- (c) Terminate the Agreement as hereinafter set forth.

1.4. Warranty. Consultant warrants that it shall perform the services required by this Agreement in compliance with all applicable Federal and California employment laws, including, but not limited to, those laws related to minimum hours and wages; occupational health and safety; fair employment and employment practices; workers' compensation insurance and safety in employment; and all other Federal, State and local laws and ordinances applicable to the services required under this Agreement. It is specifically understood that oral requests and/or approvals of such additional services or additional compensation shall be barred and are unenforceable. Should the City request in writing additional services that increase the hereinabove described "Scope of Work," an additional fee based upon the Consultant's standard hourly rates shall be paid to the Consultant for such additional services. The City Manager may approve contract change orders not exceeding a total of 10% of the approved contract or up to the contingency amount whichever amount is less for any one project.

2.3. Method of Billing. Consultant may submit invoices to the City for approval on a progress basis, but not more often than monthly. City shall pay Consultant's invoice within forty-five (45) days from the date City receives said invoice. Each invoice shall describe in detail, the services performed, the date of performance, and the associated time for completion. #### **4.0. TERM AND TERMINATION**

4.1. Term. This Agreement shall commence on the Effective Date and expire on **September 1, 2023** unless previously terminated as provided herein or as otherwise agreed to in writing by the parties.

4.2. Notice of Termination. The City reserves and has the right and privilege of canceling, suspending or abandoning the execution of all or any part of the work contemplated by this Agreement, with or without cause, at any time, by providing at least ten (10) days prior written notice to Consultant. The termination of this Agreement shall be deemed effective upon receipt of the notice of termination. In the event of such termination, Consultant shall immediately stop rendering services under this Agreement unless directed otherwise by the City. If the City suspends, terminates or abandons a portion of this Agreement, such suspension, termination or abandonment shall not make void or invalidate the remainder of this Agreement.

If the Consultant defaults in the performance of any of the terms or conditions of this Agreement, it shall have ten (10) days after service upon it of written notice of such default in which to cure the default by rendering a satisfactory performance. In the event that the Consultant fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement.

The City shall have the right, notwithstanding any other provisions of this Agreement, to terminate this Agreement, at its option and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement, immediately upon service of written notice of termination on the Consultant, if the latter should:

4.3. Compensation. In the event of termination, City shall pay Consultant for reasonable costs incurred and professional services satisfactorily performed up to and including the date of City's written notice of termination within thirty-five (35) days after service of the notice of termination. Compensation for work in progress shall be prorated based on the percentage of work completed as of the effective date of termination in accordance with the fees set forth herein. In ascertaining the professional services actually rendered hereunder up to the effective date of termination of this Agreement, consideration shall be given to both completed work and work in progress, to complete and incomplete drawings, and to other documents pertaining to the services contemplated herein whether delivered to the City or in the possession of the Consultant. City shall not be liable for any claim of lost profits.

4.4. Documents. In the event of termination of this Agreement, all documents prepared by Consultant in its performance of this Agreement including, but not limited to, finished or unfinished design, development and construction documents, data studies, drawings, maps and reports, shall be delivered to the City within ten (10) days of delivery of termination notice to Consultant, at no cost to City. Consultant shall obtain and maintain said E&O liability insurance during the life of this Agreement and for three years after completion of the work hereunder.

Neither the City nor any of its elected or appointed officials, officers, agents, employees, or volunteers makes any representation that the types of insurance and the limits specified to be carried by Consultant under this Agreement are adequate to protect Consultant. - (c) Other insurance: "The Consultant's insurance coverage shall be primary

insurance as respects the City of Fort Bragg, its officers, officials, agents, employees, and volunteers. Any other insurance maintained by the City of Fort Bragg shall be excess and not contributing with the insurance provided by this policy."

- (d) Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the City of Fort Bragg, its officers, officials, agents, employees, and volunteers.

5.3. Deductible or Self-Insured Retention. If any of such policies provide for a deductible or self-insured retention to provide such coverage, the amount of such deductible or self-insured retention shall be approved in advance by City. No policy of insurance issued as to which the City is an additional insured shall contain a provision which requires that no insured except the named insured can satisfy any such deductible or self-insured retention.

5.4. Certificates of Insurance. Consultant shall provide to City certificates of insurance showing the insurance coverages and required endorsements described above, in a form and content approved by City, prior to performing any services under this Agreement. The certificates of insurance and endorsements shall be attached hereto as **Exhibit B** and incorporated herein by this reference.

6.6. Governing Law. This Agreement shall be governed by and construed under the laws of the State of California without giving effect to that body of laws pertaining to conflict of laws. 6.8. Indemnification and Hold Harmless.

If Consultant is not a design professional performing "design professional" services under this Agreement, as that term is defined in Civil Code Section 2782.8, Consultant agrees to defend, indemnify, hold free and harmless the City, its elected and appointed officials, officers, agents and employees, at Consultant's sole expense, from and against any and all claims, demands, actions, suits or other legal proceedings brought against the City, its elected and appointed

officials, officers, agents and employees arising out of the performance of the Consultant, its employees, and/or authorized subcontractors, of the work undertaken pursuant to this Agreement. Notwithstanding the foregoing, the Consultant shall not be liable for the defense or indemnification of the City for claims, actions, complaints or suits arising out of the sole active negligence or willful misconduct of the City. This provision shall supersede and replace all other indemnity provisions contained either in the City's specifications or Consultant's Proposal, which shall be of no force and effect.

If Consultant is a design professional performing "design professional" services under this Agreement, as that term is defined in Civil Code Section 2782.8, Consultant agrees to defend, indemnify, hold free and harmless the City, its elected and appointed officials, officers, agents and employees, at Consultant's sole expense, from and against any and all claims, demands, actions, suits or other legal proceedings arising out of, pertaining to, or relating to the negligence, recklessness, or willful misconduct of Consultant. The defense obligation provided for hereunder shall apply whenever any claim, action, complaint or suit asserts liability against the City, its elected and appointed officials, officers, agents and employees based upon the negligence, recklessness, or willful misconduct of the Consultant, its employees, and/or authorized subcontractors under this Agreement, whether or not the Consultant, its employees, and/or authorized subcontractors are specifically named or otherwise asserted to be liable. Notwithstanding the foregoing, the Consultant shall not be liable for the defense or indemnification of the City for claims, actions, complaints or suits arising out of the sole active negligence or willful misconduct of the City. This provision shall supersede and replace all other indemnity provisions contained either in the City's specifications or Consultant's Proposal, which shall be of no force and effect.

6.9. Independent Contractor. Consultant is and shall be acting at all times as an independent contractor and not as an employee of City. Consultant shall have no power to incur any debt, obligation, or liability on behalf of City or otherwise act on behalf of City as an agent. Neither City nor any of its agents shall have control over the conduct of Consultant or any of Consultant's employees, except as set forth in this Agreement. Consultant shall not, at any time, or in any manner, represent that it or any of its or employees are in any manner agents or employees of City. Consultant shall indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant further agrees to indemnify and hold City harmless from any failure of Consultant to comply with the applicable worker's compensation laws. City shall have the right to offset against the amount of any fees due to Consultant under this Agreement any amount due to City from Consultant as a result of Consultant's failure to promptly pay to City any reimbursement or indemnification arising under this paragraph.

6.10. PERS Eligibility Indemnification. In the event that Consultant or any employee, agent, or subcontractor of Consultant providing services under this Agreement claims or is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Consultant shall

indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits on behalf of Consultant or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

Notwithstanding any other agency, state or federal policy, rule, regulation, law or ordinance to the contrary, Consultant and any of its employees, agents, and subcontractors providing service under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contribution and/or employee contributions for PERS benefits.

6.11. Cooperation. In the event any claim or action is brought against City relating to Consultant's performance or services rendered under this Agreement, Consultant shall render any reasonable assistance and cooperation which City might require.

6.12. Ownership of Documents. All findings, reports, documents, information and data including, but not limited to, computer tapes or discs, preliminary notes, working documents, files and tapes furnished or prepared by Consultant or any of its subcontractors in the course of performance of this Agreement, shall be and remain the sole property of City. Consultant agrees that any such documents or information shall not be made available to any individual or organization without the prior consent of City, but shall be made available to the City within ten (10) days of request or within ten (10) days of termination. Any use of such documents for other projects not contemplated by this Agreement, and any use of incomplete documents, shall be at the sole risk of City and without liability or legal exposure to Consultant. City shall indemnify and hold harmless Consultant from all claims, damages, losses, and expenses, including attorneys' fees, arising out of or resulting from City's use of such documents for other projects not contemplated by this Agreement or use of incomplete documents furnished by Consultant. Consultant shall deliver to City any findings, reports, documents, information, data, preliminary notes and working documents, in any form, including but not limited to, computer tapes, discs, files audio tapes or any other Project related items as requested by City or its authorized representative, at no additional cost to the City. Consultant or Consultant's agents shall execute such documents as may be necessary from time to time to confirm City's ownership of the copyright in such documents.

6.13. Public Records Act Disclosure. Consultant has been advised and is aware that this Agreement and all reports, documents, information and data, including, but not limited to, computer tapes, discs or files furnished or prepared by Consultant, or any of its subcontractors, pursuant to this Agreement and provided to City may be subject to public disclosure as required by the California Public Records Act (California Government Code Section 6250 *et seq.*). Exceptions to public disclosure may be those documents or information that qualify as trade secrets, as that term is defined in the California Government Code Section 6254.7, and of which Consultant informs City of such trade secret. The City will endeavor to maintain as confidential all information obtained by it that is designated as a trade secret. The City shall not, in any way, be liable or responsible for the disclosure of any trade secret including, without limitation, those records so marked if disclosure is deemed to be required by law or by order of the Court.

6.14. Conflict of Interest. Consultant and its officers, employees, associates and subconsultants, if any, will comply with all conflict of interest statutes of the State of California applicable to Consultant's services under this agreement, including, but not limited to, the Political Reform Act (Government Code Sections 81000, *et seq.*) and Government Code Section 1090. During the term of this Agreement, Consultant and its officers, employees, associates and

subconsultants shall not, without the prior written approval of the City Representative, perform work for another person or entity for whom Consultant is not currently performing work that would require Consultant or one of its officers, employees, associates or subconsultants to abstain from a decision under this Agreement pursuant to a conflict of interest statute.

6.15. Responsibility for Errors. Consultant shall be responsible for its work and results under this Agreement. Consultant, when requested, shall furnish clarification and/or explanation as may be required by the City's representative, regarding any services rendered under this Agreement at no additional cost to City. In the event that an error or omission attributable to Consultant occurs, then Consultant shall, at no cost to City, provide all necessary design drawings, estimates and other Consultant professional services necessary to rectify and correct the matter to the sole satisfaction of City and to participate in any meeting required with regard to the correction.

6.16. Prohibited Employment. Consultant will not employ any regular employee of City while this Agreement is in effect.

6.17. Order of Precedence. In the event of an inconsistency in this Agreement and any of the attached Exhibits, the terms set forth in this Agreement shall prevail. If, and to the extent this Agreement incorporates by reference any provision of any document, such provision shall be deemed a part of this Agreement. Nevertheless, if there is any conflict among the terms and conditions of this Agreement and those of any such provision or provisions so incorporated by reference, the conflict shall be resolved by giving precedence in the following order, if applicable: This Agreement, the City's Request for Proposals, the Consultant's Proposal.

6.18. Costs. Each party shall bear its own costs and fees incurred in the preparation and negotiation of this Agreement and in the performance of its obligations hereunder except as expressly provided herein.

6.19. No Third Party Beneficiary Rights. This Agreement is entered into for the sole benefit of City and Consultant and no other parties are intended to be direct or incidental beneficiaries of this Agreement and no third party shall have any right in, under or to this Agreement.

6.20. Headings. Paragraph and subparagraph headings contained in this Agreement are included solely for convenience and are not intended to modify, explain or to be a full or accurate description of the content thereof and shall not in any way affect the meaning or interpretation of this Agreement.

6.21. Construction. The parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, this Agreement shall be construed as if drafted jointly by the parties and in accordance with its fair meaning. There shall be no presumption or burden of proof favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

6.22. Amendments. Only a writing executed by the parties hereto or their respective successors and assigns may amend this Agreement.

6.23. Waiver. The delay or failure of either party at any time to require performance or compliance by the other of any of its obligations or agreements shall in no way be deemed a waiver of those rights to require such performance or compliance. No waiver of any provision of this Agreement shall be effective unless in writing and signed by a duly authorized representative of the party against whom enforcement of a waiver is sought. The waiver of any right or remedy

in respect to any occurrence or event shall not be deemed a waiver of any right or remedy in respect to any other occurrence or event, nor shall any waiver constitute a continuing waiver.

6.24. Severability. Administrative  
Policies

Financial Analysis

Task 6  
Reports

Task 7  
Meetings &  
Presentations

## TASKS

### Task 1 – Project Kickoff and Data Gathering

#### Kickoff Meeting

L&T will meet with City staff for a project kickoff meeting to review study goals, milestones, identify project team members, determine roles and responsibilities, and discuss data needs.

#### Data Gathering

Assemble the necessary data to complete the study. Wherever possible, L&T will aggregate available information from the City's website and other public sources. The goal of this task is to understand the City's infrastructure needs, current fee structure, and available development plans. A data needs list will be provided to the City prior to the kickoff call.

### Task 2 – Evaluate Costs and Capacity

#### Determine Levels of Service

Evaluate current and future levels of service. Level of service metrics will be determined jointly with staff and will be dependent on the type of fee desired. For example:

- Water - sustainability, water quality, % water loss
- Sewer - # of annual sewer overflows, level of treatment
- Storm Drain - # of flood events per year, stormwater reuse (if applicable)
- Fire Protection - # of firemen per capita, # of substations and response time, adequacy of equipment
- Law Enforcement - # of officers per capita, # of substations and response time, adequacy of equipment
- Traffic Circulation - congestion of arterial and side streets, safe streets upgrades
- Government - adequacy of facilities and other metrics to be determined
- Parks - acreage of parkland per capita, adequacy of facilities (community meetings spaces, swimming pools, “tiny tot” lots, etc.)

### **Evaluate Service Areas and Buildout Capacity**

Evaluate the City’s current service areas and determine if distinct service areas require unique fees. For example, the water and sewer utilities could be divided amongst pumping zones and/or trunk lines. Fire service areas could be defined by substation. L&T will review existing master plans and development plans to establish land use projections through buildout.

### **Determine Value of Existing Facilities**

Based on the level of service analysis, a portion of existing facilities will be assigned to future customers. L&T will use the City’s fixed asset list to create an inventory of facilities. We will determine the value of existing facilities by escalating the original cost of assets to current dollars with adjustments for grants, developer-contributed facilities, and financing expenses.

### **Evaluate Needs and Costs**

Based on the levels of service and land use projections, L&T will evaluate facility expansion needs and expenses. We will use existing master plans and escalate project costs into current dollars. L&T will take care to fully document how the cost of facilities was determined and allocated to growth.

## **Task 3 – Administrative Policies**

L&T will develop policies and procedures governing the administration of development impact fees. This will include the basis for fee collection (\$/parcel, \$/home, \$/square foot, etc.), number of special planning areas (if any), special conditions for fees charged at less than true cost (if applicable), frequency of fee updates, how to scale fees for unique land use types, in-lieu credits for contributed facilities, accounting policies for impact fee fund balance, and other considerations to be determined by the City.

## Task 4 – Fee Methodology and Calculations

L&T will:

- Finalize the level of service analysis for each fee category
- Review fee methodologies including the buy-in method, expansion/incremental method, and others as appropriate
- Review other fee considerations such as deductions for grant or tax revenue, adjustments for developer contributed facilities, existing fee reserve balances, and future liabilities
- Calculate the potential fees assuming full cost recovery
- Revise fees as needed

## Task 5 – Financial Analysis & Cash Flow

We will prepare a straightforward financial model in Excel incorporating cash flow projections and assumptions. The model will serve as a flexible tool to provide ongoing financial planning, calculate the impact fees, and allow for sensitivity analyses including various capital improvement program alternatives, system expansion, slow vs. rapid development, and funding alternatives. If debt is preferred, the cash flow model will also provide a debt coverage calculation for each year. We acknowledge that this task is iterative. Should the cash flow be untenable for the City (fees are too high or improvements are too costly), we will revise the fees and/or determine alternate funding options.

## Task 6 – Reports and Model

L&T will submit a draft summary report for City review and feedback. The report will summarize findings and recommendations and discuss key alternatives when applicable. Receive input on draft report from the City's project team, the development community, and City Council, as appropriate. Prepare final reports incorporating feedback received. Our final report will describe legal requirements and industry standard practice, the City's expansion costs and cost recovery, and our project methodology and approach. The report will also include an impact fee survey comparing current and proposed fees with the fees charged by other local agencies. We will present our electronic model to staff and City Council, as needed.

## Task 7 – Meetings and Presentations

L&T proposes three (3) in-person meetings and presentations for impact fee studies. One meeting could be a coordination meeting with staff or an outreach meeting with developers. Two meetings are presentations to the City Council to approve and adopt the proposed impact fees. L&T will provide draft PowerPoint files to staff for review before our presentation materials are made public. In-person

meetings will be conducted in addition to virtual meetings with staff. Additional meetings can be added for developer outreach.
