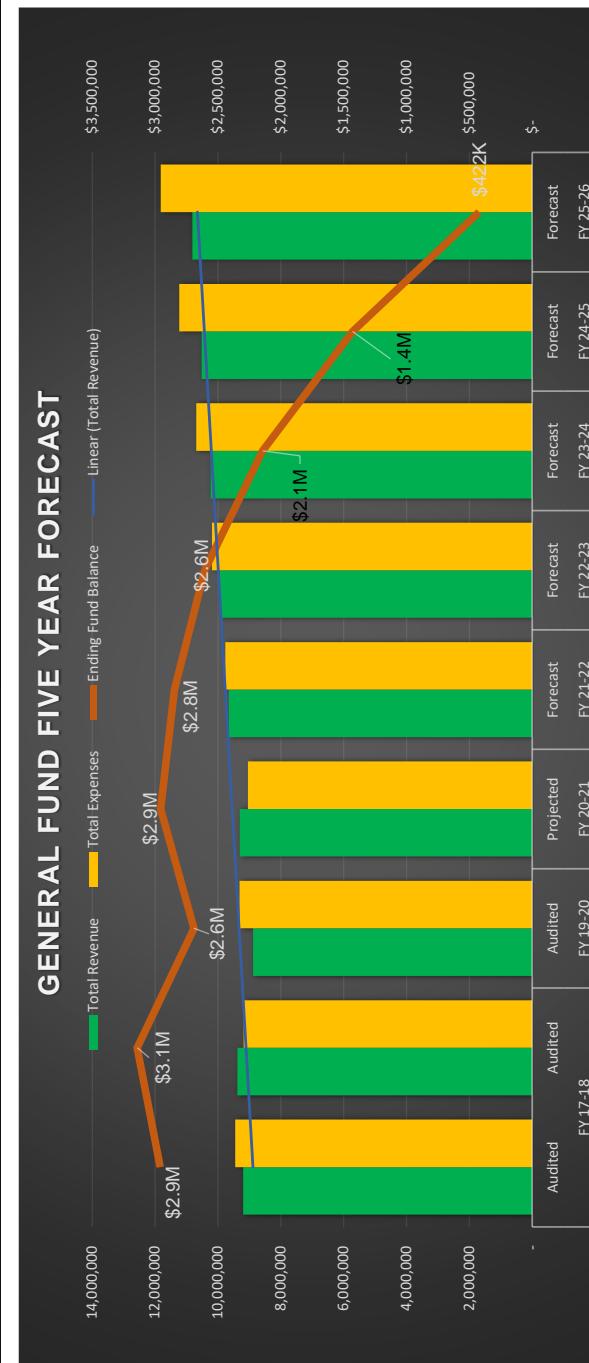

With the defeat of Measure H, the City did take some steps aimed at closing the budget gap on the expenditure side. During FY 2018/19, the position of Administrative Services Director and the Police Lieutenant, were eliminated. Additionally, in FY 2019/20 the Community Development Director terminated employment with the City, this position was replaced with a lower cost Planner position. At the onset of the pandemic, the City made additional reductions to staff by laying off three full-time employees, freezing two positions in the Police Department, and furloughing twelve employees to 50 to 75% of their regular hours. The furloughed staff all returned to full-time status in September 2020. Additional salary savings were realized when the City did not replace two positions, Finance Director and Assistant City Engineer, that became open in July 2020.

The City's General Fund has very little debt and in fact will no longer have any debt service payments by FY 2022/23.

The long-term forecast indicates that in the couple of years, the City will likely be able to fill budgeted or realized deficits with appropriated fund balance. Within two years, it is likely that revenue enhancements and/or additional cost-cutting measures will be necessary. The long-term forecast includes four "what-if" scenarios showing the effect of a variety of different **hypothetical** revenue generators and cost reductions. Staff recommends that the City Council once again pursue a general sales tax measure at the next opportunity.

In addition to pursuing a general sales tax measure, staff recommends that the City Council provide staff with direction and resources to develop and implement a Pension Funding Policy. In addition to the potential sales tax generated from a new general sales tax measure, the City could leverage accumulated funds from the internal service funds, enterprise funds, debt borrowings and other expense reductions or revenue generating opportunities to help reduce the pension liability.

The FISCAL YEAR 2021/22 BUDGET PREPARATION

A. BUDGET PREPARATION SCHEDULE

Initial activities related to the preparation of the Fiscal Year 2021/22 budget are already under way. Direction provided today by Council will be incorporated into the budget draft. Staff will present a draft budget to the Council and public at a budget workshop on May 20. Further direction provided at the workshop will be incorporated into a "Final" budget that will be presented to the Council for consideration of adoption on June 14.

The complete budget calendar is provided below:

SCHEDULE FOR DEVELOPMENT OF FY 2021/22 BUDGET		
ACTIVITY	DAY	DEADLINE
FINANCE PROVIDES BUDGET SPREADSHEETS TO DEPARTMENTS AS WELL AS INSTRUCTIONS RE: NARRATIVES & CAPITAL PROJECTS (INCLUDING INTERNAL SERVICE FUNDS, GRANTS, DDAs)	Wednesday	3/17/2021
MID-YEAR PERFORMANCE BUDGET REVIEW WITH COUNCIL (9 am - 2:30pm) (COMMUNITY INPUT)	Thursday	3/4/2021
FINANCE PROVIDES INITIAL REVENUE FORECASTS TO CM (ALL REVENUE SOURCES, AND FUNDS)	Friday	3/12/2021
DEPTS SUBMIT PROPOSED DEPARTMENTAL EXPENSE BUDGETS AND NARRATIVES TO FINANCE	Wednesday	3/24/2021
PW & CDD SUBMIT COMPLETED BUDGET SECTIONS FOR GRANTS AND CAPITAL PROJECTS	Wednesday	3/21/2021
FINANCE/HR PROVIDES PAYROLL PROJECTIONS INCLUDING BENEFITS	Friday	3/20/2021
CM & FINANCE MEET WITH ALL DEPTS; REVIEW APPROPRIATIONS REQUESTS	Tues-Tues	3/29/2021 thru 04/09/21
CM & FINANCE FOLLOW UP MEETING CIP	Thursday	4/12/2021
FINANCE POSTS REVISED BUDGET WORKSHEETS IN BUDGET FOLDER; DEPARTMENTS REVIEW REVISED EXP WORKSHEETS; REPORT ANY DISCREPANCIES TO FINANCE	Friday	4/16/2021
THIS INCLUDES PROJECTED YEAR END FOR FY21, GRANTS; CAPITAL PROJECTS, ETC	Tuesday	4/18/2021
FINANCE REVIEWS TOTAL REVENUES vs EXPENDITURES WITH CM - ADJUST AS NECESSARY; <u>draft CV Starr Budget due</u>	Thursday	4/22/2021
INTERNAL REVIEW/QUALITY CONTROL (FINANCE, CM, DEPTS) - DRAFT BUDGET DOCUMENT	Wed - Wed (3 wks.)	4/15/2021 thru 5/13/2021
FINALIZE DRAFT BUDGET DOCUMENT	Wed	5/10/2021
CM COMPLETES BUDGET TRANSMITTAL LETTER	Thurs	5/10/2021
FINANCE DISTRIBUTES PROPOSED FY 2020/21 BUDGET	Friday	5/14/2021
CITY COUNCIL CONDUCTS FY 2021/22 BUDGET WORKSHOP (9 am - 2:30pm) (COMMUNITY INPUT)	Thursday	5/20/2021
FINANCE DISTRIBUTES FY 2021/22 BUDGET INCLUDING COUCIL AND PUBLIC UPDATES (FOR COUNCIL ADOPTION)	Mon	6/14/2021
CITY COUNCIL ADOPTS FY 2021/22 BUDGET	Mon	6/8/2020

B. PRIORITIZED LIST OF FINANCIAL GOALS

Staff used the prioritized list as guidance in preparing the FY 2020/21 budget and will again use the list in preparing the FY 2021/22 budget unless Council directs otherwise:

- 1) Adopt a balanced budget
- 2) Maintain operating reserve and litigation reserve
- 3) Maintain long term funding plans in the City's three internal service funds
- 4) Provide for additional contributions to CalPERS in order to pay the unfunded liability off earlier than 30 years
- 5) Maintain current level of service (no staff layoffs, no program cuts)
- 6) Provide cost of living adjustments for Staff in years to come
- 7) Provide funding for emergency reserves
- 8) Continue to make additional contributions to the OPEB pension trust

C. CITY COUNCIL DISCUSSION

March 4, 2021

City of Fort Bragg

Grant Activity Mid-Year Review FY 20-21

**BUSINESS
ASSISTANCE**

CITY OF FORT BRAGG COVID-19 ASSISTANCE PROGRAMS

1. TENANT BASED RENTAL ASSISTANCE PROGRAM (TBRA)

On May 13, 2020 City staff was notified that the City could add a TBRA Program to grant #16-HOME-11373. At that time there was \$500,000 available. Prior to the addition of the TBRA program the City Owner Occupied Rehabilitation Program under the 2016 HOME award was unable to qualify any Fort Bragg properties due to specific grant parameters, which meant these funds would go unspent and likely returned. The addition of the TBRA has provided much needed relief and repurposed unspent grant funds.

Statewide Rental Assistance Program: On March 15, 2021, the state Rental Assistance Program will start accepting applications. The 73 TBRA households and more than 65 Interest List households will be referred to the state program.

2. UTILITY ASSISTANCE PROGRAM

\$117,534
(Proposed/Award in Progress)

3. COVID-19 BUSINESS ASSISTANCE LOAN PROGRAM

\$237,611
(Proposed/Award in Progress)

CITY OF FORT BRAGG CDBG-2019/20 AWARDS

CDBG 2019/20 AWARDS

- **Business Assistance Loan Program - \$500,000**
- **Microenterprise Financial Assistance - \$117,000**
- **Code Enforcement Program - \$216,749**
(\$447,749 with Program Income)
- **Fire Station Planning - \$203,703**
- **Mill Site Planning - \$100,000**

General Fund Long Range Plan

General Fund Expenditure (11-years)

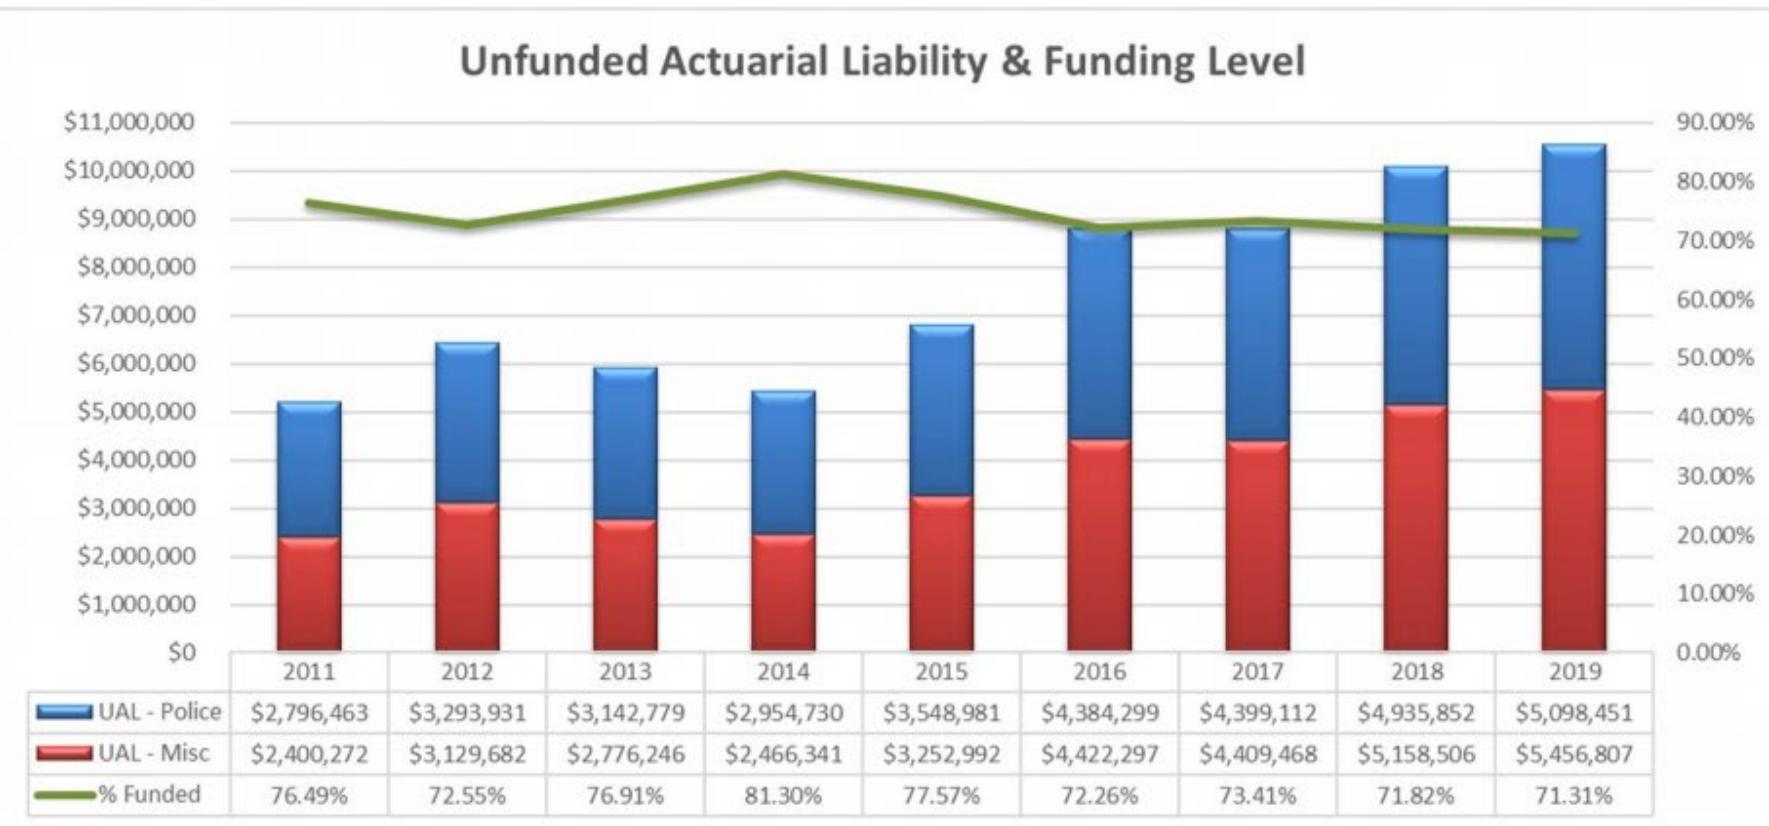

Projected FY 2021-22 General Fund Expenditures

Pension Funding History

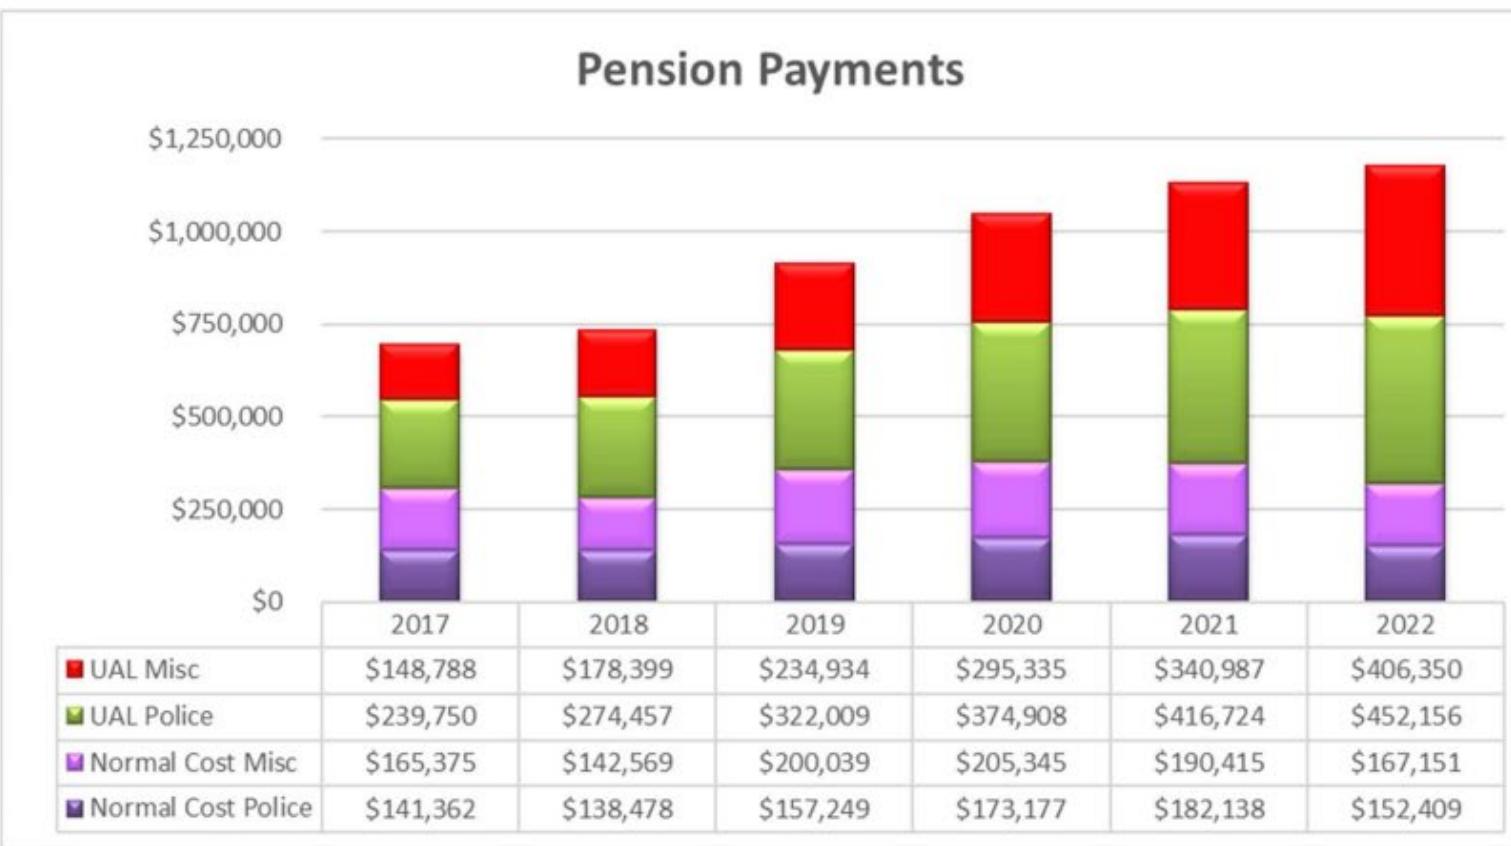

9 years later:

- Owe \$5.4M more
- Funded level 5.2% lower

Pension Payments

Annual Pension Payments Increase:
\$483K in 6 years (69%)

CalPERS History Lesson

1999 – CalPERS 128% funded (“Super Funded” Status)

2000 – SB 400 / AB 616 increased benefits retroactively

2000-02 – dot.com investment losses:

- 2000-01: -7.2%
- 2001-02: -6.1%

Loss of “Super Funded” Status

2008-09 – The Great Recession:

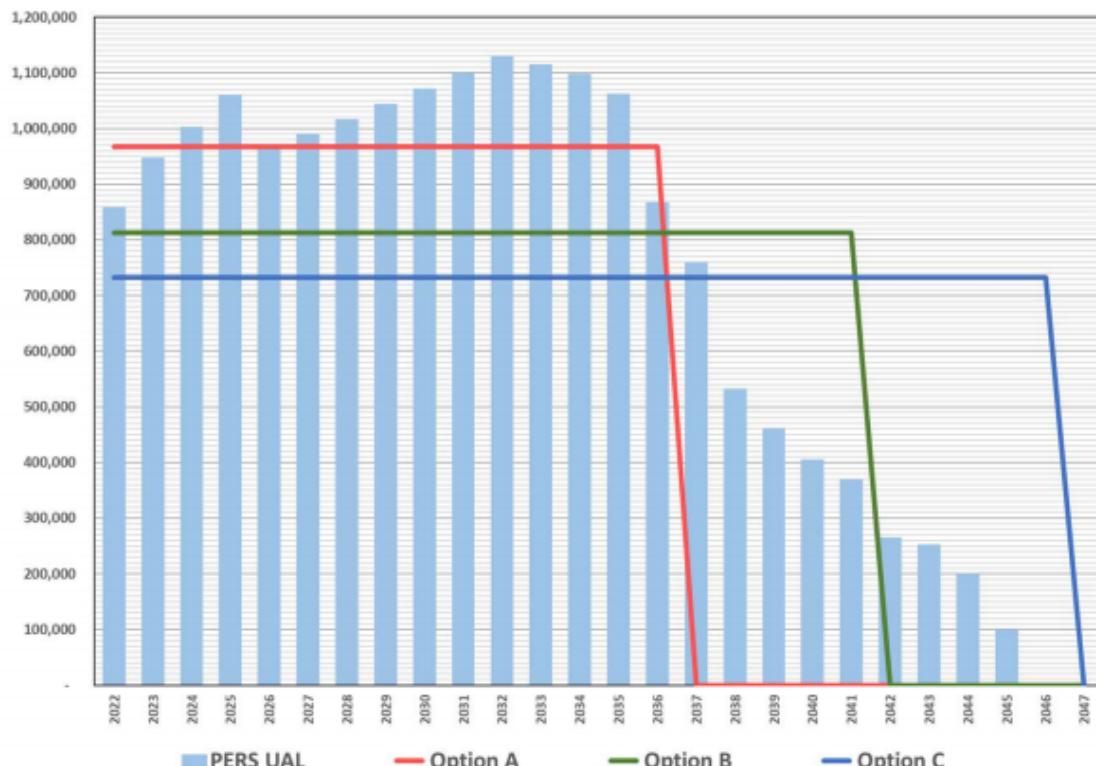

- Investment Loss: - 27% (\$67 Bn)
- Full impact: - 34.75% (27% + 7.75% discount rate)
- CalPERS 61% funded

2012 – PEPRA reduced benefits for new employees

2020 – CalPERS is 71% funded

Potential Refunding Options

Option	Term	UAL Refunded		Annual UAL Cost Years 1-15 [1]		Cash Flow Savings [2]	Estimated Interest Rate [3]
		%	Amount	Min	Max		
Current CalPERS Schedule			\$10,508,160	\$859,000	\$1,130,000		
A	15 years	100%	\$10,508,160	\$967,000	\$967,000	\$4,176,000	4.25%
B	20 years	100%	\$10,508,160	\$813,000	\$813,000	\$2,424,000	4.50%
C	25 years	100%	\$10,508,160	\$732,000	\$732,000	\$378,000	4.75%

[1] Annual UAL Cost consists of semi-annual loan payments, payments on unrefunded bases, and includes amortization of costs of issuance (estimated at \$140,000 for public sale).

[2] Savings are based on 7% CalPERS discount rate. PV savings depend on actual rate of return and may be different.

[3] Interest rate estimate is based on current market rates. Actual rates may vary.

Questions

PRIORITIZED LIST OF FINANCIAL GOALS

1. Adopt a balanced budget
2. Maintain operating reserve and litigation reserve
3. Maintain long term funding plans in the City's three internal service funds
4. Provide for additional contributions to CalPERS in order to pay the unfunded liability off earlier than 30 years
5. Maintain current level of service (no staff layoffs, no program cuts)
6. Provide cost of living adjustments for Staff in years to come
7. Provide funding for emergency reserves
8. Continue to make additional contributions to the OPEB pension trust

CITY OF FORT BRAGG MID-YEAR BUDGET REVIEW

FY 2020/21

As of December, 31 2020

REPORT OUTLINE

- Overview
- General Fund Results & YE Projections
- Enterprise Funds Results: Water & Wastewater
- Internal Service Funds: Facilities, IT & Fleet
- Mid-Year Budget Amendments Requests FY 20/21
- General Fund Five year forecast: Challenges/Opportunities
- Budget Development FY 2021/22

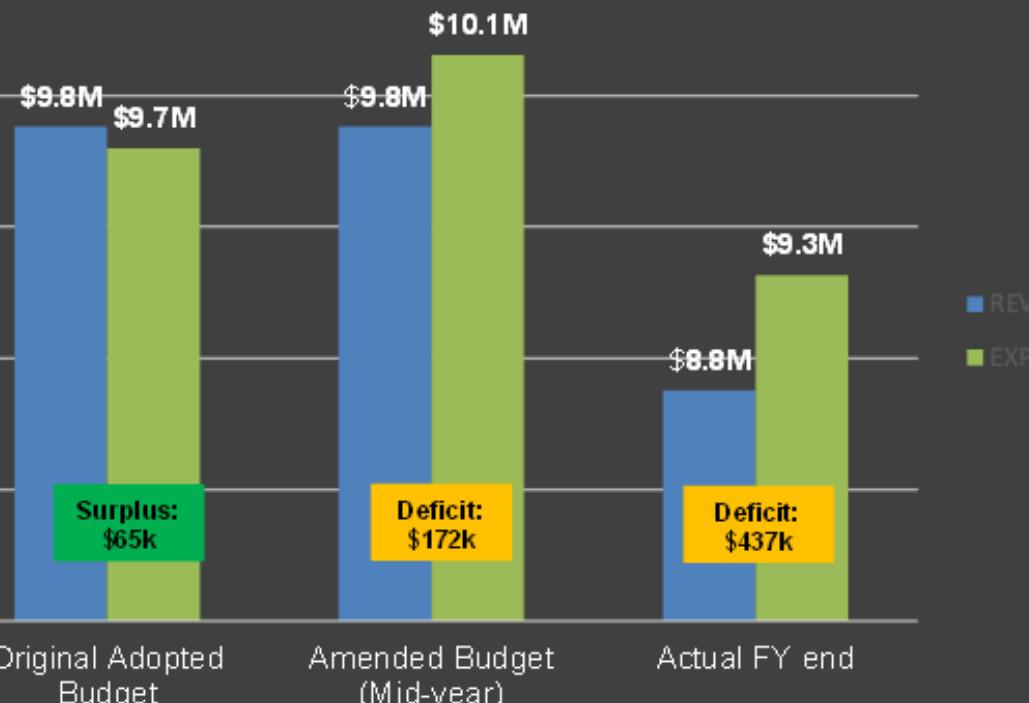

PURPOSE OF MID-YEAR

- ▶ The Annual Mid-Year Budget Review is an essential element in maintaining financial stability.
- ▶ It provides the City Council an opportunity to:
 - ✓ Review the General Fund and other major funds;
 - ✓ Make adjustments to achieve a more accurate budget for the current fiscal year (resulting in greater budget transparency); and
 - ✓ Help shape the development of next year's budget.

Subject: Mid-year Budget Review Comment for Agenda Part 3.
Date: Thursday, March 4, 2021 11:16:47 AM

I had trouble following along via Zoom but I have a comment based on what I could follow.

My primary takeaway is that I request that the City Council please address the Police Department's vehicle and equipment needs as soon as is practical. Proper facilities and equipment are critical and often the smartest investment compared to spending more money on staff time capacity or consulting expenses.

Regarding Finance & Grants, did the City use the rest of the \$500,000 that was available for the TBRA program for staff time expenses to administer the program or does any funding remains that could have been used for that program? Can the City work with the County to be able to administer Fort Bragg's pro-rata share of the \$6,000,000 plus available for Mendocino County renters? The City is much better positioned to provide programs like this to the local residents compared to the County as evidenced by our just-completed TBRA program.

Regarding Public Works, I agree that our water infrastructure is of critical importance. The raw water line project is one of the ways we will address these needs but it implicates significant environmental concerns that will need to be considered and addressed. I would also like to encourage more planning and implementation efforts to address supply constraints for our local water sources. Climate change poses a significant threat to our water supply and the infrastructure itself. I am very excited to hear about much-needed attention for the Guest House stained glass windows. Can we compost the wastewater biosolids so they become a usable product (e.g., soil amendments)? The CIP project list is a good start as are the other options John mentioned in his presentation.

Caltrans is seeking a CDP for the ADA project, which will be reviewed through the Planning Commission. I imagine that permit conditions could address some of the timing and sequencing issues mentioned by Lindy in his questions.

The masking signs were not all bilingual, including the Paul Bunyan sign.

Subject: Support of Municipal Fiber

Broadband has become a basic utility in our current society. Having access to fast affordable internet gives our community access to news from around the world as well as TV and movies at affordable prices. High speed internet can give us remote access to resources such as medical specialists that are not always available in our small community. As a resident of Fort Bragg and as the manager of an internet service provider I fully support the council allocating funds to explore a municipal fiber network. Fiber has proven to be a long term communications solution that is an investment in our community that will likely be providing benefits to our not only our children but our grandchildren and beyond.
