ARTICLE 1—PREAMBLE

1. This Agreement is entered into pursuant to the Meyers-Millias-Brown Act (California Government Code Section 3500 et seq.) and applicable ordinances and resolutions of the City of Fort Bragg between the City of Fort Bragg and the Fort Bragg Police Association, Inc. ("FBPA"). As a result of meet and confer sessions, the City and FBPA have agreed to the following understandings:
2. The City and the FBPA agree that the term of this Memorandum of Understanding shall commence on July 1, 2019, and expire on June 30, 2021.
3. This Agreement may be extended with the approval of both the City and FBPA. This Agreement shall expire immediately upon its replacement by a subsequent Agreement, or upon written declaration and notification by either the City or the FBPA to the other party that the negotiation process has reached Impasse.
4. The FBPA is recognized as the sole bargaining organization for all non-management and non-confidential employees of the Fort Bragg Police Department. Recognition was approved by the Fort Bragg City Council on May 12, 1980. The parties agree that the class of Administrative Supervisor within the Police Department is a "confidential" position and not represented by FBPA.
5. If any article or section of this Agreement should be found invalid, unlawful, or unenforceable by reason of any existing or subsequently enacted legislation or by judicial authority, all other articles and sections of this Agreement shall remain in full force and effect for the duration of this Agreement. In the event of invalidation of any article or section, the City and the FBPA agree to meet within thirty (30) days for the purpose of renegotiating said article or section.
6. Any conflict between any section or part of this Agreement and any City or departmental rule, regulation, resolution, procedure or practice, existing as of the date of this Agreement or adopted thereafter, shall be resolved in favor of the provisions contained in this Agreement.
7. This Agreement sets forth the full and entire understanding of the parties regarding the matters set forth herein.
8. Except as specifically otherwise provided herein, it is agreed and understood that each party hereto voluntarily and unqualifiedly waives its rights to and agrees that the other shall not be required to meet and confer with respect to any subject or matter covered herein or with respect to any other matters within the scope of meeting and conferring during the period of the term of the Agreement, except regarding the interpretation of this Agreement.
9. It is recognized that the Employer-Employee Organization Relations Procedure adopted by Resolution No. 1868-91 on November 12, 1991, is the governing document as to the procedures for meeting and conferring in good faith with recognized employee

organizations regarding matters that involve the wages, hours, and other terms and conditions of employment.

10. All benefits granted to the FBPA and the Police Department, and each of its members and employees, pursuant to voter approved Initiative Measure D, City Ordinance 672, as adopted on November 4, 1986, are hereby incorporated in full in this agreement. Neither this agreement, nor any of its terms, shall in any way revoke, suspend or terminate the benefits granted by Measure D, Ordinance 672.

ARTICLE 5—SALARY AND ADDITIONAL COMPENSATION

1. The salary provisions of Initiative Measure D, Ordinance 672, as adopted by the voters on November 4, 1986, are hereby incorporated into this agreement in their entirety. The salary adjustments, if any, shall be implemented as soon as possible after January 1 of each year, and before January 31 unless there is a discrepancy between the City and the FBPA relative to the survey results. In these instances, the discrepancy shall be resolved, and the salary adjustments shall be implemented no later than February 28.
2. All employees covered by this MOU shall receive the following salary increases, effective the first full pay period after July 1, 2019:

 - Community Service Officers 0.3% of base salary
 - Police Service Technicians 1.0% of base salary

All employees covered by this MOU shall receive a salary increase of 3% of their base salary on July 1, 2020, less any increase received as of January 1, 2020 resulting from the salary survey referenced in the prior paragraph. If an employee received an increase of more than 3% of base salary as of January 1, 2020 due to the salary survey, no additional salary increase will be received on July 1, 2020.

3. After City Council approval of this MOU, all employees covered by this MOU shall split a lump sum amount of \$22,000 in one-time non PERSable payments. Employees covered by this MOU shall receive a minimum gross payment of \$500 before taxes and deductions. Any employee who worked overtime between March 31, 2019 and May 25, 2019 shall be eligible to receive an additional proportional share of the remaining \$22,000 (after payment of the \$500 minimum) based on total number of overtime hours worked. The City reserves the right at its sole discretion, to distribute this one-time payment prior to July 1, 2019.
4. **Relief Shift:** A relief shift is defined as any shift worked outside of an employee's regularly assigned hours or days of duty, as determined during the shift rotation and shift selection process. Employees who work relief shifts shall receive additional compensation of fifty cents (50¢) per hour for all hours worked when so assigned.

This provision is intended to apply to mandatory shift changes that occur after the schedule is posted, including overtime shifts required by the Department. Before the schedule is posted, scheduling is within the sole discretion of management, who will take into consideration the needs of the department and requests of employees when constructing the schedule.

This provision also does not apply to overtime shifts requested by the employee, or any other shifts worked outside of the employee's regularly assigned hours of duty if the shift adjustment is the result of a request by the employee. This provision also does not apply to additional shifts worked due to special events, court appearances, training, or other temporary or brief assignments that are considered to be part of the normal course of

duties. Any disagreement regarding the application of a relief shift designation will be decided by the Chief or his appointed representative.

5. Field Training Officer: The Chief of Police may appoint such personnel as necessary for the positions of Field Training Officer (FTO) to conduct the training of all new police officer employees as required by POST. An employee designated by the Chief of Police as an FTO shall receive additional compensation equal to five percent (5%) of his/her salary when so assigned.
6. Detective: An employee assigned as a Detective shall receive additional compensation equal to five percent (5%) of his/her salary for all hours worked when so assigned.
7. Motor Officer: An employee designated by the Chief of Police as Motor Officer shall receive additional compensation equal to five percent (5%) of his/her salary for all hours worked when so assigned.

It is recognized that an officer assigned as a Motor Officer, FTO or Detective under this article is not "vested" in the position, and serves in the position at the pleasure of the Chief of Police. The appointed employees may change from time to time depending upon the nature of training and/or supervision needed, and/or the needs of the Department.

8. Bilingual Pay. An employee who is designated by the Chief of Police (with the approval of the City Manager) to receive bilingual pay shall receive additional compensation equal to five percent (5%) of his/her salary when so assigned. The Chief of Police must determine that a demonstrated need exists for an officer to utilize his/her bilingual skills and to be eligible, an employee must have successfully demonstrated his/her proficiency in a second language.
9. Educational Incentive Award. The City shall grant a one-time payment of \$750 to each full-time, non-probationary, employee covered under this agreement who has been awarded an Associate of Arts degree (or has completed 60 college semester units or equivalent quarterly units). Each full-time, non-probationary, employee covered under this agreement who has been awarded a Bachelor of Arts or has completed 120 college semester units or equivalent quarterly units) shall receive a one-time payment of \$1,000.00. Either degrees or units listed may be in any area of study. Any eligible employee who is receiving a 2.5% educational incentive pay as of December 31, 2011, shall continue to receive such compensation in lieu of any one-time educational incentive award(s) while in an eligible classification.
10. K-9 Officer Pay. An employee assigned as a K-9 Officer shall be compensated for 60 minutes per day, seven days per week, and 365 days per year, for the normal care, feeding, and grooming of the dog as required, which includes: (1) feeding; (2) grooming; (3) training; (4) socializing; (5) maintaining kennel; (6) cleaning of feces; and (7) K-9 socialization and overall happiness. The hours are compensated at the then current overtime rate (time and one-half) based on the then current prevailing minimum wage (\$12 dollars per hour) (hours currently compensated at \$18 dollars per hour). The

prevailing minimum wage shall be adjusted automatically for any increases scheduled by operation of law.

The parties agree that 60 minutes per day is a reasonable amount of time a K-9 Officer normally needs for these activities. In the event the K-9 Officer finds that more time than 60 minutes per day is necessary for these activities, it shall be the employee's responsibility to inform the City of such need and receive authorization from the Chief of Police prior to exceeding the 60-minute daily limit. Any additional hours spent in extraordinary care (e.g. times spent in non-routine or emergency veterinary care) shall be reported and compensated at the rate stated herein.

Both parties hereto recognize and agree that the City has the exclusive management right to direct and control Police Department operations set forth herein, including the right to make duty assignments as it sees fit, and the right to discontinue the K-9 Program at any time if, in the City's sole discretion, it is in the City's best interest.

11. Temporary Assignments. If any employee is temporarily assigned to a lower paid position, the employee shall continue to receive the salary of the original position. If an employee is temporarily required to perform the duties of a higher-paid position for a period in excess of four (4) work days, said employee shall receive additional compensation equal to five percent (5%) of his/her current salary or the salary of the employee so replaced, whichever is less, for the entire period of such assignment. The Human Resources Office shall be notified in writing by the Police Chief prior to each such temporary assignment. The Human Resources Office will prepare a Personnel Status Change Report for approval by the Chief of Police and City Manager.

Officer In Charge. Sworn employees in this unit may be assigned by management to temporarily assume the duties of an officer in charge. Such assignments are at the discretion of and must be made by the Police Chief or his or her designee, in writing prior to assignment. There is no requirement or expectation that a shift be staffed with an Officer in Charge or a supervisory level officer.

Employees assigned to an Officer in Charge status shall receive out of class compensation for every shift actually worked in which they have been designated in writing by the Police Chief or his or her designee as the "Officer In Charge." Officer in Charge assignment may be limited to one (1) shift and will be for no longer than four (4) weeks without reassignment confirmed in writing. The Police Chief has sole discretion to terminate the temporary Officer in Charge assignment prior to completion.

Out of class pay for such assignments shall be five percent (5%) above the employee's base hourly rate.

Out of class pay shall apply to any overtime worked in the higher classification (when eligible), but shall not apply to any paid leave taken during the acting assignment.

Qualification for such temporary assignments may be based on placement on an existing promotional list for that assignment, certification or training requirements as determined

by the department or by the determination of the Police Chief or designee that the person is qualified.

12. Longevity Pay. City agrees to make a one-time payment to employees covered under this MOU in recognition of long-term service to the City as follows:
\$750 at the beginning of the eleventh (11th) consecutive year of employment, and
\$1,500 at the beginning of the fifteenth (15th) consecutive year of employment.
Said payments shall be made during the regular pay period in which the anniversary date falls and shall be included in the regular paycheck.
13. Salary Upon Promotion. If an employee is promoted, and the salary on promotion guidelines as set forth in the City's Personnel Rules does not result in a minimum of 5% pay increase, the employee shall be promoted to the next higher step in the salary classification. In no event shall the promotion result in a salary higher than the top step of the classification to which the employee is being promoted.
14. Shift Differential Pay. Any employee on duty between the hours of 1900 – 0700 hours shall receive an additional compensation of \$2.00 (two dollars) per hour.
15. Standby Pay. For night shifts, when only two patrol staff are scheduled for duty assigned to work that shift, and there is no Community Service Officer scheduled to work that shift, off-duty patrol officers and patrol sergeants shall be offered the opportunity to **voluntarily** sign up to be the primary call-out (standby) for any event requiring additional or replacement sworn patrol staff. Patrol staff shall sign up for entire shifts and will be compensated for those standby hours as follows:

For night shifts Monday-Thursday employees shall be compensated \$100.00 for the full shift. For night shifts Friday-Sunday employees shall be compensated \$125.00 for the full shift.

Officers who sign up for a standby shift shall be required to respond and be ready for duty in no more than one hour from the time the initial call-out is made. The time of call-out shall be determined based on the time the call was made to the standby employee's primary phone as listed in the Department's official "FBPD Call-out List." Employees who fail to respond within one hour will forfeit any standby pay for that shift.

Employees will be compensated for call-outs starting at the time of call-out so long as no more than thirty (30) minutes elapses before the employee is on active duty, in order to take into account the time it takes to don the appropriate uniform and personal protective equipment.

Employees designated as the "Standby Officer" will be compensated at a rate of one and a half (1.5) times the amount of regular pay at the time of the call-out, and for a minimum of two (2.0) hours. The call-out pay incentive will not apply to an employee designated as the "Standby Officer."

Employees shall be compensated an entire shift's standby pay regardless of whether or not they actually participate in a call-out.

Signing up for standby shifts shall be done based on seniority with officers being ineligible to sign up for two standby shifts in a single work week until all other staff have had the opportunity to select or decline to take shifts. Any discrepancies in sign up procedures shall be decided by the Chief of Police or his/her designee.

All call-outs from a standby list shall be approved by the Chief of Police or his/her designee via phone or in person prior to initiating a call-out. Standing exceptions to this section may be issued in writing by the Chief (i.e. Domestic Violence arrests, felony no-cite warrants, etc.).

Staff is encouraged to use discretion when proactively pursuing arrests which would mandate a standby call-out (i.e. residential probation searches without reasonable suspicion, attempted felony warrant services at a suspect's residence). Additionally, staff should continue to take reasonable precautions to prevent overtime costs related to call-outs.

Standby call-outs shall not be used to cover unexpected compensatory time off or vacation time without the express approval of the standby employee and the Chief of Police or his/her designee.

ARTICLE 6—EDUCATION REIMBURSEMENT PROGRAM

The City agrees to participate in an Education Reimbursement Program to assist employees covered by this MOU in continuing their advanced education in acceptable job-related fields. This program shall be available with the following limitations:

1. To the extent funding is available, the City shall provide for tuition and textbook reimbursement for regular full-time employees up to a maximum of \$750 per fiscal year. Only costs for required course materials (not including computers) for approved courses shall be deemed reimbursable through this program. The City Manager may approve additional amounts on a case-by-case basis.
2. Regular full-time employees may be eligible for reimbursement of tuition fees and book costs for academic courses taken in pursuit of a college degree or education undertaken to maintain or improve skills related to work performance in the employee's current position which are attended on employee's own time.
3. Reimbursement shall only be available to employees who have received prior approval from the City Manager, prior to beginning of class(es) and if funds are available within the Departmental budget.
