Subject: County Contract for Emergency Shelter \$105039
Attachments: Mendocino Coast Hospitality Center \$105039 AS 16-17.pdf

I am searching for information on funding for the Hospitality House and terms. This contract is from the county. They get an additional \$ 1,000 a month from Redwood Community Services for a bed for a mental health client. I will forward that to you as well. Please add this info to the Appeal packet as I send it as I believe it is pertinent to this agreement.

Have you gotten a financial report from them yet? Perhaps information on all grant funding and program promises made for the money they've received could also be requested? I have asked for a list of grants from the county of mendocino but have yet to receive the information.

Funding and program promises are very important.

I have found that they receive funds to operate a "Resource Center" and a "Wellness Center". Historically the Resource Center also served as a day shelter for clients as the prior organization who ran this program leveraged those funds to provide a day shelter.

Please forward a list of all the grants that have been given to MCHC by the City of Fort Bragg in the last 15 years. I would like to point out how much help the community has given them and what they promised to do. Final reports would be great to so that outcome measurement is possible.

I will send you the information I have on grants as it comes in. Thank you for your time and consideration.
I appreciate your hard work.
Anne Marie
