7. PUBLIC HEARING

8. CONDUCT OF BUSINESS

8A. [19-352](#) Receive Report and Consider Adoption of City Council Resolution for the Submittal of a Statewide Park Development and Community Revitalization Program Grant Application for Phase II Bainbridge Park Improvements

Councilmember Morsell-Haye recused herself from hearing Item 8A because she lives in an area adjacent to Bainbridge Park, and Item 8B due to a conflict of interest as a local business owner. She left the chamber at 7:14 PM.

Public Works Manager Perkins presented the staff report on this agenda item and noted the recent addition of a new suggestion for installation of a poured-surface soccer field to be included in the plan for the second phase of the Bainbridge Park Improvement Plan, in place of the previously considered petanque court. He responded to questions from Councilmembers regarding the poured surface, maintenance requirements, graffiti removal, drainage issues and location of the pavilion.

Public Comment was received from:

- Kathy Silva asked the Council to visit the site with a tape measure to determine the size of the space where the pavilion will be placed. She would like the style of improvements to respect the architecture that is already there in the park.
- Juan Estrada and Richard Garcia presented their plan for how a new soccer field would look, noting that it will help bring soccer back to Fort Bragg and provide a place for local children to play and be involved in a positive activity which will help them stay out of trouble.
- Jacky Ayala spoke in support of a soccer field at the park, stating it will be an investment for the community to help with the gang situation. She said soccer has positive energy and is a family sport.
- Tammy Davis recommended that all decisions should consider the ecological landscape.
- Gabriel Quinn Maroney noted that wood chips are difficult for people in wheelchairs to navigate and having a poured-surface soccer field makes sense.

Discussion: After much discussion the Council consensus was in favor of installing a poured-surface soccer field instead of a petanque court. Staff was directed to submit the application and include a poured surface for both the playground and a soccer field.

A motion was made by Vice Mayor Norvell, seconded by Councilmember Peters, that this Resolution be adopted. The motion carried by the following vote:

Aye: 4 - Mayor Lee, Vice Mayor Norvell, Councilmember Albin-Smith and Councilmember Peters

Recuse: 1 - Councilmember Morsell-Haye

City Manager Miller summarized the staff report and responded to questions from Councilmembers.

Public Comment: None.

Discussion: Council comments were divided on this subject, with some members objecting to the wording of the ordinance and voicing concerns about how it would affect poor people, and other members stating that this would offer police personnel another tool for dealing with nuisance vehicles in town.

A motion was made by Vice Mayor Norvell, seconded by Councilmember Peters, that this Ordinance be introduced. The motion carried by the following vote:

Aye: 3 - Mayor Lee, Vice Mayor Norvell and Councilmember Peters

No: 2 - Councilmember Albin-Smith and Councilmember Morsell-Haye
