I strongly support mobile vending operations in Fort Bragg. I believe this type of enterprise contributes to the vitality of our community and gives small businesses who cannot yet afford a brick and mortar location an opportunity to get started and open a new business. Having lived in both New Orleans and Portland, Oregon I can personally attest to how good this is for a town. The more the town is buzzing with activity (including mobile food trucks) the more attractive it is to visitors. People love variety and mobile food trucks offer great choices. Don't worry, people will still love dining in our restaurants- two different but very compatible types of businesses.

Sincerely,

Kristin Suratt

to the City of Fort Bragg

regarding food trucks on public streets / private events and Sugar Coated Catering in particular :

I understand SCC is applying for permission to operate a mobile food service unit in the city of Fort Bragg. I would like to voice my support for such a business.

I cannot attend the City Council meeting tonight.

Of course common sense guidelines must apply along with proper Health Dept. oversights. A small business like this would benefit ( along with city residents ) if permitting and regulations were kept to a minimum.

The now gone Tsunami Nacho truck was a big hit for many coast residents. Sugar Coated Catering is also playing to rave reviews.

Please approve her operating permits.

Thank you, Stephen Dunlap

COMMENTS (ONLY IF YOU DO NOT PLAN TO SPEAK): I am here to support the addition of the proposed food truck. I grew up here and have recently moved back. This town only needs more variety in it's food options - especially healthy modern-takes on delicious food. Keep us young people here! we need things like this!

COMMENTS (ONLY IF YOU DO NOT PLAN TO SPEAK): I attended this council meeting to show my support for the potential food truck that is on the agenda. I believe that a food truck within downtown Fort Bragg area would be a great addition to what our town has to offer. I am very pro food truck and pro change.

COMMENTS (ONLY IF YOU DO NOT PLAN TO SPEAK):

I'm attending this meeting to support the possible Food Truck in Fort Bragg. As a local business owner having a variety of food establishments would not only improve local economy but our community as well. Our small and growing city would definitely benefit from a variety of businesses
