AGENDA ITEM SUMMARY

TITLE:
RECEIVE GENERAL PLAN ANNUAL REPORT (2017-2018)

ISSUE:

State planning laws require that each year, the City Council receive a report on the status of the General Plan and progress in its implementation. According to the Governor's Office of Planning and Research:

"The intent of the statute is to ensure that the General Plan directs all land use decisions and remains an effective guide for future development. Because the role of the general plan is to act as a "constitution" for the long-term physical development of a community and because it is required to be updated periodically to reflect current circumstances, it is critical that local planning agencies periodically review the general plan and its implementation. The Progress Report is a tool for doing this."

Staff has prepared a General Plan Annual Report and it is attached for City Council's review and consideration.
