RE: February 8, 2017 Meeting

Thank you for the planning going into the improvements at Bainbridge Park. As a neighbor of the park I would like to share my input for the design and development of the improvements.

Agenda item 3A, attachment 2, fence options, I would like to encourage you to go with the Metal-nearly match existing, full extent option. I hope that the committee will not fall for the trap of the cheap price tag of the split rail fencing.

In regards to item 3A, attachment 3. Pavillion, I am in support of the 45' x 24' Redwood kit.

Thank you for your time,

Gina Cline
