

## RESOLUTION NO. PC -2024

### Resolution of the Fort Bragg Planning Commission Recommending that the City Council Amend Chapter 18.42.175 “Tiny Homes”, of Division 18 of the Fort Bragg Municipal Code, to Modify Regulations and Standards for Tiny Homes.

**WHEREAS**, California Constitution Article XI, Section 7, enables the City of Fort Bragg (the “City”) to enact local planning and land use regulations; and

**WHEREAS** the authority to adopt and enforce zoning regulations is an exercise of the City’s police power to protect the public health, safety, and welfare; and

**WHEREAS** the City of Fort Bragg (“City”) adopted a General Plan in 2002 which established policies for all lands within Fort Bragg city limits; and

**WHEREAS**, the City of Fort Bragg (“City”) adopted an Inland General Plan and certified an Environmental Impact Report Addendum (“EIR Addendum”) for the Inland General Plan on December 2, 2012; and

**WHEREAS**, the City of Fort Bragg (“City”) adopted an Inland Land Use and Development Code and Negative Declaration on February 10, 2014; and

**WHEREAS**, the adoption of an Inland Land Use and Development Code is necessary to: 1) provide a regulatory framework for implementation of the Inland General Plan; 2) to implement new state planning and land use requirements; and 3) update zoning regulations in accordance with City Council policy direction; and

**WHEREAS** the City desires to ensure that residential development occurs in an orderly manner, in accordance with the goals and objectives of the General Plan and reasonable land use planning principles; and

**WHEREAS**, In 2019, the City of Fort Bragg amended the Housing Element of the General Plan for conformance with State Housing Law. The 2019 Housing Element includes the following non-mandatory program regarding Tiny Homes. *Program H-1.3.5 Allow Tiny Homes as Second Units. Consider revising the zoning ordinance so that people can park mobile residencies (residences built under the vehicle code) as a second unit, so long as the residence looks like a house (e.g., external siding that is compatible with the residential neighborhood, skirted if the wheels would otherwise be visible from the public right of way, etc.); and*

**WHEREAS**, On April 22, 2022, the City Council adopted Ordinance 980 establishing a Tiny Home Ordinance, but the ordinance was subsequently found to have some conflicts with State law; and

**WHEREAS**, on May 17 of 2023, the Community Development Committee received a Tiny Home presentation from Marie Jones Consulting and discussed this item without providing recommendations regarding ordinance revisions; and

**WHEREAS**, pursuant to the California Environmental Quality Act (“CEQA”) pursuant to Section 15074 of the CEQA Guidelines, a Mitigated Negative Declaration (MND) was prepared and circulated for public comment for the zoning amendment and approval of the Mitigated Negative Declaration will mitigate the effects of the Project to a point where clearly no significant effect on the environment would occur and there is no

substantial evidence in light of the whole record that the project, as revised, would have a significant effect on the environment; and

**WHEREAS** the Planning Commission held a duly noticed public hearing on March 27, 2024, to consider the zoning amendment, accept public testimony; and

**NOW, THEREFORE, BE IT RESOLVED** that the City of Fort Bragg Planning Commission, based on the entirety of the record before it, which includes without limitation, CEQA, Public Resources Code §21000, et seq. and the CEQA Guidelines, 14 California Code of Regulations §15000, et seq.; the Fort Bragg Inland General Plan; the Fort Bragg Inland Land Use and Development Code; the Project application; all reports and public testimony submitted as part of the Planning Commission meeting of December 13, 2023 and Planning Commission deliberations; and any other evidence (within the meaning of Public Resources Code §21080(e) and §21082.2), the Planning Commission of the City of Fort Bragg does hereby make the following findings and determinations:
