C. Findings for Use Permit or Minor Use Permit approval. The approval of a Use Permit or Minor Use Permit for a project within a commercial district shall require that the review authority first make the following findings for the zoning district applicable to the site, in addition to the findings required by Section [17.71.060](#) (Use Permit and Minor Use Permit).

1. **CN (Neighborhood Commercial) district.** The use is designed and intended to serve the local neighborhood ~~and not a broader service area, and is not of a size as to require a clientele larger than the neighborhood market area.~~
2. **CO (Office Commercial) district.** The use acts to support primary uses in the zone, or clients or visitors of allowable permitted uses.
3. **CBD (Central Business District) district.** The use complements the intense, pedestrian and regionally oriented shopping areas of the CBD, and will not detract physically from the basically pedestrian nature of the CBD.
4. **CG (General Commercial) district.** ~~No additional findings required.~~
 - a. ~~The use is generally oriented to clients arriving by auto rather than pedestrians;~~
 - b. ~~The uses generally require larger display and/or storage areas; and~~
 - c. ~~The use is not dependent on heavy customer traffic per square foot.~~
5. **CH (Highway and Visitor Commercial) district.**
 - a. Secondary uses oriented to local clientele may be permitted where the primary use of a site is oriented to or serves visitor, regional, or transient traffic;
 - b. Secondary uses may be allowed where primary uses are precluded because of environmental concerns or other site specific problems.; ~~or if they are~~
 - c. ~~The use is generally vehicular-oriented unless~~ part of a ~~larger mixed-use~~ visitor-oriented complex.
