New eComment for City Council - Via Video Conference

Jacob Patterson submitted a new eComment.

Meeting: City Council - Via Video Conference

Item: 8C. 20-949 Receive Report and Consider Approval of a Letter of Intent to Negotiate in Good Faith with Waste Management for a New Franchise Agreement

eComment: Is it possible to enter into parallel negotiations with Solid Waste of Willits for the same scope of services (or a subset thereof) so we aren't beholden to a single negotiation party with the leverage that entails? I don't want the City to get stuck agreeing to whatever Waste Management is willing to accept, particularly when they threatened to not even consider continuing to offer local services, which I recall from prior meetings (although I could have misremembered that).
