

RESOLUTION NO. ____-2019

RESOLUTION OF THE FORT BRAGG CITY COUNCIL APPROVING WASTE MANAGEMENT PROPOSED RESIDENTIAL, COMMERCIAL AND MULTIFAMILY, AND ROLLOFF RATE CHANGES

WHEREAS, the Legislature of the State of California, by enactment of the California Integrated Waste Management Act of 1989, has declared that it is within the public interest to authorize and require local agencies to make adequate provisions for Solid Waste handling within their jurisdictions; and

WHEREAS, pursuant to California Public Resources Code Section 40059 (a) (2), the City Council of the City of Fort Bragg (City) determined that the public health, safety and well-being require that an exclusive franchise be awarded to a qualified Solid Waste enterprise for the collection and recovery of solid waste from certain residential, industrial and commercial areas in the City; and

WHEREAS, the City and USA Waste of California, Inc., DBA Empire Waste Management (Waste Management) executed a Franchise Agreement (Agreement) dated January 8, 2007; and

WHEREAS, the City's intention in executing the Agreement with Waste Management was to maintain reasonable rates for collection and transportation of solid waste, discarded recyclable materials and green waste within the area covered by the Agreement; and

WHEREAS, the Agreement provides for prior approval by the City Council and/or the City Manager of rates and charges by Waste Management; and

WHEREAS, the Agreement provides for rate adjustments annually as of June 1 based on the change in CPI-U, all items for the San Francisco-Oakland-San Jose CA and the most recently published California Index for #2 diesel fuel, along with pass-through adjustments and extraordinary rate adjustments; and

WHEREAS, based on all the evidence presented, the City Council finds as follows:

1. That the rate adjustments set forth in Exhibit A are consistent with the Franchise Agreement.
2. That the 1.52% portion of rate increase associated with the pass-through disposal adjustment is to be applied retroactively to March 1, 2019.
3. That the 3.20% portion of the rate adjustment based on the cost of living formula set forth in Amendment No. 4, is to be effective July 1, 2019 and should not be applied retroactively to June 1, 2019.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Fort Bragg does hereby approve the rate adjustments as set forth in Exhibit A for Residential, Commercial and Multifamily, and Rolloff services within the City limits, with the pass-through disposal adjustment effective March 1, 2019 and the cost of living adjustment effective July 1, 2019.
