3.1 Time for Repayment. Borrower shall repay the principal amount of the City Loan upon the occurrence of a Triggering Event during the Term. The amount to

be repaid shall be determined in accordance with Section 3.5 of this Agreement. Borrower has no obligation to make periodic payments of principal during the Term except as provided in Section 3.4. 3.3 Partial Repayment. After a Triggering Event occurs, the City may, in its sole discretion, allow Borrower to make monthly payments instead of the lump sum payment required by Section 3.2. The City reserves the right to determine the amount of such monthly payments. If the Borrower fails to make one or more monthly payments or another Triggering Event occurs, the City may require the Borrower to immediately repay the remaining principal due on the City Loan.

3.4 Prepayment. Borrower may prepay the outstanding principal of the City Loan at any time, provided that such prepayment shall not absolve Borrower of any other obligations contained in this Agreement or the Deed of Trust.

3.5 Repayment Amount. Upon the occurrence of a Triggering Event during the Term, the Borrower shall repay to the City the lesser of the following:

- (a) The principal balance of the City Loan; or

4. CDBG PROGRAM REQUIREMENTS

(b) that Borrower will contract with a licensed general contractor to perform the Project, and

(c) that the City shall approve the method and procedures utilized to procure the services of a licensed general contractor to perform the Project, and

(d) that the City shall approve the form and content of the contract between Borrower and its licensed general contractor prior to the execution of the contract.

4.3 Covenants. Borrower covenants and agrees, among other things:

(a) that Borrower shall utilize the Property for the purposes stated in Recital D of this Agreement and shall not lease or rent the Property to a third party, and

(b) that Borrower shall maintain the Property in accordance with the specifications of the Program, and

(c) that Borrower shall not discriminate on the basis of race, color, creed, age, handicap, sex or national origin, in any sale, use, or occupancy of the Property, and

(d) that City shall have the right to enter the Property, upon reasonable prior notice, for the sole purpose of determining compliance with the terms and conditions of the Program.

(e) that Borrower will maintain property insurance coverage on the Property naming the City as a loss payee (if the City Loan is in the first position) or as an additional insured (if the City Loan is a junior lien).

5.2 Liquidated Damages. If Borrower rents or leases the Property to a third party Borrower shall be subject to liquidated damages in an amount equal to the total rent collected by Borrower throughout the duration of the violation.

5.3 Specific Performance. It is agreed that the services provided for under this Agreement serves a public purpose and is of a special and unique kind and character and that the rights granted to City hereunder are of a similar special and unique kind and character so that if there is a default by the Borrower, City would not have an adequate remedy at law. It is expressly agreed, therefore, that City's rights under this Agreement may be enforced by an action for specific performance and such other equitable relief, including an injunction for actions in violation of this Agreement, as is provided by the laws of the State of California.

6. SUBORDINATION

The City may approve a request for subordination, in its sole discretion. If the request for subordination is due to the Borrower's refinancing of a loan secured by the Property, the City may only approve the subordination request if the Borrower submits the documentation required by the City, and the refinancing will not result in any of the following:

- 6.1 A "cash out" of all or part of the loan proceeds. The loan proceeds must be used only to pay off the existing debt being refinanced and any reasonable closing costs.
- 6.2 A loan to value ratio that exceeds 75% of the Property's post-rehabilitation value.
- 6.3 A loan that has a higher interest rate than the existing loan.
- 6.4 A loan with a term of less than fifteen years.
- 6.5 The recorded position of the City Loan will be lower than its existing position (e.g. reduced from a second lien deed of trust to a third lien deed of trust).

7. GENERAL PROVISIONS

7.2 Entire Agreement. This Agreement, together with its Recitals which are a part of this Agreement, sets forth the entire understanding of the parties with respect to the subject matter hereof. In the event of any conflict between the terms of this Agreement and any other document entered into in furtherance of this Agreement, the terms of this Agreement shall prevail.

7.3 Attorneys' Fees. In the event of any legal proceeding arising out of or related to this Agreement, the prevailing party shall be entitled to recover reasonable attorneys' fees and costs as set by the trier of fact.

7.4 Notices. All notices, requests, demands, consents and other communications required or permitted to be given under the terms of this Agreement shall be in writing addressed to the recipient party's Notice Address set forth below, and shall be deemed to have been duly given or made (a) if delivered personally (including commercial courier or delivery service) to the party's Notice Address, then as of the date delivered (or if delivery is refused, upon presentation), or (b) if mailed by certified mail to the party's Notice Address, postage prepaid and return receipt requested, then at the time received at the party's Notice Address as evidenced by the return receipt, or

(c) if mailed by first class mail to the party's Notice Address, postage prepaid, then at the time received at the party's Notice Address. A party may only change its Notice Address by a notice given in the foregoing form and manner. Each party's initial Notice Address is as follows:

7.5 Severability. It is agreed that if any provision of this Agreement shall be determined to be void by any court of competent jurisdiction, then such determination shall not affect any other provision of this Agreement and all such other provisions shall remain in full force and effect.

7.6 Modification. This Agreement may not be changed, modified or amended orally or by a course of conduct, but only by a writing signed by the parties hereto, and this Agreement may not be discharged except by performance in accordance with the terms, or by writing signed by the parties hereto.

7.7 Time of Essence. Time is of the essence in all of the terms, covenants and conditions of this Agreement.

7.9 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

The following is a copy of Subdivisions A and B of the fictitious Deed of Trust recorded in each County in California as stated in the foregoing Deed of Trust and incorporated by reference in said Deed of Trust as being a part thereof as if set forth at length therein.

A. To protect the security of this Deed of Trust, Trustor agrees:

(1) To keep said property in good condition and repair; not to remove or demolish any building thereon; to complete or restore promptly and in good and workmanlike manner any building which may be constructed, damaged or destroyed thereon and to pay when due all claims for labor performed and materials furnished therefor; to comply with all laws affecting said property or requiring any alterations or improvements to be made thereon; not to commit or permit waste thereof; not to commit, suffer, or permit any act upon said property in violation of law; to cultivate, irrigate, fertilize, fumigate, prune and do all other acts which from the character or use of said property may be reasonably necessary, the specific enumerations herein not excluding the general.

(2) To provide, maintain and deliver to Beneficiary fire insurance satisfactory to and with loss payable to Beneficiary. The amount collected under any fire or other insurance policy may be applied by Beneficiary upon any indebtedness secured hereby and in such order as Beneficiary may determine, or at option of Beneficiary the entire amount so collected or any part thereof may be released to Trustor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

(3) To appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; and to pay all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum, in any action or proceeding in which Beneficiary or Trustee may appear, and in any suit brought by Beneficiary to foreclose this Deed.

(4) To pay: at least ten days before delinquency all taxes and assessments affecting said property, including assessments on appurtenant water stock; when due, all encumbrances, charges and liens, with interest, on said property or any part thereof, which appear to be prior or superior hereto; all costs, fees and expenses of this Trust.

Should Trustor fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee, but without obligation so to do and without notice to or demand upon Trustor and without releasing Trustor from any obligation hereof, may, make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon said property for such purposes; appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest or compromise any encumbrance, charge, or lien which in the judgment of either appears to be prior or superior hereto; and, in exercising any such powers, pay necessary expenses, employ counsel and pay his or her reasonable fees.

(5) To pay immediately and without demand all sums so expanded by Beneficiary or Trustee, with interest from date of expenditure at the amount allowed by law in effect at the date hereof, and to pay for any statement provided for by law in effect at the date hereof regarding the obligation secured

hereby, any amount demanded by the Beneficiary not to exceed the maximum allowed by law at the time when said statement is demanded.

B. It is mutually agreed:

(1) That any award of damages in connection with any condemnation for public use of or injury to said property or any part thereof is hereby assigned and shall be paid to Beneficiary who may apply or release such moneys received by him or her in the same manner and with the same effect as above provided for regarding disposition of proceeds of fire or other insurance.

(2) That by accepting payment of any sum secured hereby after its due date, Beneficiary does not waive his or her right either to require prompt payment when due of all other sums so secured or to declare default for failure so to pay.

(3) That at any time or from time to time, without liability therefor and without notice, upon written request of Beneficiary and presentation of this Deed and said note for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby, Trustee may: reconvey any part of said property; consent to the making of any map or plat thereof; join in granting any easement thereon; or join in any extension agreement or any agreement subordinating the lien or charge hereof.

(4) That upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed and said note to Trustee for cancellation and retention or other disposition as Trustee in its sole discretion may choose and upon payment of its fees, Trustee shall reconvey, without warranty, the property then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The Grantee in such reconveyance may be described as "the person or persons legally entitled thereto."

(5) That as additional security, Trustor hereby gives to and confers upon Beneficiary the right, power and authority, during the continuance of these Trusts, to collect the rents, issues and profits of said property, reserving unto Trustor the right, prior to any default by Trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, to collect and retain such rents, issues and profits as they become due and payable. Upon any such default, Beneficiary may at any time without notice, either in person, by agent, or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in his or her own name sue for or otherwise collect such rents, issues, and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, and in such order as Beneficiary may determine. The entering upon and taking possession of said property, the collection of such rents, issues and profits and the application thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

(6) That upon default by Trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, Beneficiary may declare all sums secured hereby immediately due and payable by delivery to Trustee of written declaration of default and demand for sale and of written notice of default and of election to cause to be sold said property, which notice

Trustee shall Cause to be filed for record. Beneficiary also shall deposit with Trustee this Deed, said note and all documents evidencing expenditures secured hereby.

After the lapse of such time as may then be required by law following the recordation of said notice of default, and notice of sale having been given as then required by law, Trustee, without demand on Trustor, shall sell said property at the time and place fixed by it in said notice of sale, either as a whole or in separate parcels, and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to such purchaser its deed conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee, or Beneficiary as hereinafter defined, may purchase at such sale.

After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of: all sums expended under the terms hereof, not then repaid, with accrued interest at the amount allowed by law in effect at the date hereof; all other sums then secured hereby; and the remainder, if any, to the person or persons legally entitled thereto.

(7) Beneficiary, or any successor in ownership of any indebtedness secured hereby, may from time to time, by instrument in writing, substitute a successor or successors to any Trustee named herein or acting hereunder, which instrument, executed by the Beneficiary and duly acknowledged and recorded in the office of the recorder of the county or counties where said property is situated, shall be conclusive proof of proper substitution of such successor Trustee or Trustees, who shall, without conveyance from the Trustee predecessor, succeed to all its title, estate, rights, powers and duties. Said instrument must contain the name of the original Trustor, Trustee and Beneficiary hereunder, the book and page where this Deed is recorded and the name and address of the new Trustee.

(8) That this Deed applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors, and assigns. The term Beneficiary shall mean the owner and holder, including pledgees of the note secured hereby, whether or not named as Beneficiary herein. In this Deed, whenever the context so requires, the masculine gender includes the feminine and/or the neuter, and the singular number includes the plural.

(9) The Trustee accepts this Trust when this Deed, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other Deed of Trust or of any action or proceeding in which Trustor, Beneficiary or Trustee shall be a party unless brought by Trustee.
