

# Sonoma Clean Power Presentation

Fort Bragg City Council Meeting 3/13/17

## Learn About Your New Electricity Provider

Effective June 2017, Sonoma Clean Power (SCP) will begin to serve customers in Mendocino County. Join us for a presentation to learn about our services, your options and more:

**Monday, March 13th**

Fort Bragg City Council Meeting

(SCP presentation time to be determined by Agenda)

363 N. Main Street, Fort Bragg

[www.sonomacleanpower.org/mendocino](http://www.sonomacleanpower.org/mendocino)  
1 (855) 202-2139

Local. Renewable. Ours.

**We look forward to serving you!**

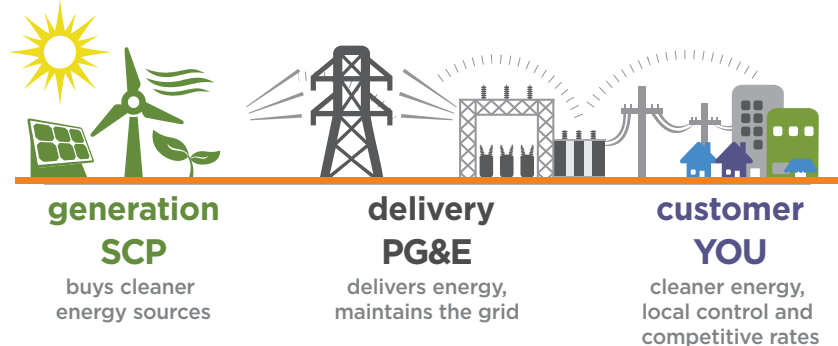

# Sonoma Clean Power

Serving Mendocino County starting June 2017

## Informational Meeting

Sonoma Clean Power (SCP) is the official electricity provider for Sonoma and Mendocino counties. We provide the option of using cleaner electricity at competitive rates from sources like solar, wind, geothermal and hydropower. SCP is a not-for-profit public agency, independently run by the participating cities, including Fort Bragg, Point Arena, Willits, and the County of Mendocino.

Please join us for a public meeting to learn more about our services, your options, and the timeline for SCP beginning to serve Mendocino County.

For a complete list of public meetings in your area, please refer to [sonomacleanpower.org/events](http://sonomacleanpower.org/events). You may also email us at [info@sonomacleanpower.org](mailto:info@sonomacleanpower.org) or call us at 1 (855) 202-2139.

Local. Renewable. Ours.
