Meeting Agenda Community Meetings

Friday, January 23, 2026

3:30 PM

Town Hall, 363 N. Main Street
and Via Video Conference

Parks & Recreation Ad Hoc Committee

MEETING CALLED TO ORDER

ROLL CALL

COMMITTEE MEMBERS PLEASE TAKE NOTICE

Committee Members are reminded that pursuant to the Council policy regarding use of electronic devices during public meetings adopted on November 28, 2022, all cell phones are to be turned off and there shall be no electronic communications during the meeting. All e-communications such as texts or emails from members of the public received during a meeting are to be forwarded to the City Clerk after the meeting is adjourned.

ZOOM WEBINAR INVITATION

This meeting is being presented in a hybrid format, both in person at Town Hall and via Zoom.

You are invited to a Zoom webinar.

When: Jan 23, 2026 03:30 PM Pacific Time (US and Canada)

Topic: Ad Hoc Parks & Recreation Committee Meeting

Join from PC, Mac, iPad, or Android:

<https://us06web.zoom.us/j/85161982103>

*And Telephone (*6 mute/unmute, *9 raise hand)*

+1 669 444 9171 US

Webinar ID: 851 6198 2103

To speak during public comment portions of the agenda via zoom, please join the meeting and use the raise hand feature when the Chair or Acting Chair calls for public comment on the item you wish to address. Written public comments may be submitted to sremington@fortbraggca.gov.

Administrative Assistant

NOTICE TO THE PUBLIC

DISTRIBUTION OF ADDITIONAL INFORMATION FOLLOWING AGENDA PACKET DISTRIBUTION:

- *Materials related to an item on this Agenda submitted to the Council/District/Agency after distribution of the agenda packet are available for public inspection in the lobby of City Hall at 416 N. Franklin Street during normal business hours.*
- *Such documents are also available on the City of Fort Bragg's website at <http://city.fortbragg.com> subject to staff's ability to post the documents before the meeting*

ADA NOTICE AND HEARING IMPAIRED PROVISIONS:

It is the policy of the City of Fort Bragg to offer its public programs, services and meetings in a manner that is readily accessible to everyone, including those with disabilities. Upon request, this agenda will be made available in appropriate alternative formats to persons with disabilities.

If you need assistance to ensure your full participation, please contact the City Clerk at (707) 961-2823. Notification 48 hours in advance of any need for assistance will enable the City to make reasonable arrangements to ensure accessibility.

This notice is in compliance with the Americans with Disabilities Act (28 CFR, 35.102-35.104 ADA Title II).

Request for Committee Direction on Recreational Features for the Reservoir and Community Forest Project

STAFF REPORT

TO: Parks and Recreation Committee **DATE:** January 23, 2026

DEPARTMENT: Public Works

PREPARED BY: Chantell O'Neal, Assistant Director Engineering

PRESENTER: Chantell O'Neal, Assistant Director Engineering

AGENDA TITLE: Request for Committee Direction on Recreational Features for the Reservoir and Community Forest Project

RECOMMENDATION

Staff recommends that the Parks and Recreation Committee review the information provided and give direction on which recreational features should be included in the programmatic environmental analysis for the Reservoir and Community Forest Project Environmental Impact Report (EIR). This direction is necessary for Rincon Consultants to complete the Project Description and proceed with the Draft EIR.

BACKGROUND

The City purchased the 582-acre property southeast of Fort Bragg in 2023 to support long-term water supply reliability and to establish a publicly accessible community forest. The site was historically owned by timber companies and used primarily for logging. Over the years, several concepts were proposed—including a golf course (with an EIR completed in 2005 but never adopted) and an OHV park in 2018—but none advanced. The property also has a history of trespass, dumping, and informal trail creation.

The City is now moving forward with the **Water Storage Reservoirs and Community Forest Project**, which includes construction of three 45-acre-foot raw water reservoirs, associated pipelines, caretaker unit(s), a trailhead and parking area, and development of a community forest. The project is intended to improve drought resilience by storing water in winter when flows are high and drawing from the reservoirs in summer, reducing impacts on aquatic species.

Rincon Consultants was selected through the City's RFP process to prepare the EIR. Mendocino Land Trust (MLT) is assisting the City with community forest planning and conservation easement considerations. WaterWorks Engineers is designing the reservoir improvements.

A **Notice of Preparation (NOP)** was circulated on September 10, 2025, and two public scoping meetings were held on September 16, 2025. In advance of the NOP workshop, the City conducted an online survey from **June 1–24, 2025** to get community input on potential recreational features, **323 responses** were received.

The purpose of this report is to present the Committee with the site constraints, survey themes, and project context so the Committee can identify which recreational features should be analyzed at a programmatic level in the EIR.

DISCUSSION AND ANALYSIS

History and Site Conditions

Key historical and environmental facts from the NOP and scoping materials include:

- The property consists of **six City-owned parcels totaling 582 acres**.
- The site contains **rare and sensitive Mendocino Cypress Woodland (pygmy forest)**, mapped by CDFW and confirmed through updated surveys in 2023.
- An inventory of the property identified existing dirt roads, informal trails, invasive species, dumping areas, and areas of erosion.
- Prior uses included logging, a former residence (burned), and various informal recreation activities.
- The City intends to annex the property into City limits.
- The reservoir footprint is approximately **26.2 acres**, located north of an existing dirt road and south of the PG&E transmission line.
- The conceptual site plan intentionally places new facilities in **already disturbed areas** to minimize impacts.

These conditions strongly influence what types of recreational features may be feasible.

Potential Recreational Features

I. Environmental Constraints

The scoping presentation and NOP emphasize several key limitations to future development:

- The Mendocino Cypress Woodland is **imperiled** and subject to special protection.

- Decommissioning social trails and informal access points is recommended to reduce ongoing habitat damage.
- Future public trails should be located **only in already disturbed areas** to avoid new impacts.
- The City's **primary goal** is successful construction and operation of the reservoirs; recreational features must not compromise this objective.

II. Survey Themes (High-Level Summary)

The 323 survey responses reflected a wide range of interests. At a high level:

- **Strong support** for passive recreation such as hiking trails, walking paths, benches, interpretive signage, and nature-based educational elements.
- **Interest** in ADA-accessible trails and small gathering or picnic areas.
- **Mixed support** for more intensive features such as playgrounds, sport courts, athletic fields, and event spaces.
- **Divergent opinions** on uses such as biking facilities, pump tracks, equestrian access, and motorized recreation.
- **Concerns** raised about protecting habitat, noise, wildfire risk, misuse, and maintaining a tranquil environment.

Features that can be accommodated within disturbed areas—and that do not require significant grading or vegetation removal—are likely to be the most feasible. However, the most intensive use that is likely desired by the City should be evaluated in the EIR.

III. Committee Direction Needed

Rincon has advised that for a **programmatic EIR**, the City may provide:

- A list of potential recreational options, **or**
- General categories of recreational uses.

More detail allows for a more robust analysis, but the EIR can remain flexible. The Committee's direction will determine which features are included in the Project Description.

Naming the Park/Site

The survey included an open-ended question about naming the new park. Responses included:

- Nature-based names referencing the pygmy forest or cypress woodland
- Names referencing the Noyo River
- Suggestions to collaborate with local Tribes or use Pomo language
- A variety of creative community-generated names

Staff recommends a **public naming process** that may include soliciting suggestions, developing themes, and returning to the Committee or full Council with a shortlist.

Funding Considerations

Public input and a published CEQA document that includes recreational concepts can strengthen the City's competitiveness for future grant opportunities. Many state and federal programs prioritize:

- Community-driven planning
- Nature-based recreation
- Habitat protection
- Outdoor access equity

Having a clear, publicly supported vision for recreation at the site will support future funding applications.

Look-Ahead Schedule

The schedule presented at the September 16, 2025, scoping meeting included:

- **Draft EIR / Public Hearing:** February 2026
- **Final EIR / City Council Approval:** July 2026
- **Final Engineering Design:** July 2026
- **Construction Contract Award:** October 2026
- **Start Construction:** Spring 2027

Because the Draft EIR cannot proceed until the Committee provides direction on recreational features, these dates will shift. Based on current milestones and progress, it is likely that 2+ months should be added to each date listed above.

Programmatic EIR

A programmatic EIR evaluates recreational uses at a **broad, conceptual level**. If the City later modifies or replaces specific features, the EIR can still be used **as long as the changes fall within the general types of uses analyzed**. If the City changes its mind later about recreational features, we would need to complete a CEQA consistency review to determine whether:

- ☐ No further CEQA action is needed,
- ☐ An **Addendum** is appropriate, or
- ☐ A supplemental CEQA document is required.

Based on site constraints:

Low Impact Features:

- Trails (hiking, walking, ADA)
- Interpretive elements
- Small picnic areas
- Educational spaces
- Limited non-motorized biking
- Equestrian access (if confined to disturbed areas)

Higher Impact Features:

- Sports fields
- Large event venues
- Playgrounds (if clearing is required)
- Motorized recreation
- Any feature requiring new disturbance in pygmy forest habitat

FISCAL IMPACT/FUNDING SOURCE

Providing direction on recreational features has **no direct fiscal impact**. However, Committee may want to give direction on the most intensive use likely for consideration on this site, such that it is evaluated within the original EIR, as new high impact features evaluated at a later phase trigger supplemental EIRs which are considerably more expensive than a consistency evaluation or EIR Addendum. Costs associated with the current EIR are already included in the consultant contract awarded through the RFP process (August 2024).

Fort Bragg - Highway 20 Property *Mendocino Cypress Forest Park* Community Survey

The City of Fort Bragg now owns the 579-acre Mendocino Cypress Forest property off of Highway 20 and Summers Lane, which is being annexed into the City limits. The City intends to construct new water reservoirs on the property to ensure adequate water supply for Fort Bragg, and is beginning the planning process to eventually open the property to the public as its newest park. The City currently envisions that the new park will include over 7 miles of forested hiking and walking trails as well as a centralized, open park area offering a range of recreational facilities for the community to enjoy. Please fill out this survey to let us know your ideas for our new park!

La ciudad de Fort Bragg ahora es propietaria de la propiedad de 579 acres del Parque Forestal Ciprés de Mendocino, junto a la Carretera 20 y Summers Lane, que se está anexando a los límites de la ciudad. La ciudad tiene la intención de construir nuevos depósitos de agua en la propiedad para garantizar un suministro adecuado de agua a Fort Bragg y está iniciando el proceso de planificación para abrir la propiedad al público y convertirla en su nuevo parque. La ciudad prevé que el nuevo parque incluirá más de 7 millas de senderos forestales para caminar y senderismo, así como un área centralizada que ofrecerá diversas instalaciones recreativas que la comunidad pueda disfrutar. ¡Por favor comparta sus ideas para nuestro nuevo parque llenando esta encuesta!

Mendocino Cypress Forest Information

The property includes 579 acres of Mendocino Cypress Forest (commonly referred to as "pygmy forest"). This forest type, characterized by its short lichen-encrusted trees, flowering shrubs, forbs, and hardpan sandy soil, is extremely rare. It historically exists in only 4,000 acres between southern Mendocino and Northern Sonoma County. The uniqueness of the Mendocino Cypress Forest is due to the ancient soil beneath the trees, which was the ocean floor 100,000 years ago. Residential development, clearing, and dumping in the forest damages the rare soil irreversibly. Due to this permanent loss, recent estimates show only about 2,600 acres remain.

Due to the rarity and ecological importance of the Mendocino Cypress Forest, and state limits on causing any further disturbance to the remaining intact forest, large new developments that would impact the forest and its plants and soils are not possible. Our goals include preserving this special ecosystem and making use of already existing trails and disturbed areas for park features, while allowing our community to access and enjoy the unique and beautiful landscape.

La propiedad incluye 579 acres de bosque de cipreses de Mendocino. Este tipo de bosque, caracterizado por sus árboles bajos cubiertos de líquenes, arbustos en flor, hierbas y suelo arenoso de capa dura, es extremadamente raro. Históricamente, solo existía en 4,000 acres entre el sur de Mendocino y el norte del condado de Sonoma. La singularidad del bosque de cipreses de Mendocino se debe al antiguo suelo bajo los árboles, que hace 100,000 años era el lecho marino. El desarrollo residencial, la tala y el deshecho de residuos en el bosque dañan irreversiblemente este suelo excepcional. Debido a esta pérdida permanente, estimaciones recientes indican que solo quedan unos 2,600 acres.

Debido a la rareza e importancia ecológica del bosque de cipreses de Mendocino, y a las limitaciones estatales para causarle cualquier otra perturbación al bosque intacto restante, no son posibles nuevos desarrollos a gran escala que afecten al bosque, sus plantas y suelos. Nuestros objetivos incluyen preservar este ecosistema especial y hacer uso de senderos ya existentes y áreas perturbadas para las características del parque, y a la vez permitir que nuestra comunidad acceda y disfrute de este paisaje único y hermoso.

Which of the following facilities would you like to see at the new park?

Please respond to each program option using the ranking scale below:

- (1) I would not use this facility
- (2) This doesn't apply to me / Indifferent
- (3) I would use this facility

¿Cuál de las siguientes instalaciones le gustaría ver en el nuevo parque?

Por favor, responda a cada opción del programa utilizando la escala de clasificación a continuación:

- (1) No usaría esta instalación
- (2) No me aplica / Sin Opinion
- (3) Usaría esta instalación

1. Paved Walking/Jogging Trails

Senderos pavimentados para caminar/trotar

Mark only one oval.

Additional ideas for what you would like to see in this new City park.
Ideas adicionales sobre lo que le gustaría ver en este nuevo parque de la ciudad.

Camp sites

FREE citizens use of big spaces to have a dance-a-thon for the community, for example...not just for paid events.
2. Outdoor cinema during the afternoon 3. Arts&Crafts for the Community, FREE of charge...chance to get together

Large gathering spaces, like low gap park. Safe parking and adequate waste removal. ADA RESTROOMS with
Adult playground equipment. eg. bars
accessible fitness equipment for people using wheelchairs or limited mobility

Definitely need a playground and play structures for the kids in town. I would love to help with a kids disc golf
Housing
Open the reservoirs to the public for fishing and sitting around, not for swimming. Similar to the reservoirs in

ATV or motorized track would be amazing. Bringing events to the coast and stimulation the economy would be
It will be important to protect the park so it can be used for years to come and to take care of the land.

Meditate. If you placed "animal cameras" it would also help keep out destructive element. People could view the

Trails for horseback riding
business development

OHV (off-highway vehicles) course

Softball, baseball, and soccer fields are sorely needed in our community. Our current fields are over capacity.
Multi Use Trails including equestrian
Rc car, truck , and drone track for year round small scale powered recreation.

I love the idea of a bicycle pump track, but would like to take that one step further and build out a bicycle terrain

Make part of it for horses and park for motor racing

Paved trail. keep the humane society safe with any increase to foot traffic/public that will now be coming out there.

Community art in the form of murals, concrete art, mosaics etc
Dirt bike area, as has historically been its use.

Water feature for kids

The reservoirs will create a significant impact to the Mendocino Cypress Woodland that cannot be mitigated.

Physical science experiments of light, sound, motion as kinetic art spread throughout with quest like maps to find
Please invite Tribes to collaborate on the design of this park. An area for native people to come together in cultural
For one it should be left alone and just maintained a little bit. Keep the nature as it is electric bikes continue to go
Dog park

bike jumps

Please stop taking areas away from children who don't use drugs. Allow them to stay active and give them a safe

With the bike tourism in our park would be both important for our town and for those coming to our town for recreation. Most other communities similar to ours have bike skills parks which are all very popular. We have our

Motorcycle track for all ages
An area for outdoor concerts & city events

Equestrian trails
Dirt bike track for kids

Concerts and sports take away from the initial purpose of preservation...large concerts?? Are you kidding me ???
Bathroom and drinking water

The need for athletic fields for baseball, softball, soccer and football are in high demand in our area. All our fields are on school property and a city owned sports facility is needed for our youth sports that are continuously growing.

Paint ball or air soft course
Definitely a sports complex and park for our youth!

Fairgrounds with a dirt race track
Sports complex
I think a golf course would be perfect back there!!
Motorcycle track family attraction

I would love to see a multi sport complex big enough to host tournaments for baseball/softball. I have been part of the board of directors for both FBGSA and FBLL. In my time on the FBGSA board I've witnessed so much enthusiasm for this sport that the league has grown from 50 to 150 in just four years. That being said we hosted the first FBGSA girls softball tournament this year with great success. Kids from all over the county came to play and
Trash and recycle bins accessible and stress on NO LITER

Trails for horseback riding.

A disc golf course would be ideal in this location.

Enough room for circus and other community events to take place

Commercial kitchen for events - this would allow rentals and a revenue stream
Just please include bathrooms with handwashing facilities.
Dirt bike track, and bike park

Atv motorcycle outdoor 4x4 hiking biking horses

A healthy managed forest ecosystem open for public recreation.

Keep it eco friendly!
Off road vehicle park!!!! We have enough hiking and walking trails and places that people can't ride their dirt bikes

Sports complex

No motorized sports or amplified sound. Keep accesible for wildlife.

Left natural as much as possible

We need more space for athletics to allow kids and adults healthy recreation
Camping
Not sure we need this we have the Coastal Trail, safer fire area there

Bike and walking paths that somehow connect to other open space or state parks
I would really like the city to focus on our local community needs, especially our youth. This community has lost so many recreational opportunities for our youth like the pump track and green memorial field. A space/place to have
No motorized bikes/quads.

I would like to see parking for horse trailers and use of the trails by horse riders, even if it has to be shared on trails for horses
equestrians are continually ignored. this would add economic value and horse people will bring their horses and
Horse trailer parking, frisbee golf
parking space for horse trailers for horses to ride
Horse trailer parking and horse accessible trails
Horse trails and horse trailer parking

Don't know if this could be the place but sweage wetlands treatment area like in Arcata

As an equestrian I would love to see trailer parking and horse accessible trails

mountain bike skills park (different from a pump track, which can be an element of a bike park)
This is my backyard I trail ride my horse every weekend out there, I hope that equestrians will still be able to trail

Horse trailer parking and multi use trails to include horseback riding.
Horse back riding
Horse riding trails
Horses
kite flying, skate boarding, outdoor chess court, bocce ball court.
Parking for horse trailers, possibly water, place for manure disposal
A larger vison would be to connect Fort Bragg to this park with an off road multiuse trail so that it can be reached

Downhill Mtn Bike dual slalom course

walking/biking connection to the city not on highway 20

Restrooms

Golf course

hiking, childrens playground, tables sounds perfect

packed earth trails for low-speed ebikes.

I would like horse trails and horse trailer parking because this type of trail is very limited in Fort Bragg area.

places to add new trees

It should be dog friendly or I would not use

More mountain biking trails

Native Plants

Bike path from Fort Bragg

Restroom facilities, drinking water

Horse riding accessible/ parking

There needs to be an area for electric bikes. Simply saying non-motorized negates the need and use by elderly

It would be a great addition to Fort Bragg

Dog friendly

bird watching area

An area for motorized bikes to be allowed. We have SO many trails here, where motorized bikes are not allowed. it would be really nice to have a section/park where they are permitted.

We have enough trails and hiking trails benches and pick nick table. We want a safe designated place for kids and Minimal development. Some of these questions are concerning because they ask about incompatible amenities.

Keep as most of it natural as possible

Leave it alone. Walking and hiking trails aren't too intrusive to the natural habitat, but don't pave the trails. Any

A fence around the entire property so dirt bikes stay out. They are currently in the property constantly. Also, it would love some horse back riding arenas. And separate arenas for the motorcycle and quad riders.

Frisbee golf. Something like Low Gap Park in Ukiah

Cornhole courts, horseshoe pits. We need an indoor facility for cornhole tournaments. This brings a lot of people

This town desperately needs a baseball and softball complex for our youth. We currently do not enough field space for our players and if we had a nice complex, we could host tournaments which would bring additional income into Dog park

Trash cans, everywhere and reminders of how important this location is

A bike trail that ties into the Noyo haul road (and some sort of permission to use the road) so hwy 20 residents can bike into town with less time on the hwy. And town folk can bike to a park with a totally different microclimate than Batting cages and baseball fields

Please have baseball and softball fields!! Soccer too!!!

Our town needs more youth oriented spaces. Baseball and softball events is a huge and important part of our Dog park please. Roller skate track for the young kids learning to blade.

A softball complex/fields

It would be amazing to have trails for equestrian use! The current trails have perfect footing for horses! Please Dirt bike, atv track, anything for kids sports

Definitely baseball fields

Water features, sculptures & other art features, beautiful modern design - think NYC's High Line

Would love to see turf soccer fields and any and all baseball fields here in addition to other ideas proposed already.

Definitely all weather spaces for sports, like turf.

Multi-sport sports complex. Softball/baseball fields, soccer fields, lighted if possible

It would be wonderful for our town to have more baseball fields for our youth. They have a very low impact on the Fort Bragg should be a destination for sporting events In the summer for inland residents to get out of the heat.

Baseball fields to allow more opportunities for our children and allows out of town teams to visit Fort Bragg. Event

A 4.167mile loop for run, and bicycle races

We are in need of sports fields for the kids

As this 579-acre Mendocino Cypress Forest property is extremely rare and consists mainly of plants that can survive in the pygmy forest and there are only 4,000 acres left between southern Mendocino and Northern Sonoma County why would we destroy more to build all these ideas. There is a reason the Sierra Club outlawed destroying

Bike Pump track please

Horse trailer parking and trail riding

Horse trailer parking and trail riding shared trails

I'm sure this is part of the plan, but public restrooms & ample parking spaces would be great!

It seems there is room for a small amount of everything. If you make a playground keep it small. How will you keep

We need better baseball fields that are more modern and can employ lights for the kids.

Horses trails.

Baseball/softball fields

More for these kids!!! They need adequate space for sports so they stay on track and get to be kids.

Baseball/softball fields!!!

We need more fields for softball, base ball and soccer

We need a sports complex badly

bike park bike trails. I have the people that will volunteer and the people that can help design, etc.

Outdoor roller rink/multiuse flat concrete space (ex: Skatin' Place at Golden Gate Park)

Having a Sports a complex that includes a rubberized track, softball and baseball fields would be used by many.

Equestrian trails

I am a member of a local petanque club. We are in need of a new playing court. Perhaps this would be the perfect

A baseball or softball field would be such an upgrade for hundreds of kids in the area

Basketball quarts

Dirt bike track

Pétanque court

I would like to have a petanque area to replace the one at CV Starr thatis being eliminated.

Soft ball field for fort bragg girls softball association

Horse trails with parking for horse trailers

It would be great to have additional softball and baseball fields outside of school facilities available to the

Baseball fields

sports fields for sure. There is a HUGE need for baseball fields! I'm sure it's a long shot but an indoor facility would

Baseball fields - we could hold tournaments and bring in income for the community

An atv vehicle area for our community to use and let kids use safely

Baseball sports center.

There is not space on the park to develop more than passive recreational opportunities due to the property's highly sensitive habitat types. Im stunned to see the City asking for input on such facilities. Where exactly does the City

Love natural surface trails for hiking, running and biking. Also appreciate some ADA trails.

Mountain biking/bike park

Mountain bike trails and an area to be able to host mountain bike races for our youth would be awesome!

Track/Baseball/Softball parks with nice seating and lights. Dirt bike and four wheel trails

Botanical garden with focus on Pygmy species

I know a large mountain bike community in Mendo County would appreciate the trails and space in this park. Many

We need dirt bike tracks

Connecting town to Jackson/gravel pit

PETANQUE/BOCCE COURTS

campo de softball

Do you have concerns about any particular types of park use?
¿Tiene usted inquietudes sobre algún tipo particular de uso del parque?

I think concerts are great, but I worry how you could do that in a sensitive habitat, seems like two different goals

Please no motorized vehicles (gas or electric)

Yes. I WOULD LIKE TO SEE SEPARATE TRAILS FOR WALKING. PLEASE DO NOT PUT PDESTRIANS AND BIKES ON THE SAME TRAIL! A quiet place to sit and meditate...opportunities to 'rent' the space to lead a

Misuse, overnight camping, smoking causing fires etc

places with tranquility like Otis Johnson Park

I believe that large gatherings would have a higher chance of damaging the ecosystem. Limit group sizes and only

The biking and dust concerns. The larger groups and parking issues. Noise pollution. It should feel tranquil. Sound

Just put in a wal mart

Unleashed dogs. Mandatory and enforced leach laws so that people and other dogs can enjoy the park without

Stale non-flexible and narrow design usage of areas. That effectively stifle broad public adoption and use. Which

None

Please do not clear the land for large open spaces. As you stated, this is some of the last of its kind!

My concern is that it becomes a place where drug users and homeless congregate and live, just like the coastal
i am concerned about noise... keep it quiet for the neighbors

Keeping noise to a minimum and ensuring private spaces still exist rather than a bunch of larger venues. Allowing it

Use should only be minimal and restricted to pedestrian hiking on limited development trails. Full CEQA analysis is Large gatherings of any kind would destroy the peace and possibly the habitat.

If you're going to do anything out there, keep it simple and clean. Don't feel it with a bunch of concrete trails,

I'm concerned that there won't be bike jumps

Yes, walking and jogging trail?? There are plenty of areas to have this type of outdoor enjoyment. Allow dirt bikes

My concerns would be no gearing this land towards things that our youth are interested in.

Concerts or performances might be too many people at once.

no

No

ATV/off-road vehicles and electric bikes shouldn't be allowed

With the great amount of state parks and MLT beach trails it isn't a great need to add more of those. I do utilize all our local trails and parks so I selected yes I would use but it isn't a necessity like a sports complex.

Homeless population

No

It would be nice if it closed at dusk and not loud for the people living nearby
No let's build this town so it doesn't die off

I am hoping these can be multi-use trails for hiking, biking and equestrian.

Paved walking trails should only be around the sports fields. There are already tons of walking trails sporadically meandering through those woods. Proper signage will be important.

Differently non motorized.
Should be dog friendly!

No. We need more for our community

Non-profits not paying their fair share

I would not want to see lots of development, such as sports fields or playgrounds. I would use the park more in a
No

Anything that doesnt allow atv or motorcycles to our area is not needed, theres plenty of hiking trails

If ecosystem is rare how can one justify development of sports fields? I use sports fields in town.
I have concerns about the types of chemicals and fertilizers that might be used on a sports field/lawn

Yea, dont trash the enviornment. Inspire people!

Yes, I have concerns about more walking trails with benches when we have enough of those

No motorized vehicles on paths or amplified sound. Keep wild for wildlife.

Too much pavement

No

safety and policing efforts. Trees are a safety risk for bad people to hide

As long as it has free parking.....

We do not need more pickleball courts or hiking trails that are the primary use.

No motorized bikes/quads.

Cleanliness and overnight oversight

I have concerns about park use for things like sports fields and concert space disturbing the surrounding residential
Off road vehicle use.

Homeless encampments

Equine riders / bicycles/ walkers

Horse trail access and horse trailer parking

If non motorized bikes are allowed my concern is how dangerous and sometimes rude bikers are going too fast

bike paths, they should be separate from walking paths

Non motorized!

just want to make sure that any potential impacts to habitats are either avoided or mitigated.

Prefer something serene and more quiet this is along a neighborhood, we are used to having piece and quiet forest

No motorized vehicles on trails other than disabled carts

I love riding horses on these trails. Please consider our equestrian community, trail access & trailer parking.

fo not want drones or other noisy activities.

No motorized vehicles

No

that it would be used as a hangout spot for smoking/drinking/ homeless sleeping. Preferably family friendly

no boom boxes please. no camping!
No motorized bicycles

just concerned about safety and will this be a hangout for homeless folk

Electric bikes I believe add a hazard to trails

Motorcycles are too noisy and disturb the peace. Please, no off-road motorcycles in the new park.

No

Off leash dogs

Dog Approved
Bike paths should be separate from walking paths if possible for safety and to embrace e-bikes

No

THERE WOULD BE NO WAY TO KEEP MOTORIZED BIKES FROM USING THESE TRAILS AND THIS WOULD
littering

Concerns that these trails will be nothing new to what we have all over the area. We have a childrens park, we
have unlimited walking trails, we have areas for performances and concerts ALL OVER the town. We are lucky to

Minimize paved surfaces

It being shut off for walking trails.

Yes, no sports fields or complexes, only nature trails and community event space. The event space must also be

Yes, nothing too intensive like the sports fields question above

Yes, degradation of the area, loss of natural habitat, etc. Trash like the problems seen on the coastal trail, etc.

No off road or loud vehicles.

We need something for kids and adult to enjoy sports and outdoor related activities thats not on school district

This town doesn't need more walking trails. However, if the sports complex was built, then there could still be trails and parking with ada availability there.

Traffic and noise from concerts

I'm worried about opening our drug use and drinking and offleash dogs

No

Help youth sports!!

Homeless/drugs

No

Hurting any existing trees

There are few opportunities for development of sports and recreational facilities in our community. While the pygmy and cypress forest types are are unique, it would be great to develop already disturbed areas for use for further

I am glad to see that a dog park isn't one of the options. I don't think we don't need another dog park.

No

Versatile sports complex Dynamic in its ability to hold hold a variety of large scale sporting events

Indoor baseball/softball field

No I think this is so needed for the community

See above. This survey is meaningless. as people can only answer: if they would use it, or not, or this does not apply to me/indifferent.

No more golf course, tennis courts or "outdoor education facilities". We have enough already. This should be

Electric bikes

Electric bikes and motorcycles

The preservation of the forest while giving access should be number one.

Using the space for local residence enhancement and not to attract more tourists

No

It not being well maintained. Homeless and drugs

For the kids!!!

I am concerned about the environmentally sensitive areas of this property being developed

no. All the ideas are great.

No, this sounds AMAZING!!!

Security

Keep the area mostly natural

No concerns just excitement for future

Motorized bikes/motorcycles

no

It would be disappointing if it was used for only hiking/walking/biking trails. Youth sports are struggling for practice

We have many walking trails and sports fields our youth needs somewhere to ride their atvs and dirtbikes

There are already so many trails around the area I think focusing on other facilities makes the most sense like Absolutely. Developing this property beyond passive recreation would be extremely challenging due to the extent of the sensitive habitats. Bikes would erode the nutrient-poor soils.

Unleashed dogs and motorized vehicles

Would the forests longevity be effected by the new park amenities?

no

How often do you anticipate visiting this park? What is your age range?
 ¿Con qué frecuencia espera visitar este parque? ¿Cual es tu rango de edad?

Do you have an idea of a special name to call this new and unique park?
¿Tiene alguna idea de un nombre especial para ponerle a este nuevo y único parque?

Ask the Pomo people
Noyo Park

THE ARK something that affords protection and safety)

People's Park, Mendocino Cypress Family Park,
Cypress Forest Park
honor the Pomo somehow

Emerald Grove Park
Pygmy Park

A name that reflects its heritage and flora.

Cypress Forest, Pygmy Park

Give it a name suggested by one of the Tribes

Noyo River Park
Ask the Pomo.
Pygmy Park

Mendo Coast Pigmy Grove

Pygmy Park

Natural Area should be included in name.

Cypress Park

Kahu (protector, overseer, guide)

Please consider collaborating with Tribes on choosing a name.

Cypress Grove Park

Lost Forest

Saw dust

Little Foots Adventures

Mendocino Cypress Forest Park

Jerry Melo Park

No

Noyo Forest Park or whatever the word for 'forest' is in the Pomo language

Fort Bragg sports complex and community facilities.

Bark Dump Flats

Outdoor Pygmy Playground

Pygmy Park

Pomo Playgrounds. Noyo Sports Complex.

Jerry melo

Something that gives tribute to the local natives in the area. Possibly even a name in the Pomo language.

A name that combines our community and cultures in our area

Coastal bike park
Community Forest

Its the bark dump on the noyo side and the saw dust pile on the hwy 20 side

Cypress Park. However you will probably give it some un-pronouncable pomo name to be politically correct.
Salamander park
pygmy
Something anti racist!
Yes!!! Fort Bragg ORV Park!!!

We
Honor indigenous peoples.

Not yet

Folly, Grants wont be here for much longer. It cant pay its on way.
Motorized track for atvs and motorcycles.
Cypress Forest Park ?

Fort Bragg Nature Park

Pomo Park

Highway 20 Park

I defer to our Pomo & Yuki neighbors, if they have a desired name. I can learn any name.

Like name you are already using.

Pygmy Park, Liberty Park

Cocoon Park

Coastal Redwood Commons, Cypress Grove Community Park, Fort Bragg Forestlands Park, Fort Bragg

keeping it original, mendocino cypress sounds nice

Lumber land.

not spanish, not native american.

Rob Sholars memorial park

Please choose an appropriate Pomo name

The Peoples Park

Magic Woods

Cypress Park

Saw dust

Community Land Trust Park

Water care park

Bailey Blunt state park or Khadijah Britton state park

USE A TRADITIONAL NATIVE AMERICAN NAME

Pygmy Park

Pygmy Cypress Park

Saw dust

Something after the Sholars (e.g., Teresa) like Sholars Bog in the area

Rex Gressett Community Forest

The golf club

Pygmy Park

Pygmy Park

Pygmy Park

Pomo community park

Fort Bragg Baseball Softball Complex.

Pygmy palace

Ocean's Park

Forever forest and play
Gravel pit

Hideaway Park
Hideaway Park

Mendocino Cypress Recreational Park

Fort Bragg Regional Sports Complex

Coho community recreational park(Ccrp)

Something to do with the forest

Pygmy Park

Pygmy Community Park

Noyo Pygmy Forest

Summer Park

Cypress Forest Park

Noyo outdoor recreation pavilion

Something inspired by the special nature found there or native peoples

Home of the Redwoods

Something from the Pomo language

Bark dumps

something with the Pomo in mind

Perhaps give it a native name after consulting local tribes

Fort Bragg Nature Park

Fallen eagle park

It'll probably be referred to as the Summer's Lane Park by default...might as well roll with it. Summer's Lane Forest

Ask the Pomo!

The sticks Orv park

North Coast Sports Complex

Something related to the special landscape/environment

Pygmy Park

Pygmy picnistry?

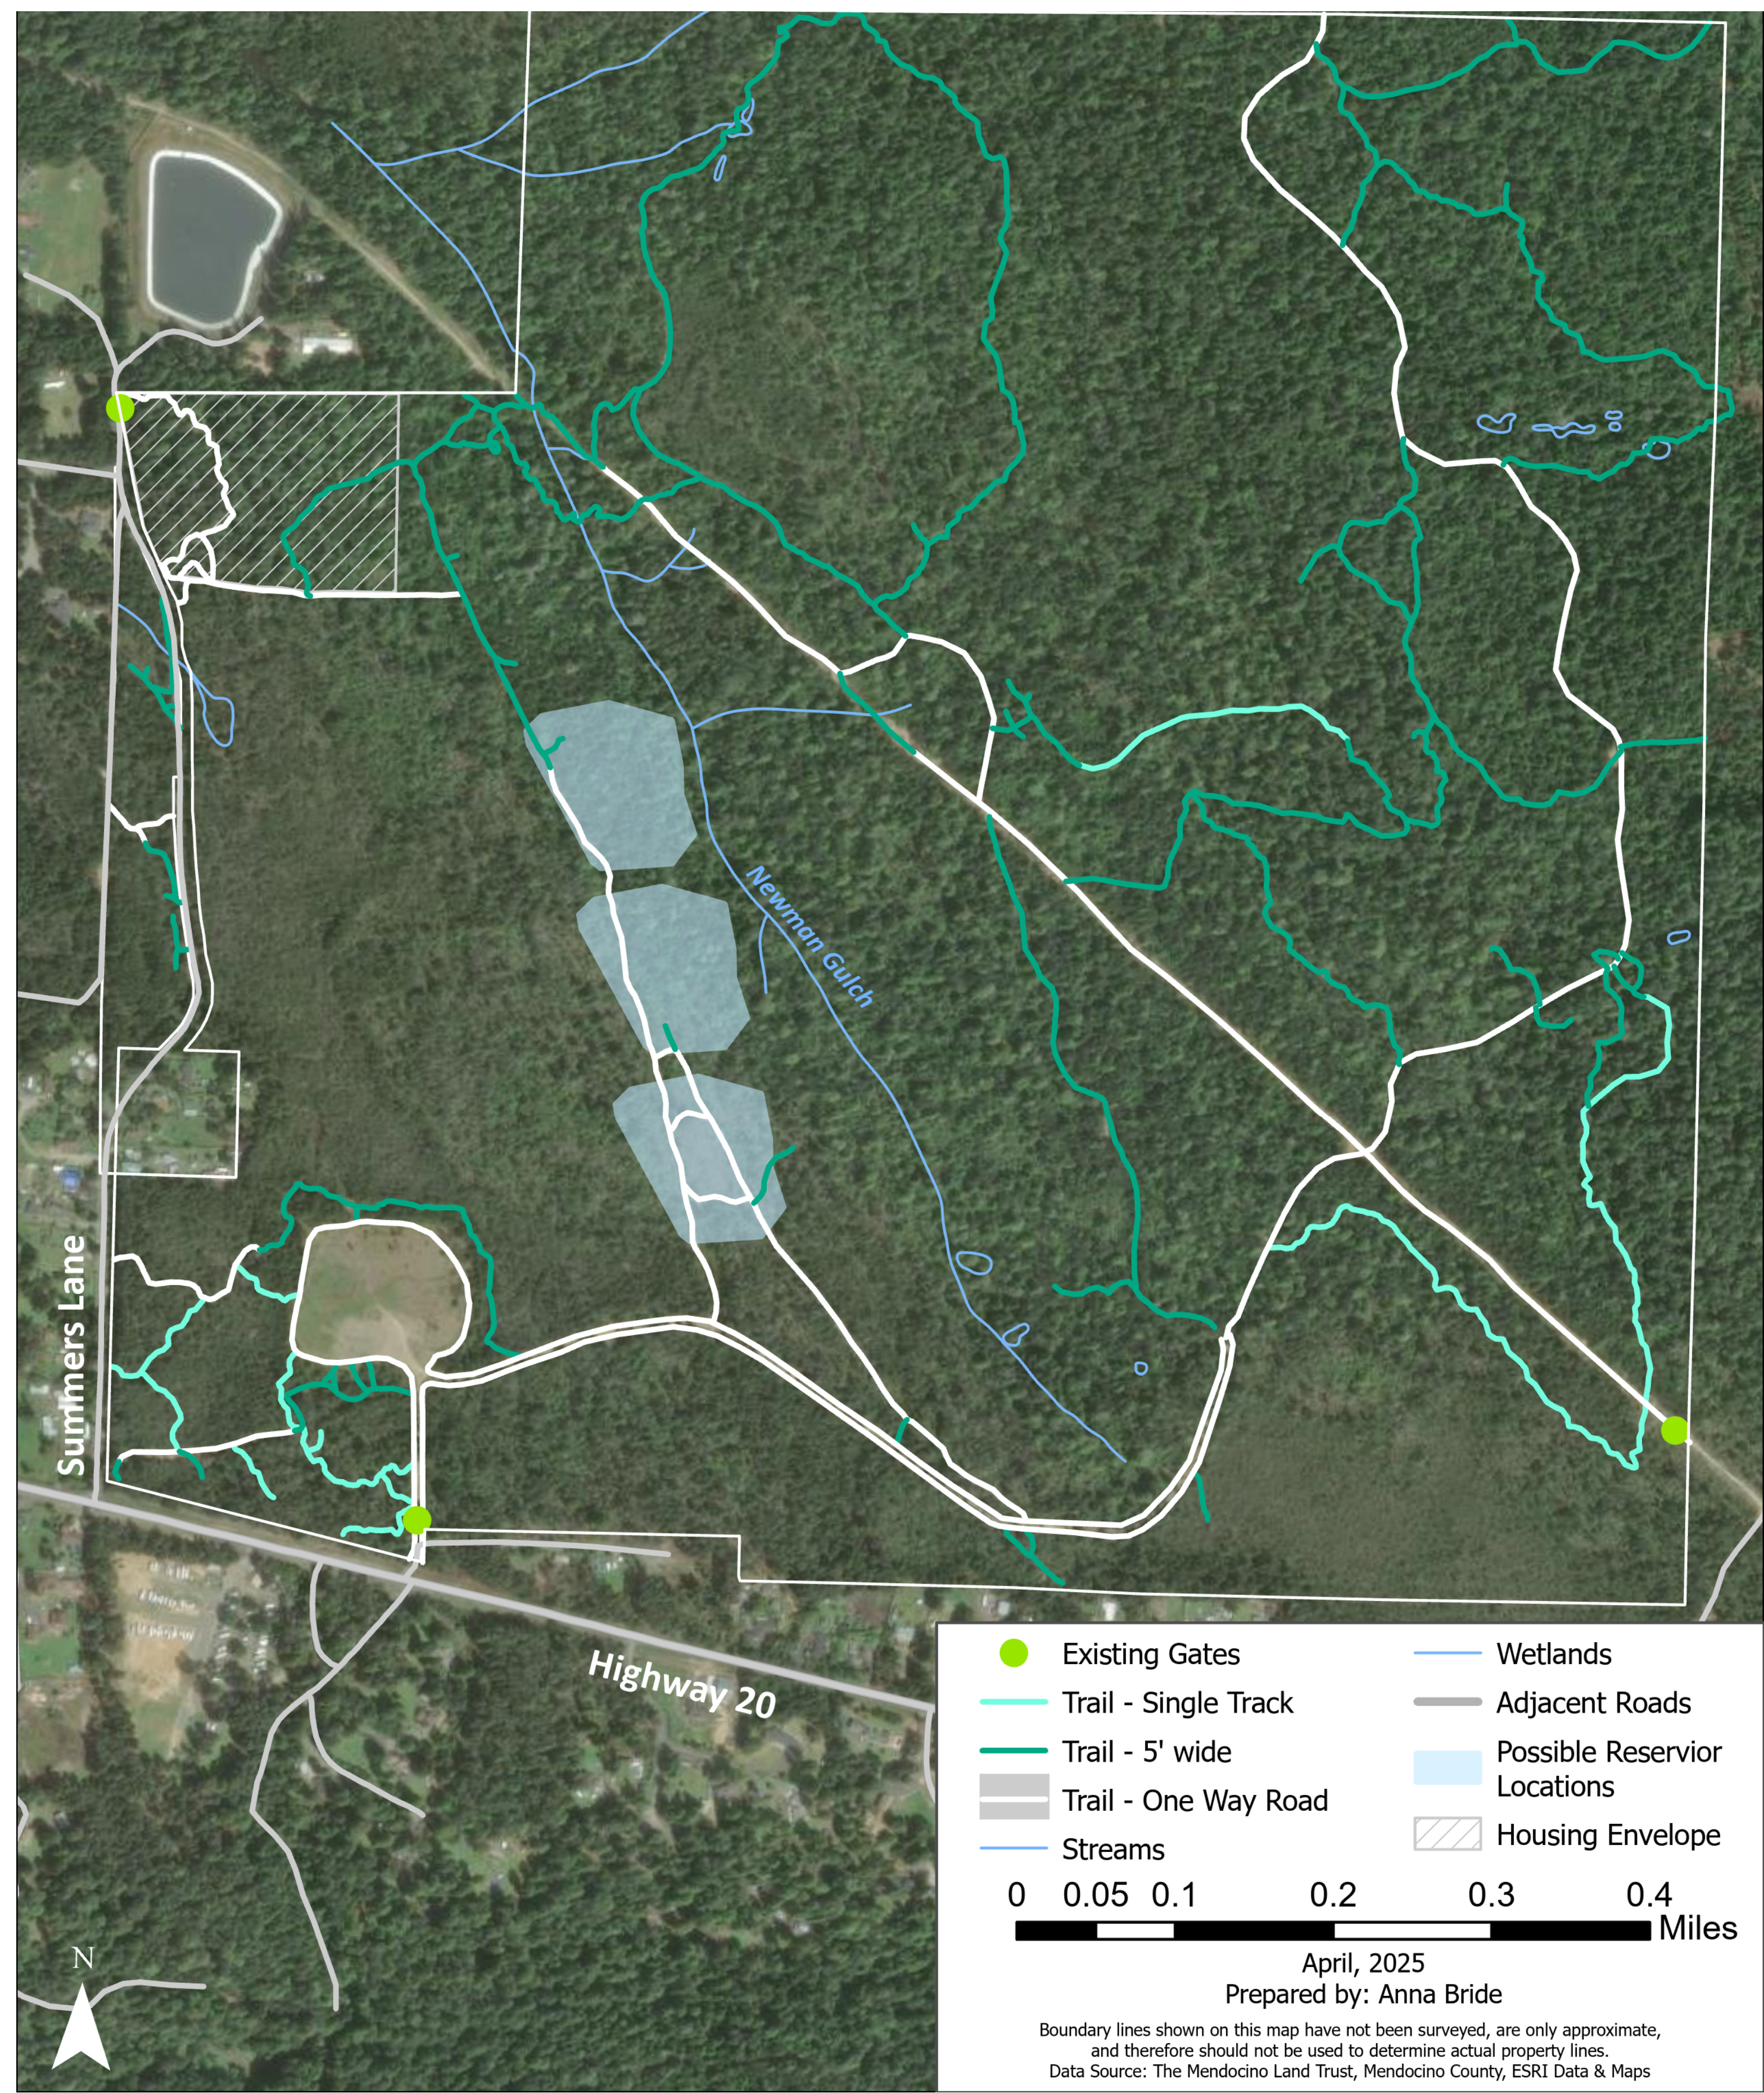

JERE MELO FOREST PARK

Existing Site Conditions

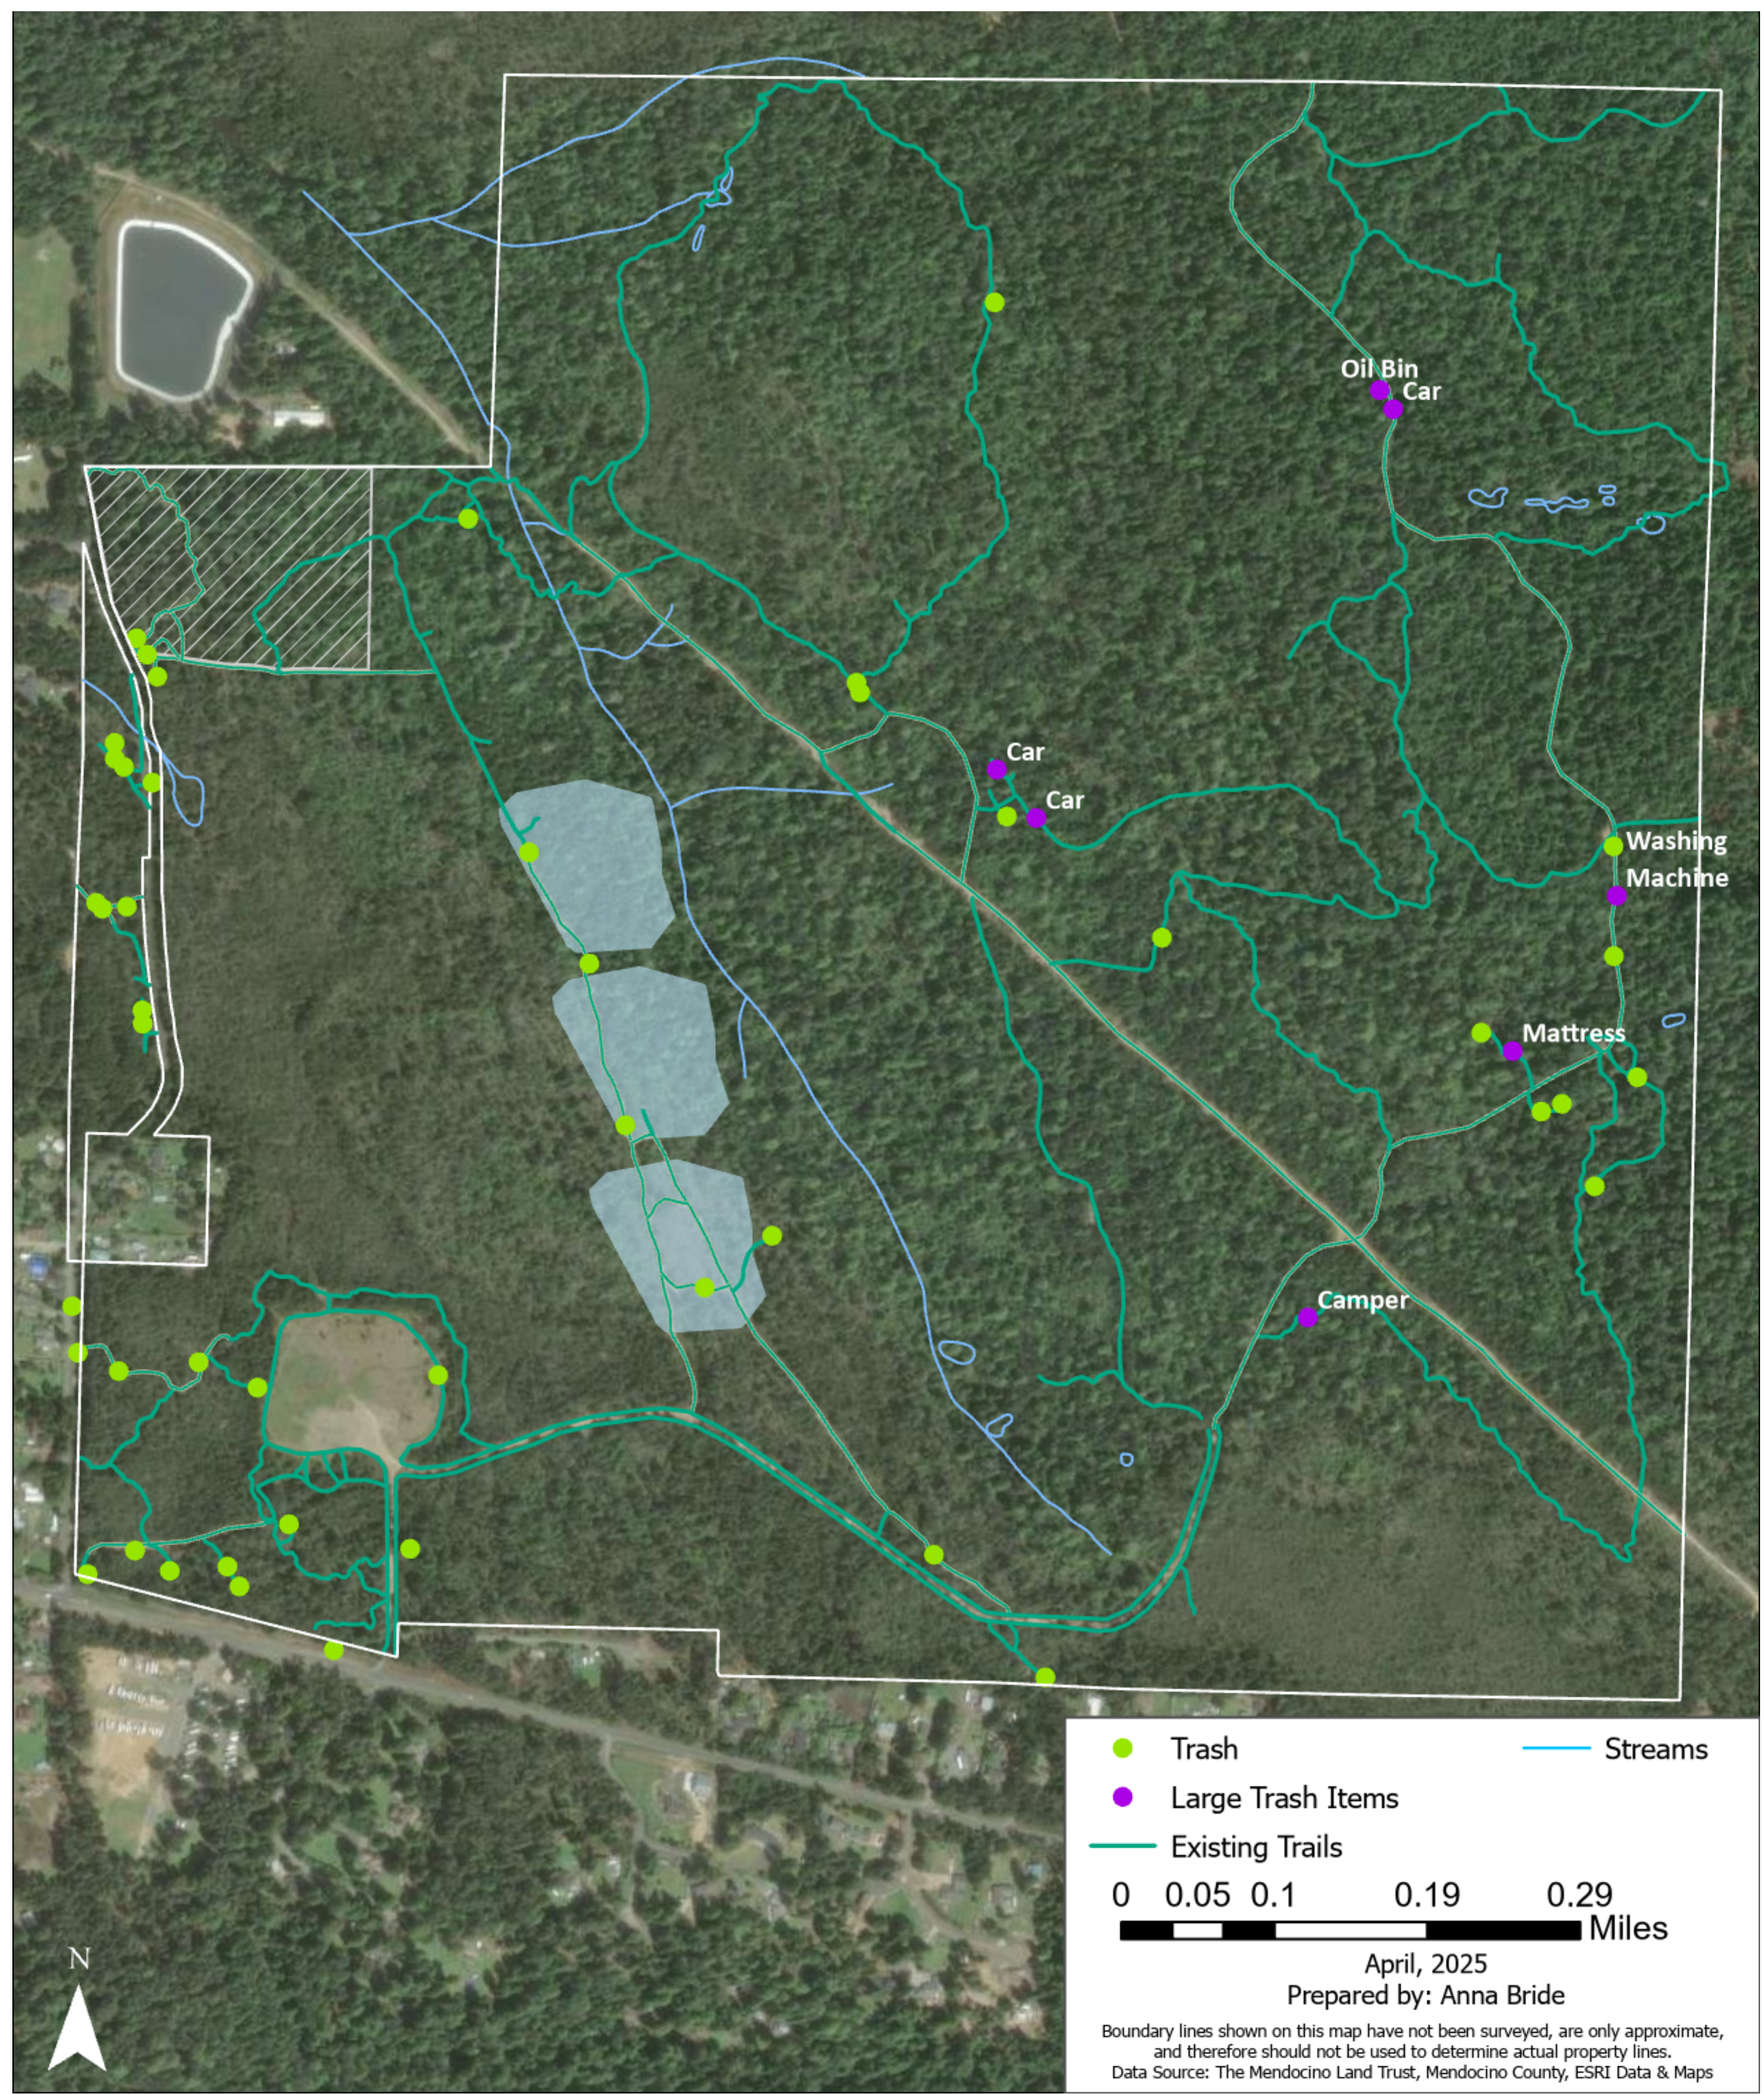

MENDOCINO LAND TRUST

General Property Inventory

Trash & Dumping Sites

Possible Hiking Trail Routes

MENDOCINO LAND TRUST

Mendocino Cypress Forest Park Community Survey Results

The City of Fort Bragg widely circulated a survey over 3 weeks to gather preliminary programming interest for the property, and received 323 responses.

Which of the following facilities would you like to see at the new park?

Hiking Trails

Paved Walking / Jogging Trails

Pavilion / Gazebo Space for Gatherings

Event Space for Performances

Interpretive Nature Signage

Athletic Fields

Outdoor Education Space

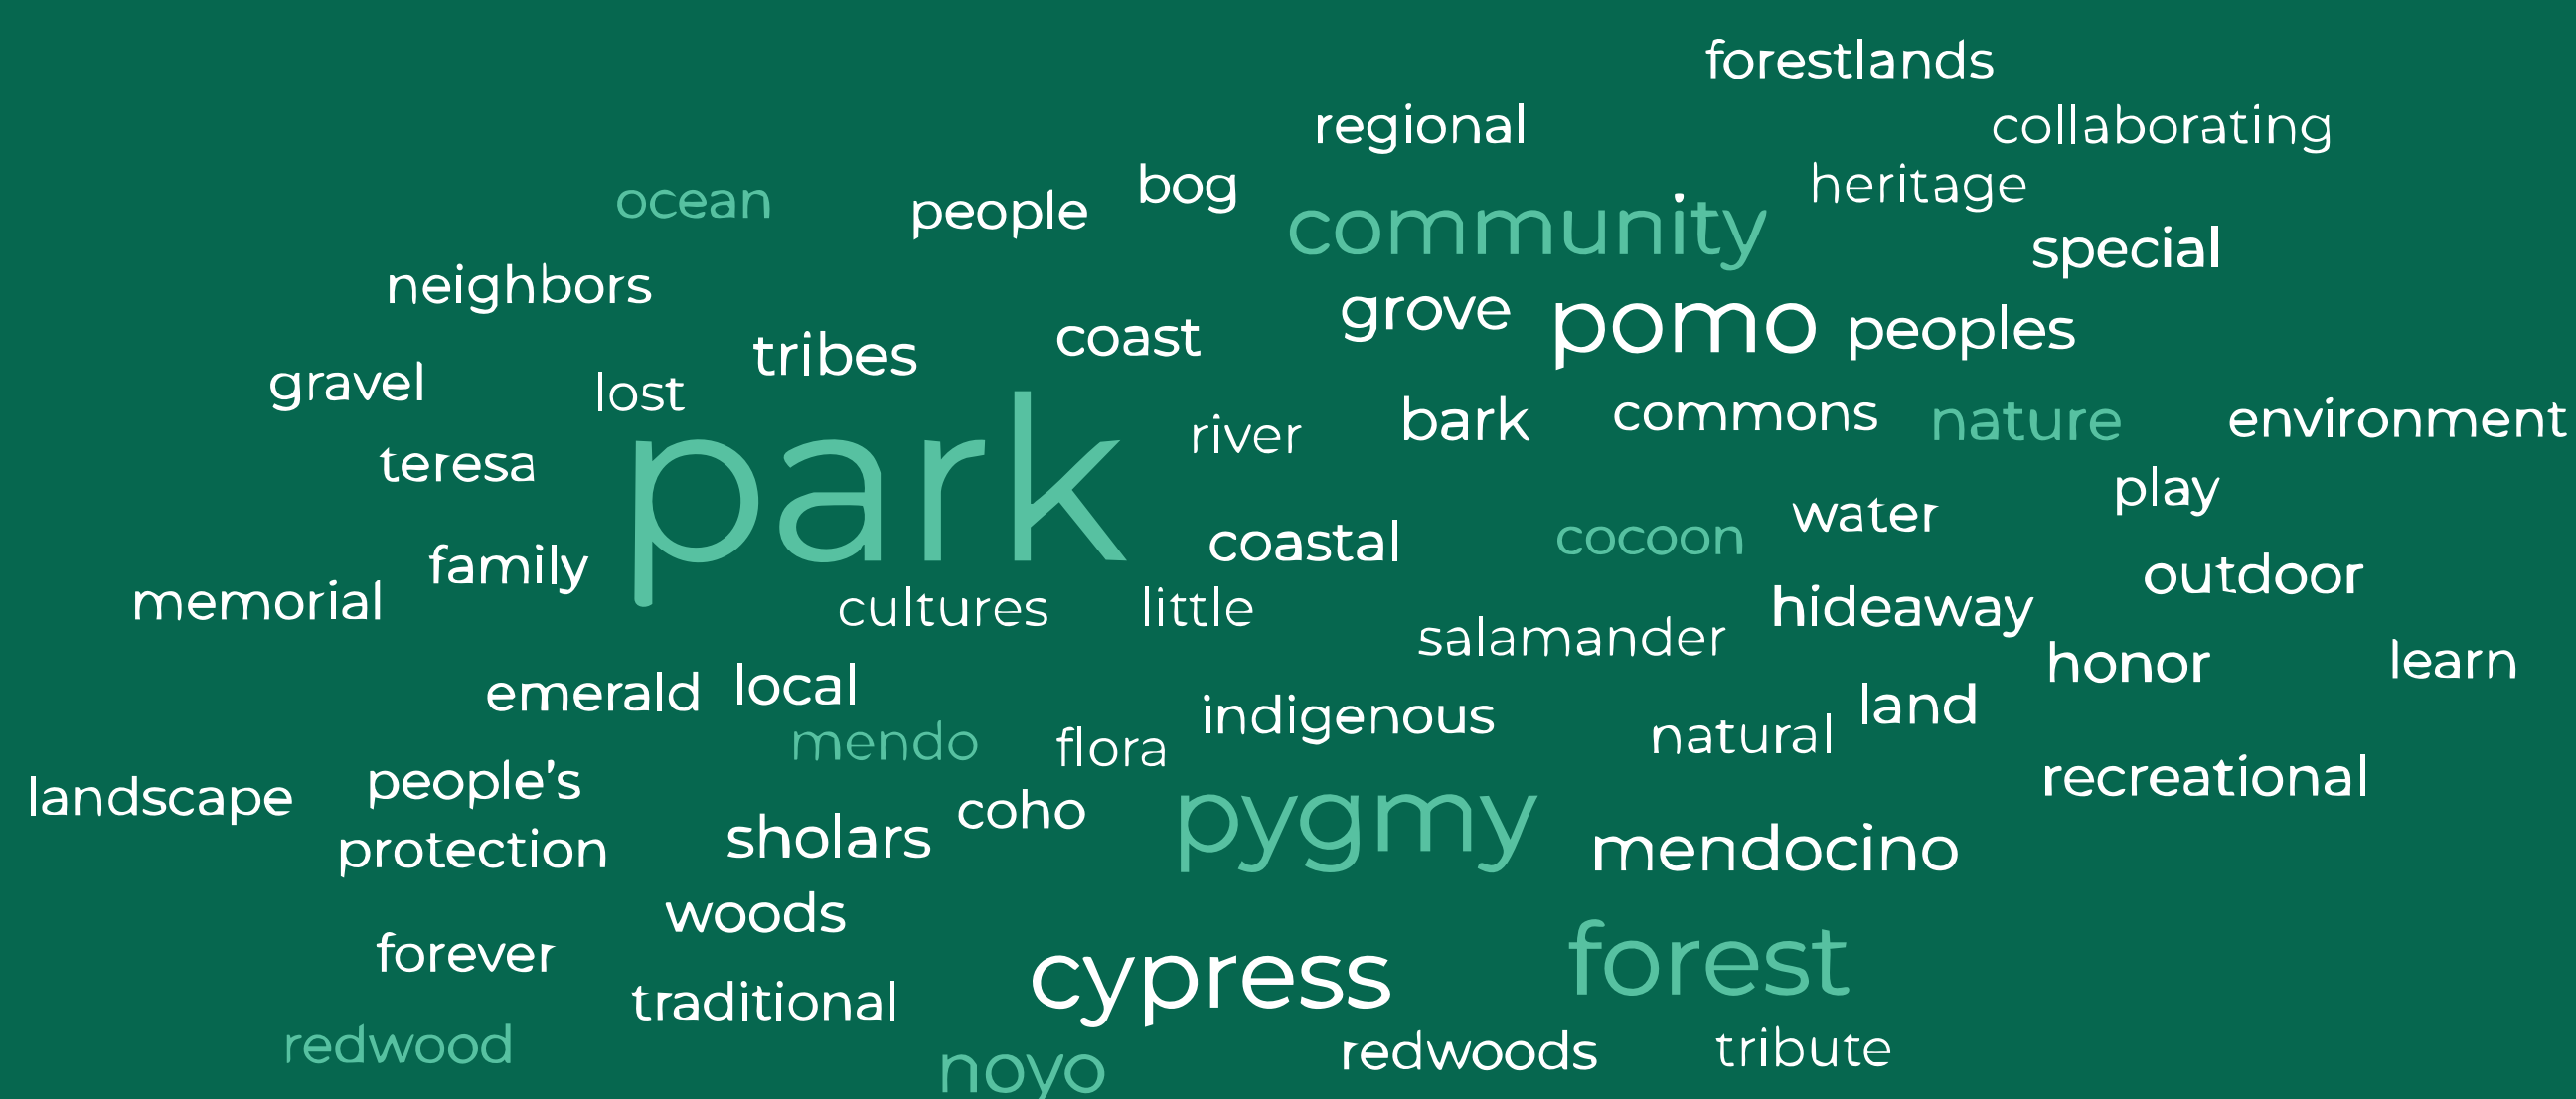

ADA Accessible Trails

Playground
