since 1987

Nonprofit no-kill shelter and
vet clinic

Mission Statement

to contribute to a better life for animals and to inspire public awareness of animals' needs

We provide shelter & care

- For all dogs and cats impounded by Fort Bragg Police Department
- For dogs and cats found by Fort Bragg residents
- For surrendered and found Coastal dogs and cats from Leggett to Gualala
- For low-income families with basic veterinary needs

When space is available, we will take animals from high kill shelters and other county shelters

Vet Clinic

As a 501(c)(3) nonprofit animal shelter, originally founded by a veterinarian, our mission has always included making veterinary care accessible and affordable. Our on-site low-cost veterinary clinic reflects this commitment by providing essential services to pet owners in our community. Due to the lack of county spay/neuter caravan services on the coast, we are often the only source of affordable veterinary care available to residents in our region...

Special Medical Cases

Strays brought in from FB city limits

Remi Martin

When Remi Martin arrived, she was a rack of bones! Our vet staff determined that she has a pancreatic insufficiency that will require lifelong care, and now she's thriving in foster, putting on weight, and waiting for her forever home. If you're looking for a sweet small dog, we're happy to introduce you.

Tricycle

Tricycle (right) was found as a three-month-old kitten with a shattered leg; Dr. Clare amputated it and now he's living his best three-legged life with his new friend Ash (left).

Bonnie

Bonnie came to us in active labor—her owner, who is currently unhoused, had no safe place for her to give birth. We stepped in immediately, placing Bonnie in a foster home where she could safely deliver and care for her puppies. Once her pups are weaned and ready for adoption, Bonnie will be spayed and reunited with her owner.

TEAMWORK MAKES THE DREAM WORK

Fostering Saves Lives

Our foster program is ever-changing and we are always searching for new families willing to foster with us.

Types of fostering...

Medical &
Behavioral
Foster

Foster-to-
Adopt

Through our foster program, we are able to help animals transition into forever homes, get medical TLC, and make sure we have space for as many animals in need as possible.

Borrow-A-Buddy

Field trips with adoptable shelter dogs

Our program enables you to take an adoptable dog on a fun local field trip away from the adoption center.

*Gives a deserving pup love, exercise, and exposure to potential adopters.

*Gain a fun-loving buddy for the day... and possibly longer if you fall in love!

We provide everything you need

- collar & leash
- waste bags
- treats
- water & dish
- towels
- adoption vest
- happy shelter dog

Available 7 days a week

We have something that will interest everyone! Whether it's dog walks, cat socialization, helping with events, or even folding laundry – MCHS has got you covered!

As a volunteer you are able to help the well-being of adoptable animals and give them hope for a brighter tomorrow!

Our volunteer program provides a plethora of opportunities for community members of all ages!

Orientations first and third Sundays at 11am
