1	Just FYI, I'm having a hard time with the "I don't like" terminology. Even considering the next question, it's loaded and sets up a situation where the final results can be delegitimized as "preference" or "opinion". I do feel Formula Businesses cause FAR more harm than any good they might bring. There's evidence for this position, not just "like" or "dislike". The first three answer options are concrete ideas that can be shown or disputed through evidence. The last is a value statement. They should all be one or the other.	10/7/2020 2:11 PM
2	Formula businesses vary--in general they are harmful, but some provide good jobs and lower costs.	10/3/2020 7:52 AM
3	Really, minimum wage jobs that bring in more plastic crap? How much money will Target bring to the people? Think bigger than your taxes that are ALWAYS misused and abused. We have our forests littered with so much throw away crap and now our streets, yet you're considering bringing in more goods? Great! Can't wait til the redwoods and beaches are choked out with throw away vacuums, microwaves and plastic toys. Shame on you.	9/30/2020 8:19 AM
4	Formula Businesses look the same everywhere. Fort Bragg would look/feel like any other town in America.	9/22/2020 11:50 AM
5	I prefer to support a locally owned business	9/21/2020 2:31 PM
6	I disapprove because in a small town this size, formula business really hurt the mom and pop stores and undermine the Unique smaller businesses.	9/21/2020 11:28 AM
7	compete with and undercut local businesses	9/21/2020 11:02 AM
8	1) Unfair competitive advantage causing local business to close (don't necessarily increase tax base), 2) Loss of small town character, 3) Most employees part-time minimum wage, 4) Don't give back to community at same level as local businesses	9/20/2020 12:27 PM
9	They harm local businesses.	9/20/2020 12:09 PM
10	Fort Bragg is unique and special because it doesn't have big box. Getting more big box will ruin the character of our town.	9/20/2020 11:04 AM
11	It's a combination of all the top three above	9/20/2020 10:04 AM
12	I'd rather that Fort Bragg ave a unique character and not look like very other strip mall in America. Tourism is our 'bread and butter' and people will enjoy us more if we are unique/	9/20/2020 8:15 AM

14	I don't want Fort Bragg to lose its small town appeal. Instead let's. Help support our small businesses	9/19/2020 8:33 AM
15	Offer products that local stores don't	9/19/2020 7:56 AM
16	I don't like formula businesses and hope we don't see many more here. The trick i show to incentivize and help local businesses to start and stay here. They don't have deep pockets. What can you do to give them much bigger breaks and any formula businesses significantly smaller ones. Extremely important is what are you actively doing to pursue and encourage other types of independent businesses to lessen our huge dependence on tourism. This is what will strengthen our future and keep a diversified group of people here.	9/18/2020 8:26 PM
17	First 3 options!	9/18/2020 8:22 PM
18	I think formula business may hurt small business owners.	9/18/2020 8:08 PM
19	1, 2, and 3 are are correct.	9/18/2020 4:24 PM
20	I am against specialty stores in our town. They detract from the uniqueness and peace. I've been traveling to Santa Rosa for 40 years for the annual school clothes shopping trip, etc. I don't care so much about grocery stores or drug stores because they have immediate need items, etc. and are specialty. But a department store, a WalMart or a Target type store would kill many business in our town, not just the grocery industry.	9/18/2020 2:53 PM
21	Pretty much all of the above. Also results in less on-line shopping.	9/18/2020 1:16 PM

25	Ideally, we can work locally to support small business owners who can fill the need in lieu of Formula Business. Perhaps the results of this survey can be shared with West Business Development Center?	9/18/2020 10:39 AM
26	The formula stores we have already do little for our community. If they were not here, other local businesses would either cover the same needs or new businesses would spring up. The city could help with promotional campaigns that encourage shopping locally and subtly stigmatize going "over the hill" for shopping.	9/18/2020 10:37 AM
27	these types of businesses don't generally provide employment options at descent living wages and they diminish local character and create compete with local businesses	9/18/2020 10:08 AM
28	The city will benefit from any new business taxes	9/18/2020 8:26 AM
29	depending on how large the business is and what it offers, it might compete with unique small-town businesses and put them out of business	9/18/2020 8:10 AM
30	They compete to much with our already struggling mom and pop shops. They are able to provide the same goods and services but cheaper and will no doubt put locals out of business. This is the worst idea Fort Bragg has had in a long time.	9/18/2020 8:02 AM
31	Local businesses need to provide more of the goods that residents need at affordable prices. We need a department store like Sea Fair or Daly's that we used to have. Most of the shops have souvenir items or very expensive clothes And when there's a need for air purifiers, they don't have them. People have to shop out of town or on Amazon for too many items. We used to have Ben Franklin and Sprouts Reitz. Need something like a target store with affordable everyday goods - if a local can provide that - great. If not, we need a few chain stores.	9/18/2020 12:21 AM

1	Locally owned businesses have better paying jobs than formula businesses	10/8/2020 11:31 AM
2	I appreciate your putting out a survey, but I have to say I have a lot of problems with it (sorry). One of those points I made above. Another point: There's no reason question #4 (the reasons for "disliking" Formula Businesses) can't also be a ranked question or a "select as many as are applicable," because ALL of those reasons, and more, are why I want to see chain stores capped and/or banned. These questions need to open up a discussion about facts and evidence, not just tally people's preferences or assumptions of why they think they like Formula Businesses. I understand some folks have very limited incomes, especially right now, but they often assume erroneously that chains are cheaper. Also, as prices go down so does quality, so more landfill waste and more frequent purchases (mitigating any cost savings). I REALLY hope this survey is just the very, very beginning of a conversation on this topic that is actually nuanced and evidence-seeking, not just a foundation for people who want Formula Businesses in Fort Bragg to accuse those of us who are against them of being elitists who don't understand what it means to be struggling financially. (Just FYI, I've been anti-chain for decades, during which I've gone through some tough financial times. I stuck to my values of not supporting those entities that took more from our communities than they gave back - not to mention taking more from our planet than they gave back.) And P.S. I'm not sure what our local situation is in terms of paying local taxes for online purchases from places like Amazon , but they are a mega-corporation that is also taking from our communities. I'd like to see fair sales taxation of internet purchases also be part of this discussion. Fort Bragg should be getting sales tax collected at the time of purchase from those organizations. I realize they're different things, but perhaps an overarching resolution laying out how Fort Bragg will work to prevent megacorporate chains and internet businesses from parasitizing, homogenizing, and degrading our town would be a place to start.	10/7/2020 2:11 PM
3	Please ensure that any formula business you might allow will be required to build or remodel in a style consistent with the noted architectural style and character of downtown Fort Bragg. Main Street south of Oak Street looks horrendous (including the recently added Taco Bell) and that could have been avoided. We do not need more characterless eyesores. Formula businesses can and will comply with better visual standards when required.	10/7/2020 11:06 AM
4	My concern is our town is dying. Businesses are closing and that means jobs are lost. Apparently Big Box stores are exempt from COVID concerns so lets get them in here so the people of our area can work and we have a decent supply chain. There has always been a concern about the top 5 local businesses that dominate our supply here. They will still get a share because people will choose to stay with them. Give people a choice, an income opportunity and bring life back to the coast.	10/7/2020 10:09 AM
5	We've seen what WalMart and Macy's and Costco has done to greed all across America. That this is even considered after epic failure is disheartening. It's like buying and addict some methadone and trying to control the addiction. Please, go the other way...develop an independent community. It's now or never. Go visit Costco and watch the sickness and greed and how it's going to affect our natural resources that keep us alive. This City has been mismanaged since Milliman. It's time for change.	9/30/2020 8:19 AM
6	Grocery Outlet. We have a low-income community and we need an option that falls between Safeway and the Dollar Store in terms of price point.	9/29/2020 12:21 PM
7	Amazon and Walmart online ordering with 1 or 2 day delivery makes local big box stores irrelevant. Let's maintain the unique character of our coastal town which in the long run will bring in more revenue.	9/27/2020 10:25 AM
8	If allowed and not franchised then an annual portion of sales should be donated to local non-profits.	9/23/2020 8:24 AM
9	I think there is a place for large formula businesses in our country but I live in Fort Bragg because it is a rural town. I could move somewhere else if I wanted the convenience of a larger city like Santa Rosa or even Ukiah. I live here because of the small town size and all that goes with that. Already I am restricted much more in what I can do every day as Fort Bragg has grown over the last 30 years than when I was growing up here. Being able to shop easily is not why I live here or what I want. I want the small town I grew up in, where everyone knew each other and where you never worried about large city problems like crime or vandalism, or the destruction of our outdoor spaces due to too many people living in too tight an area. Those things automatically seem to come with growth and growth comes with	9/22/2020 4:37 PM

conveniences like Formula Businesses. I prefer to drive out of town for that shopping and keep our small town if I had to choose between one or the other. If you can find a way to limit Formula Businesses so that we do not lose more of our small town, and so that you can provide more economical options for families, than I could live with one or two. For example, Safeway and CVS and Rite Aide and Dollar Store or Formula Businesses already. If we bring a Walmart with the grocery store feature, will Purity and Harvest and the Mexican markets be able to compete? I do not want to lose those family owned businesses in our town.

10	1. Encourage new development to follow the historic pattern of development: close to the public street, grid street pattern, on-street parking, off-street parking behind the building (think Coast Hardware). 2. Encourage new development to plant street trees and create total awesome, local looking streetscapes. 3. Consider limiting floor areas (rather than business types); large buildings could be limited to sizes like Sears, Coast Hardware, Rossi's, Haywire. 4. Consider revising parking requirements to reduce the sea of mostly vacant parking areas. 5. Support creating better internet service to attract a greater diversity of employers. 6. Thank you for the survey!	9/22/2020 11:50 AM
11	I believe in allowing several types of stores. It would allow local residents and visitors to options and competition is also a good motivator in generating business in general. Small local shops will always have the tourism cliental regardless.	9/22/2020 11:23 AM
12	Mendocino managed to restrict Formula Business year's ago and managed to preserve the historical small town feel. FB could at least try. Hwy 1 is TOO busy to cope with traffic already. Be realistic about the geographical limitations of the town. The town doesn't NEED to grow.	9/22/2020 7:25 AM
13	If they must come, define a limited area where they are allowed and discrete location.	9/21/2020 9:20 PM
14	The effect that they will have in the existing businesses	9/21/2020 9:10 PM
15	I would like to see more shopping options in Fort Bragg. I do most of my shopping in Ukiah and would rather support Fort Bragg economy.	9/21/2020 7:52 PM
16	We need more businesses for us locals. I am tired of wasting gas and time to drive to costco in ukiah every week.	9/21/2020 7:38 PM
17	The public should have the hard data on the number of formula businesses in town their individual financial contributions to the town: 1. gross income 2. amt of money reinvested in the community wages, sales tax property taxes etc With out this data, one cannot have an informed opinion. Just another polarazed point of view.	9/21/2020 6:20 PM
18	Needs of local businesses need to be taken into consideration so formula businesses don't end up replacing locally owned businesses.	9/21/2020 2:31 PM
19	Guess I already did that	9/21/2020 11:28 AM
20	I feel each potential formula development application should considered on location and the impact it will have to existing local businesses; and, if its filling a need within the community. The architecture or "look" can be address in the code and design guidelines to maintain town character and scale. FB is the commerce hub for the coast and should provide diverse business opportunities for the town and surrounding community it supports. Not everyone has the means to shop or do business "out-of-town" and those who use that argument to defend their position are not thinking inclusively. I'm not in support of "big box" development. To me it's two different questions and should be outlined separately within the code. I've seen what "Big box" developments can do to small rural communities... the long term results are never pretty.	9/21/2020 5:31 AM
21	I would like more choices for grocery shopping and mid range restaurants.	9/21/2020 4:41 AM
22	strongly advocate keeping them out!	9/20/2020 7:48 PM
23	Unless the Formula Business is wholly invested by applicant(s) in the capital costs of all infrastructure (electrical, water, sewage, access roads/lanes, etc., plus fire and emergency protection) out of its own funds, then in no way should such businesses be permitted to exist inside incorporated Fort Bragg, or just outside the city limits (the usual sidestepping development tactic). If such business seeks to locate on former mill grounds, then they must be prepared to foot the bill completely without city financial aid. They must also be properly licensed to offset negative impacts against smaller, local independent businesses. We already have three hardware stores with building products, so would we need more? No. Do we perhaps need housewares stores? Depends. Folks seem happy enough getting such via online	9/20/2020 4:33 PM

shopping or driving over the hill. What other "big box" business(es) are there that should hope to land here? By all means, consider the present commercial vacancies rate, particularly on Franklin Street. Yeah, I hear it's all about "parking" and "high rents" that causes Franklin to be problematic, but - but - adding big box retail is not going to help downtown, not one bit. It will likely put a final nail in its coffin.

24	Declare an immediate moratorium on formula businesses until a policy can be developed. If this isn't done, formula businesses will swarm to this area to fill the void left by local businesses closing due to COVID. Find ways to support local businesses through grants and a more streamlined permitting process. Make permitting process more difficult for formula businesses - they have the resources to produce reports that make it seem like little or no impact and lots of benefits, but it's easy to lie with statistics. Design a better survey for community input (and tourist input as well).	9/20/2020 12:27 PM
25	Corporate America moves in build stuff and then jumps ship with no investment in the community. Everyone loses.	9/20/2020 11:04 AM
26	Planned properly, they are a good thing. Tax revenue and jobs should be top priorities for FB.	9/20/2020 10:04 AM
27	Reduce repetition. For example, if we already have one or more formula businesses of the same type, restaurants for example, then minimize those. Avoid formula businesses that are in direct competition with locally owned businesses. Is there anything we can do with a storefront property that remains empty for a long period of time with an out of town owner that doesn't care to lower the rent and/or repair the buildings? Could we tax a formula business at a different rate than a local business? Could we balance new formula business new construction with restoration/rehabilitation/occupation of older empty buildings and storefronts? Keep formula stores off main st/hwy 1 so if we do have them they don't take over the character of main st.	9/20/2020 8:15 AM
28	Must be well done in regard to water, parking, density, access, safety and waste removal.	9/19/2020 5:24 PM
29	None. We really need more affordable options locally.	9/19/2020 3:21 PM
30	Most important is NOT being "anytown USA" so people are attracted to the small cute town. Secondly there does need to be essential businesses if possible without corporate franchise competition, and the cute boutique stores need the most support with attractive streets and no ugly franchise box stores nearby.	9/19/2020 2:46 PM
31	Formula business takes the small businesses into unfair competition and makes our unique small town ordinary and boring. We depend upon tourists visiting our fishing village and small town atmosphere. Keep Fort Bragg unique!	9/19/2020 1:24 PM
32	Don't allow our town to be slaves to the Corporate world. Keep us small and friendly and support local businesses	9/19/2020 1:06 PM
33	Is Grocery outlet a formula biz? I would vote for them....	9/19/2020 11:20 AM
34	It only takes a short drive through small town America to find ugly, empty towns covered in chain stores. This town gets its money from tourist dollars, and need to maximize its local character to increase tourism. No one comes to the coast to experience yet another Olive Garden or Wyndham Suites. Formula stores may be the shortest path to money for the city, but will permanently deter Fort Bragg from its opportunity to become a beautiful city in the future, and will limit its long-term prospects as a tourist destination.	9/19/2020 10:41 AM
35	I like Fort Bragg the way it is. I don't want big traffic problems. To me it's already too busy during the summer hours. I like getting in buying local	9/19/2020 10:35 AM
36	We don't need big business in town. Instead let's creat funding and programs to keep small business a strong option for locals to enjoy their community. Big companies will destroy our small town	9/19/2020 8:33 AM
37	Formula businesses are a blight on the landscape. They rob a town of its character. They pay low wages and often hire workers from outside. They export profits, but import social problems that accompany malls and the like. They will cause the downtown to decay by pulling business away from the center. They create traffic nightmares. THEY DRIVE SMALL BUSINESSES OUT OF BUSINESS. I could go on, but you get the picture. It's better to drive to Ukiah on occasion than to have box stores here. FB is already on the brink of huge development- if not carefully controlled, FB will no longer be the quiet small town it's always been. NO to box stores.	9/19/2020 7:56 AM

40	The city & citizens benefit from increased availability of goods & services.	9/19/2020 4:55 AM
41	I own a franchise business of tax preparation in Fort Bragg which you describe as a big box store. I employ 7 people and pay a living wage, provide benefits to them. My business also provides a vital service to our community residents and businesses. You really need to think about what you are doing.	9/18/2020 11:25 PM

44	None	9/18/2020 9:38 PM
45	Would prefer something useful. Grocery store is critical. No special tax breaks	9/18/2020 9:19 PM
46	i think business that keep money in the community should have priority; clothing, groceries, appliances, auto parts, home goods. we often travel outside the community, or shop on line for these things, and having this type of store here would be an asset overall, would add jobs, keep tax dollars here, and help the budget of our locals, if for no other reason than it saves them the gas money to go to ukiah. Chains that have to do with tourism (hotels and such) are not needed by locals, and i see no benefit.	9/18/2020 9:11 PM
47	I really don't like them..they make it hard for local businesses to compete..a friend stopped at Trader Joe's and they were selling a product for cheaper than he could buy wholesale....please ..no more..	9/18/2020 8:33 PM
48	.	9/18/2020 8:27 PM
49	The City needs to develop a public input plan for the citizens to decide what town it wants to be. Exactly what sort of outside businesses do they want that will meet that dream? Get professional support for designing the process and responses. Is there an overall plan for growth that is based on an evaluation of what businesses (types, revenues, clientele, etc.) that fit into that plan, not just what people want but the economic needs for running the City? How you are going to meet the ever-aggravating lack of housing for low and middle income renters and buyers. What is the City doing to address owners letting their buildings decay while charging high rents? Formula businesses do not solve city problems. That has been proven over and over again. What does or could Fort Bragg offer and advertise to lure in non-chain companies?	9/18/2020 8:26 PM
50	A row of fast food outlets along hwy 1 will not be a good look for Fort Bragg. It will detract when the old mill site comes on-line which is going to be the main attraction. Don't go there please.	9/18/2020 8:26 PM
51	I don't really want them in our community. If we are forced to have them here then they should be located way out of the main town, like Geo Aggregates or Matson's. Locations like those are my second choice, no locations at all are my first choice.	9/18/2020 8:08 PM
52	.	9/18/2020 6:17 PM
53	Dont cheapen the town with 'quick fix' bargain stores that are predatory corporations hiding in small towns the steal the ability of local business to thrive or even compete.	9/18/2020 5:59 PM
54	A small family owned department store like FB used to have 30 yrs ago would be nice to have again.....for basic kitchen/bath/bedroom stuff that is better quality than what RiteAid has to offer would be nic	9/18/2020 5:16 PM
55	BAD: Formula businesses can afford to leave any time - like Bank of America did, leaving their business customers hanging and leaving a big ugly building vacant on Main Street - they have no real roots in the community. Also, they probably won't populate the ghost town Franklin & Laurel Streets have become because the shop are too small. GOOD: Formula businesses are excellent sources of employment with benefits, which doesn't happen with Mom & Pops. Consumer savings happens, both in purchasing the goods and not having to travel to do so. They provide local revenue. MY TAKE: Logging and fishing are practically gone. Tourism can provide a good income to owners, but generally only low wages, with no benefits, for	9/18/2020 4:24 PM

employees, which isn't good. Please welcome formula business to our area so that our economy can flourish once again.

56	I understand the city needs revenue. Maintaining an environment that encourages small business is imp. to me. The aesthetics of the bldgs. also matters. I'd like more regulations to encourage an aesthetic, like Mendocino, that makes our town more appealing to tourists and us as well.	9/18/2020 3:13 PM
57	Your definition of Formula Business is pretty broad. I approve of some, but not all of the businesses that fall under that category moving into Fort Bragg. I think property here will be increasingly attractive as people want to escape firestorms and urban crowding. We can be choosy. I don't want us hastily adding businesses for short term gains, rather they enhance our vision of Fort Bragg moving forward, with eye towards conference and education centers (my hope), and less towards fast food and dollar stores.	9/18/2020 3:08 PM
58	Increases in employment opportunities, sales taxes, product variety, better customer service. No down side.	9/18/2020 3:03 PM
59	I believe if we make it easier for people to start and operate a small business in our town, then local families will provide we what need and want. People have told me that they come to Fort Bragg to get away from the rat race and same old same old stores. They come here for unique experiences. The locals can find MOST of what they need here. They just aren't looking. And they are of the opinion that things are higher here. It is true that you cannot get a pair of Walmart jeans for \$15 here but you can get a pair for \$27! A burger? Got it covered! House wares? There's quite a bit here! I think whatever shops were allowed here, people would still go out of town to shop because they would get tired of the same old kitchen rugs and tee shirts that the big box carries. The people who want those types of stores are going to be the people who moved here and realize they don't have the same access as they once did. But we locals enjoy a trip out of town every now and then. No matter what stores are here. and let's not forget about Amazon. That is already hurting our town. Why make it worse?	9/18/2020 2:53 PM
60	Trader Joe's helps communities. Most others, especially WalMart and Costco, bring communities down.	9/18/2020 2:12 PM
61	Getting the right businesses that we need here. We need affordable clothing and food.	9/18/2020 2:12 PM
62	Location and traffic -- put them where there aren't neighborhoods and where the streets can handle the traffic that will result.	9/18/2020 1:48 PM
63	I live between Fort Bragg and Willits and shop in Fort Bragg regularly (about 1/2 the time). Formula business is a necessary evil. It simply must be tolerated. The trick is to control it and leverage it to support a robust local business scene. Nowhere in North America is there a robust local business scene without also a robust formula business market in the community. The alternative is frequent on-line shopping.	9/18/2020 1:16 PM
64	It employs local folks and may offer retirement and healthcare which often small businesses cannot afford.	9/18/2020 1:10 PM
65	More fast(non pizza) food and affordable clothing and food shopping.	9/18/2020 12:05 PM
66	None	9/18/2020 11:42 AM
67	Recommendations of formula business should have location , size, and product regulations Also direct impact on other like businesses that may be affected. It seems reasonable as long as the right rules are in place.	9/18/2020 11:41 AM
68	Keep them out of Fort Bragg.	9/18/2020 11:13 AM
69	We need more stores here to provide the basic items that families and retired people need. It's crazy for us to have to drive Hwy. 20 every 2 wks to go to Walmart, Costco or Home Depot.	9/18/2020 11:05 AM
70	population is the problem for Formula business that coupled with on line sales make it difficult for them to make it	9/18/2020 11:00 AM
71	Fort Bragg has an opportunity to define itself. I believe that choosing the 'small town' feel of small businesses and carefully selected Formula Business that is designed with 'small town' aesthetic can help with the long-term survival of the town. Climate data suggests that the North Coast will continue to be a very appealing location for people to move here. There has to be some character for the town to appeal to new tax payers.	9/18/2020 10:39 AM

72	Work with West Co to encourage entrepreneurship; offer zero-fee business licenses for the first two years; any building vacant for more than six months incurs a fine as an incentive for building owners to reduce rent; subsidize/assist with first year's rent for new businesses. The city should be an internet service provider with free hi-speed to encourage more local businesses to work globally. Take a pro-active stance to encourage new businesses starting up in Fort Bragg.	9/18/2020 10:37 AM
73	These types of business should be seriously limited and should be constrained to businesses that offer services/products that are limited or non-existent here. Companies that can offer living wage jobs should be prioritized and solicited.	9/18/2020 10:08 AM
74	Formula businesses ruin the middle class opportunity for private business, ruin a culture of a town and perpetuate generic greed. Maybe the town can offer grants and incentives and for businesses other than Formula to grow.	9/18/2020 10:06 AM
75	i think some well placed formula business would be really great for our economy. and provide some much needed products & services which would keep money local. many people already go out of town to shop formula stores so not having them here won't necessarily take business from local business but it would increase our economy.	9/18/2020 9:19 AM
76	Competition for small business.	9/18/2020 8:57 AM
77	They take money out of the community. They hurt local business. They are ugly and run on a corporate mentality of exploitation. They create an ugly cookie cutter look for the town.	9/18/2020 8:36 AM
78	I believe we have enough of these businesses we do not need more cheap junk (food & plastic nick-nacks) It seems most of these businesses pay minimum wage, do not employ vast numbers of people & money goes out of town. We need to add more recycling type business - Terracycle; some type of office work hub. I love that we have some businesses here fixing small electronics. Promote getting some trade schools going (car repair, welding, nursing etc).	9/18/2020 8:26 AM
79	Formula businesses that are in competition with established local businesses should not be permitted at all.	9/18/2020 8:23 AM
80	They are necessary for a small town to survive, shop local and small stores is a great concept but if it were up to "local" entrepreneurs to keep services open the town and the outlying areas would suffer.	9/18/2020 8:18 AM
81	I think any discussions and/or meetings concerning this issue should involve the whole community, but most importantly, the business community	9/18/2020 8:10 AM
82	Putting mom and pop shops out of business. Ruining the look of Fort Bragg. This is a horrible idea	9/18/2020 8:02 AM
83	I think we shot ourselves in the foot by having restrictions on these types of businesses. In my view they are the same as Safeway, Rite Aid, CVS, etc	9/18/2020 7:43 AM
84	The type of stores we let in .For example we don't need anymore Mexican restaurants or pizza places. Lowes would be nice.winco or food max, target,costco	9/18/2020 7:42 AM
85	I understand that the city needs increased tax revenue but I am also concerned that Fort Bragg will become even more of a place that you drive through in order to get somewhere else. We lose our soul if we merely become a place of utility.	9/18/2020 7:37 AM
86	I think we should have a balance of Formula Businesses. Also keep in mind that there are a lot of family in this community who can't afford to shop at Safeway or Harvest.	9/18/2020 7:34 AM
87	Once we lose the unique character of a small town we become just another town on the road.	9/18/2020 7:28 AM
88	None	9/18/2020 6:55 AM
89	People visit Fort Bragg because it is unique: formula business is not unique and would detrimentally effect the overall character. Jobs are often minimum wage and would not boost the economy.	9/18/2020 6:28 AM
90	DO IT!	9/18/2020 5:53 AM
91	I'm 100% against LARGE box stores like Walmart, Target, etc. I'm ok with smaller stores like what we have: Dollar Store, O'Reilly's, Rite Aid, etc. I could be ok with more smaller stores like Trader Jo's, Grocery Outlet, etc.	9/18/2020 5:16 AM

92	I am concerned about the petty, provincial attitudes that foster sort of thinking and policies. I think if the city tries to restrict the business activities and decisions of out-of-town business owners or management the city will invite major lawsuits which will cripple the city economically.	9/18/2020 3:02 AM
93	THE CITY IS IN NEED OF BIGGER ENTITIES THAT CAN PROVIDE JOBS, TAX REVENUES, AND OPPORTUNITIES TO ATTRACT TOURIST/ CONSUMERS TO VISIT/LIVE IN FORT BRAGG. IT'S TIME THE CITY OF FORT BRAGG EXPAND AND EVOLVE AND BECOME A COMPLETIVE CITY THAT CAN ATTRACT FUTURE CITIZENS AND GROW.	9/18/2020 1:11 AM
94	Affordable clothing for all ages, household goods such as linens, kitchenware, bedding, formula businesses if local merchants can't provide affordable goods. Locally run and managed - responding to the needs of tastes of local communities, and not answering to corporate distant managers. Responsive to local needs. Aesthetically beautiful - not looking like South Fort Bragg along hiway 1. No big ugly rectangular buildings. Good salaries for local folks - hiring locally, Survey what people want to buy or eat. Why do they shop on Amazon or go out of town. Too much focus here on tourist items.	9/18/2020 12:21 AM
95	Box stores destroy local, family owned businesses	9/18/2020 12:03 AM
96	Keep them out of city center Carefully establish need Consider past successes/failures Impact on city image	9/17/2020 11:59 PM
97	I often find that Formula Business offers lesser quality products than a local business owner who cares about what they are making available to their community.	9/17/2020 11:32 PM
98	Large Formula stores drive the little guys out of business...that is part of their formula. We already have lost so many small businesses from Covid 19, do not allow more community loss by having big box or chain stores.	9/17/2020 11:25 PM
99	It would be really great to encourage more industries especially (more so than retail etc) that are centered around green/environmentally friendly practices and business models, to encourage the growth of our town as a leader in the move towards a greener planet. Tourists with money down in the Bay Area will eat that up as well, and our tourism and related industries will also benefit from it.	9/17/2020 11:18 PM
100	That any formula business be one that has just employment practices, such as \$15/hr minimum starting pay	9/17/2020 11:15 PM
101	I worry about them putting local business out of business. We don't need more vacant buildings. Example would be auto zone. No need for it.	9/17/2020 11:09 PM
102	They drive out local businesses that can't compete, they tarnish the character of our small community, their signage is huge, overstated, and ugly (e.g. Motel 6), they send \$\$\$ out of the area and line corporate pockets, the quality of their products and services is average at best, and they lack a tether and commitment to the community	9/17/2020 10:25 PM
103	Put them all in one shopping center.	9/17/2020 10:24 PM
104	I do not want Fort Bragg to take on appearance of southern Eureka with big box stores in strip malls. Smaller brick and mortar, in fill development could be considered, but not preferred. I'd strongly recommend big box that isnt repetitive (ie, more auto part stores) and does not compete with locally owned like grocery stores (one big box grocery is enough). I moved here 3 years ago from downtown Sacramento. I do not miss the big box stores like Target, Trader Joe's, or Costco AND I do not miss the low-paying lackluster chain restaurants. Let's find opportunities to establish and support more locally- owned businesses. Residents and tourists alike appreciate our small town with unique stores and restaurants.	9/17/2020 10:18 PM
105	Please be careful to study the need, if there is a family business that provides the same thing then we don't need it. Also please keep it on the east side of town away from the old part of town. There's plenty of room away from the scenic areas.	9/17/2020 10:15 PM
106	None.	9/17/2020 10:03 PM
107	Box stores will kill local businesses but its already happening. Its possible some large box stores will make it more desirable to actually live here and not just vacation here.	9/17/2020 10:03 PM
108	They take away from the small town charm. And you won't find employees because employees can't find housing! So many jobs on the coast and no housing. I suggest dealing	9/17/2020 9:45 PM

with our insane housing crisis prior to letting corporations come in.

109	They should be much more heavily taxed if they are present at all, not allowed down town, and not allowed on the coast. Maybe 1/4 mile back.	9/17/2020 9:36 PM
110	I think there should be more formula business in town	9/17/2020 9:35 PM
111	Small business owners cannot compete with the big box stores. It is simple. Please keep them OUT of our beautiful town.	9/17/2020 9:33 PM
112	I'm all for it	9/17/2020 9:30 PM
113	Town is too small so I doubt a big store would stay then we would have a huge big box empty	9/17/2020 9:24 PM
114	We do not need any big box stores in our little town.	9/17/2020 9:17 PM
115	Small business are already struggling. Bringing in these business would kill the dream and those who already own small business.	9/17/2020 9:12 PM
116	I really think Fort Bragg will do better with small businesses owned by local people. I don't see any benefit to increasing formula businesses in Fort Bragg.	9/17/2020 9:08 PM
117	Millions of dollars are leaving Fort Bragg each year because people travel out of town to shop where there is more competition and larger selection from the bigger businesses. If Fort Bragg doesn't take the step to include these businesses in the future Fort Bragg's economy will have no where to go but down.	9/17/2020 9:04 PM
118	I prefer no big box stores in fort Bragg.	9/17/2020 9:02 PM
119	Drives out Mom and Pops. They are able to purchase at lower rates than someone trying to start a business, therefor are able to "sell" at lower prices than the individual owner/entrepanuer. NO comparable competition. Apples and oranges. Above all, Quit building on the West side of the highway, our ocean and access and visuals are the GOLD we have going for us! DO NOT DESTROY IT, just for tax revenue. And if you want to be REAL, we do NOT have Resources for them and what it brings. We have Limited Water, limited Land space! Fill up ALL THE EXISTING BUILDINGS!! Tax landlords for having EMPTY BUILDINGS and have affordable access to funding for Upgrades.	9/17/2020 8:54 PM
120	that they not take over the downtown, take over the scenic views and send local money out of the area. Small business owners support local schools and projects. Big business does not. IE I would hate to see a chain store with socks move in and shut pippis down or a chain book stoer that would shut Windsong and The Bookstore. A starbucks or Peets would kill Headlands.	9/17/2020 8:51 PM
121	Please do not bring any discount or cheap stores.	9/17/2020 8:50 PM
122	Fort Bragg has character because of its mom and pop stores, restaurants. Chain places are tacky and usually not that great of quality.	9/17/2020 8:45 PM
123	Having replica business that take away from local mom and pops. The walmart effect.	9/17/2020 8:42 PM
124	I don't feel we have the population currently to support the already extant and struggling local businesses. Bringing chain businesses in will kill local income streams, and therefore local spending power. They will eventually result in the look and actuality of a ghost town, a shell of a "quaint" retirement community without local commerce. Then there will just be piles of empty decaying buildings falling down around the place where businesses once stood.	9/17/2020 8:36 PM
125	Not make it so boiler plate that the decisions cannot be made case by case	9/17/2020 8:36 PM
126	Formula businesses tend to be "lowest common denominator". businesses, taking income from small local businesses and paying minimum wage.Lessens local autonomy.	9/17/2020 8:35 PM
127	It's a disservice to low income residents to continue to resist some box stores. They will actually create jobs and allow residents to shop locally instead of traveling to Ukiah or Santa Rosa for basic essentials like affordable clothing.	9/17/2020 8:34 PM
128	We need more affordable options for clothing and services/groceries. Many older people on fixed income can't go out of town to shop and get affordable items.	9/17/2020 8:25 PM
129	I would like to see more formula businesses in town. They would increase jobs and revenue for the city and provide goods and services that we normally have to go to Ukiah for. I think some	9/17/2020 8:18 PM

	larger "box stores" would benefit the locals and help build the town into a thriving community.	
130	N/a	9/17/2020 7:49 PM
131	Recommendation: Grocery Outlet WITH THE REQUIREMENT THAT A LARGE PERCENTAGE OF MERCHANDISE BE ORGANIC	9/17/2020 7:42 PM
132	Question 4 needed an "all of the above" option.	9/17/2020 7:37 PM
133	I have been here in FB for twenty five years and in my opinion is a dying town. No more worthwhile industry meaning no good employment only tourism and retirees spend money here because no one else has any money.	9/17/2020 7:28 PM
134	In order to maintain the integrity of our small town charm and support tourism as an income generator, location of formula business should stay off of Hwy 1. Hwy 1, especially on the southern part of town, is not very pretty and would only be less so with more formula businesses located along it.	9/17/2020 7:20 PM
135	If we already have a good representation of a class of business don't allow more in just for tax revenue. ie Auto supply stores, coffee shops. We need clothing stores	9/17/2020 7:19 PM
136	How many formula business are there in fort bragg? What have current formula businesses contributed to FB	9/17/2020 7:18 PM
137	No Formula Business	9/17/2020 7:18 PM
138	Box business owners locate based on formulas. Some are followers so you get common groups of chain establishments that we see in many towns. Let's avoid allowing those groupings. We do need some chains that don't want us so make the rules tight and costs high but consider incentives for those we need. Also, focus on infill not sprawl.	9/17/2020 7:16 PM
139	All the empty small shops in town are doing no one any good and keeping Formula Businesses out isn't going to fix it. However, we can keep them out and people are sending their money and tax revenue to other cities and counties because they need the options for resources. Many Formula Businesses offer employees benefits that most small business cannot. My opinion may not be the popular opinion in your survey, but it would mean more revenue and jobs for our community in addition to people not having to travel out of the area or go online to shop to meet family needs.	9/17/2020 7:07 PM
140	If we already have the business here, like the auto parts stores, then we should NOT have a formula business. But if we could use the business, like a Jiffy Lube, then that might be a good idea.	9/17/2020 7:02 PM
141	Please please please please don't allow Formula businesses in Fort Bragg. Small businesses are already struggling and cant compete. Corporations only care about the bottom line (\$) not the community or employees, and they suck precious \$\$\$ out of the local economy...there are tons of legitimate studies you can find about that.	9/17/2020 6:58 PM
142	If there's already a good option on the coast, don't allow allow store to put local stores out of business. EG Costco yes bc there's no bulk buy store here. Home Depot no bc Lival hardware and nurseries carry everything locally	9/17/2020 6:56 PM
143	I'm generally against the idea. However, chains like Costco provide great compensation and benefits for their employees and fort bragg does need jobs. It's more complicated than I can put on a survey. But these are my first responses. Thanks for your time.	9/17/2020 6:55 PM
144	I believe it's inevitable, and there are pros and cons to that. They're coming. COVID is rapidly accelerating the process. Best to ensure it's done as well as possible for current residents.	9/17/2020 6:54 PM
145	Would like a Trader Joes.	9/17/2020 6:50 PM
146	I would like to see Formula Business severely limited in Fort Bragg. The city should invest in a business plan that encourages individuality and employment opportunities. Businesses such as retirement communities (NOT Formula) would bring income and employmet into Fort Bragg	9/17/2020 6:49 PM
147	A little late - a formula business ordinance isn't really necessary if you have huge commercial vacancies - like what currently exists in the downtown. Further, COVID-19 may have further fundamentally and perhaps permanently disrupted the brick and mortar retail model.	9/17/2020 6:48 PM
148	We need competition and product selection, we shouldn't have to go to Amazon for everything	9/17/2020 6:48 PM

because it isn't available locally...

149	I love to see small, local businesses thrive. This is important to keep our community vibrant and thriving. No more taco bells, macdonald's. We have a Safeway, no more formula groceries. Not even Trader Joe's, that I love. Support Mara's coffee shop (sadly, gone now), and Headlands. We have formula hardware stores that serve the community well right now. No need for more.	9/17/2020 6:46 PM
150	If formula businesses are allowed, they should not be in the downtown area. Should be located on the outskirts. Claremont is a California town which has done it right. No fast food, chains, or big box stores in the downtown. They also put in a multistory parking lot, so downtown shoppers could walk in the downtown area. Town layout a great success.	9/17/2020 6:44 PM
151	My biggest concern is giving priority to Fort Bragg area residents in terms of income generation. So franchises are preferable to other corporate owned businesses.	9/17/2020 6:44 PM
152	There is no need for them. The City Council should spend its time helping small local businesses. It shouldn't allow generic strip malls.	9/17/2020 6:40 PM
153	Keep them out of the downtown business district.	9/17/2020 6:31 PM
154	The time has come for FB to recognize its unique character. FB looks like a town that sold out to business interests at the expense of quality of life. Formula businesses would further erode the possibility of FB ever being something other than the ugly step sister to Mendocino.	9/17/2020 6:25 PM
155	Keep it to a well PLANNED minimum. Thank you	9/17/2020 6:20 PM
156	I believe many of those opposing formula businesses are not considering the benefits to many of our low income residents with lower pricing, less driving, more employment. I believe part time employment is better than no employment. I also don't believe it is appropriate to judge the "quality of the products"; that for those spending their disposable income to determine.	9/17/2020 6:12 PM
157	They make Fort Bragg look just like every other town that has formula businesses. Fort Bragg has its own history and its own special character and it should be capitalizing on that, and not being just another town that has Big Mac's.	9/17/2020 6:00 PM
158	small business is the engine that runs America, small business is what strengthens communities and builds communication, small business is responsive to the community - Formula Business: NOT!!	9/17/2020 5:57 PM
159	I would love more fast food, but better quality. NO MORE Mexican or Pizza!!!! Taco Bell is terrible, I wish they would leave and someone else could use their building. Subway is great! Fast food places are a good way for our young people to get some training and good working skills. I shop out of town almost every weekend, for my business. I also hate amazon, won't rather pay more and buy local. Maybe a Popeye's, or Arby's or a Panda Express. Fast food places are less \$\$\$\$ then our local restaurants their good, but expensive for us local's and out of town families with 2 or 3 kids. On a busy weekend we don't have enough cheaper places for folks to eat, I miss Capn't Flints!! Always took family visiting to Flints, great location and great food for our budget! Thank You!	9/17/2020 5:44 PM
160	I realize they can't be Banned Outright, but I hope the City Council can see just how detrimental to the City they are. We already have too many Formula Business in town. Along Highway One, this City is already looking like any strip mall small town, it desperately needs more Character and yes, Charm, not the Sterile Blandness of Formula Businesses.	9/17/2020 5:36 PM
161	Concern: unfair competition for locally owned business	9/17/2020 5:25 PM
162	Aesthetics are more important in planning than the attention they have been given here in the past. I hope you will consider the historical architecture in Fort Bragg and require new businesses to build or remodel to complement that look, regardless of location or whether they are a formula store or not. The hodgepodge of styles allowed in the past is jarring and very unattractive, particularly the approach into town along South Main Street, including the recent addition of Taco Bell. Formula businesses have been required to adhere to strict visual standards in other municipalities and they have complied while still making their businesses recognizable with logos and color. It can be done here if there is a desire to respect what we have and create a true vision for Fort Bragg.	9/17/2020 4:57 PM
163	Let them in we need a variety, more employment, better prices, we are to restrictive because of local businesses, they said Starbucks would take away from local coffee shops that didn't	9/17/2020 4:00 PM

	happen!	
164	They take money out of the community and give back very little. Just not worth it.	9/17/2020 3:38 PM
165	We need jobs and more choices. The City needs revenue as we are the economic hub of the north coast area.	9/17/2020 3:14 PM
166	Formula businesses do not add to the value and character of our town. If anything, they detract from the feel of our community as well as take money away from our city.	9/17/2020 3:03 PM
167	I do not think that FBs entirely require a devil's bargain as they are a success for a reason. Local shops can become arrogant due to limited alternative. The balance may be tough and it may not be possible to please everyone, but I think if the decision is informed with a long-term look to the future and what is best for the residents / economy / community, the best decision may be made.	9/17/2020 3:01 PM
168	The potential pool of customers is limited....formula businesses do affect existing (and just closed) businesses lacking economic reserves. How to support those who live here? I see the internet as the major source of competition.	9/17/2020 2:59 PM
169	Keep them on the outskirts, or in the boatyard. Don't block the ocean view. keep small town character.	9/17/2020 2:59 PM
170	I prefer to shop local, but I'm pretty atypical in how strict I try to be in my personal and business purchasing power. I'm answering solely from a personal point of view. Formula business should be permitted if it's the only way for us to obtain that item/service in our community. Many will drive to Ukiah/Santa Rosa to get formula experience. So if they have to leave the County, I am supportive (put it in Ukiah, LOL).	9/17/2020 2:57 PM
171	Do NOT let the "Not in my backyard", "Trust Fund Babies" types win. We DESPERATELY need business here. We NEED competition here. PLEASE be business friendly. I wholeheartedly did not want to answer question 5 because I do NOT want the City to strengthen the permitting process. If the City strengthens the permitting process, it will make this town even MORE ANTI-business. The City needs to be PRO-business.	9/17/2020 2:53 PM
172	My concern is that they would purposely undercut locally owned businesses until they were forced out of business. Then they raise their prices (known as the Walmart model). My other concern is that too many would destroy the small town charm of our coastal community and make it look like every other town USA. Most formula businesses pay minimum-wage and all their profits leave the community and that's a big problem.	9/17/2020 2:52 PM
173	The city should welcome any business that wants to come to Fort Bragg. The government should not control the outcomes of business's or say there are to many coffee shops that is the consumers job.	9/17/2020 2:51 PM

175	We can't allow big business to squeeze out small businesses here who are already struggling to hire and maintain local staff.	9/17/2020 2:48 PM
176	We need a TARGET with a grocery store. More upscale than Walmart. Plus they have clothing and we would save more on ordering from Amazon. We need more fast foot restaurants too people are on the go and only have two is not good for such a busy town.	9/17/2020 2:46 PM
177	I urge the city to not avoid formula businesses that require more than a certain sq footage (to be determined by the city)	9/17/2020 2:45 PM
178	We live in Fort Bragg because it's different than other places. Keep the corporations out. Be like Arcata, not like Eureka.	9/17/2020 2:35 PM
179	Concerned about competition with local businesses; these Formula Businesses should focus on a business that isn't already represented by a local business (for example, we have plenty of grocery stores, pharmacies, hardware and auto parts stores, but very few options for mid-range clothing or home decor or electronics). The Formula Business should add to what's available, not compete with what already exists.	9/17/2020 2:27 PM
180	The bad outweighs the good. Support local businesses.	9/17/2020 2:07 PM
181	Many tourists want to shop/eat where they know what to expect. I do not think adding formula businesses will detract from the character of the town as long as they are not rampant. They	9/17/2020 2:04 PM

are also more likely to survive a downturn in the economy than the small mom and pop shops. Product costs are very high here, and i think more competition will benefit the residents.

182	big corporate chains take away opportunities from local entrepreneurs, by undercutting them on price. They also make the city look like any other place. There is no character to formula business. Having some, like we already do, is fine. The city has enough fast food chains, and one starbucks is more than enough. The big banks are already here. We don't need any big box hardware stores or grocery stores and there are plenty of automotive supply places. Things like basic clothing and household goods would never sell in volume to justify a target or coles type department store.	9/17/2020 2:04 PM
183	Many formula businesses are locally owned.	9/17/2020 2:03 PM
184	Because of Covid-19, Formula businesses are going to have an advantage over mom & pop startups so there probably is a temptation to lean toward them for tax dollars.	9/17/2020 1:59 PM
185	Just be fair about it! we could use more businesses in this town that will help the economy. I also feel some sort of Aquarium on the GP land would be a great attraction.	9/17/2020 1:55 PM
186	We're already starting to look like Bakersfield By The Sea...One more corporate sign and we might a well live in Fresno	9/17/2020 1:55 PM
187	I think COFB need to listen to local entrepreneurs who are interested in being part of a local economy and make it easier for them to start and maintain businesses. including cooperative ventures and social enterprise options.	9/17/2020 1:54 PM
188	We need industry to create jobs - use GP land to bring in a manufacturer or two	9/17/2020 1:54 PM
189	Most expansive regulation possible but also regulations that meet applicable legal requirements, which are stringent. No outright bans but very strict limits. Formula gas stations and professional services are acceptable. Some formula restaurants and lodging are fine too but limits on formula retail are the key.	9/17/2020 1:49 PM
190	hope to bring in enough money to city to improve streets that look like surface of the moon ;-)	9/17/2020 1:48 PM
191	As the town's welcome mat, Main Street/Highway 1 sets the tone and atmosphere for both visitors and locals. Box stores along that main drag would give the impression of just another no-personality, depressing sameness.	9/17/2020 1:48 PM
192	Don't allow big box stores they will kill our mom and pop shops	9/17/2020 1:42 PM
193	A regionally based formula store that fills a void in current offerings would be preferable to a national chain/formula business.	9/17/2020 1:42 PM
194	If a formula business is interested in coming to our community, we should work with them to understand the benefit to our area and the demand for what they offer. We should come from a view of being inviting and saying yes, instead of NIMBY and no, no, no. Some formula businesses could be a huge benefit to our area for locals and tourists. The drawback is for local existing businesses, but many are failing because of the current restrictions. Having deeper corporate pockets may enable businesses and services to increase their sustainability during tough times, providing reliable employment opportunities and increased business tax revenue. Perhaps a workforce housing requirement could be added, which would also help with our housing crisis.	9/17/2020 1:42 PM
195	Must provide service or product not currently available	9/17/2020 1:41 PM
196	Squashing the smaller local businesses	9/17/2020 1:35 PM
197	We're a small town, and we don't need big box stores here. If they can't use an empty that all ready exists, there are to many empty store fronts already.di you want more.	9/17/2020 1:33 PM
198	They all can bend to conform to our architecture and signs and general appearance. We should maintain our character!	9/17/2020 1:33 PM
199	this town will die if it does not grow. We lost a Kmart due to politics as the county lost costco and Ukiah city gets all the sales tax.	9/17/2020 1:33 PM
200	We depend on tourism. A big appeal of our little town is that is does NOT look like every other town! It is critical we keep our small town charm to keep the tourists coming. Although Formula Businesses might provide employment, the profits go to corporations and not our	9/17/2020 1:30 PM

locally owned businesses, which are likely to suffer, and to their employees. Any allowed should be kept out of the downtown district for certain, quantity should be limited, and only those that will increase employment opportunities (at fair wages!) & provide services that are currently lacking here should be permitted.

201	My biggest concern is that people who don't live in the city limits of Fort Bragg are the ones driving the opposition to formula businesses and the ones who live in Fort Bragg mostly aren't as engaged and probably wouldn't care as much.	9/17/2020 1:25 PM
202	Allow them with free reign in some part of town. Probably the south part where they already are. Concentrate them to one area, and exclude them from the rest of town.	9/17/2020 1:24 PM
