### Monthly Oral Update Regarding Implementation of Central Business District Economic Development Strategy

City Council held two special meetings to consider the topic of economic development - March 1 and March 16, 2021. Over the course of these meetings, several potential investments were discussed regarding how the City might best invest resources to support the Central Business District (CBD). The Community Development Committee reviewed these economic development tools, and assigned them to various Council Committees for further consideration.

A monthly implementation update will be provided to the Community Development Committee.
