

RESOLUTION NO. ____-2017

RESOLUTION OF THE FORT BRAGG CITY COUNCIL ADOPTING A REVISED FEE SCHEDULE FOR DRAINAGE FEES

WHEREAS, the Fort Bragg City Council finds it appropriate to charge fees for storm drainage improvements provided by the City; and

WHEREAS, the City maintains a comprehensive "Consolidated Fee Schedule" to provide members of the public and City staff with a convenient method for determining fees and charges that apply to certain City services; and

WHEREAS, included in the Consolidated Fee Schedule is a list of fees for storm drainage; and

WHEREAS, the City has conducted an analysis of the storm drainage costs reasonably incurred in providing these improvements and the revenues produced by those paying drainage fees; and

WHEREAS, based on all the evidence presented at the time of the City Council meeting on this matter, the City Council finds as follows:

1. The fees collected for providing storm drainage improvements are not a source of additional general fund revenues nor are they a "special tax" as described in California Government Code section 50076; and
2. Modifications to the current fees, as identified in Exhibit "A," have been reviewed and are found to not exceed the estimated reasonable cost of providing the services for which the fees are levied.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Fort Bragg does hereby adopt the fees as shown on Exhibit "A," attached, showing the fees to be charged for the purposes described therein; and

BE IT FURTHER RESOLVED that the City Council of the City of Fort Bragg does hereby direct the City Clerk to make a notation of the above policy on the 2017 Fee Schedule.

The above and foregoing Resolution was introduced by Council Member _____, seconded by Council Member _____, and passed and adopted at a regular meeting of the City Council of the City of Fort Bragg held on the 22nd day of May, 2017, by the following vote:
