Dear <Customer Name>,

Under our franchise agreement with the City of Fort Bragg, yearly rate increases are negotiated between the city and Waste Management and implemented in June to cover increases in operational costs.

The June 2017 rate increase was just approved by the city in March and will be retroactively applied to all accounts beginning on your April 2018 bill. These rates also include increased tipping fees at Mendocino County and privately-owned transfer stations that increased on January 1, 2018. In hopes of lessening the impact of these increases, we will spread them over your next two bills (April and May).

Rate Increase Breakdown

	Total
Operations Retroactive Cost (June 2017 - March 2018)	<<JUNE-MAR>>
Tipping Fees Retroactive Cost (Jan. 2018 - March 2018)	<<JAN-MAR>>
Total Retroactive Cost	<<TOTAL>>
Amount on April Invoice	<<RETRO 4/1>>
Amount on May Invoice	<<RETRO 5/1>>

Please check the reverse side for a list of basic current rates. If you have further questions, please contact customer service at (707) 967-9172.

We apologize for any inconvenience this may cause.

Sincerely,

Steve Shamblin
