

# NOYO HARBOR COMMISSION

## APPLICATION FOR APPOINTMENT

### INFORMATION:

The Noyo Harbor Commission, consisting of five members, is the governing body of the Noyo Harbor District; a special public district and political subdivision of the State of California organized under §6200, et seq. of the California Harbors and Navigation Code. The Commission has the ultimate authority of and directs all phases of operations of the Noyo Mooring Basin at Noyo Harbor; plans for the future use and development of Harbor District property and facilities; represents the Noyo Harbor District in contacts with Federal, State, County, City and other public and private agencies; supervises the preparation of and adopts the annual budget. The Commissioners are not compensated for their service to the Harbor District. The Commission meets regularly on the second Thursday of the month.

### INSTRUCTIONS:

Please provide the information requested and any additional information you feel would be useful to the City Council in making their selection.

NAME: Douglas Paul Albin

RESIDENT ADDRESS: [REDACTED]

MAILING ADDRESS: Same

HOME PHONE: [REDACTED]

CELL PHONE: [REDACTED]

BUSINESS ADDRESS: None

OCCUPATION: Retired Fisheries Scientist

E-MAIL ADDRESS: [REDACTED]

### Brief statement:

1. Why are you interested in serving as one of the two City of Fort Bragg representatives on the Noyo Harbor District Board?

I love Noyo Harbor for 1) the mix of businesses and people it brings, 2) the ambience of just being there by the water, and 3) access to ocean fishing! However it has pained me to witness the difficulties the Harbor has gone through over past years. I believe my skills, including my experience with government grants, permits and environmental impact documents, can help improve Harbor function and infrastructure. I want to help create more jobs, more revenue, and restore marine vessel services needed by our commercial and sport fishing industries.

2. List property owned, businesses owned or other financial interest you may have in the Noyo Harbor District area.

Principal residence at [REDACTED] Residential rental property at [REDACTED]

NOTE: If appointed, commissioners are required to complete Fair Political Practices Commission (FPPC) financial disclosure forms.

**COMPLETED APPLICATIONS SHOULD BE RETURNED BY 5:00 PM, October 12, 2018 TO:**

June Lemos, CMC, City Clerk  
CITY OF FORT BRAGG  
416 North Franklin Street  
Fort Bragg, California 95437

**RECEIVED**

OCT 03 2018

CITY OF FORT BRAGG  
CITY CLERK

## Douglas P. Albin

### Education

M.S. Fisheries, Humboldt State University, Arcata CA, 1978

A.B. Zoology, University of California, Berkeley CA, 1972

### Experience

3/03 – 12/13 (full time)

Staff Environmental Scientist

Calif. Department of Fish and Game

32330 North Harbor Drive.

Fort Bragg CA 95437

*Watershed and stream restoration of coastal anadromous salmonid habitat.* Watershed planning for instream and upslope improvement projects. Compile and analyze watershed data on past and present geology, vegetation, land use, fish habitat quality, and fish distribution. Determine most cost-effective restoration projects. Promote critical projects to landowners and consultants. Manage restoration project grants. Lead stream habitat assessment crews. Sample fish species composition in stream and estuarine habitats.

4/98 - 3/03 (full time)

Associate Biologist (Marine/Fisheries)

Calif. Department of Fish and Game

1031A South Main St.

Fort Bragg CA 95437

*Contract manager for DFG Fisheries Restoration Grants Program.*

Promote critical projects to landowners and consultants. Administer

restoration project grant contracts. Lead stream habitat assessment crews.

Prepare streambed alteration agreements for grant projects.

7/91 - 4/98 (full time)

Marine Biologist

Calif. Department of Fish and Game

19160 South Harbor Dr.

Fort Bragg CA 95437

*Management of northern California marine nearshore reef fish (lingcod, rockfish).* Collect and analyze fishery data from creel census and field tag and recapture programs. Develop fishery management recommendations. Prepare and edit project reports and newsletters. Develop reef fish study field sampling protocols. Create and manage relational databases. Direct field technicians. Prepare CEQA documents for fishing regulations and marine reserves.

1/91 - 6/91 (part time)

Instructor

College of the Redwoods

1211 Del Mar Dr.

Fort Bragg CA 95437

*Fishery biology instruction.* Develop and instruct new course on California's marine and anadromous fishes. Focus on locally important species including coho salmon, steelhead and rockfish. Instruct laboratory and field techniques including scale and otolith aging, electrofishing, stream flow, and stream habitat evaluation.

10/84 - 10/90 (full time)

Environmental Specialist IV

Division of Water Rights

State Water Resources Control Board

901 P St.

Sacramento CA 95814

*Environmental assessment of water diversions, specializing on instream flow needs of fish.* Serve as staff expert on instream flow needs. Mediate disputes among water diverters, agencies, and public. Lead public and agency meetings. Direct preparation of CEQA documents. Prepare CEQA documents and evidentiary hearing analyses. Review and comment on CEQA and FERC environmental documents. Recommend minimum instream flows and other environmental mitigations to the Board. Testify as expert witness before the Board and in court reference proceedings.

3/82 - 9/84 (full time)

Environmental Specialist III

State Water Resources Control Board

901 P St.

Sacramento CA 95814

*Environmental assessment of effects of pesticides on aquatic organisms and effects of water diversions on instream uses.* Research case studies of water pollution by pesticides. Prepare staff reports and CEQA documents on findings. Review and comment on environmental documents.

8/79 - 2/82 (full time)

Fisheries Biologist

Jones and Stokes Associates

2321 P St.

Sacramento CA 95816

*Consulting aquatic biology.* Assess effects of proposed development projects (mainly water diversions, pollutant discharges, and nonpoint source pollutants) on fisheries and water quality. Direct field technicians. Prepare fisheries and water quality sections of CEQA, NEPA and FERC documents.
