Authorize Mural for the Restroom in the Cypress Street Parking Lot at Noyo Headlands Park

In April of 2016, City Council approved a mural design for the Noyo Headlands Park restroom located adjacent to the Waste Water Treatment Facility (WWTF). The mural is funded by a grant from the A.D. Abramson Visual Arts Award which is administered by the Mendocino Community Foundation. The artist for the project, Janet Self, has requested authorization to complete an additional mural on the restroom located at the Cypress Street Parking lot at no additional cost. The mural design explores the ocean current and layers in wave patterns that wrap around the restrooms. The attached exhibit illustrates the conceptual design, which includes embedded glass mosaic and paint to give a feeling of moving ocean currents. The artist has started the mural at the WWTF and will complete both murals this summer, if Council authorization is received.
