APPROVAL OF MINUTES

PUBLIC COMMENTS ON NON-AGENDA ITEMS

CONDUCT OF BUSINESS

1. [15-242](#) Continue Discussion Regarding Updated Purchasing Ordinance, Informal Bidding Procedures Ordinance, and Resolution Reconfirming Election to Become Subject to the Uniform Construction Cost Accounting Procedures and Make Recommendation to City Council

Committee members briefly reviewed the attachments included in the agenda packet. The following suggestions were made:

- The purchasing ordinance and informal bidding ordinance should be forwarded to the City Attorney's office for review.
- The Attorney can check for internal inconsistencies, cross-references, and see if there are other terms that need to be defined.
- The purchasing ordinance (proposed Section 3.20.030) may need to include an "exception" that addresses the informal bidding procedures.
- When the ordinances are brought forward for Council consideration, the staff report should include a summary of the history of the update process.
- The City Clerk's initials should be taken off the front of the ordinance if it has been significantly changed since her last review.

Consensus of Committee was that, after review by the City Attorney, the two ordinances should be forwarded to the City Council with a recommendation from the Committee for adoption.
