Approve Scope of Work for Request for Proposals from Qualified Consulting Firms for On-Call Grant Writing Services

The City of Fort Bragg is seeking proposals from qualified candidates interested in contracting with the City of Fort Bragg to provide on-call grant writing, grant management, and technical grant assistance for federal, state, local, emergency and private grant programs for selected priority capital projects. The Public Works Department has identified at least four un-funded capital projects that have potential for grant competitiveness in water, sewer, cv starr, facilities, and streets categories and fund sources to cover approximately \$15,000 per project for grant writing services.
