Adopt Resolution of Fort Bragg City Council Authorizing an Application for Grant Funding by the Bureau of Reclamation's WaterSMART Planning and Project Design FY 2024 for the Water Storage Resilience Project (Reservoir Project, Project WTR-00024)

The Bureau of Reclamation's WaterSMART Program is offering financial assistance in the form of grant funding that will require a 50% match. The City has submitted an application for funding for the Reservoir Project to cover an estimated \$470,000 in design costs, which requires a City Council Resolution in support of the application. If awarded, the program will provide \$235,000, which the City will match.
