Subject: Additional Grants Givent o Hospitality House this year attached
Attachments: Mendocino Coast Hospitality Center, HHSA Employment Family Assistance Services, \$50,000.pdf; Mendocino Coast Hospitality Center, HHSA Adult Services, \$105,039.pdf

Good Morning Marie,

Here are two additional contracts the Hospitality Center has with the County of Mendocino. One for 105,039 to operate the House, provide motel vouchers, capacity build, provide emergency shelter,etc and one for 50,000 to pay for Cal Works employees in a work training program. The 105,039 does have a minimal report on it for the month of July. I have requested more documents from the County and am waiting for them to arrive.

Please add this information to the other grants and put it in the packet for the hearing so that the City Council Members can look it over.

Thank you very much. I have also collected several 990's that have been filed regarding their financials. I will forward them for the packet as well.

Have a lovely day,
Anne Marie
