Dear Mayor Peters and Council Members:

I write regarding my support for Stacy Gibney for Noyo Harbor Commissioner. Stacy has done an excellent job filling in as the interim Commissioner for the last eight months. She is a business owner in Noyo Harbor and has also worked for the Noyo Moring Basin as a Secretary. Thus, she has a wealth of experience for the position.

As you now, the Harbor has been in a gradual state of decline for over twenty years. We finally have a Board of Commissioners who have an understanding and a vision who can collectively work together to get the Harbor turned around. I have been employed in the Harbor full time since 1986. I have witnessed the decline first-hand and this is the first time I am optimistic that there will be some positive changes for all user groups of the Noyo Harbor. I believe Ms. Gibney, given her background and experience, will be a key contributor to these positive changes, if she is allowed to stay in her position as a Commissioner.

Best regards,

Fort Bragg City Council Members

Council members,

I am writing in support of Stacey Bradley for the vacant seat on the Noyo Harbor Commission. She has completed the term vacated with Dusty Dillon passing. I have spoken with some of the commissioners and they say she takes and active part in the workings of the commission at meetings. She also worked for a year in the Harbor District office and has and understanding of what goes on there. Her and her husband also own and operate the ice dock and has a vested interest on what is happening in the harbor.

Many of the fishermen would like to see her have a full term as a commissioner.

Respectfully,

Tom Estes, the elder

Fort Bragg City Council Members

Council members,

This letter comes to you in support of applicant, Stacey Bradley for the upcoming vacant seat on the Noyo Harbor Commission. For the last 9 months she has served as Interim Commissioner for the Noyo Harbor Commission. Over this time period she has proved to be a very dedicated and integral part for the current Commission. Never less, her back ground working in the Harbor Districts office, her vested interest in the Harbor and her ability to understand the past and future needs of a sustainable working Harbor, more than qualifies her for the position. Along with being very qualified and fit for the position, she is very much respected around the Harbor Community and fishermen.

We encourage your vote for her.

I AM WRITING IN REGARD TO MY SUPPORT FOR STACY BRADLEY FOR NOYO HARBOR COMMISSIONER. STACY HAS BEEN THE INTERIM COMMISSIONER FOR THE LAST EIGHT MONTHS AND HAS DONE AN OUTSTANDING JOB. SHE HAS WORKED FOR THE NOYO MOORING BASIN AS A SECRETARY AND ALSO IS A BUSINESS OWNER IN THE HARBOR AS WELL. IN MY OPINION, SHE HAS A GREAT AMOUNT OF EXPERIENCE FOR THIS POSITION.

AS YOU HAVE SEEN, THE HARBOR HAS BEEN IN A STATE OF DECLINE FOR TWO DECADES. WE NOW HAVE A BOARD OF COMMISSIONERS WHO HAVE A VISION AND UNDERSTANDING OF THE HARBOR AND WHOM I BELIEVE CAN WORK COLLECTIVELY AND MAKE A DIFFERENCE TO GET THE HARBOR BACK ON TRACK. I COME FROM A FISHING FAMILY AND HAVE BEEN A FISHERMAN SINCE I WAS 15 AND AM OPTIMISTIC THAT MS. BRADLEY WILL BE A KEY CONTRIBUTOR TO THE POSITIVE CHANGES THIS HARBOR NEEDS, IF SHE IS ALLOWED TO KEEP HER POSITION AS COMMISSIONER.

Fort Bragg City Council and Mayor Lindy Peters

Dear Council Members,

I am writing on behalf of the vacant seat on the Noyo Harbor Commission. Please consider Stacey Bradley when voting on a replacement as she is highly qualified to fill the seat of the late Dusty Dillion. Having already worked in the Harbor District office as well as serving on the Noyo Harbor Commission in place of Mr Dillion, she has a well understanding of the operations of Noyo Harbor. I, as well as others, believe she will be a positive contributor to the improvements of Noyo Harbor.

Stacey and her husband own a business in Noyo Harbor that is directly connected to the fishing industry. That alone puts her in a position to hear and see the direct needs and concerns of the harbor and it's daily operations. Please consider all of her qualifications as well as her prior knowledge of the commission duties to become the new appointment to the Noyo Harbor Commission.

Thank You.

Sincerely,
Richard Kelley

Honorable Sirs,

I am sending this letter in support of Stacey Bradley as a commissioner for Noyo Harbor District. I have had the pleasure of working with Stacey at a number of locations on many projects and she has always impressed me as a well-spoken, intelligent and thoughtful individual. She has never been afraid to stand up for what she feels is right, even if it is not the popular opinion. She works hard to represent everyone involved. Stacey and I have attended many forums and community meetings that involve or concern the harbor. She is passionate about protecting the harbor, its businesses and most importantly, the people that depend on the harbor and its services. She thinks outside of the box and is willing to look at innovative solutions to difficult problems. Above all else, she wants to make sure that the decisions that the commission makes are fair and just to everyone involved, not just a select few.

Stacey Bradley is one of the most professional, ethical people that I have ever had the pleasure of working with. She is infinity qualified for the position and since her appointment to the Commission, she has worked tirelessly to improve the Harbor for everyone involved. She has not let special interests interfere with making decisions that are difficult but need to be made. She consistently stands up for what she believes in and brings a different and needed perspective to the commission. I have attended most of the Commission meetings over the last two years, and since Ms. Bradley has been appointed, I have heard the other commissioners state "I didn't think of that" many times. This different perspective is very important in making decisions and rulings that have lasting effects on not just the harbor community, but the surround community of Fort Bragg as well.

Stacey Bradley understands the necessity of a working waterfront and is actively working to help facilitate this. The Commission is making excellent progress and is moving in a positive direction. Changing commissioners at this stage will likely derail this progress.

I fully support Ms. Stacey Bradley as a Noyo Harbor District Commissioner and respectfully ask that you re-appoint her to the Commission.

Best Regards

Sarah Bradley

She understands the needs of the community and has worked tirelessly to make sure that the decisions made by the Commission support the best interest of the entire harbor and community.

Ms. Bradley has been an active participant in the Harbor Commission meetings for more than three years. She has also worked tirelessly to represent the Harbor at other meetings and public forums where the harbor and its residents could be affected. Ms. Bradley has never been afraid to ask the hard questions or offer a different point of view. She has made sure that all perspectives possible are considered when making any decision. Honorable Sirs,

We, the undersigned, are sending this letter in support for Stacey Bradley to continue her appointment as Harbor Commissioner for Noyo Harbor District. In the last six months, we have seen a strong commitment to making sure that the harbor is a commercially viable, environmentally sustainable and community-driven District and we credit many of these improvements to the appointment of Ms. Bradley. Ms. Bradley has shown a strong commitment to the harbor, its businesses, the people and the community as a whole. She is very well qualified to represent us, the business owners and boat owners since she is both a business owner and a boat owner of not one, but three vessels in the harbor. She understands the needs of the community and has worked tirelessly to make sure that the decisions made by the Commission support the best interest of the entire harbor, not just a special interest group. She has been an active participant in the Harbor Commission meetings for more than three years, something that none of the other candidates can claim. She has also worked tirelessly to represent the Harbor at other meetings and public forums where the harbor and its residents could be affected. Ms. Bradley has never been afraid to ask the hard questions or offer a differing point of view. She has made sure that every perspective possible is considered in making a decision, rather than just voting for the popular or easy answer. Ms. Bradley also has the unique qualification as having previously been employed by the District, giving her a perspective that none of the other candidates can claim.

While we all recognize that the decisions of the Harbor District effect the entire community, we also know that these decisions effect the businesses, residents and boat owners within the Harbor most directly. Ms. Bradley has shown that she is committed to the Harbor, creating an environment that will benefit not only the fishermen, but businesses and the community as well. She recognizes the needs of our community and has worked hard to represent us. We, the fishermen, boat owners, business owners, and employees of Harbor-based businesses hope that you will give our letter of support the weight that it is due.

We fully support Stacey Bradley and respectfully request that you appoint Ms. Bradley to the Noyo Harbor Commission.

Dear Mayor Peters and Members of the City Council:

I write in support of Stacey Bradley's appointment as a Harbor Commissioner for the Noyo Harbor District.

Stacey comes to the position of Commissioner with a balanced viewpoint of what is necessary to both maintain and continue improvement of Noyo Harbor. Having previously worked for the Harbor District, Stacey is also a Noyo Harbor business owner and fishing vessel owner. She brings experience and knowledge to the position with an understanding of what is best for the community and Noyo Harbor.

Stacey has the expertise to make decisions in the best interest of the Noyo Harbor District, the community and Noyo Harbor user groups. Stacey strives to bring sustainable practices for all user groups and maintain the integrity necessary for the continued development of the Noyo Harbor and the City of Fort Bragg.

I respectfully request that you appoint Stacey Bradley as a Harbor Commissioner for the Noyo Harbor District.

Dear Mayor Peters and Members of the City Council:

This letter is in support of electing Stacy Bradley to the Noyo Harbor Commission.

My name is Allan Droyan, for the past four years I have been working on a photographic book about the fishermen in our harbor, interviewing the men and women who are a part of the commercial fishing fleet and photographing them on their boats as they fish our coastal waters. These past four years has given me a deep appreciation for these men and women and an insight as to the working of our harbor that most Fort Bragg citizens aren't aware of. I have been attending most of the Harbor Commission meeting over those years. Stacey Bradley has always stood out as someone who is willing to ask the difficult questions when conflicting party are at odds over serious issues that affect the health of our harbor and the commercial fishermen. Being the sister of a commercial fisherman I believe gives her an intimate insight into the concerns of the women and men how's lively depend on decisions made regarding the health of the harbor.

I respectfully request that you appoint Ms. Bradley to the Noyo Harbor Commission.

Re: Stacey Bradley

Dear Mayor Peters and Members of the City Council:

I am writing to all Council members today to share information in hopes to help you with your very important decision with the Harbor Commission seat appointment.

In my time on the Noyo Harbor Commission I think the commission has evolved into a "pro get it done body". Last year we suffered a great loss with the passing of Dusty Dillion. Dusty was a visionary with many ideas for the future of our harbor. With his loss we now had to fill his seat with a new Commissioner and were pleased to see the City Council choose Stacey Bradley, a business owner within the Noyo Harbor and had been attending the Noyo Harbor Commission meetings since I have been on the Commission.

With this appointment we got a Commissioner who was already involved with Commission dealings on a regular basis.

As a public participant she offered many good comments and opinions. As a Commissioner she brings an ability to investigate things to a high degree which has been a plus in helping make important decisions.

I know the City Council has a lot on their plate, these appointments are not easy decisions and I am sure the other candidates would make good commissioners. I just wanted to point out that Stacey is doing a great job as Commissioner and is an asset to the commission.

Good luck with your decision and Thank you for taking time to read this.

Sincerely,

Bill Forkner

Dear Members of the City Council and Mayor Lindy Peters:

My name is Heather Sears and I own and operate the fishing vessel Princess and Princess Seafood Market And Deli. As a 19 year veteran of the Noyo Harbor commercial fishing community I support Stacey Bradley for continued appointment as Harbor Commissioner for Noyo Harbor District. Our Harbor and the boats and businesses who depend on it need leadership that understands the challenges and complications our fishing community is facing. Only someone with the knowledge of how our Harbor works, what our businesses need to survive and a commitment to seeing our community thrive will be able to continue the positive improvements started in the Harbor. Stacey Bradley is well qualified to represent the needs of the Harbor. Her experience as a business owner, commercial fishing boat owner and employee of the harbor make her the perfect choice to represent our harbor community . Please appoint Stacey to the Harbor Commission.

My name is Howard Makela. My wife and I own and operate Makela Boatworks. The business has been in the family, and located at the same address on South Harbor Drive, for sixty-five years.

I am writing this letter in support of Stacey Bradley for Harbor District Commissioner. She was appointed to complete Dusty Dillion's term on the Harbor District board.

Stacey is familiar with commercial fishing and the fishing related businesses that support the industry. She is well versed in the issues that affect Noyo harbor, and is aware of all stakeholders' concerns.

The present board which she is a member of is moving in a positive direction, with more energy than I have witnessed in recent years. Replacing Stacey with a new board member, in my view, would disrupt the continuity of the present board, and slow down the progress they have been making.

Re: Stacey Bradley

Dear Mayor Peters and Members of the City Council:

I am writing to support that Stacey Bradley remain in her current position of Harbor Commissioner for the Noyo Harbor District.

There have been many recent positive improvements in Noyo Harbor, which I believe are the direct result of decisions made by Stacey and the Harbor Commissioners. Stacey had been an active participant at Noyo Harbor District meetings prior to her appointment as an interim commissioner. In addition, Stacey was previously an employee of Noyo Harbor District, which gives her an additional resource for making informed decisions.

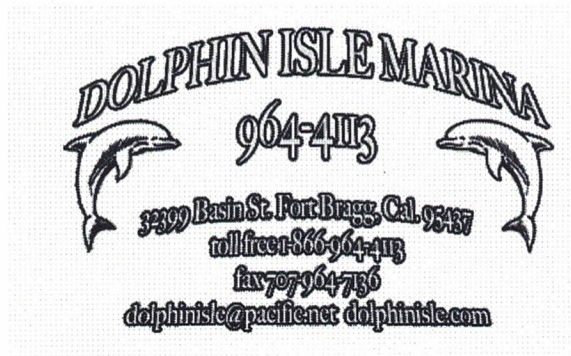

Stacey is well qualified to represent the interests of Noyo Harbor as she is the owner of both a Noyo Harbor business and fishing vessel. Stacey recognizes the importance of any Noyo Harbor District decisions and has proven her ability to work towards continued improvement of Noyo Harbor, its many user groups and our community.

I fully support Stacey Bradley and respectfully request that you appoint her to the Noyo Harbor Commission.

Sincerely,

We here at Dolphin Isle Marina, would like to give our support to Stacey Bradley in the coming harbor commission seat appointment.

We are very happy to see the recent improvements happening at the harbor. These improvements have been needed for years and it seems that we finally have a commission that really cares about the harbor, and are willing and able to get things done.

Although Stacey has not been on the commission that long, she has been a big part of the ongoing changes and her input has been critical on some of the decisions being made.

We hope you see the importance of keeping a good team together. Please help our harbor and re-seat Stacey Bradley as Harbor Commissioner.

To Mayor Peters & Council members,

I am writing this letter to support Stacey Bradley for the seat on the Noyo Harbor District Commission.

Stacey has done an outstanding job during her time as Interim Commissioner. The Commission is getting a Sustainability plan in place and has currently started parking lot, launch ramp and high dock projects.

Stacey has been a big part of this much needed harbor improvements and hopefully we are just getting started.

The Commission is on a clear path to improve the harbor and its infrastructure. I would like to see Stacey stay on this commission and help make this happen. She is a great asset to this Harbor.

Thank you,

This letter to the City Council members is in regards to the appointment of a permanent 4 year seat on the Noyo Harbor Commission which is now held as an interim position by Stacey Gibney.

I have no idea if there are other candidates being considered, so will make my personal remarks in regard to Stacey ONLY.

I know Stacey mainly from my 45 years in the commercial fishing industry and a slip holder in Noyo Harbor for 50 years., her position as assistant harbor master showed me her administrative capabilities and her dedication to the harbor district in all of its complexities and to make it a better facility for all the community to enjoy.

Stacey most certainly has the necessary qualification to function as a harbor commissioner and I believe, the integrity to execute her duties to the benefit of the harbor district and the Fort Bragg community at large.

Sincerely,
Frank Bender
