Adopt Municipal Improvement District Resolution Approving an Amendment to the Professional Services Agreement with HDR, Inc. to Provide Engineering Services During Construction for the Wastewater Treatment Plant Upgrade Project, City Project No. 2018-01, and Authorize District Manager to Execute Amendment (Amount of Increase Not to Exceed \$46,266; Total Amount of Contract Not to Exceed \$1,008,259; Account No. 716-7001-0731)

The Wastewater Treatment Plant Upgrade Project is nearing completion, scheduled for March of 2020. We currently have approximately \$1.2 million in contingency balance. The majority of the high-risk excavations have been completed, which minimizes the potential use of those funds. Therefore, we have identified additional improvements and replacement of equipment that will remain at the Treatment Plant to provide better services for the community. This Sixth Amendment to the contract with HDR, Inc. will provide engineering services for these additional improvements.
