This map was prepared by me or under my direction and is based upon a field survey in conformance with the requirements of the Subdivision Map Act and local ordinance at the request of Tom Pryor in September of 2014. I hereby state that this Parcel Map substantially conforms to the approved, or conditionally approved, tentative map, if any. I further state that all monuments are of the character and occupy the positions indicated and that said monuments are sufficient to enable the survey to be retraced.

I, Forrest N. Francis, hereby state that all survey work required in the preparation of this map and related monumentation was performed to a minimum accuracy of 1/5000.

City Surveyor's Engineer's Statement

I have examined this map; the subdivision as shown is substantially the same as it appeared on the tentative map and any approved alterations thereof; all provisions of Chapter 2, Division 2, of the Subdivision Map Act and any local ordinances applicable at the time of approval of the tentative map have been complied with; I am satisfied the map is technically correct.
