c. Notwithstanding the foregoing, to the extent this Agreement is a "construction contract" as defined by California Civil Code § 2783, as may be amended from time to time, Consultant's duty to indemnify under this provision shall not apply when to do so would be prohibited by California Civil Code § 2782, as may be amended from time to time.

g. Consultant/subcontractor's responsibility for such defense and indemnity obligations shall survive the termination or completion of this Agreement for the full period of time allowed by law.

### 13. INSURANCE

a. Before commencing performance of the Services, Consultant, at its own cost and expense, must: (1) procure "occurrence coverage" insurance of the kinds and in the amounts specified below against claims for injuries to persons or damages to property that may arise from or in connection with the performance of the Services hereunder by the Consultant or its agents, representatives, employees, or subcontractors; and (2) submit to the City certificates of insurance and endorsements evidencing insurance coverage that meets the requirements of this section. Consultant must maintain the insurance policies required by this section throughout the Agreement term. The cost of such insurance must be included in the Consultant's proposal.

Consultant agrees to include with all subcontractors in their subcontract the same requirements and provisions of this Agreement including the indemnity and insurance requirements to the extent they apply to the scope of the subcontractor's work. The Consultant shall require all subcontractors to provide a valid certificate of insurance and the required endorsements included in this Agreement prior to commencement of any work and Consultant will provide proof of compliance to the City.

Consultant may not allow any subcontractor to commence work on the Services until Consultant and/or the subcontractor have obtained all insurance required by this Agreement for the subcontractor(s) and submitted certificates of insurance and endorsements evidencing such coverage to City.

b. **Workers Compensation Insurance.** Consultant must, at its sole cost and expense, maintain Workers' Compensation Insurance and Employer's Liability Insurance for any and all persons employed directly or indirectly by Consultant. Workers' Compensation Insurance as required by the State of California, with coverage providing Statutory Limits, and Employer's Liability Insurance with limits of not less than ONE MILLION DOLLARS (\$1,000,000.00) per occurrence must be provided. The insurance must be endorsed to waive all rights of subrogation against City and its officials, officers, employees, and volunteers for loss arising from or related to the Services.

c. For the Term of this Agreement, Consultant, at its own cost and expense, must maintain: (1) commercial general liability insurance in an amount not less than ONE MILLION DOLLARS (\$1,000,000.00) per occurrence, TWO MILLION DOLLARS (\$2,000,000.00) aggregate, combined single limit coverage for risks associated with Services; and (2) automobile liability insurance in an amount not less than ONE MILLION DOLLARS (\$1,000,000.00) combined single limit coverage. If a Commercial General Liability Insurance or an Automobile Liability form or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to the Services or the general aggregate limit shall be at least twice the required occurrence limit. Such coverage shall include, but shall not be limited to, protection against claims arising from bodily and personal injury, including death resulting therefrom, and damage to property resulting from activities contemplated under this Agreement, including the use of owned and non-owned automobiles.

d. Except for Workers' Compensation insurance and Professional Liability insurance, all other insurance coverages required pursuant to this Agreement must include or be endorsed to include the following:

(1) City and its officials, officers, employees, agents, and volunteers ("Additional Insured") shall be covered as insureds with respect to each of the following: liability arising out of activities performed by or on behalf of Consultant; products and completed operations of Consultant; premises owned, occupied, or used by Consultant; and automobiles owned, leased, or used by Consultant. The coverage may contain no special limitations on the scope of protection afforded to City or its officials, officers, employees, agents, or volunteers.

(2) The Additional Insured coverage under the Consultant's policy shall be "primary and non-contributory" and Consultant's coverage will not seek contribution from the City's insurance or self-insurance and shall be at least as broad as CG 20 01 04 13.

e. It shall be a requirement under this Agreement that any available insurance proceeds broader than or in excess of the specified minimum insurance coverage requirements and/or limits shall be available to the Additional Insured. Furthermore, the requirements for coverage and limits shall be (1) the minimum coverage and limits specified in this Agreement; or (2) the broader coverage and maximum limits of coverage of any insurance policy or proceeds available to the named Insured; whichever is greater.

f. The limits of insurance required in this Agreement may be satisfied by a combination of primary and umbrella or excess insurance. Any umbrella or excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and non-contributory basis for the benefit of City (if agreed to in a written contract or agreement) before the City's own insurance or self-insurance shall be called upon to protect it as a named insured.

g. Insurance coverage required pursuant to this Agreement must include or be endorsed to include the following:

(1) Any failure of Consultant to comply with reporting provisions of the policy shall not affect coverage provided to City and its officers, employees, agents, and volunteers.

(2) Required insurance coverage may not be suspended, voided, canceled, reduced in coverage or in limits, except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to City.

h. Consultant, at its own cost and expense, must maintain for the period covered by this Agreement professional liability insurance in an amount not less than TWO MILLION DOLLARS (\$2,000,000) covering errors and omissions. Any deductible or self-insured retention under the required professional liability insurance may not exceed \$150,000 per claim.

i. All insurance required under this Agreement must be placed with insurers with a Best's rating of no less than A:VII unless otherwise approved by the City.

j. The City may approve a variation in the foregoing insurance requirements, upon a determination that the coverages, scope, limits, and forms of such insurance are either not commercially available, or that the City's interests are otherwise fully protected.

k. All self-insured retentions (SIR) must be disclosed to City for approval and shall not reduce the limits of liability. Policies containing any self-insured retention (SIR) provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named Insured or by the City. City reserves the right to obtain a full certified copy of any Insurance policy and endorsements. Failure to exercise this right shall not constitute a waiver of right to exercise later.

l. To the extent this Agreement is a "construction contract" as defined by California Civil Code § 2783, as may be amended from time to time, Consultant shall maintain insurance as required by this contract to the fullest amount allowed by law and shall maintain insurance for a minimum of five years following completion of the Services. In the event Consultant fails to obtain or maintain completed operations coverage as required by this Agreement, the City at its sole discretion may purchase the coverage required and the cost will be paid by Consultant.

#### 14. NON DISCRIMINATION

During the performance of this Agreement, Consultant will not discriminate against any employee of the Consultant or applicant for employment because of race, religion, creed, color, national origin, gender, sexual orientation, or age. Consultant will take affirmative action to ensure that applicants are employed and that employees are

treated during employment without regard to their race, religion, creed, color, national origin, gender, sexual orientation, or age.

**15. FAIR EMPLOYMENT PRACTICES ADDENDUM AND NON-DISCRIMINATION ASSURANCES**

The Consultant shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The Consultant shall carry out applicable requirements of 49 CFR, Part 26 in the award and administration of DOT-assisted contracts. Failure by the Consultant to carry out these requirements is a material breach of this Agreement, which may result in the termination of this Agreement, or such other remedy as recipient deems appropriate.

**16. DISADVANTAGED BUSINESS ENTERPRISE CONSIDERATION**

Consultants must give consideration to DBE firms as specified in 23 CFR §172.5(b), 49 CFR, Part 26, and in Exhibit 10-I "Notice to Proposers Disadvantaged Business Enterprise Information." If the contract has a DBE goal, the consultant must meet the DBE goal by using DBEs as subconsultants or document a good faith effort to have met the goal. If a DBE subconsultant is unable to perform, the consultant must make a good faith effort to replace him/her with another DBE subconsultant if the goal is not otherwise met. LAPM Exhibits 10-I, 10-J, 10-O1, 10-O2, 15-H and 17-F are to be included in the consultant contract.

**17. LICENSES & PERMITS**

**a. BUSINESS LICENSE**

**b. OTHER LICENSES AND PERMITS**

Consultant represents and warrants to City that Consultant and its employees, agents, and any subcontractors have all licenses, permits, qualifications, and approvals of whatsoever nature that are legally required to practice their respective professions.

**18. CONSULTANT REPORTS AND/OR MEETINGS**

a. The Consultant shall submit progress reports at least once a month. The report should be sufficiently detailed for the Contract Manager to determine, if the Consultant is performing to expectations, or is on schedule; to provide communication of interim findings, and to sufficiently address any difficulties or special problems encountered, so remedies can be developed.

b. The Consultant's Project Manager shall meet with the City's Contract Manager, as needed, to discuss progress on the contract. Such meetings may be by teleconference or other means as reasonably agreed upon between the parties.

## 19. DOCUMENTATION, OWNERSHIP OF WORK PRODUCTS, AND TREATMENT OF DOCUMENTS

Any modification or reuse of such documents by the City without Consultant's prior consultation will be at the City's sole risk. Except as may be otherwise required by law, Consultant will disclose no data, plans, specifications, reports or other documents pertaining to the Services without the prior written consent of City.

## 20. DISPUTES

a. Any dispute, other than an audit, concerning a question of fact arising under this Agreement that is not disposed of by agreement shall be decided by a committee consisting of the City's Contract Manager and the City Manager, who may consider written or verbal information submitted by the Consultant.

b. Not later than thirty (30) days after completion of all work under the Agreement, the Consultant may request review by the City Council of unresolved claims or disputes, other than audit. The request for review will be submitted in writing.

c. Neither the pendency of a dispute, nor its consideration by the committee will excuse the Consultant from full and timely performance in accordance with the terms of this Agreement.

d. Should a dispute not be resolved by the procedures set forth above, then the parties must mediate the dispute before a mutually agreed upon neutral within ninety (90) days of the completion of all Services under the Agreement. If mediation is not successful, the Consultant and City may pursue all rights and remedies available under California law.

## 21. TERMINATION AND REMEDIES

a. City or Consultant may terminate this Agreement for convenience by giving at least 30 days written notice to the other party specifying the termination effective date. Upon receipt of such notice from City, Consultant may continue performance of the Services through the date of termination. City shall pay Consultant for all Services actually performed in accordance with this Agreement through the termination effective date.

b. If Consultant materially breaches any term of this Agreement, in addition to any other remedies the City may have at law or equity, the City may:

(1) Terminate the Agreement by notice to the Consultant specifying the termination effective date;

(2) Retain, and/or recover from the Consultant at no additional cost to the City, the plans, specification, drawings, reports, and other design documents and work products prepared by Consultant, whether or not completed;

(3) Complete the unfinished Services itself or have the unfinished Services completed, and/or;

(4) Charge Consultant, or deduct from monies that may be due or become due the Consultant under this Agreement, the difference between the cost of completing the unfinished Services pursuant to this Agreement and the amount that would otherwise be due Consultant had Consultant completed the Services in accordance with this Agreement.

## 22. BINDING EFFECT AND ASSIGNMENT PROHIBITION

This Agreement is binding upon City, Consultant, and their successors. Except as otherwise provided herein, neither City nor Consultant may assign, sublet, or transfer their interest in this Agreement or any part thereof without the prior written consent of the other, and any purported assignment without such consent will be void.

Form 700 forms are available from the City Clerk.

Consultant may not perform Services for any other person or entity that, pursuant to any applicable law or regulation, would result in a conflict of interest or would otherwise be prohibited with respect to Consultant's obligations pursuant to this Agreement. Consultant agrees to cooperate fully with City and to provide any necessary and appropriate information requested by City or any authorized representative concerning potential conflicts of interest or prohibitions concerning Consultant's obligations pursuant to this Agreement.

Consultant may not employ any City official, officer, or employee in the performance of the Services, nor may any official, officer, or employee of City have any financial interest in this Agreement that would violate California Government Code § 1090 *et seq.* Consultant hereby warrants that it is not now, nor has it been in the previous twelve (12) months, an employee, agent, appointee, or official of City. Exhibit 1: Consultant's Proposal

August 24, 2018

Mr. Scott Perkins, Special Projects Manager  
**CITY OF FORT BRAGG**  
416 North Franklin Street  
Fort Bragg, CA 95437

**RE: ENVIRONMENTAL IMPACT REPORT FOR THE HARE CREEK CENTER, RESPONSES TO COMMENTS**

Dear Mr. Perkins:

Michael Baker International, Inc. (Michael Baker) is currently working with the City of Fort Bragg on the Hare Creek Center Environmental Impact Report (EIR) and we are pleased to provide this revised proposal to prepare responses to comments on the Draft EIR.

As part of preparing this cost estimate, we previewed all the letters you provided and developed a plan for preparing responses as follows:

### **ORGANIZATION**

First, our CEQA staff would review each letter to identify and mark the discrete comments contained in each letter. We would then electronically code all the letters (e.g., Letter 1) and number all the comments (e.g., 1-1, 1-2) and create a .jpg file of each letter that would be inserted into the responses to comments section of the document. Our support staff would assemble a response to comments section with pages for master responses and pages following each letter for numbered responses.

### **INITIAL AND PROGRESS MEETINGS**

We propose to work collaboratively with the City to prepare all the responses to comments, including a kickoff or initiation meeting, discussing City comments on the first draft of the responses, and several follow-up meetings before preparing the final response to comments. For the kickoff meeting, we would propose to brainstorm with the City and review available information the City has that will contribute directly to the comments responses.

### **PREPARE MASTER RESPONSES**

Our proposal includes a partnering approach with the City on preparing master responses based on our initial meeting. We envision both the City and Michael Baker staff contributing to and reviewing each response. Our experience informs us that master responses are best prepared first

and then amended as responses are prepared for individual comments. The master responses would address recurring comments such as traffic, water, aesthetics, and others. We have assumed preparation of 10 master responses at approximately 8 hours each, plus 8 hours of input from selected subject matter experts.

## **PREPARE INDIVIDUAL RESPONSES**

The letters can be segregated into three categories. Many of the letters (120) generally question the merits of the project and most of these could be addressed with a standard response that could be used throughout the response to comments. Around 40 of the letters raise 1-2 EIR specific issues, and for these approximately 50 comments, we assumed 1 hour per response.

Finally, there are approximately 10 comment letters with multiple substantive project-specific comments. Some of these can be addressed with master responses; however, these 10 letters contain a total of approximately 40 individual comments that would require substantial work. We believe responses to these comments will require a multidisciplinary effort and we have included time for our biologist, archaeologist, and other specialists. We have estimated 80 hours plus input from subject matter experts.

## **ASSUMPTIONS**

- Preparing the responses to comments will be based on available information and will not require new data collection or impact analyses or consultation with the applicant's traffic consultant or other subcontractors.
- The responses will address the comments provided as editorial comments in attached sections of the EIR.
- Responses will be written without providing a summary of the comment to lead off the response.
- Our team will assemble a complete response to comments document and respond to one round of consolidated City comments.

Based on your direction, our base price does not include preparing responses to the last batch of comments you received, including the May 22 letter from Citizens for Appropriate Coastal Land Use (CACLU). However, the CACLU letter was submitted within the comment period and should be addressed at some level. After we get started, we can discuss potential approaches to incorporating responses to these letters through our proposed partnering approach or by tapping the proposed contingency.

## **SCHEDULE**

We will initiate the responses to comments upon notice to proceed and we will pursue the work with the diligence described in the standard of performance clause of our contract. We will schedule a kickoff meeting to discuss the comments and the approach to preparing responses. While employing a partnering approach with the City, we will actively communicate with you regarding our progress and to coordinate with you on your contributions to the responses, and on any questions that arise. With this approach, we are proposing to complete a complete administrative draft Final EIR with responses to comments in approximately 8 weeks from notice to proceed.

## **CONTINGENCY**

This cost estimate includes hours for contributing to the master responses and preparing complete and detailed responses to individual comments consistent with the industry standard. Any effort beyond this estimate that results from the initiation meeting or progress meetings, required additional research, or responses to more than one round of comments from the City on the first draft of the responses may require additional budget. To address the potential need for additional work, we have included a 10 percent contingency.

**BUDGET REQUEST**

Based on the work described above, we are requesting an amendment to our budget in the amount of \$48,350.00. We have subtracted our original Final EIR task budget of \$8,670.00 from our estimate to prepare the responses to comments for a total of \$42,660.00. We have also included a contingency, which we would only use with the City's approval. Our total request, with the contingency, is \$48,350.00.
