None.

3. CONDUCT OF BUSINESS

3A. 25-23

Discussion Regarding Update on School Resource Officer (SRO) and Mendocino Major Crimes Task Force (MMCTF) Special Assignments

Chief Cervenka commenced the item by providing an update on the School Resource Officer (SRO) position. He mentions that the SRO will be returning to the schools early March of this year and will complete the remainder of the school year. Chief Cervenka went on to inform the public that the current SRO does not want to continue in the assignment for the next school year therefore, Police Department has begun the process to fill the position.

Acting Chair Peters questioned Chief Cervenka if there was any incentive to get an officer to apply for the SRO position. Chief Cervenka responds that the biggest benefit is the schedule because, it works great if you have school age children since the SRO schedule aligns to the schools' schedule.

Since his arrival, it has always been a desire for Chief Cervenka to have an officer assigned to the Mendocino Major Crimes Task Force (MMCTF). Due to staffing, interest, and overtime it has not been possible to complete this. With the Department almost being fully staffed this may be possible to achieve in the near future.

Acting Chair Peters makes a remark in terms of Asset Forfeiture and its advantages if an Officer is assigned to MMCTF, and how the City would benefit from it. Chief Cervenka continues to

clarify that under the current MOU with the County if there is an officer assigned to the Task Force the Police Department would have a 12% share of asset forfeiture rather than a 6% share.

Councilmember Hockett states that he would like to see the Task Force Special Assignment position filled.

Public Comments made from: Cameron McFadden Jenny Shattuck Chelsea McFadden

3B. <u>25-24</u> Noyo Bridge Suicide Prevention Measures Update

Chief Cervenka began by stating that Caltrans will be conducting important changes to the Noyo Bridge in phases. Phase one will be installing signs with Redwood Crisis Services response line. Phase two will be installing cameras on the bridge. The final phase will be adding either a fence or net which will likely take a few years to install.

No public comments made.

3C. <u>25-25</u> Discussion Regarding Blue Envelope Program

Captain O'Neal introduced the agenda item by providing what Blue Envelope Program is and how it works. Captain O'Neal continues to states that by implementing this program it will assist the officers more when responding to a call to someone who has a Blue Envelope. He ends by stating he is excited and feels like this will benefit the community as well as the Police Department.
