Adopt City Council Resolution Approving Contract with Fort Bragg Electric for the School Zone Radar Speed Sign Replacement Project and Authorizing City Manager to Execute Same (Amount Not To Exceed \$49,837.00, Account No. 110-4840-0319)

In early 2022, City staff sought proposals for the Small Streets Project to replace the radar speed signs in school zones. Proposals were requested from five local contractors through an informal bid procedure. A responsive bid from Fort Bragg Electric was received for the provision of materials, equipment and labor for the completion of the Signs Replacement. Funds budgeted in Fiscal Year 2021/22 are recommended for roll-over to the current fiscal year to cover these costs.
