Adopt City Council/Municipal Improvement District Resolution Accepting the Certificate of Completion for the Wastewater Treatment Plant Upgrade Project, City Project No. 2018-01, and Directing City Clerk to File Notice of Completion

On May 14, 2018, the Fort Bragg City Council and Municipal Improvement District Board awarded a contract to Wahlund Construction, Inc. for the Wastewater Treatment Plant Upgrade Project, City Project No. 2018-01 (Project). The project involved upgrades to the City's wastewater treatment facility. The work has been completed and Director of Public Works John Smith signed the Certificate of Completion on December 8, 2020, certifying that all work has been performed to the specifications in the bid documents. The project was completed within the project budget approved by the City Council. The upgraded wastewater treatment plant is online and serving the public.

Following acceptance of the Certificate of Completion by the City Council, the City Clerk will file a Notice of Completion with the County Recorder.
